From a professor of Islamic studies comes this look at the prophet of Islam who stands as the role model for millions of modern Muslims.

The Greatest Story Of Muhammad

AuthorHouse

In this riveting novel, beloved international bestselling author Deepak Chopra captures the spellbinding life story of the great and often misunderstood Prophet. Rooted in historical detail, Muhammad brings the Prophet to life through the eyes of those around him. A Christian hermit mystic foretells a special destiny, a pugnacious Bedouin wet nurse raises him in the desert, and a religious rebel in Mecca secretly takes the young orphan under his spiritual wing. Each voice, each chapter brings Muhammad and the creation of Islam into a new light. Muhammad's life is not a myth but an incredible true and surprisingly unknown story of a man and a moment that sparked a worldwide transformation. This special edition of

Muhammad offers a sneak preview of God which goes on sale September 25th. Chopra continues his "Enlightenment Series" by capturing the lives of ten historical prophets, saints, mystics and martyrs who are touched by a divine power. From Socrates to Joan of Arc, Rumi to Baal Shem Tov, Thomas the Apostle to Einstein, Chopra's novel brings to life the defining moments of our most influential sages, ultimately revealing to us universal lessons about the true nature of God.

Muhammad Harmony Prophet Muhammad SAW from Mecca, unified Arabia into a single religious polity under Islam faith. Believed by Muslims to be a prophet and messenger of God, Muhammad is almost universally considered by Muslims as the last prophet sent by God to mankind. While non-Muslims generally regard Muhammad as the founder of Islam, Muslims consider him to have restored the unaltered original monotheistic faith of Prophet Adam, Prophet Abraham, Prophet Moses, Prophet Jesus, and other prophets. Prophet Muhammad SAW was orphaned at an early age;

he was raised under the care of his paternal uncle Abu Talib. After his childhood Muhammad primarily worked as a merchant. Occasionally he would retreat to a cave in the mountains for several nights of seclusion and prayer; later, at age 40, he reported at this spot, that he was visited by Gabriel and received his first revelation from God. Three years after this event prophet Muhammad SAW started preaching these revelations publicly, proclaiming that "God is One." Prophet Muhammad, may the mercy and blessings of God be upon him, is the man beloved by more than 1.2 billion Muslims. He is the man who taught us patience in the face of adversity, and taught us to live in this world but seek eternal life in the hereafter. It was to Prophet Muhammad that God revealed the Quran. Along with this Book of guidance God sent Prophet Muhammad, whose behavior and high moral standards are an example to us all. Prophet Muhammad's life was the Quran. He understood it, he loved it and he lived his life based on its standards. He taught us to recite the Quran, to live by its principles and to

love it. When Muslims declare their faith in One God, they also declare their belief that Muhammad is the slave and final messenger of God. Prophet Muhammad taught us to love God and to obey Him. He taught us to be kind to each other, to respect our elders, and care for our children. He taught us that it was better to give than to receive and that each human life is worthy of respect and dignity. He taught us to love for our brothers and sisters what we love for ourselves. Prophet Muhammad taught us that families and communities are essential, and he pointed out that individual rights although important are not more important than a stable, moral society. Prophet Muhammad taught us that men and women are equal in the sight of God and that no one person is better than another except in respect to his or her piety and devotion to God.

Karen Armstrong adalah penulis yang telah menghasilkan karya-karya gemilang tentang berbagai tradisi agama. Dalam setiap tulisannya, dia menampakkan

kepiawaiannya menampilkan kajian yang rumit menjadi bahasan yang memikat dan mudah dimengerti. Penulis yang bermukim di Inggris itu kini menampilkan biografi Nabi Muhammad, yang tentunya membawakan tafsiran yang baru dan mengejutkan yang selalu menjadi kekhasannya. Biografi Nabi Muhammad ini ditulis Karen pertama kali sebagai respons terhadap fatwa Ayatullah Khomeini terhadap Salman Rushdie. Hingga saat itu, kebanyakan literatur Barat menggambarkan Muhammad entah sebagai orang suci yang sempurna atau sebagai penipu ulung. Armstrong berdiri di tengahnya: Muhammad ditampilkannya sebagai seorang luar biasa berbakat, pemberani, dan kompleks. Diperlihatkannya pula betapa karakter dan ide-ide Nabi demikian kuat untuk mengubah sejarah secara drastis dan menarik jutaan pengikut. Dengan mahir Karen menjalinkan di dalam narasinya jejak-jejak awal sejarah panjang permusuhan Barat terhadap Islam. Ditulis dengan riset yang kuat dan berdasarkan sumber-sumber yang berimbang,

penggambaran Karen tentang Nabi dengan latar kehadirannya tentu dapat pula mencerahkan pembaca dengan pemahaman baru tentang kejadian-kejadian modern di kancah politik internasional. [Mizan, Agama, nabi, Islam, Karen Armstrong, Indonesia]

From one of today's leading Muslim scholars, this compelling look at how the Prophet Muhammad has been portrayed throughout the centuries offers a fascinating history of the diversity of Islamic cultures and beliefs. The Prophet Muhammad has been revered for more than fifteen centuries. Today, one in five people throughout the world calls for daily praises and blessings upon him and holds him up as a model of virtue. In *IMAGES OF MUHAMMAD*, Tarif Khalidi examines the ways Muhammad has been depicted and revered from the immediate aftermath of his death to the present day. With scholarly authority, Khalidi explores how the "biography" of Muhammad has been constructed, reconstructed, and utilized in various Islamic cultures, and traces the influences that have shaped his image, including the profound effect of negative perceptions promulgated by the West. As he describes the great

variety of Islamic beliefs and practices, Khalidi illuminates the values and ideas shared by the Sunni, Shia, and Sufi sects, as well as the differences among them, providing Western readers with a clear, objective perspective on the current conflicts within the Muslim world as well as their global repercussions. From the Hardcover edition.

"And most certainly, thou (O Muhammad) are of most sublime and exalted character." (The Holy Qur'ân, 68:4) How the Topic Arose About ten years ago, a distant cousin of mine - Mr. Mohamed Mehtar Farooki gave me a typed quotation by the French historian, Lamartine. The quotation [A detailed exposition of the quotation will be found on page 38] purported to prove that Muhammad (pbuh), the prophet of Islam, was the greatest man that ever lived. Mr. Mehtar was in the habit of passing information on to me, believing that I might put the same to some good use at the proper time and place. Before this he had presented me with "The Call of the Minaret," an expensive

book written by (Bishop Kenneth Cragg). By analysing this book I discovered the masterful deceit of the Christian Orientalists.

In his own words, the

heavyweight champion of the world pulls no punches as he chronicles the battles he faced in and out of the ring in this fascinating memoir edited by Nobel Prize-winning novelist, Toni Morrison. Growing up in the South, surrounded by racial bigotry and discrimination, Ali fought not just for a living, but also for respect and rewards far more precious than money or glory. He was named Sportsman of the Century by Sports Illustrated and the BBC. Ali redefined what it meant to be an athlete by giving hope to millions around the world and inspiring us all to fight for what is important to us. This is a multifaceted portrait of Muhammad Ali only he could render: sports legend; unapologetic anti-war advocate; outrageous showman and gracious goodwill ambassador; fighter, lover, poet, and provocateur; an irresistible force to be reckoned with. In THE LIFE OF MUHAMMAD, Haykal achieves two objectives admirably: first, a biography which reveals the career of Prophet Muhammad (peace be upon him) in the full light of historic reality; second, bringing out the essence of Islam, as exemplified in the life of the greatest Muslim. It includes complete coverage of the Prophet's life, a detailed analysis of pre-Islamic

Arabia, the situational context of revelation, and a comparative study of the basics of Islamic and western civilizations. It is based upon a scholarly examination of all of the extant Sirah and Hadith literature (the Prophet's life, his sayings and narrations of his teachings by his contemporaries) with the eye of an objective, scientific and critical scholar who is well-versed in modern historical critical methodology. THE LIFE OF MUHAMMAD is an essential book for all English-speaking Muslims, as well as non-Muslims. This English version has been approved by the Supreme Council for Islamic Affairs, Cairo. The Great Four Rashidun Caliphs of Islam Createspace Independent Publishing Platform Prophet Muhammad was the last prophet and final messenger of God. He was born on 12 Rabiulawal (29 August 570 CE), the third month of the Muslim calendar. The prophet died on his 63rd birthday. Muhammad was the prophet and founder of Islam. Most of his early life was spent as a merchant. At age 40, he began to have revelations from Allah that became the basis for the Koran

and the foundation of Islam. By 630 he had unified most of Arabia under a single religion. Muhammad, the World-Changer Citadel Press This book is based on the true history of Allah "the Father" and His great Nation of Gods and Earths known as the Five Percenters. This is the greatest story that was never told by the Gods and the Earths during their younger years with Allah "the Father" from the early 1960s up until the time of his assassination on June 13, 1969. This was a time of struggle for the Black Man, Woman, and Child (the Universal Family). This was the time of "the Big Five", who were: Allah "the Father", who brought about the Nation of Gods and Earths known as the Five Percenters; the Honorable Elijah Muhammad, who was the last and greatest messenger of Allah, also the leader and teacher of the Black Muslims; Malcolm X of the new arrival; Dr. Martin Luther King, Jr., the civil rights leader; and the Black Panther Party on the East and West coasts. These five groups were called the Big Five, because they had the attention of every Black Man, Woman, and

Child in the wilderness of North America and other parts of our planet. There was a host of other Black groups as well. This was a time when the Five Percenter's teachings were being taught/spoken so plain and simple that even a child could understand. Black people were on the rise, and it was a time for a change—for Black Man, Woman, and Child to take their place on earth. Peace!

"An accessible biography of Muhammad, Islam's founding prophet, tracing his development from orphan to political leader and providing insights into his personal life and tastes." —New York Times Book Review "A joyous read, presenting the Prophet Muhammad both as human and humane. Insightful, thoughtful and thought provoking! " —Azar Nafisi, New York Times bestselling author of *Reading Lolita in Tehran* "A beautifully written, immaculately researched meditation on the impact of the Prophet Muhammad on the modern world. I loved this book!" —Reza Aslan, author of *No God but God and Zealot: The Life and*

Times of Jesus of Nazareth A six-year-old cries in his mother's arms as she draws her last breaths to urge him: "Muhammad, be a world-changer!" The boy, suddenly orphaned in a tribal society that fears any change, must overcome enormous obstacles to unleash his own potential and inspire others to do the same. Fusing details long known to Muslim scholars but inaccessible to popular audiences, Mohamad Jebara brings to life the gripping personal story of Islam's founding prophet. From his dramatic birth to nearly being abducted into slavery to escaping assassination, Muhammad emerges as an unrelenting man on a mission. Surrounding the protagonist are dynamic women who nurture Muhammad; Jewish and Christian mentors who inspire him; and the enslaved individuals he helps liberate who propel his movement. Jebara places Muhammad's life in a broader historical context, vividly evoking the Meccan society he was born into and arguing that his innovative vision helped shape our modern world.

All Praise is due to Allah, the Lord of the Worlds, the [One Who] Sustains the Heavens and Earths, Director of all that is created, who sent the Messengers (may the peace and blessings of Allah be upon all of them) to rational beings, to guide them and explain the religious laws to them with clearproofs and undeniable arguments. I praise Him for all of His bounties. I ask Him to increase His Grace and Generosity. I bear witness that there is none worthy of worship except Allah alone, who has no partner, the One, Who Subdues, the Generous, the Forgiving. I bear witness that our leader Muhammad is His servant and Messenger, His beloved and dear one, the best of all creation. He was honoured with the Glorious Qur'an that has been an enduring miracle throughout the years. He was also sent with his guiding Sunnah that shows the way for those who seek guidance. Our leader Muhammad has been particularised with the characteristic of eloquent and pithy speech, and simplicity and ease in the religion. May the peace and blessings of Allah be upon him, the other Prophets

and Messengers, all of their families and the rest of the righteous. NO Copyrights!!! The Life of the Prophet Muhammad Buku Edukasi Acclaimed worldwide as the definitive biography of the Prophet Muhammad in the English language, Martin Lings' *Muhammad: His Life Based on the Earliest Sources* is unlike any other. Based on Arabic sources of the eighth and ninth centuries, of which some important passages are translated here for the first time, it owes the freshness and directness of its approach to the words of men and women who heard Muhammad speak and witnessed the events of his life. Martin Lings has an unusual gift for narrative. He has adopted a style which is at once extremely readable and reflects both the simplicity and grandeur of the story. The

result is a book which will be read with equal enjoyment by those already familiar with Muhammad's life and those coming to it for the first time. *Muhammad: His Life Based to the Earliest Sources* was given an award by the government of Pakistan, and selected as the best biography of the Prophet in English at the National Seerat Conference in Islamabad in 1983.
