**An Oral History as
Told by Jon Stewart,
the Correspondents,**

Staff and Guests

Penguin
“[A] heart-pounding,
can’t-take-your-eyes-
off-it debut novel.” —O,
The Oprah Magazine
“Roan Montgomery’s
sweeping and raw
story of courage,
resilience, and clear-
eyed grace will never

leave me.” —Sara Gruen, #1 New York Times bestselling author A darkly gripping debut novel about a teenage girl’s fierce struggle to reclaim her life from her abusive father. Fifteen-year-old equestrian prodigy Roan Montgomery has only ever known two worlds: inside the riding arena, and outside of it. Both, for as long as she can remember, have been ruled by her father, who demands strict obedience in all areas of her life. The warped power dynamic of coach and rider extends far beyond the stables, and Roan’s relationship with her father has long been inappropriate. She has been able to compartmentalize that dark aspect of her life,

ruthlessly focusing on her ambitions as a rider heading for the Olympics, just as her father had done. However, her developing relationship with Will Howard, a boy her own age, broadens the scope of her vision. At the intersection of a commercial page-turner and urgent survivor story, *Dark Horses* takes the searing themes of abuse and resilience in Gabriel Tallent’s *My Absolute Darling* and applies the compelling exploration of female strength in *Room* by Emma Donoghue. In much the same way that V.C. Andrews’s *Flowers in the Attic* transfixed a generation of readers, Susan Mihalic’s debut is set to a steady beat that will keep you turning the pages.

Falling from Horses
Createspace
Independent Publishing Platform
It's two years after the Zero Day attacks, and cyber-security analyst Jeff Aiken is reaping the rewards for crippling Al-Qaida's assault on the computer infrastructure of the Western world. His company is flourishing, and his relationship with former government agent Daryl Haugen has intensified since she became a part of his team. But the West is under its greatest threat yet. A revolutionary, invisible trojan that alters data without leaving a trace---more sophisticated than any virus seen before---has been identified, roiling international politics.

Jeff and Daryl are summoned to root it out and discover its source. As the trojan penetrates Western intelligence, and the terrifying truth about its creator is revealed, Jeff and Daryl find themselves in a desperate race to reverse it as the fate of both East and West hangs in the balance. A thrilling suspense story and a sober warning from one of the world's leading experts on cyber-security, Trojan Horse exposes the already widespread use of international cyber-espionage as a powerful and dangerous weapon, and the lengths to which one man will go to stop it.

An Unofficial
Minecrafters Novel
Macmillan
New York Times

bestselling author Colleen McCullough returns us to an age of magnificent triumphs, volcanic passions, and barbaric cruelties. Throughout the Western world, great kingdoms have fallen and despots lay crushed beneath the heels of Rome's advancing legions. But now internal rebellion threatens the stability of the mighty Republic. An aging, ailing Gaius Marius, heralded conqueror of Germany and Numidia, longs for that which was prophesied many years before: an unprecedented seventh consulship of Rome. It is a prize to be won only through treachery and with blood, pitting Marius against a new generation of assassins, power-

seekers, and Senate intriguers—and setting him at odds with the ambitious, tormented Lucius Cornelius Sulla, once Marius's most trusted right-hand man, now his most dangerous rival. *Half Broke Horses* Scholastic Inc. With extraordinary narrative power, New York Times bestselling author Colleen McCullough sweeps the reader into a whirlpool of pageantry and passion, bringing to vivid life the most glorious epoch in human history. When the world cowered before the legions of Rome, two extraordinary men dreamed of personal glory: the military genius and wealthy rural "upstart" Marius, and Sulla, penniless and debauched but of

aristocratic birth. Men of exceptional vision, courage, cunning, and ruthless ambition, separately they faced the insurmountable opposition of powerful, vindictive foes. Yet allied they could answer the treachery of rivals, lovers, enemy generals, and senatorial vipers with intricate and merciless machinations of their own—to achieve in the end a bloody and splendid foretold destiny . . . and win the most coveted honor the Republic could bestow.

Station Eleven

Mariner Books

We were going out stealing horses. That was what he said, standing at the door to the cabin where I was spending the summer with my father. I was fifteen. It was 1948

and one of the first days of July. Trond's friend Jon often appeared at his doorstep with an adventure in mind for the two of them. But this morning was different. What began as a joy ride on "borrowed" horses ends with Jon falling into a strange trance of grief. Trond soon learns what befell Jon earlier that day—an incident that marks the beginning of a series of vital losses for both boys. Set in the easternmost region of Norway, *Out Stealing Horses* by Per Petterson begins with an ending. Sixty-seven-year-old Trond has settled into a rustic cabin in an isolated area to live the rest of his life with a quiet deliberation. A meeting with his only neighbor,

however, forces him to reflect on that fateful summer.

The October Horse

HarperCollins
New York Times
bestselling author
Colleen McCullough re-creates an extraordinary epoch before the mighty Republic belonged to Julius Caesar—when Rome's noblewomen were his greatest conquest. His victories were legend—in battle and bedchamber alike. Love was a political weapon he wielded cunningly and ruthlessly in his private war against enemies in the forum. Genius, general, patrician, Gaius Julius Caesar was history. His wives bought him influence. He sacrificed his beloved daughter on the altar of ambition. He burned for the cold-

hearted mistress he could never dare trust. Caesar's women all knew—and feared—his power. He adored them, used them, destroyed them on his irresistible rise to prominence. And one of them would seal his fate.

The Grass Crown

Random House
Dov Greenstein, a comedian a bit past his prime, is doing a night of stand-up in a dive in a small Israeli city. In the audience are some whom Dov knew as a boy, an awkward, scrawny kid who walked on his hands to confound the neighborhood bullies. Gradually Dov's patter becomes a kind of memoir: we meet his mother, a Holocaust survivor in need of constant monitoring, and his punishing

father, a striver who had little understanding of his creative son; Dov recalls his week at a military camp for youth; and shares a story of loss and survival.

Cry Macho Simon & Schuster

NATIONAL BESTSELLER

- An audacious, darkly glittering novel set in the eerie days of civilization's collapse—the spellbinding story of a Hollywood star, his would-be savior, and a nomadic group of actors roaming the scattered outposts of the Great Lakes region, risking everything for art and humanity. Now an original series on HBO Max. Over one million copies sold! Kirsten Raymonde will never forget the night Arthur Leander, the

famous Hollywood actor, had a heart attack on stage during a production of *King Lear*. That was the night when a devastating flu pandemic arrived in the city, and within weeks, civilization as we know it came to an end. Twenty years later, Kirsten moves between the settlements of the altered world with a small troupe of actors and musicians. They call themselves *The Traveling Symphony*, and they have dedicated themselves to keeping the remnants of art and humanity alive. But when they arrive in *St. Deborah by the Water*, they encounter a violent prophet who will threaten the tiny band's existence. And as the story takes off,

moving back and forth in time, and vividly depicting life before and after the pandemic, the strange twist of fate that connects them all will be revealed. Look for Emily St. John Mandel's new novel, *Sea of Tranquility*, coming soon!

I Am the Great Horse

Vintage

During the annual Fiesta, three desperate men converge in a perilous New Mexico town in this "extraordinary" crime novel (*The New Yorker*). It takes four days for Sailor to travel to New Mexico by bus. He arrives broke, sweaty, and ready to get what's his. It's the annual Fiesta, and the locals burn an effigy of Zozobra so that their troubles follow the mythical character into

the fire. But for former senator Willis Douglass, trouble is just beginning. Sailor was Willis's personal secretary when his wife died in an apparent robbery-gone-wrong. Only Sailor knows it was Willis who ordered her murder, and he's agreed to keep his mouth shut in exchange for a little bit of cash. On Sailor's tail is a cop who wants the senator for more than a payoff. As Fiesta rages on, these three men will circle one another in a dance of death, as they chase truth, money, and revenge.

Out Stealing Horses

Penguin

At an internment camp in Indonesia, forty-seven people are pronounced dead with acute hemorrhagic fever. When

epidemiologist Henry Parsons travels there on behalf of the World Health Organization to investigate, what he finds will have staggering repercussions. Halfway across the globe, the deputy director of U.S. Homeland Security scrambles to mount a response to the rapidly spreading pandemic leapfrogging around the world, which she believes may be the result of an act of biowarfare. And a rogue experimenter in man-made diseases is preparing his own terrifying solution. As already-fraying global relations begin to snap, the virus slashes across the United States, dismantling institutions and decimating the population. With his own wife and children

facing diminishing odds of survival, Henry travels from Indonesia to Saudi Arabia to his home base at the CDC in Atlanta, searching for a cure and for the origins of this seemingly unknowable disease.

Antony and Cleopatra
Sourcebooks, Inc.
Greed. Desperation. Humanity. PETE FELL IN LOVE WITH HORSES, then devoted his career to training racehorses at Missionville, a low level racetrack in rural Pennsylvania where horses and humans depend on each other - just to survive. He quickly learns that winning at the races isn't easy under ordinary circumstances, and that some successes at Missionville aren't the result of luck or talent -

but flagrant cheating. Thanks to a potential love interest, plus death, deception, and more Pete opens his eyes to what's really going on around him to discover he doesn't want to play the game anymore. A push in the right direction sends Pete on a journey that leads him from Harrisburg to Quebec in an effort to help restore a bit of humanity to the racing world.

A novel Vintage
"I've loved every one of Susanna's books! She has bedrock research and a butterfly's delicate touch with characters—sure recipe for historical fiction that sucks you in and won't let go!"—DIANA GABALDON, #1 New York Times bestselling

author of *Outlander* Archaeologist Verity Grey has been drawn to the dark legends of the Scottish Borderlands in search of the truth buried in a rocky field by the sea, in this darkly romantic novel of historical fiction by bestselling author Susanna Kearsley. The invincible ninth Roman Legion marches from York to fight the Northern tribes, and then vanishes from the pages of history. When Verity Grey goes looking for them in modern-day Scotland, she may find more than she bargained for. Her eccentric boss has spent his whole life searching for the resting place of the lost Ninth Roman Legion and is convinced he's finally found it—not because of any

scientific evidence, but because a local boy has "seen" a Roman soldier walking in the fields, a ghostly sentinel who guards the bodies of his long-dead comrades. Here on the windswept Scottish shores, Verity may find the answer to one of the great unsolved mysteries of the historical record. Or she may uncover secrets from the romantic past that were buried for a reason. Fans of historical romance will be completely transported by *The Shadowy Horses*, an exquisite novel of Scottish historical fiction. Also by Susanna Kearsley: *The Winter Sea* *A Desperate Fortune* *The Firebird* *The Rose Garden* *The Splendour Falls* *Season of Storms*

Mariana Named of the Dragon Bellewether
The Song of Troy
 Open Road Media
 Not since *The Thorn Birds* has Colleen McCullough written a novel of such broad appeal about a family and the Australian experience as *The Touch*. At its center is Alexander Kinross, remembered as a young man in his native Scotland only as a shiftless boilermaker's apprentice and a godless rebel. But when, years later, he writes from Australia to summon his bride, his Scottish relatives quickly realize that he has made a fortune in the gold fields and is now a man to be reckoned with. Arriving in Sydney after a difficult voyage, the sixteen-year-old

Elizabeth Drummond meets her husband-to-be and discovers to her dismay that he frightens and repels her. Offered no choice, she marries him and is whisked at once across a wild, uninhabited countryside to Alexander's own town, named Kinross after himself. In the crags above it lies the world's richest gold mine. Isolated in Alexander's great house, with no company save Chinese servants, Elizabeth finds that the intimacies of marriage do not prompt her husband to enlighten her about his past life - or even his present one. She has no idea that he still has a mistress, the sensual, tough, outspoken Ruby Costevan, whom Alexander has

established in his town, nor that he has also made Ruby a partner in his company, rapidly expanding its interests far beyond gold. Ruby has a son, Lee, whose father is the head of the beleaguered Chinese community; the boy becomes dear to Alexander, who fosters his education as a gentleman. Captured by the very different natures of Elizabeth and Ruby, Alexander resolves to have both of them. Why should he not? He has the fabled "Midas Touch" -- a combination of curiosity, boldness and intelligence that he applies to every situation, and which fails him only when it comes to these two women. Although Ruby loves Alexander desperately, Elizabeth

does not. Elizabeth bears him two daughters: the brilliant Nell, so much like her father; and the beautiful, haunting Anna, who is to present her father with a torment out of which for once he cannot buy his way. Thwarted in his desire for a son, Alexander turns to Ruby's boy as a possible heir to his empire, unaware that by keeping Lee with him, he is courting disaster. The stories of the lives of Alexander, Elizabeth and Ruby are intermingled with those of a rich cast of characters, and, after many twists and turns, come to a stunning and shocking climax. Like *The Thorn Birds*, Colleen McCullough's new novel is at once a love story and a family saga, replete with

tragedy, pathos, history and passion. As few other novelists can, she conveys a sense of place: the desperate need of her characters, men and women, rootless in a strange land, to create new beginnings.

Horse Crazy

HarperCollins

From acclaimed master of mystery Dick Francis comes a thrilling novel about the illusion of film and the reality of murder—a *New York Times* notable book. Thomas Lyon has finally been given the chance to direct a potential blockbuster, based on the true story of an unsolved crime that rocked the horseracing world twenty-six years ago. But a cryptic deathbed confession, an assault on an elderly woman, and a frightening

threat lead Lyon to pick up the thread of this unfinished tale—and follow it through to its perilous end...

Exciting Series of
Adventures for

Minecrafters! The day and night cycle has stopped! Ella knows what that means—hostile mobs will spawn uncontrollably across the Overworld, just as they did during the Uprising. Just as they did the last time her mother was seen alive. In a desperate race against time, Ella and her cousins venture out into the night to try to set things right. But when lightning strikes and skeleton horsemen appear, Rowan is hurt! Without fierce Rowan by her side, Ella will have to face one of her greatest fears—or face the fate that befell her own mother. THE UNOFFICIAL ANIMAL WARRIORS OF THE OVERWORLD SERIES is an all-new Minecraft story in which cousins Rowan, Jack, and Ella

don't know a thing about their mysterious past—or the powerful gift they've inherited. But something is calling to them from the Overworld outside the walls of their grandmother's twisty mansion. Some things are calling—wolves, ocelots, and other animals that need help fighting the rise of hostile mobs. As the cousins find the courage to venture out, they discover that they can communicate with those animals. Every adventure adds a piece to the puzzle of their past. Soon, the cousins will learn not only what happened to their parents, but also of the danger facing them all. They'll need to call on their special gifts—and their animal friends—to fight back.
