Time Enough for Love Open Book Publishers

Collected in a single volume for the first time, all of Heinlein's finest fantasy short stories and novellas come together in a selection that includes "Magic, Inc.," "They," and "The Unpleasant Profession of Jonathan Hoag," among other notable works. Reprint.

**-All You Zombies-, by His Bootstraps, -We Also Walk Dogs, the Roads Must Roll, the Man Who Sold The** Children's Book Press (CA)

Alienated from his fellow zombies because of his dislike of having to kill humans and his enjoyment of Sinatra music, "R" meets a living girl who sharply contrasts with his cold and dreary world and who he resolves to protect in spite of her delicious appearance. A first novel. Reprint.

*The Green Hills of Earth and The Menace from Earth* The Fantasies of Robert A. Heinlein

In a post-apocalyptic world decimated by zombies, survivor efforts to rebuild are focused on Manhattan, where civilian team member Mark Spitz works to eliminate remaining infected stragglers and remembers his horrifying experiences at the height of the zombie plague. By the Whiting Writers' Award-winning author of Sag Harbor.

Book 1: a Small World Igneous Books

From New York Times and USA Today bestselling author Jamie Thornton. Dessa has plans. She plans to stay out of trouble in the group home where she lives. She plans to work crazy hours at the grocery store to save for her own place. She plans to get her little brother back, soon, from his foster parents. But when a zombie apocalypse arrives, it wrecks all of Dessa's plans. With the city falling into chaos, Dessa must use her street smarts to survive. Her only weapon against the zombies is a pillowcase of tuna cans. Her only allies are the other group home teens she doesn't dare trust. And there's only one plan left in the entire universe that matters. Find and save her brother before it's too late. AFTER THE WORLD ENDS launches a new series in the same bestselling universe as ZOMBIES ARE HUMAN. New characters. New adventures. A thrilling zombie apocalypse awaits.

**The Angel's Lounge** Macmillan

A finalist for the 2020 Thurber Prize for American Humor! "The Secret Life of Pets meets The Walking Dead" in this big-hearted, boundlessly beautiful romp through the Apocalypse, where a foul-mouthed crow is humanity's only chance to survive Seattle's zombie problem (Karen Joy Fowler, PEN/Faulkner Award-winning author). S.T., a domesticated crow, is a bird of simple pleasures: hanging out with his owner Big Jim, trading insults with Seattle's wild crows (i.e. "those idiots"), and enjoying the finest food humankind has to offer: Cheetos ®. But when Big Jim's eyeball falls out of his head, S.T. starts to think something's not quite right. His tried-and-true remedies—from beak-delivered beer to the slobbering affection of Big Jim's loyal but dim-witted dog, Dennis—fail to cure Big Jim's debilitating malady. S.T. is left with no choice but to abandon his old life and venture out into a wild and frightening new world with his trusty steed Dennis, where he suddenly discovers that

the neighbors are devouring one other. Local wildlife is abuzz with rumors of Seattle's dangerous new predators. Humanity's extinction has seemingly arrived, and the only one determined to save it is a cowardly crow whose only knowledge of the world comes from TV. What could possibly go wrong? Includes a Reading Group Guide.

*A Novel* Little, Brown Books for Young Readers

A propulsive and chillingly prescient novel of suspense and terror from the Bram Stoker award-winning author of *The Cabin at the End of the World* and *A Head Full of Ghosts*. "Absolutely riveting." — Stephen King In a matter of weeks, Massachusetts has been overrun by an insidious rabies-like virus that is spread by saliva. But unlike rabies, the disease has a terrifyingly short incubation period of an hour or less. Those infected quickly lose their minds and are driven to bite and infect as many others as they can before they inevitably succumb. Hospitals are inundated with the sick and dying, and hysteria has taken hold. To try to limit its spread, the commonwealth is under quarantine and curfew. But society is breaking down and the government's emergency protocols are faltering. Dr. Ramola "Rams" Sherman, a soft-spoken pediatrician in her mid-thirties, receives a frantic phone call from Natalie, a friend who is eight months pregnant. Natalie's husband has been killed—viciously attacked by an infected neighbor—and in a failed attempt to save him, Natalie, too, was bitten. Natalie's only chance of survival is to get to a hospital as quickly as possible to receive a rabies vaccine. The clock is ticking for her and for her unborn child. Natalie's fight for life becomes a desperate odyssey as she and Rams make their way through a hostile landscape filled with dangers beyond their worst nightmares—terrifying, strange, and sometimes deadly challenges that push them to the brink. Paul Tremblay once again demonstrates his mastery in this chilling and all-too-plausible novel that will leave readers racing through the pages . . . and shake them to their core.

**Everything You Ever Wanted to Know About Zombies** Del Rey

Presents a collection of more than forty poems about school.

*Littlest Zombie's Story* Quirk Books

Everyone's favorite zombie romance picture book is now available as an enhanced eBook with animation and audio narration! Mortimer is looking for love. And he's looking everywhere! He's worked out at the gym (if only his arm wouldn't keep falling off). He's tried ballroom dancing lessons (but the ladies found him to be a bit stiff). He's even been on [stalemate.com](http://stalemate.com). How's a guy supposed to find a ghoul? When it seems all hope has died, could the girl of Mortimer's dreams be just one horrifying shriek away?

Zombies! W. W. Norton & Company

Like *On a Pale Horse*, this second, complete-in-itself novel of the Incarnations of Immortality is a richly imagined and always fascinating story. And again, Piers Anthony adds to his gripping plot a serious, though-provoking study of good and evil. When life seemed pointless to Norton, he accepted the position as the Incarnation of Time, even though it meant living backward from present to past. The other seemingly all-powerful Incarnations of Immortality—Death, Fate, War, and

Nature—made him welcome. Even Satan greeted him with gifts. But he soon discovered that the gifts were cunning traps. While he had been distracted, he had become enmeshed in a complex scheme of the Evil One to destroy all that was good. In the end, armed with only the Hourglass, Norton was forced to confront the immense power of Satan directly. And though Satan banished him to Hell, he was resolved to fight on.

*A Twenty-First Century Crisis* ReadHowYouWant.com

Young adventurers Patrice and Nate have followed neighborhood defender Crazy Dave throughout time—but are they ready to investigate a school campus to keep the streets safe from zombies? In *Plants vs. Zombies: Bully For You*, they'll be visiting a very strange college in an attempt to take down Dr. Zomboss yet again—and any school visit's tolerable if you get to battle zombies! Paul Tobin (*Prometheus*, *Bandette*) and Ron Chan (*The Guild*, *X-Men*) join forces with the mysterious Anti-Bully Squad to deliver a hilarious, all-ages romp to your school! Featuring special bonus stories illustrated by acclaimed creators Dustin Nguyen, Jennifer Meyer, and Peter Bagge! Praise for previous volumes of the *Dark Horse Plants vs. Zombies* graphic novel series: "Wonderful fun and silliness await you in this book, and you'll be sure to leave it with a smile on your face and zombie bits on your lawn." - *Fanboy Comics* "This is one of the more fun video game adaptations that I've read and the most fun I've had with a zombie story since *Zombieland*." - *Front Towards Gamer* "If you like *Plants vs. Zombies* this comic adds to its appeal. It's a good clean read for all ages." - *Eat Your Comics*

**A Novel** Princeton University Press

In the wake of a devastating disease, everyone sixteen and older is either dead or a decomposing, brainless creature with a ravenous appetite for flesh. Teens have barricaded themselves in buildings throughout London and venture outside only when they need to scavenge for food. The group of kids living a Waitrose supermarket is beginning to run out of options. When a mysterious traveler arrives and offers them safe haven at Buckingham Palace, they begin a harrowing journey across London. But their fight is far from over—the threat from within the palace is as real as the one outside it. Full of unexpected twists and quick-thinking heroes, *The Enemy* is a fast-paced, white-knuckle tale of survival in the face of unimaginable horror.

**Off the Main Sequence** Harper Collins

Two of the Grand Master's finest: The saga of the opening of the space frontier as courageous men and women risked their lives to build the first space station and colonize the Moon and Venus, while praying for one last landing on the globe that gave them birth, to return to The Green Hills of Earth. From a mysterious region on Earth, where a more advanced lifeform may be studying the interesting creatures called "humans", to the first moon colony, where a young girl's relationship with her boyfriend is endangered by the beautiful Menace from Earth. Classic Heinlein, in a new Omni-trade format package At the publisher's request, this title is sold without DRM (Digital Rights Management).

**Zombies! Evacuate the School!** HarperCollins

Growing up in the zombie apocalypse

*The Enemy* Grand Central Publishing

Mo Romero is a zombie who loves nothing more than growing, cooking, and eating vegetables.

Tomatoes? Tantalizing. Peppers? Pure perfection! The problem? Mo's parents insist that their niño

eat only zombie cuisine, like arm--panadas and finger foods. They tell Mo over and over that zombies don't eat veggies. But Mo can't imagine a lifetime of just eating zombie food and giving up his veggies. As he questions his own zombie identity, Mo tries his best to convince his parents to give peas a chance. Super duo Megan and Jorge Lacera make their picture--book debut with this sweet story about family, self--discovery, and the power of acceptance. It's a delectable tale that zombie and nonzombie fans alike will devour.

**A Novel** Baen Publishing Enterprises

Billionaire mogul Breck Archangel 'Angel' Stewart built his magnificent music and fashion empires from the smoldering ashes of his impoverished and abusive Scottish upbringing, taking by storm the elite gentry of Chicago's Gold Coast and adoring global throngs. Decadent surroundings, priceless automobiles, and reckless lovers rarely filled the abysmal void left by the mysterious disappearance of his young family so long ago. But when his dearest friend Rufus appeared with the sultry and alluring blond on his arm at the gala opening of his palatial lounge, Breck was inexplicably drawn into the sea of long-past familial darkness. Could this beauty be his daughter, now miraculously returned to his fold? Her aura was nothing shy of haunting. And as the rapid succession of Breck's brutal beating and shooting came all too coincidentally in exactly one year's time, his horrifying family secrets began to unravel. Sacrificing himself to those determined to bring about his extinction, a play putting him and those closest to him in the ultimate mortal danger, no price was too great to pay for the truth that would bring his family back to his embrace.

**Traumatic Zombies** CreateSpace

Mommy, Daddy, and a new baby makes three! A heartwarming—and hair-raising—tale of undead parenting from the bestselling author and illustrator of *Zombie in Love*, which *Kirkus Reviews* called "clever and delightfully gross." Happily married zombie couple Mortimer and Mildred are thrilled to be new parents. But having a baby isn't what they expected. Sonny hardly ever cries. His teeth are coming in instead of falling out. And worst of all, he's awake all day and sleeps through the night. Mortimer and Mildred are dead tired, and very worried. Will their precious baby boy ever behave like a good little monster? New York Times bestselling author Kelly DiPucchio and illustrator Scott Campbell team up once again to bring their lovable zombies the family they always wanted.

**The Cat who Walks Through Walls** Delacorte Press

An accessible, compelling introduction to today's major policy issues from the New York Times columnist, best-selling author, and Nobel prize-winning economist Paul Krugman. There is no better guide than Paul Krugman to basic economics, the ideas that animate much of our public policy. Likewise, there is no stronger foe of zombie economics, the misunderstandings that just won't die. In *Arguing with Zombies*, Krugman tackles many of these misunderstandings, taking stock of where the United States has come from and where it's headed in a series of concise, digestible chapters. Drawn mainly from his popular New York Times column, they cover a wide range of issues, organized thematically and framed in the context of a wider debate. Explaining the complexities of health care, housing bubbles, tax reform, Social Security, and so much more with unrivaled clarity and precision, *Arguing with Zombies* is Krugman at the height of his powers. *Arguing with Zombies* puts Krugman at the front of the debate in the 2020 election year and is an indispensable guide to two decades' worth of political and economic discourse in the United States and around the globe.

With quick, vivid sketches, Krugman turns his readers into intelligent consumers of the daily news and hands them the keys to unlock the concepts behind the greatest economic policy issues of our time. In doing so, he delivers an instant classic that can serve as a reference point for this and future generations.

**The Other Science Fiction Stories of Robert A. Heinlein** Penguin

How can calculus help you survive the zombie apocalypse? Colin Adams, humor columnist for the Mathematical Intelligencer and one of today's most outlandish and entertaining popular math writers, demonstrates how in this zombie adventure novel. *Zombies and Calculus* is the account of Craig Williams, a math professor at a small liberal arts college in New England, who, in the middle of a calculus class, finds himself suddenly confronted by a late-arriving student whose hunger is not for knowledge. As the zombie virus spreads and civilization crumbles, Williams uses calculus to help his small band of survivors defeat the hordes of the undead. Along the way, readers learn how to avoid being eaten by taking advantage of the fact that zombies always point their tangent vector toward their target, and how to use exponential growth to determine the rate at which the virus is spreading. Williams also covers topics such as logistic growth, gravitational acceleration, predator-

prey models, pursuit problems, the physics of combat, and more. With the aid of his story, you too can survive the zombie onslaught. Featuring easy-to-use appendixes that explain the book's mathematics in greater detail, *Zombies and Calculus* is suitable both for those who have only recently gotten the calculus bug, as well as for those whose disease has advanced to the multivariable stage.

**Plants vs. Zombies Volume 3: Bully For You** Simon and Schuster

The Fantasies of Robert A. Heinlein Macmillan

[A Zombies Are Human novel](#) Simon and Schuster

From the Author of "The Journal" comes a horrifying new series that'll grab you by the throat and take you on a crazy thrill ride through the Apocalypse. In this first book stand with our heroes as Zombies overrun the planet. Watch as normal people have to deal with extraordinary circumstances. How far will they go to protect their loved ones? The Apocalypse will cause some to stand a little taller. They'll need to reach deep within themselves to keep their humanity intact. Others will collapse under the weight of it. Still others will seize on it to prey on their fellow man. Fast paced and written with an eye for detail. You'll really be able to see yourself with the characters in this story. Fighting the fight along with them. Experience Zombies!
