Big Dog . . . Little Dog is now a Beginner Book with Read & Listen narration to join P. D. Eastman's other classics: Go, Dog. Go! and Are You My Mother? This delightful book chronicles a day in the life of Ted and Fred—two dogs who are different in every way, but also the best of friends. An irreverent introduction to the concepts of size, color, and opposites. Beginner Books are fun, funny, and easy to read! Launched by Dr. Seuss in 1957 with the publication of *The Cat in the Hat*, this beloved early reader series motivates children to read on their own by using simple words with illustrations that give clues to their meaning. Featuring a combination of kid appeal, supportive vocabulary, and bright, cheerful art, Beginner Books will encourage a love of reading in children ages 3–7. This ebook includes Read & Listen audio narration.

The perfect gift for dog lovers of all sizes: a new irresistibly cute photo book featuring tiny dogs and giant dogs side by side, from the bestselling photographer behind *Underwater Dogs* and *Underwater Puppies*. A collection of

stunning photographs, each featuring two dogs: one big, one small. These unexpected pairs are utterly adorable, making this book the perfect gift for the biggest (or littlest) dog lover in your life, or the perfect coffee-table book for anyone who loves cute pups.

Downward Sizing Dog Big and Little Just try typing “are small dogs smart...” into its search bar, and Google jumps in prematurely, finishing your sentence for you with suggestions like: “dumb?” “yappy?” “annoying?” Well, no. No, Google, they’re not. We’ve got to say it: Small dogs deserve more respect. If you’ve ever wondered why people love their small dogs like their kids or wished you had a good comeback for the opinionated big dog snob next door when he insults your ten-pound Pekingese, you’ve picked up the right book. In this big defense of small dogs, *Downward Sizing Dog* proves it’s just not true that big dogs are better dogs or that small dogs are yappy, snappy, annoying, and probably unhousebroken. Weaving real-life stories with new research on the social intelligence and transformative nature of small dogs, *Downward Sizing Dog* celebrates the powerful canine beings packaged in perfectly-proportioned small-dog frames. With its investigation into every aspect of small dog life, *Downward Sizing Dog* shows that small dogs deserve not merely more respect; they deserve a place in our families and on our favorite furniture. “Food for the soul.” —CBS Mornings A thought-provoking journey of companionship, courage, tenderness, and tea. Big Panda and Tiny Dragon embark on a journey through the seasons of the year together. They get lost, as many of us do. But while lost,

they discover many beautiful sights they'd never have found had they gone the right way. Told through a series of beautiful drawings and quiet, sometimes silly, conversations, the panda and the dragon explore the thoughts and emotions, hardships and happiness that connect us all. In nature, they learn how to live in the moment, how to be at peace with uncertainty, and how to find the strength to overcome life's obstacles together. Inspired by Buddhist philosophy and spirituality, British author and artist James Norbury created the adventures of Big Panda and Tiny Dragon to share ideas that have helped him through difficult times. The book's series of vignettes can be read cover to cover or dipped into whenever inspiration is needed. James hopes the book's words and images will inspire others to pause, enjoy the stillness, and look at life in a positive new way.

WORDS OF WISDOM: The seemingly simple, and often silly, conversations between Big Panda and Tiny Dragon reveal meaningful insights on friendship, inner wisdom, and self-acceptance.

INSPIRING IMAGES: Depicted in bold brush strokes reminiscent of calligraphy, big, fluffy Panda and tiny, wiry Dragon journey through rolling hills, wooded forests, and blooming meadows in more than 120 elegant black-and-white and full-color scenes.

FOR READERS OF ALL AGES: From youngsters at story time to new graduates with the world ahead of them to adults in moments of challenge or transition, Big Panda and Tiny Dragon offer comfort, inspiration, and a wry smile for every reader.

WORK OF ART: Featuring a beautiful cover and a collection of stunning illustrations, each one more beautiful than the next, every page in this book is worthy of framing.

HEARTFELT GIFT: Full of wisdom and

touching humor, Big Panda and Tiny Dragon makes a thoughtful gift to be treasured.

From celebrated photographer Andy Seliverstov, another volume of gorgeous images of little kids kissing, hugging, playing, laughing, jumping, and just generally loving the big dogs in their lives. "Nothing short of magical," the Today Show wrote about Seliverstov's first "Little Kids and Their Big Dogs" book. "You'll never see anything as adorable as these little kids with big dogs," agreed BuzzFeed. "Outrageously precious" added People magazine. This second volume contains a global assortment of some of the biggest dogs on the planet, from Irish Wolfhounds and Great Danes to lesser-known breeds like Spanish Mastiffs and Caucasian Shepherds. Also available are "Little Kids and Their Big Dogs" greeting cards, a 2018 calendar, and, of course, Volume 1. [Big Dog . . . Little Dog](#) B.E.S. Publishing

If you live in a compact apartment or don't have much of a yard, a small dog may be just right for you. Weighing in at under 25 pounds and no taller than 16 inches at the shoulders, these smaller breeds are often better suited to today's living spaces. In fact, according to the AKC, more people than ever are buying small dogs for these very reasons. But with so many breeds to choose from, how do you pick the one that's right for you? The Everything Small Dogs Book is the ultimate guide to help you navigate a plethora of breeds and how to care for them. Packed with all the breed and dog-care basics you need, The Everything Small Dogs Book will help you pair up with the right pooch!

Big Dog and Little Dog Going for a Walk Houghton Mifflin Harcourt

"This wonderfully illustrated book features 300 dog breeds, including every

breed recognized by the American Kennel Club. Fun double-page spreads show dogs in the seven official groupings -- Working, Toy, Hound, Terrier, Herding, Sporting, Non-Sporting -- as well as "designer" dogs like the Labradoodle and Chiweenie. There are also some obscure breeds recognized by other kennel clubs in Europe, like the Canadian Eskimo Dog and Australian Silky Terrier, as well as some dogs not yet officially recognized by the American Kennel Club. The specially commissioned colour drawings are accurate and engaging. At the end of the book is an entertaining puppy identifier where children can test their ability to recognize the breed of 30 puppies. There is also a Dog Breed Fact Index with interesting trivia about all of the breeds."--

Small dogs can bring big rewards! Small dogs are charming, intelligent, and loving, but they can also be overly energetic, manipulative, and stubborn. How do you ensure that your little dog becomes a fun, feisty best friend rather than a tiny terror? *Small Dogs, Big Hearts* is an updated and expanded edition of the classic *The Irrepressible Toy Dog*. It features the very latest,

safest, and fastest training methods for little dogs. There's no need to use training methods from the past that don't work well with most dogs, let alone little ones who view the world and their owners from a very different vantage point. You'll find everything you need to know to train your little dog, from housetraining to house manners, in this updated volume. *Small Dogs, Big Hearts* follows the small dog from puppyhood through the senior years, giving advice on important topics such as: socialization, housetraining, behavior, nutrition, healthcare, pampering your pint-sized pooch. With lots of adorable photos, you'll see small dogs at their most charming while you learn to bring out the best in your little bundle of love. Darlene Arden is widely acknowledged as an authority on small dogs, and is the author of many books and articles about dogs and their care. A member of the International Association of Animal Behavior Consultants, she is a certified animal behavior consultant and a regular contributor to Animal Radio Network. Words of Appreciation for this book and its predecessor include: "The voice of experience speaks about the hidden (and not so hidden) life of Toy dogs. Darlene Arden's sensible and practical advice is a must for would-be Toy dog owners. -Dr. Nicholas H. Dodman, Tufts University, Author of *The Dog Who Loved Too Much* "Small Dogs, Big Hearts is an invaluable treasure of information... It includes every aspect of puppy care from infancy through adulthood. It is precise, beautifully written, and easily understood by both the professional dog exhibitor and the owner of a beloved family pet. Every person who contemplates purchasing a dog or who has a dog should own this book." - Victor Joris, AKC Toy Group Judge. "Darlene

Arden has come up with an informative book which, just like the little creatures that inspired it, manages to be of serious intent and at the same time entertaining. A thorough instruction manual for small dogs in general, it delves into the breed-specific joys and idiosyncrasies of these mini-sized canine charmers as well."- Lilian Barber, Author, *The Italian Greyhound*, 21st Century.

"For anyone who has owned a small dog, the best book ever written has been written by Darlene Arden." - Martha Smith, *Providence Journal Bulletin*. "At last, we have a book devoted to Toy dogs written by an authority on Toy dog care...This book would be a worthwhile addition to any dog fancier's library." - Glenna Fierheller, *Dogs in Canada*.

"Arden's breezy, unassuming portrait of the Rodney Dangerfields of dogdom captures everything from their blue-collar feistiness to their charming insouciance." - Ranny Green *The Seattle Times*. "If you've never considered yourself a 'small dog person,' this book could change your mind. If you've always loved Toys, you'll feel vindicated. And if you're considering a change of dog to a smaller breed this book will help you to avoid what could be fatal mistakes. The Irrepressible Toy Dog provides good advice for anyone with a dog, but for the Toy person it's a gift of understanding that will shatter the myth that all little dogs are or should be nasty, snappy brats. Brava!" -Karen L. Overall, MA, VMD, PhD University of Pennsylvania School of Medicine. *A Howell Dog Book of Distinction*.

Go, Dog. Go! Houghton Mifflin Harcourt
Coming up to her sixtieth birthday, Kate

Figes found herself turning to the larger questions of family, love and life's meaning. It is like this author to examine different stages in writing, and her books - from new motherhood and adolescence to coupledness and infidelity - testify to this way of understanding herself and others: so naturally she turned to writing to explore the challenges of becoming sixty. And then - a horrible, and sudden diagnosis of breast cancer which had metastasised. Instead of a gentle journey into middle age, Kate Figes began to write for her life. Now, clawing back confidence and control was not just the ordinary business of these years: it was the only way to try and survive great pain and emotional turmoil. As her writing became an honest reflection on ageing, failing, regrets and the importance of childhood memory, friends, family and love she found a new determination to live to the full and about finding ways to face up to a shortened life expectancy with dignity. Original, passionate, funny and moving, *On Smaller Dogs and Larger Life* Questions will resonate with anyone dealing with the many griefs and freedoms of midlife. It is about living with a life-threatening disease but it is even more: an intelligent and passionate look at the way we can approach disappointment and trouble, friendship and love - every day.

Puppy Socialization: What It Is and How to Do It defines and demystifies the most important thing you can do for your puppy: socialization. The authors don't just tell you what you need to know about socialization. They show you with dozens of photographs and exclusive linked videos (a live internet connection is needed to view the videos). You'll see

other owners socialize their puppies under the guidance of a nationally certified dog trainer and behavior consultant. These real-life examples of socialization show you what to do when things go well and when they don't go so well. You'll learn about:

- The magical time. Did you know that there is a special time in a puppy's life when he is primed to accept new things? The authors tell you when that time is, when that socialization window starts closing, and how a little effort by an owner during that time can save heartache later.
- Canine body language. Puppies and dogs are talking all the time—with their body language. Learn to tell when a puppy or dog is relaxed and happy, a bit

nervous about something, or outright fearful.

- Myth-busting. There's a lot of advice out there about socialization and not all of it is good. Some common myths can actually cause a puppy harm. The authors give you the most up-to-date information on puppy socialization and put some harmful myths to rest.
- Socializing a puppy during COVID-19. Puppies have so much to get used to: people, environments, noises, and more. The authors provide strategies for keeping humans and puppies safe while socializing puppies, even during the COVID-19 pandemic.
- What supplies are needed during socialization. The authors provide checklists of things owners need when socializing a puppy at home and away from home.
