By becoming parties to international treaties, States assume obligations and duties under international law to respect, to protect and to fulfil human rights. The obligation to respect means that States must refrain from interfering with or curtailing the enjoyment of human rights. The obligation to protect requires States to protect individuals and groups against human rights abuses. The obligation to ... International Human Rights Law - OHCHR International human rights law (IHRL) is the body of international law designed to promote human rights on social, regional, and domestic levels. As a form of international law, international human rights law are primarily made up of treaties, agreements between sovereign states intended to have binding legal effect between the parties that have agreed to them; and

customary international law. International human rights law - Wikipedia International human rights law lays down obligations which States are bound to respect. By becoming parties to international treaties, States assume obligations and duties under international law... The Foundation of International Human Rights Law | United ... International human rights law (IHRL) governs the obligations of States towards citizens and other individuals within their jurisdiction. Human rights law enshrines the highest of human ideals, that every human being has a set of rights and freedoms. Human rights thus cannot be taken away by States and apply at all times (although specific derogations and limitations are permitted to certain rights and freedoms). International human rights law (IHRL) - PHAP The Human Rights Act 1998 is the main piece of law that protects human rights in the UK. It places public authorities - including the government, state schools, hospitals and social services - under an obligation to treat everyone in the UK with fairness, equality, dignity, respect and autonomy.
