A journey into Minecraft's past reunites Gameknight999 with old enemies. Trapped one hundred years in Minecraft's past, Gameknight999 struggles to keep his real identity a secret from the villagers of long ago, all while preparing them for battle. Herobrine's forces are getting closer every day, advancing across the Overworld and leaving a path of destruction in their wake. Furious at Gameknight's unexpected meddling, the evil virus takes revenge, creating the terrifying shadow-crafters. He gives these strange NPCs of darkness the power to build super-monsters, servants of Herobrine that are meaner, stronger, and more dangerous than anything Minecraft has ever seen before. As casualties mount, it's clear that every last bit of the villagers' strength and bravery will be tested before the dust settles. Even worse, in the heat of battle the User-that-is-not-a-user will come face to face with Herobrine's most terrible creation, a monster from his nightmares he thought he would never have to face again... Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

### An Introduction to the Industry Del Rey

On their trip, Steve and his friends meet other treasure hunters who are also searching for Mine Mountain. As the group joins forces with their new treasure hunter friends, creepers attack them. The closer they get to the famed mine, the more the creepers appear. Is this the work of a griefer? Or are the creepers trying to hide something else?

Explore the mega-dungeon of Undermountain in this adventure for the world's greatest roleplaying game. In the city of Waterdeep rests a tavern called the Yawning Portal, named after the gaping pit in its common room. At the bottom of this crumbling shaft is a labyrinthine dungeon shunned by all but the most daring adventurers. Known as Undermountain, this dungeon is the domain of the mad wizard Halaster Blackcloak. Long has the Mad Mage dwelt in these forlorn depths, seeding his lair with monsters, traps, and mysteries—to what end is a constant source of speculation and concern.

- The follow up to Waterdeep: Dragon Heist, Dungeon of the Mad Mage takes adventurers deep into one of D&D's biggest dungeons. Each of Undermountain's twenty-three levels is an adventure setting unto itself, and the book includes a map for each one.
- Waterdeep, known as the City of Splendors, is one of D&D's most iconic locations. Also the setting for the board game Lords of Waterdeep, it's the jewel of the Sword Coast—a sprawling melting pot held together by firm laws and swift justice.
- Dungeon of the Mad Mage is the second of two Dungeons & Dragons books set in Waterdeep. It picks up where the first, Dragon Heist, leaves off, taking characters of 5th level or higher all the way to 20th level.
- In D&D, you and your friends coauthor your own legend. Guided by a Dungeon Master, you create characters and play their roles in a story, rolling dice and navigating maps as you unfold a tale as limitless as your imagination.
- Dungeons & Dragons is the world's greatest roleplaying game. Created in 1974, D&D transformed gaming culture by blending traditional fantasy with miniatures and wargaming.
