No te pierdas este bestseller del New York Times y USA Today, una novela psicológica adictiva con un giro asombroso que tiene a Instagram y a TikTok de cabeza: La empleada, de Freida McFadden. Es perfecta para lectores de Ruth Ware, Lisa Jewell y Verity. Todos los días limpio la hermosa casa de los Winchester de arriba abajo, recojo a su hija de la escuela y preparo una deliciosa cena para toda la familia antes de irme a comer sola a mi pequeña habitación en el último piso. Intento ignorar cómo Nina ensucia solo para verme limpiar, cómo cuenta mentiras de su propia hija a los extraños y cómo su esposo, Andrew, parece más roto cada día. Pero al mirar en los hermosos ojos cafés de Andrew, tan llenos de dolor, es duro no imaginar cómo sería tener la vida de Nina. El vestido, el auto lujoso, el marido perfecto. Solo una vez me pruebo uno de los vestidos blancos imaculados de Nina. Solo para ver qué se siente. Pero pronto se da cuenta... y para cuando yo

comprendo que mi cuarto en el ático se cierra por fuera, ya es demasiado tarde. Pero me tranquilizo a mí misma: los Winchester no saben quién soy en realidad. No saben de lo que soy capaz... ENGLISH DESCRIPTION Don't miss the New York Times and USA Today bestseller and addictive psychological thriller with a jaw-dropping twist that's burning up Instagram and TikTok-- Freida McFadden's *The Housemaid* is perfect for fans of Ruth Ware, Lisa Jewell, and Verity. Every day I clean the Winchesters' beautiful house top to bottom. I collect their daughter from school. And I cook a delicious meal for the whole family before heading up to eat alone in my tiny room on the top floor. I try to ignore how Nina makes a mess just to watch me clean it up. How she tells strange lies about her own daughter. And how her husband Andrew seems more broken every day. But as I look into Andrew's handsome brown eyes, so full of pain, it's hard not to imagine what it would be like to live Nina's life. The walk-in closet, the fancy car, the perfect husband. I only try on one of Nina's pristine white dresses once. Just to see what it's like. But she soon finds out... and by the time I realize my attic bedroom door only locks from the outside, it's far too late. But I reassure myself: the Winchesters don't know who I really am. They don't know what I'm capable of...

"You shine so bright, as you are right now, flaws and faults entirely." The debut book from the rising Instagram writer Walk the Earth offers a remarkable collection of poetry in the form of letters to touch your heart and inspire boundless hope. Nikki Banas speaks directly to your soul with every letter she writes. She reminds you of the light you already hold within and teaches you how to nourish your flame. In *Shine from Within*, she encourages you to celebrate your own beautiful spirit because only when we all shine our unique lights can we light up the entire night sky.

**When We Became Four** Bookouture

In this frighteningly believable thriller from New York Times bestselling author and master storyteller Tosca Lee, an extinct disease re-emerges from the melting Alaskan permafrost and causes madness in its victims. For recent apocalyptic cult escapee Wynter Roth, it's the end she'd always been told was coming. When Wynter Roth finally escapes from New Earth, a self-contained doomsday cult on the American prairie, she emerges into a world poised on the brink of madness as a mysterious outbreak of rapid early onset dementia spreads across the nation. As Wynter

struggles to start over in a world she's been taught to regard as evil, she finds herself face-to-face with the apocalypse she's feared all her life—until the night her sister shows up at her doorstep with a set of medical samples. That night, Wynter learns there's something far more sinister at play: that the prophet they once idolized has been toying with the fate of mankind, and that these samples are key to understanding the disease. Now, as the power grid fails and the nation descends into chaos, Wynter must find a way to get the samples to a lab in Colorado. Uncertain who to trust, she takes up with former military man Chase Miller, who has his own reasons for wanting to get close to the samples in her possession, and to Wynter, herself. Filled with action, conspiracy, romance, and questions of whom—and what—to believe, *The Line Between* is a high-octane story of survival and love in a world on the brink of madness, from “the queen of psychological twists” (New York Times bestselling author Steena Holmes).

‘OMG!!! SHUT THE FRONT DOOR!!!!... The most heart-racing book I’ve read in a long time, if not ever!!! It had me hook, line and sinker from the first page and I could not put it down!!!!... Clear your day because it is truly unputdownable... What an absolute twist!!!!... If you read one book in your life, make sure it is this!!!!’ Bookworm86, 5.0 Sometimes, the most perfect families are hiding the most terrible secrets. How well do you know the people next door?...? Everybody wants to live on Hogarth Street, the pretty, tree-lined avenue with its white houses. The new family, the Wests, are a perfect fit. Katherine and John seem so in love and their gorgeous five-year-old twins race screeching around their beautiful emerald-green lawn. But soon people start to notice: why don’t they join backyard barbecues? Why do they brush away offers to babysit? Why, when you knock at the door, do they shut you out, rather than inviting you in? Every family has secrets, and on the hottest day of the year, the truth is about to come out. As a tragedy unfolds behind closed doors, the dawn chorus is split by the wail of sirens. And one by one the families who tried so hard to welcome the Wests begin to realise: Hogarth Street will never be the same again. A completely gripping, twist-packed psychological thriller, perfect for fans of Liane Moriarty, Sally Hepworth and Lisa Jewell. Readers love *The Family Across the Street*: ‘Wow!!! Wow!!! Wow!!! A total page-turner and will keep you guessing with every page. Halfway through I thought I had figured it out and then BAM! The ending floored me.’ Goodreads reviewer, 5.0 ‘Omg! Omg!... My son came in and asked me who I was yelling at?! (I was yelling at my e-reader). I think my heart beat out of my chest... The suspense was killing me! LOL my heart is still beating crazy!...OK I have to go now I need a big glass of wine to calm down!’ Ana’s Attic Guest Reviewer, 5.0 ‘Oh my GOSH!!!!!! I read this emotionally charged, compelling book in one sitting. Whoa, my emotions are ALL over the place!!! You thought you knew what was going on and then BAM nothing what you thought was happening! I’ve never been sooooo engrossed in a book from the first pages. Amazing, emotional and just Wow!!!’ NetGalley reviewer, 5.0 ‘Oh wow, absolutely triple wow. Absolutely amazing.’ NetGalley reviewer, 5.0 ‘This is how you do thrillers. OMG, this story was amazing... Edge-of-your-seat-nail-biting read.’ Goodreads reviewer, 5.0 ‘I’m writing this review with tears streaming down my face!! What a BRILLIANT book... I was on edge every single second... *The Housemaid's Secrets* "The Housemaid's Secret" by Freida McFadden, published in 2023, is a gripping thriller that serves as the second novel in a series featuring a housemaid as the main character. This novel revolves around Millie Calloway, a convicted felon who finds work with wealthy clients in Manhattan. The story unfolds with Millie taking a job with the Garricks, where she becomes involved in a complex and dangerous plot. The novel opens with Millie losing her job due to her felony conviction, making it difficult for her to find new employment. She is eventually hired by Douglas Garrick, CEO of Coinstock, to assist his wife, Wendy, who is purportedly ill and confined to their guest bedroom. As Millie starts working for the Garricks, she observes suspicious behaviors and signs of potential abuse towards Wendy. Her suspicions are confirmed when she witnesses injuries on Wendy, prompting her to intervene. The plot thickens as Millie, who has a past of helping women escape abusive relationships, tries to assist Wendy. This leads to a series of dramatic events, including an attempted escape, a murder accusation, and a shocking twist where the true identities and motives of the characters are revealed.

"What is your pain level on a scale of 1 to 10, where zero would be no pain, and 10 would be if you had an attack of kidney stones while in active labor, and while all that was going on, you were set on fire. Starting with your genitals. And then you were disemboweled, and the bowels that were removed were then also set on fire. And then while you were running around in active labor, passing a kidney stone, on fire with your bowels also on fire, you accidentally stepped on a Lego with your bare foot. And that Lego was also on fire." "It's an 11." Medicine can be funny. It can be sad, painful, inspirational, but also sometimes funny. "11 out of 10" is a collection of humorous medical stories from practitioners in all fields, ranging from physicians to nurses to EMTs to medical students. Some are totally true, some are exaggerated, and some are mostly fiction. But every single one of them aims to put a smile on your face. All profits from this book will be donated to Deworm the World Initiative, a charity that aims to treat parasitic infections in children in developing nations.

"A taut, well-written thriller...The pace is crisp, the surprises keep coming, and there are two big ones that readers are unlikely to see coming." - Associated Press A seemingly perfect marriage is threatened by the deadly secrets husband and wife keep from each other. Susannah, a young widow and single mother, has remarried well: to Max, a charismatic artist and popular speaker whose career took her and her fifteen-year-old son out of New York City and to a quiet Vermont university town. Strong-willed and attractive, Susannah expects that her life is perfectly in place again. Then one quiet morning she finds a note on her door: I KNOW WHO YOU ARE. Max dismisses the note as a prank. But days after a neighborhood couple comes to dinner, the husband mysteriously dies in a tragic accident while on a run with Max. Soon thereafter, a second note appears on their door: DID YOU GET AWAY WITH IT? Both Susannah and Max are keeping secrets from the world and from each other—secrets that could destroy their family and everything they have built. Thomas Christopher Greene's *The Perfect Liar* is a thrilling novel told through the alternating perspectives of Susannah and Max with a shocking climax that no one will expect, from the bestselling author of *The Headmaster's Wife*.

What is it about a pretty girl in a tight skirt bent over to adjust her stockings? Or that hotter-than-hot butch, swaggering into the bar like she owns it, eyes undressing every pretty girl in the place? Some butches worship at the altar of their femmes fatale and many little girls have a need to serve their big, strong daddies. In *The Harder She Comes*, we meet girls salivating at the sight of well-filled and packed jeans and bois dreaming of having a beautiful girl's red lipstick smeared across their mouths. D. L. King has curated a singular set of stories filled with sexy sirens luring unsuspecting butches to their demise on the rocky shores of love and hot, confident women in silk and lace during the day who will do anything to serve their daddies' needs at night. *The Harder She Comes* is great writing with characters that will stay with the reader for a long, long time — sometimes sweet, always sexy, often romantic, and more than a little dangerous.

A story behind the suffering of a Sri Lankan migrant worker in Saudi Arabia. Kamala a mother of four children facing poverty to manage her family with a drunken worthless husband that sleeps all day getting drunk on moonshine and coconut arrack, he spends all her hard earned money, Kamala works in a local factory paid a low salary and not enough to solve her financial problems. She thinks migrating to a foreign land would be the only hope. The only qualification she has to migrate to a foreign country is to be a housemaid. That salary would be way better than in Sri Lanka, flying to Saudi Arabia as a housemaid would be a dream come true. Yet day after day, Kamala comprehends her mistake and regrets her stupid actions of leaving her beloveds. She is trapped by the secured walls of the Arabian house and by the rules, regulations and her negligence on working. She gets punished by horrific physical and mental abuse by the hands of her employer. Finally trapped her in a room as a punishment with nonpayment of her salary. When she tries to escape she is being physically tortured by the employer with nailing her body feet beating her with chains and sticks. Finally, when she escapes and returns to her mother land, everything what she worked have gone on a waste by her husband and leaving it all for nothing. Why I wrote this book. Labor migration to the Middle East has become a main feature of Sri Lankan economy strategies making it the second biggest foreign exchange earnings. Migration is likely to continue in the future. Foreign embassies continued to receive many reports that employers abused foreign women working as domestic servants. Some embassies of countries with large domestic servant populations maintained safe houses to which their citizens may flee to escape work situations that included forced confinement, withholding of food, nonpayment of salaries, beating and other

physical abuse, and rape. These are few stories... "One particular day I dropped a saucer which broke into pieces. My employer was angry and he heated up five nails and drove them into my hand. When I shouted out in pain my employer's wife held a knife to my neck," she said. Why you should read this book? When you Google Sri Lanka all you see is a beautiful island with beautiful sceneries and nature surrounded by lovely sandy beaches, diverse landscapes ranging from plains to highlands, rainforests, wildlife and exotic food. But not many know how the Sri Lankan lower middle class suffer. How everyday is a challenge for them to make their ends meet. How much they suffer to keep their families alive, insufficient money to feed their children and to spend for their education. I was inspired by so many stories about how these migrant workers suffer. I have been fortunate enough to help these people and listen to their stories. This shows us how cruel the world is. Another side of life which many has not seen, or even think about, simply a nightmare. Why cannot the governments take any action about this? Non-government organizations? Is there anyone at all? When they send their hard earned money with high hopes, most of the time husbands waste money on alcohol and gambling, children go astray and get abused. These women and families fall off from the frying pan into fire. Time, money, pain all gets wasted. Everything end up in tears. This story will give you the inner aspect in depth about the middle class migrant workers and their lives, how hard they work, how much they sacrifice, how hard they hide their feelings and pain, suffer and struggle to survive every day. This book is a story about a family that went through this horrific abuse and torture. Hope you enjoy this book. Scroll up and grab your copy now.
