*Becoming the  
Dark Prince: A  
Stalking Jack  
the Ripper  
Novella*  
Sourcebooks,  
Inc.  
The much-

anticipated  
finale to Amie  
Kaufman's  
epic middle-  
grade trilogy  
Though  
Anders and  
his friends  
have delayed  
a war between  
the ice wolves  
and scorch  
dragons, their

mission isn't  
over. With  
adults on both  
sides looking  
for them,  
they've  
sought refuge  
in  
Cloudhaven, a  
forbidden  
stronghold  
created by the  
first

dragonsmiths. The ancient text covering Cloudhaven's walls could be the key to saving their home -- if only the young elementals could decipher it. To make matters worse, Holbard is in ruins and its citizens are reeling. Many have been forced into bleak camps outside the city, and food is running short. To rebuild Vallen, Anders, Rayna, and their allies must find a way to unite humans, ice

wolves, and scorch dragons before they lose their last chance. In the final book of international bestselling author Amie Kaufman's sensational adventure series, Anders and Rayna must put everything on the line -- and the price of peace may hit closer to home than they could've ever imagined. AWARDS Shortlisted - 2021 Sara Douglass Book Series Award PRAISE FOR SCORCH

DRAGONS: 'I found a satisfying fantasy world like none I have read before - one in which dragons and wolves take human form and have magical powers. One of the strengths of this book is the exploration of the idea that truth is a matter of perspective - that there are two (or more) sides to every story. There is no clear enemy, the conflict arises from the tension between the

dragons and the wolves, and the reader can empathise with both sides, even though many of the adults in the story cannot ... This is a great book for middle-grade readers 8-12.' - Reading Time PRAISE FOR ICE WOLVES: 'An engaging world and cliffhanger ending leave readers wanting more' -- Kirkus, starred review 'Engaging to the end' -- Books+Publishing 'you'll wind up on

the edge of your seat, unable to put it down' -- New York Times bestseller Meagan Spooner 'A thrilling, nonstop adventure' -- New York Times bestseller Shannon Messenger The Body Electric Harper Collins New York Times bestselling author Meagan Spooner spins a thoroughly thrilling Beauty and the Beast story for the modern age,

expertly woven with spellbinding romance, intrigue, and suspense that readers won't soon be able to forget. Beauty knows the Beast's forest in her bones—and in her blood. After all, her father is the only hunter who's ever come close to discovering its secrets. So when her father loses his fortune and moves Yeva and her sisters out of their comfortable home among the aristocracy

and back to the outskirts of town, Yeva is secretly relieved. Out in the wilderness, there's no pressure to make idle chatter with vapid baronesses... or to submit to marrying a wealthy gentleman. But Yeva's father's misfortune may have cost him his mind, and when he goes missing in the woods, Yeva sets her sights on one prey: the creature he'd been obsessively tracking just

before his disappearance. The Beast. Deaf to her sisters' protests, Yeva hunts this strange creature back into his own territory—a cursed valley, a ruined castle, and a world of magical creatures that Yeva's only heard about in fairy tales. A world that can bring her ruin, or salvation. Who will survive: the Beauty, or the Beast?

From master storyteller Melina Marchetta comes an exhilarating new fantasy springing from her celebrated epic, *Finnikin of the Rock*. Three years after the curse

on Lumatere was lifted, Froi has found his home . . . or so he believes.

Fiercely loyal to the Queen and Finnikin, Froi has been taken roughly and lovingly in hand by the Guard sworn to protect the royal family, and has learned to control his quick temper with a warrior's discipline. But when he is sent on a secretive mission to the kingdom of Charyn, nothing could have prepared him for what

he finds in its surreal royal court. Soon he must unravel both the dark bonds of kinship and the mysteries of a half-mad princess in this barren and mysterious place. It is in Charyn that he will discover there is a song sleeping in his blood . . . and though Froi would rather not, the time has come to listen. Ignite the Stars Forever The New York Times bestselling author of On Dublin Street

is back with the first in a sexy new romance series set in a small town on the Delaware coastline. Welcome to Hartwell, a quiet seaside escape where uncovering old secrets could lead one woman to discover the meaning of a love that lasts... While Doctor Jessica Huntington engages with the inmates at the women's correctional facility where she works, she's always careful to avoid emotional

attachments in her personal life. Loss and betrayal taught her that lesson long ago. But when she comes across a set of old love letters in the prison's library and visits the picturesque town of Hartwell to deliver them to their intended recipient, she finds herself unable to resist the town's charm—and her attraction to the sexy owner of a local bar proves equally

hard to deny. Since his divorce from his unfaithful ex-wife, Cooper Lawson has focused on what really matters: his family and the boardwalk pub they've owned for generations. But the first time Jessica steps into his bar, Cooper is beyond tempted to risk his heart on her. Yet as their attraction grows hotter and Jessica remains stubbornly closed off, he begins to realize it will

take more than just passion to convince her there's only one real thing in life worth fighting for.... The One Real Thing Knopf Books for Young Readers NEW YORK TIMES BESTSELLING SERIES • Our heroes are back . . . kind of. From the bestselling co-authors of the Illuminae Files comes the second book in the epic Aurora Cycle series about a squad of misfits, losers, and discipline cases who just

might be the galaxy's best hope for survival. First, the bad news: an ancient evil--you know, your standard consume-all-life-in-the-galaxy deal--is about to be unleashed. The good news? Squad 312 is standing by to save the day. They've just got to take care of a few small distractions first. Like the clan of gremps who'd like to rearrange their favorite faces. And the cadre of illegit

GIA agents with creepy flowers where their eyes used to be, who'll stop at nothing to get their hands on Auri. Then there's Kal's long-lost sister, who's not exactly happy to see her baby brother, and has a Syldrathi army at her back. With half the known galaxy on their tails, Squad 312 has never felt so wanted. When they learn the Hadfield has been found, it's time to come out of hiding. Two

centuries ago, the colony ship vanished, leaving Auri as its sole survivor. Now, its black box might be what saves them. But time is short, and if Auri can't learn to master her powers as a Trigger, the squad and all their admirers are going to be deader than the Great Ultrasaur of Abraaxis IV. Shocking revelations, bank heists, mysterious gifts, inappropriately tight bodysuits, and an epic

firefight will determine the fate of the Aurora Legion's most unforgettable heroes--and maybe the rest of the galaxy as well. Here Lies Daniel Tate HarperCollins Bestselling authors Amie Kaufman and Ryan Graudin invite readers into a wondrous world where lost things are found, and where two cousins must come face-to-face with the impossible... Whenever Jake and Marisol get together,

adventure follows. They have their late Nana to thank for that. Her epic trips and treasure hunts were legendary. With the whole family reuniting for one last summer vacation at Nana's home, the cousins are prepared for an extraordinary trip of their own. Following a map Nana left behind, Jake and Marisol sneak out to a nearby lighthouse—then accidentally slip into

another world! The World Between Blinks is a magical place, where all sorts of lost things and people wind up. Everywhere they turn, the cousins find real mysteries from history and a few they thought were just myths, from pilot Amelia Earhart to the fabled city of Atlantis. But the man who holds the key to Jake and Marisol's journey home doesn't want to be found . . . and if the cousins don't catch him

fast, they could end up lost in this world forever. Perfect for fans of Brandon Sanderson and Laini Taylor, this much-anticipated sequel to New York Times bestselling authors Amie Kaufman and Meagan Spooner's *The Other Side of the Sky* is a thrilling race against time—with a

tantalizing star-crossed love and an electric conclusion. Time to find a way between worlds. Time to find each other again. Time to do the impossible. Above, in the cloudlands, Nimh has no memory of her past, only an aching, undying certainty that she has left something—someone—behind. But while she struggles to recall her identity, an imposter wields her name with deadly purpose.

Below, on the surface, North looks to the sky, desperate to join the person he loves and return to his world. But with only a traitor willing to help him, and others clamoring for him to take Nimh's place, his home seems more unreachable than ever. Tragedy looms as the cloudland engines falter and mist rains terror on the surface, and in their desperation to reunite and save their people, Nimh

and North face one ultimate question: can they defy their love and their destiny to save their homes? Or will the spark between them ignite their worlds, and consume them all together?
