 Drawn from Lee Strobel's own experiences as a former atheist engaged in a thorough search for truth, the articles and notes throughout *The Case for Christ Study Bible* provide a solid explanation of where the historical and scientific evidence point toward the existence of a compassionate Creator God and his Son, Jesus, the Savior. *The Case for Christ Study Bible* features more than 500 notes and articles, including: A.) *The Case for a Creator: highlighting the wonders of creation and demonstrating how the scientific evidence supports belief in an all-powerful Creator.* B.) *The Case for the Bible: exploring the character of the Bible, the extra-biblical evidence that corroborates scripture, and apparent contradictions.* C.) *The Case for Christ: investigating Jesus' claims, Messianic identity, deity, and resurrection.* D.) And much more. *The Good News of the Gospel* transformed the life of this former atheist. It can do the same for others who commit to examining the evidence for themselves.
