"An ode to the imagination."—NRC Handelsblad A joy to read, *La Superba*, winner of the most prestigious Dutch literary prize, is a Rabelaisian, stylistic tour-de-force. Migration, legal and illegal, is at the center of this novel about a writer who becomes trapped in his walk on the wild side in mysterious and exotic Genoa, the labyrinthine port city nicknamed "La Superba." Ilja Leonard Pfeijffer (b. 1968), poet, dramatist, novelist, renowned in the Netherlands as a master of language, is the only two-time winner of the Tzum Prize for "the most beautiful sentence written in Dutch" (including one in *La Superba!*).

This Italian reference grammar provides students, teachers and others interested in the Italian language with a comprehensive, accessible and jargon-free guide to the forms and structure of Italian. Whatever their level of knowledge of the language, learners of Italian will find this book indispensable: it gives clear and detailed explanations of everything from the most elementary facts such as the relation between spelling and pronunciation, or the forms of the article, to more advanced points such as the various nuances of the subjunctive. Formal or archaic discourse is distinguished from informal, everyday usage, and regionalisms are also indicated where appropriate. The authors have taken care to make it an easy and illuminating reference tool: extensive cross-referencing enables readers to quickly find the information they require, and also stimulates them to discover new, related facts.

This is the first collection in English of the extraordinary letters of one of the great writers of the twentieth century. Italy's most important postwar novelist, Italo Calvino (1923-1985) achieved worldwide fame with such books as *Cosmicomics*, *Invisible Cities*, and *If on a Winter's Night a Traveler*. But he was also an influential literary critic, an important literary editor, and a masterful letter writer whose correspondents included Umberto Eco, Primo Levi, Gore Vidal, Leonardo Sciascia, Natalia Ginzburg, Michelangelo Antonioni, Pier Paolo Pasolini, and Luciano Berio. This book includes a generous selection of about 650 letters, written between World War II and the end of Calvino's life. Selected and introduced by Michael Wood, the letters are expertly rendered into English and annotated by well-known Calvino translator Martin McLaughlin. The letters are filled with insights about Calvino's writing and that of others; about Italian, American, English, and French literature; about literary criticism and literature in general; and about culture and politics. The book also provides a kind of autobiography, documenting Calvino's Communism and his resignation from the party in 1957, his eye-opening trip to the United States in 1959-60, his move to Paris (where he lived from 1967 to 1980), and his trip to his birthplace

in Cuba (where he met Che Guevara). Some lengthy letters amount almost to critical essays, while one is an appropriately brief defense of brevity, and there is an even shorter, reassuring note to his parents written on a scrap of paper while he and his brother were in hiding during the antifascist Resistance. This is a book that will fascinate and delight Calvino fans and anyone else interested in a remarkable portrait of a great writer at work. This volume includes a number of papers written in English and published in the last fifteen years in which the Italian labour market faced many changes. The book not only provides the international readership with a frame of reference - in both conceptual and legal terms - that helps to appreciate the Italian Labour Law currently in force, but also represents a contribution to moving beyond the self-referential nature of the Italian debate on the reform of labour laws. As such, the book supplies the reform process of the Italian labour market with an international and comparative dimension which - in accordance with the programmatic approach of Marco Biagi - will also feed the debate at the national level.
