 Amy Purdy, who inspired a nation on *Dancing with the Stars* and has been called a hero by Oprah Winfrey, reveals the intimate details of her triumphant comeback from the brink of death to making history as a Paralympic snowboarder. In this poignant and uplifting memoir, *Dancing With the Stars* sensation Amy Purdy reveals the story of how losing her legs led her to find a spiritual path. When the Las Vegas native was just nineteen, she contracted bacterial meningitis and was given less than a two percent chance of survival. In a near-death experience, she saw three figures who told her: "You can come with us, or you can stay. No matter what happens in your life, it's all going to make sense in the end." In that moment, Amy chose to live. Her glimpse of the afterlife—coupled with a mysterious premonition she'd had a month before—became the defining experiences that put Amy's life on a new trajectory after her legs had to be amputated. She wouldn't just beat meningitis and walk again;

she would go on to create a life filled with bold adventures, big dreams, and boundless vitality—and share that spirit with the world. In 2014, Amy—the only competitor, male or female, with two prosthetic legs—claimed a bronze medal for the U.S. Paralympic team in adaptive snowboarding. She then became a contestant on season eighteen of *Dancing With the Stars*, and viewers were captivated as the girl with bionic legs managed to out-dance her competitors all the way to the finale. Amy's journey is a testament to the resilience of the human spirit and the capacity we all have to dream bigger, defy expectations, and rewrite our stories. Amy was given a second chance for a reason—to use her life to inspire others. Her powerful memoir urges us to live life to the fullest, because we are all a lot more capable than we could ever imagine.

The Millionaire Messenger Thomas Nelson

This straight-from-the-hip handbook by bestselling author and self-made millionaire Harvey Mackay spells out the path to success for readers everywhere. They will learn how to: Outsell by getting appointments with people who absolutely, positively do not want to see you, and then making them glad they said "yes!" Outmanage by arming yourself with information on

prospects, customers, and competitors that the CIA would envy - using a system called the "Mackay 66." Outmotivate by using his insights to help yourself or your kids join the ranks of America's one million millionaires. Outnegotiate by knowing when to "smile and say no" and when to "send in the clones." This one-of-a-kind book by a businessman who's seen it all and done it all has sold almost 2 million copies, and is the essential roadmap for everyone on the path to success.

Primal Endurance Waterside Productions

Create your own schedule, maximize your leisure time, and work less while making more by following the revolutionary—yet realistic—four-day work week outlined in this groundbreaking book. In Thursday is the New Friday, author Joe Sanok offers the exercises, tools, and training that have helped thousands of professionals—from authors and scholars to business leaders and innovators—create the schedule they want, resulting in less work, greater income, and more time for what they most desire.

Outlining the exact same strategies Joe used to go from working 60-hour weeks in the beginning of his career to now working 4 or less days a week, Thursday is the New Friday will help you: Understand how you too can apply these principles and customize them for your own situation to be more productive at work while enjoying more leisure time. Discard unnecessary tasks and learn efficiencies that would not have been discovered otherwise. Find inspiration in the stories and testimonials from Joe's clients and colleagues who have implemented his methodology into their own work lives with incredible results. Understand the psychological research behind the principles of the four-day workweek and why we are actually more productive with one less workday. Most importantly, Thursday is the New Friday empowers you with a practical, evidence-based methodology to create your own work schedule and dedicate more of your precious personal time to pursuing your hobbies and spending time with your family and friends.

The Only Pirate at the Party Harper Collins

The internationally bestselling self-empowerment book from influencer, rapper, and spoken word artist Humble the Poet, now available in a new edition with a new foreword by the author. Unlearn offers short, accessible, and counterintuitive lessons for reaching our full potential. Beloved for his sincerity, playfulness, and sage advice, globally famous rapper, spoken word artist, poet, blogger, and influencer Humble the Poet has traditionally shared his message of self-discovery, creativity, and empowerment with his fans through music and written word. That message has now been extended to this empowering book, offering insights and wisdom that challenge conventional thinking and help you tap into your best, most authentic self. Humble sees life with unique clarity. In Unlearn, he opens our eyes to our own lives, helping us to recognize the possibilities that await us and the challenges that prevent us from realizing our dreams. With his characteristic honesty and forthrightness, he helps us shed the problematic lessons we've learned throughout our lives that limit us, from sabotaging habits, to fixed mindsets, to past regrets, and relearn new, unconventional ways of moving through life. Among his 101 lessons are: Fitting In Is a Pointless Activity Don't Trust Everything You Feel Killing Expectations Births Happiness Comparisons are Killer Baby Steps Add Up You Decide Your Worth Profound in its simplicity, Unlearn is the perfect invitation to a new beginning and to pursue a life of fulfillment.

The Eventual Millionaire Harmony

From the bestselling co-author of Chicken Soup for the Soul comes a revolutionary programme to help you cut back or quit drinking entirely - on your own and in the privacy of your own home. Existing established published resources have utterly failed to help most alcoholics. Only a tiny percentage of those

with alcohol abuse issues ever receive any sort of treatment, including Alcoholics Anonymous, which provides a dated programme of recovery that many find difficult to accept or practical to implement. There has also been no dramatic decline in alcoholism over time, suggesting that we are desperately in need of a fresh approach. The 30-Day Sobriety Solution offers the answer to anyone who feels their drinking has become unmanageable. Inspired by Canfield's work in self-esteem and success training and developed into a programme by Dave Andrews, it integrates positive psychology, neurolinguistic programming, cognitive therapy, meditation, positive self-talk and the correction of negative self-perceptions, amongst numerous other techniques. At the core of this programme are the two concepts of a no alcohol '30-Day Reboot', with the option of a non-abstinence track after the first 30 days. This is a model of sobriety that you can achieve in the privacy of your own home in only a few minutes a day.

The Mask of Masculinity HarperCollins Leadership

What if the real secret of millionaires isn't about doing more, but becoming more? Millionaires know everything in your present is a result of how you thought, decided, and acted in the past. But your present circumstances can easily change. Right now. Because, with this revolutionary manual to wealth, you'll discover... -The undeniable connection between mornings and wealth. -Why becoming wealthy is never a sedentary pursuit. -The simple five-step wake-up process that'll guarantee you'll rise early...like a millionaire. -Four choices you must make to become wealthy. -The specific actions you must take when you choose to become a millionaire. (They'll surprise you. Definitely.) -A revolutionary twist on affirmations...and how to leverage them in a way that will absolutely produce results. -How Rearview Mirror Syndrome can significantly inhibit your financial growth. -The key to replacing your blind spots with a vision for the future. -A free 30-day Transformation Challenge Fast Start Kit. This, in the end, is the true value of mornings: In that quiet period of stillness, when the world is asleep, and you're in complete control--that's when you nurture the golden goose and discover the incredible potential of each new day. That's where you find your Millionaire Miracle Morning. The Miracle Morning Book Series includes all of the titles below and doesn't have to be read in any particular order. A networking expert and a LinkedIn guru join forces to show how to position oneself on LinkedIn in order to capitalize on extraordinary opportunities and identify connections that will generate remarkable networking contacts.

Scary Close Hampton Roads Publishing Company

Millionaire Success Habits is a book designed with one purpose in mind: to take you from where you are in life to where you want to be in life by incorporating easy-to-implement "Success Habits" into your daily routine. Legendary business coach Dean Graziosi has broken down the walls of complexity around success and created simple success recipes that you can quickly put to use in your life to reach the level of wealth and abundance you desire. This book is not about adding more time to your day. It is about replacing those things that are not serving your future with success habits designed specifically to assist you on your journey

to a better you. In these pages, you'll: - Drill down deep to identify your "why"--the true purpose that drives you and the real reason you want to prosper - Expose and overcome the "villain within" that's holding you back - Unlock the single biggest secret to being productive (it's probably not what you think) - Believe in your own massive potential--

Millionaire Success Habits Penguin

Primal Endurance shakes up the status quo and challenges the overly stressful, ineffective conventional approach to endurance training. While marathons and triathlons are wildly popular and bring much gratification and camaraderie to the participants, the majority of athletes are too slow, continually tired, and carry too much body fat respective to the time they devote to training. The prevailing "chronic cardio" approach promotes carbohydrate dependency, overly stressful lifestyle patterns, and ultimately burnout. Mark Sisson, author of the 2009 bestseller, *The Primal Blueprint*, and de-facto leader of the primal/paleo lifestyle movement, expertly applies primal lifestyle principles to the unique challenge of endurance training and racing. Unlike the many instant and self-anointed experts who have descended upon the endurance scene in recent years, Sisson and his co-author/business partner Brad Kearns boast a rich history in endurance sports. Sisson has a 2:18 marathon and 4th place Hawaii Ironman finish to his credit, has spearheaded triathlon's global anti-doping program for the International Triathlon Union, and has coached/advised leading professional athletes, including Olympic triathlon gold and silver medalist Simon Whitfield and Tour de France cyclist Dave Zabriskie. Under Sisson's guidance, Kearns won multiple national championships in duathlon and triathlon, and rose to a #3 world triathlon ranking in 1991. Primal Endurance applies an all-encompassing approach to endurance training that includes primal-aligned eating to escape carbohydrate dependency and enhance fat metabolism, building an aerobic base with comfortably paced workouts, strategically introducing high intensity strength and sprint workouts, emphasizing rest, recovery, and an annual periodization, and finally cultivating an intuitive approach to training instead of the usual robotic approach of fixed weekly workout schedules. When you "go Primal" as an endurance athlete, you can expect to enjoy these and other benefits in short order: Easily reduce excess body fat and keep it off permanently, even during periods of reduced training Perform better by reprogramming your genes to burn fat and spare glycogen during sustained endurance efforts Avoid overtraining, burnout, illness, and injury by improving your balance of stress and rest, both in training and everyday life Spend fewer total hours training and get more return on investment with periodized and purposeful workout patterns Have more fun, be more spontaneous, and break free from the pull of the obsessive/compulsive mindset that is common among highly motivated, goal-oriented endurance athletes Have more energy and better focus during daily life instead of suffering from the "active couch potato syndrome," with cumulative fatigue from incessant heavy training makes you lazy and sluggish Primal Endurance is about slowing down, balancing out, chilling out, and having more fun with your endurance pursuits. It's about building your health through sensible training patterns, instead of destroying your health through chronic training patterns. While it might be hard to believe at first glance, you can actually get faster by backing off from the overly aggressive and overly regimented "Type-A" training approach that prevails in today's endurance community. Primal Endurance will show you how, every step of the way.

Warrior Mom Simon and Schuster

Start waking up to your full potential every single day with the updated and expanded edition of the groundbreaking book that

has sold more than two million copies. "So much more than a book. It is a proven methodology that will help you fulfil your potential and create the life you've always wanted." —Mel Robbins, New York Times bestselling author of *The High 5 Habit* and *The 5 Second Rule* Getting everything you want out of life isn't about doing more. It's about becoming more. Hal Elrod and *The Miracle Morning* have helped millions of people become the person they need to be to create the life they've always wanted. Now, it's your turn. Hal's revolutionary SAVERS method is a simple, effective step-by-step process to transform your life in as little as six minutes per day: - Silence: Reduce stress and improve mental clarity by beginning each day with peaceful, purposeful quiet - Affirmations: Reprogram your mind to overcome any fears or beliefs that are limiting your potential or causing you to suffer - Visualization: Experience the power of mentally rehearsing yourself showing up at your best each day - Exercise: Boost your mental and physical energy in as little as sixty seconds - Reading: Acquire knowledge and expand your abilities by learning from experts - Scribing: Keep a journal to deepen gratitude, gain insights, track progress, and increase your productivity by getting clear on your top priorities This updated and expanded edition has more than forty pages of new content, including: - *The Miracle Evening*: Optimize your bedtime and sleep to wake up every day feeling refreshed and energized for your *Miracle Morning* - *The Miracle Life*: Begin your path to inner freedom so you can truly be happy and learn to love the life you have while you create the life you want

Swim with the Sharks Without Being Eaten Alive Rodale

A high-energy guide to living with presence, optimism, and joy--one yay at a time! Ever wish you were one of those upbeat, positive people who embrace every day with a can-do mindset that motivates others and simply makes life more fun? Longtime magazine editor Meaghan B Murphy is one of those high-energy people--and she's here to share her secrets for finding more yay every day. Your Fully Charged Life is Murphy's practical guide to bringing your best self to every moment, even when the pressures of daily life leave you feeling overwhelmed, exhausted, and wallowing in negative thoughts (and a pint of your favorite gelato). Spanning health, work, family time, and more, this book reveals small changes in outlook and habits that yield big results, without ever sacrificing who you are. Informed by the latest research in neuroscience, positive psychology, and inspiring examples of women and men who live fully charged every day, the book presents simple ways to: • cultivate gratitude--and pass it along • make meaningful connections with the people around you • learn to say no--so you can fill your days with things that matter to you most • recharge when you need it • spread the positive charge to others to make the world a happier, healthier place Going beyond platitudes and shallow Insta-inspiration, this inspiring and empowering book provides a blueprint for feeling less stressed and genuinely making the most of your every day. [Only the Rich Can Play: How a Billionaire Sold Washington a Bonanza for the Wealthy as a Way to Help the Poor](#) Public Affairs Heal by embracing your pain with #1 New York Times bestselling author Marianne Williamson - preorder her latest, *The Mystic Jesus*, picking up where *A Return to Love* left off The internationally recognized teacher, speaker, and New York Times bestselling author of *A Return to Love* argues that our desire to avoid pain is actually detrimental to our lives, disconnecting us from our deepest emotions and preventing true healing and spiritual transcendence. Marianne Williamson is a bestselling author, world-renowned teacher, and one of the most important spiritual voices of our time. In *Tears to Triumph*, she argues that we—as a culture and as individuals—have learned to avoid facing pain. By doing so, we are neglecting the spiritual work of healing.

Instead of allowing ourselves to embrace our hurt, we numb it, medicate it, dismiss it, or otherwise divert our attention so that we never have to face it. In refusing to acknowledge our suffering, we actually prolong it and deny ourselves the opportunity for profound wisdom—ultimately limiting our personal growth and opportunity for enlightenment. Frozen by denial, we are left standing in the breach. Whole industries profit from this immobility, and while they have grown rich, we have become spiritually poorer. As Marianne makes clear, true healing and transcendence can only come when we finally face our pain and wrestle with what it has to teach us. Written with warm compassion and profound wisdom, *Tears to Triumph* offers us a powerful way forward through the pain, to a deeper awareness of our feelings, our lives, and our true selves.

The Miracle Mentality Simon and Schuster

In a *Winners Take All* meets *This Town* narrative, a New York Times bestselling author tells the story of the creation of a massive tax break, in which political and economic elites attend to the care and feeding of the super-rich, and inequality compounds. David Wessel's incredible tale of how Washington works—and why the rich keep getting richer—starts when a Silicon Valley entrepreneur concocts an idea that will save money on his taxes and spins it as a way to ostensibly help poor people. He organizes and pays for an effective lobbying effort that pushes his idea into law with little scrutiny or fine-tuning by congressional or Treasury tax experts—and few safeguards against abuse. With an unbeatable pair of high-profile sponsors, bumper-sticker simplicity and deft political marketing, the Opportunity Zone became an unnoticed part of the 2017 Trump tax bill. The gold rush followed immediately thereafter. David Wessel follows the money to see who profited from this plan that was supposed to spur development of blighted areas and help people out of poverty: the Mandalay Bay Hotel in Las Vegas, the Portland (Oregon) Ritz-Carlton, the Mall of America, and self-storage facilities—lucrative areas where the one percent can park money profitably and avoid capital gains taxes. And the best part: unlike other provisions for eliminating capital gains taxes (inheritance, for example) you don't have to die to take advantage of this one. Wessel provides vivid portraits of the proselytizers, political influencers, motivational speakers, consultants, real estate dealmakers, and individual money-seekers looking to take advantage of this twenty-first century bonanza. He looks at places for which Opportunity Zones were supposedly designed (Baltimore, for example) and how little money they've drawn. And he finds a couple of places (Erie, PA) where zones are actually doing what they were supposed to, a lesson on how a better designed program might have helped more left-behind places. Readers will feel outraged as Wessel gives us the gritty reality, the dark underbelly of a system tilted in favor of the few, with the many left out in the cold.

High Performance Habits Independently Published

Can you remember that one time you got recognized or someone thanked you for your contribution to their life? You were a rock star, even for just one second. This book isn't about a charmed path to success or some untouchable fairy tale that nobody can relate to—this is about going from rock bottom to rock star, something that everybody can relate to. In his first book, Blair shared the brutally honest story of how he went from an at-risk youth, sleeping on a mattress on the floor of a shack, to a self-made multimillionaire by his early twenties. As his story became a national sensation, fans started asking him how they too could become entrepreneurs, take their careers to the next level, and achieve financial freedom. *Rock Bottom to Rock Star* answers those questions. Blair has battled extreme obstacles: life as a former gang member, balancing a demanding career with single

parenthood, building and selling multiple companies, and making and losing tens of millions of dollars (sometimes all in one day). He wants to help others avoid the mistakes he made in the school of hard knocks, so he has compiled his unique advice for going from rock bottom to rock star in whatever field you chose to pursue. Much of his advice is counterintuitive, and definitely not what you would learn in business school. Here's one example: "Don't believe your own hype. The moment you start celebrating, you've left the stage. It wasn't celebration that made you a rock star. It was hard work." If you're serious about making the most of your life and you're ready to become the "rock star next door" instead of just looking up to them, this may be the most rewarding book you'll ever read.

How to Live a Good Life Bradventures LLC

'This is one of the most important topics today that seemingly no one is talking about: how men can take care of their emotional health in a 21st century that demands it. Crucial reading for any young or struggling man.' - Mark Manson, #1 New York Times bestselling author of *The Subtle Art of Not Giving a F*ck* At 30 years old, Lewis Howes was outwardly thriving but unfulfilled inside. He was a successful athlete and businessman, achieving goals beyond his wildest dreams, but he felt empty, angry, frustrated, and always chasing something that was never enough. His whole identity had been built on misguided beliefs about what "masculinity" was. Howes began a personal journey to find inner peace and to uncover the many masks that men - young and old - wear. In *The Mask of Masculinity*, Howes exposes: · The ultimate emptiness of the Material Mask, the man who chases wealth above all things; · The cowering vulnerability that hides behind the Joker and Stoic Masks of men who never show real emotion; and · The destructiveness of the Invincible and Aggressive Masks worn by men who take insane risks or can never back down from a fight. He teaches men how to break through the walls that hold them back and shows women how they can better understand the men in their lives. It's not easy, but if you want to love, be loved and live a great life, then it's an odyssey of self-discovery that all modern men must make. This book is a must-read for every man - and for every woman who loves a man.

The 5 Second Rule HarperCollins Leadership

Seriously . . . another book that tells you how to live a good life? Don't we have enough of those? You'd think so. Yet, more people than ever are walking through life disconnected, disengaged, dissatisfied, mired in regret, declining health, and a near maniacal state of gut-wrenching autopilot busyness. Whatever is out there isn't getting through. We don't know who to trust. We don't know what's real and what's fantasy. We don't know how and where to begin and we don't want to wade through another minute of advice that gives us hope, then saps our time and leaves us empty. *How to Live a Good Life* is your antidote; a practical and provocative modern-day manual for the pursuit of a life well lived. No need for blind faith or surrender of intelligence; everything you'll discover is immediately actionable and subject to validation through your own experience. Drawn from the intersection of science, spirituality, and the author's years-long quest to learn at the feet of masters from nearly every tradition and walk of life, this book offers a simple yet powerful model, the "Good Life Buckets" —spend 30 days filling your buckets and reclaiming your life. Each day will bring a new, practical yet powerful idea, along with a specific exploration designed to rekindle deep, loving, and compassionate relationships; cultivate vitality, radiance, and graceful ease; and leave you feeling lit up by the way you contribute to the world, like you're doing the work you were put on the planet to do. *How to Live a Good Life* is not just a book to be read; it's a path to possibility, to be walked,

then lived.

Keys to Success for Kids Simon and Schuster

"Mindbodygreen founder Jason Wachob ... redefines successful living and offers readers instead a new life currency to build on, one that is steeped in physical and emotional health and well-being"--

The School of Greatness John Wiley & Sons

Presents advice about overcoming fear and inertia, creating an optimistic mindset, and following the author's six thinking principles for finding solutions to problems and implementing new ideas which could lead to wealth and prosperity.

Unlearn Ballantine Books

This should be a bulleted list of key points about the book and about your background. You can also include any data points about the sales or marketing strategy (ie - full page ad in WIRED planned) and anything else that would be a likely sales point for the book that would be valuable to share.
