FRANKLIN VEGA**A Wedding in Haiti** Seven Stories Press

Although ten-year-old Miguel is at first embarrassed by his colorful aunt, Tia Lola, when she comes to Vermont from the Dominican Republic to stay with his mother, his sister, and him after his parents' divorce, he learns to love her.

How Tia Lola Came to Visit Stay Algonquin Books

After Tyler's father is injured in a tractor accident, his family hires migrant Mexican workers to help save their Vermont farm from foreclosure. Tyler isn't sure what to make of these workers. Are they undocumented? And what about the three daughters, particularly Mari, the oldest, who is proud of her Mexican heritage but also increasingly connected her American life. Her family lives in constant fear of being discovered by the authorities and sent back to the poverty they left behind in Mexico. Can Tyler and Mari find a way to be friends despite their differences? In a novel full of hope, but no easy answers, Julia Alvarez weaves a beautiful and timely story that will stay with readers long after they finish it.

How Tia Lola Learned to Teach Laurel Leaf

"[A] beguiling memoir of family and culture."—O, The Oprah Magazine In a story that travels beyond borders and between families, acclaimed Dominican novelist and poet Julia Alvarez reflects on the joys and burdens of love—for her parents, for her husband, and for a young Haitian boy known as Piti. In this intimate true account of a promise kept, Alvarez takes us on a journey into experiences that challenge our way of thinking about history and how it can be reimagined when people from two countries—traditional enemies and strangers—become friends. Julia Alvarez's new novel, *Afterlife*, is available now.

Historical Novels for Grades 7-12 ABDO Publishing Company Amilcar Cabral, who was the Secretary-General of the African Party for the Independence of Guinea and the Cape Verde Islands (PAIGC), was assassinated by Portuguese agents on January 20, 1973. Under his leadership, the PAIGC liberated three-quarters of the countryside of Guinea in less than ten years of revolutionary struggle. Cabral distinguished himself among modern revolutionaries by the long and careful preparation, both theoretical and practical, which he undertook before launching

the revolutionary struggle, and, in the course of the preparation, became one of the world's outstanding theoreticians of anti-imperialist struggle. This volume contains some of the principal speeches Cabral delivered in his last years during visits to the United States. The first is his speech to the fourth Commission of the United Nations General Assembly on October 16, 1972, on "Questions of Territories Under Portuguese Administration." His brilliant speeches on "National Liberation and Culture" (1970) and "Identity and Dignity in the Context of the National Liberation Struggle" (1972) follow.

A Gift of Gracias Algonquin Books

After moving to a new town, Jonah, an eleven-year-old with a big imagination, reinvents himself as a talk show host, hoping this will somehow bring his absent father back.

A Study Guide for Julia Alvarez's "Return to Sender" Algonquin Books

A long time ago and far away--although it could be here, and it could be now--a boy threw a stone and injured a girl. For as long as anyone could remember, their families had been enemies, and their towns as well, so it was no surprise that something bad had happened. Hate had happened. Revenge had happened. And that inspired more hate and more calls for revenge. But this time, a young girl decided to try something different... Inspired by the original Garden of Forgiveness in Beirut, Lebanon, and the movement that has grown up around it, Lauren Thompson has created a timeless parable for all ages that shows readers a better way to resolve conflicts and emphasizes the importance of moving forward together.

Finalist for the National Book Critics Circle Award, a "phenomenal, indispensable" (USA Today) exploration of the Latina "sweet fifteen" celebration, by the bestselling author of *How the García Girls Lost Their Accents* and *In the Time of Butterflies* The quinceañera, a celebration of a Latina girl's fifteenth birthday, has become a uniquely American trend. This lavish party with ball gowns, multi-tiered cakes, limousines, and extravagant meals is often as costly as a prom or a wedding. But many Latina girls feel entitled to this rite of passage, marking a girl's entrance into womanhood, and expect no expense to be spared, even in working-class families. Acclaimed author Julia Alvarez explores the history and cultural significance of the "quince" in the United States, and the consequences of treating teens like princesses. Through her observations of a quince in Queens, interviews with other quince girls, and the memories of her own experience as a young immigrant, Alvarez presents a thoughtful and entertaining portrait of a rapidly growing multicultural phenomenon, and passionately emphasizes the importance of celebrating Latina womanhood.

So Brave, Young, and Handsome ABC-CLIO

"Original and illuminating."—The New York Times Book Review In her most ambitious work since *In the Time of Butterflies*, Julia Alvarez tells the story of a woman whose poetry inspired one Caribbean revolution and of her daughter whose dedication to teaching strengthened another. Camila Henríquez Ureña is about to retire from her longtime job teaching Spanish at Vassar College. Only now as she sorts through family papers does she begin to know the woman behind the legend of her mother, the revered Salome Ureña, who died when Camila was three. In stark contrast to Salome, who became the Dominican Republic's national poet at the age of seventeen, Camila has spent most of her life trying not to offend anybody. Her mother dedicated her life to educating young women to give them voice in their turbulent new nation; Camila has spent her life quietly and anonymously teaching the Spanish pluperfect to upper-class American girls with no notion of revolution, no knowledge of Salome Ureña. Now, in 1960, Camila must choose a final destination for herself. Where will she spend the rest of her days?

News of the revolution in Cuba mirrors her own internal upheaval. In the process of deciding her future, Camila uncovers the truth of her mother's tragic personal life and, finally, finds a place for her own passion and commitment. Julia Alvarez has won a large and devoted audience by brilliantly illuminating the history of modern Caribbean America through the personal stories of its people. As a Latina, as a poet and novelist, and as a university professor, Julia Alvarez brings her own experience to this exquisite story. Julia Alvarez's new novel, *Afterlife*, is available now.

Promoting Latino Children's Literature and Literacy in Classrooms and Libraries Knopf Books for Young Readers

"Poignant . . . Powerful . . . Beautifully captures the threshold experience of the new immigrant, where the past is not yet a memory." —The New York Times Book Review Acclaimed writer Julia Alvarez's beloved first novel gives voice to four sisters as they grow up in two cultures. The García sisters—Carla, Sandra, Yolanda, and Sofía—and their family must flee their home in the Dominican Republic after their father's role in an attempt to overthrow brutal dictator Rafael Trujillo is discovered. They arrive in New York City in 1960 to a life far removed from their existence in the Caribbean. In the wondrous but not always welcoming U.S.A., their parents try to hold on to their old ways as the girls try find new lives: by straightening their hair and wearing American fashions, and by forgetting their Spanish. For them, it is at once liberating and excruciating to be caught between the old world and the new. Here they tell their stories about being at home—and not at home—in America. Julia Alvarez's new novel, *Afterlife*, is available now.

Experiencing America's Story through Fiction Yearling

An intimate, award winning story of immigrants and their families, the borders they cross, and the ties that bind us all together. Fourteen-year-old Clara Luna's name means "clear moon" in Spanish. But lately, her life has felt anything but clear. A letter has arrived from her grandparents in Mexico inviting her to stay with them for the summer. But Clara has never met her father's parents. All she knows is that he snuck over the border from Mexico as a teenager. When she arrives, she's stunned by how different her grandparents' life is from her own in the United States. They live in simple shacks in the mountains of southern Mexico, where most people speak not only Spanish, but an indigenous language, Mixteco. Their village of Yucuyoo holds

other surprises, too—like the spirit waterfall, which is heard but never seen. And Pedro, a young goatherder who wants to help Clara find the waterfall. But as Clara discovers more about where she comes from, what will it mean for who she is now? What *The Moon Saw* is an enchanting story of family, home, and discovering your true self in the most unexpected place. "Filled with evocative language that is rich in imagery and nuance and speaks to the connections that bind us all. . . a thrilling adventure . . ."—Kirkus Reviews, Starred "Readers . . . will find themselves swept up in this powerful, magical story, and they'll feel, along with Clara, 'the spiderweb's threads, connecting me to people miles and years away'."—Booklist, Starred

More effectively meet the diverse literacy needs of the growing Latino population by learning how to evaluate and select quality Latino children's literature. • Figures relating to Latino population growth, home language of Latinos, and stressors of recently arrived Latinos • Extensive bibliography of print and web resources for developing collections of quality materials about Latino cultures, professional publications related relating to evaluating Latino children's literature and integrating the literature into classrooms and libraries, and recommended English, Spanish, and bilingual children's and young adult books about Latinos • Contains useful resources such as reproducible bookmarks of recommended Latino children's books, evaluation sheets for analyzing Latino children's books for stereotypes, and a bingo sheet for professional development related to library services for Latinos and Latino children

Once Upon a Quinceanera Vinspire Publishing, LLC

This book is an in-depth study of Latina girls, portrayed in five coming-of-age narratives by using spaces and places as hermeneutical tools. The texts under study here are Julia Alvarez's *Return to Sender* (2009), Norma E. Cantú's *Canícula: Snapshots of a Girlhood en la Frontera* (1995), Mary Helen Ponce's *Hoyt Street: An Autobiography* (1993), and Esmeralda Santiago's *When I Was Puerto Rican* (1993) and *Almost a Woman* (1998). Unlike most representations of Latina girls, which are characterized by cultural inaccuracies, tropes of exoticism, and a tendency to associate the host society with modernity and their girls' cultures of origin with backwardness and oppression, these

texts contribute to reimagining the social differently from what the dominant imagery offers. By illustrating the vexing phenomena the characters have to negotiate on a daily basis (such as racism, sexism, and displacement), these narratives open avenues for a critical exploration of the legacies of colonial modernity. This book, therefore, not only enables an analysis of how the girls' development is shaped by these structures of power, but also shows how such legacies are reversed as the characters negotiate their identities. It breaks with the longstanding characterization of young people, and especially Latina girls, as voiceless and deprived of agency, showing readers that this youth group also has say in controlling their lifeworlds.

"A wolf and bird must fight the starving time and find food, while a human boy learns to hunt"--

7 Riddles to Nowhere Return to Sender

Bestselling novelist (*How the Garcia Girls Lost Their Accents*) and children's (*The Tia Lola Stories*) author Julia Alvarez's new picture book is a beautifully crafted poem for children that gently addresses the emotional side of death. The book asks, "When somebody dies, where do they go? / Do they go where the wind goes when it blows? ... Do they wink back at me when I wish on a star? Do they whisper, 'You're perfect, just as you are'? ..." Illustrated by Vermont woodcut artist, Sabra Field, *Where Do They Go?* is a beautiful and comforting meditation on death, asking questions young readers might have about what happens to those they love after they die. A Spanish-language edition of the book, *¿Donde va a parar?*, is available in paperback.
