Published in 1992, the series - which was exhibited at the California Museum of Photography in San Diego - was called God Inc. Thirty years later, he has revisited the American Bible Belt and various other states to see how religious groups embrace modern life and the latest technologies in their search for new followers. Manu Gandhi, M.K. Gandhi's grand-niece, joined him in 1943 at the age of fifteen. An aide to Gandhi's ailing wife Kasturba in the Aga Khan Palace prison in Pune, Manu remained with him until his assassination. She was a partner in his final yajna, an experiment in Brahmacharya, and his invocation of Rama at the moment of his death. Spanning two volumes, The Diary of Manu Gandhi is a record of her life and times with M.K. Gandhi between 1943 and 1948. Authenticated by Gandhi himself, the meticulous and intimate entries in the diary throw light on Gandhi's life as a prisoner and his endeavour to establish the possibility of collective non-violence. They also offer a glimpse into his ideological conflicts, his efforts to find his voice, and his lonely pilgrimage to Noakhali during the riots of 1946. The first volume (1943-44) chronicles the spiritual and educational pursuits of an adolescent woman who takes up writing as a mode of self-examination. The author shares a moving portrait of Kasturba Gandhi's illness and death and also unravels the deep emotional bond she develops with Gandhi, whom she calls her 'mother'. Since cinema's earliest beginnings, there has been friction between producers and directors. Shady accounting practices, which favored the distributors at the expense of the filmmakers, were all too common, causing many filmmakers to form independent companies to make and distribute their own product. This book examines six such low-budget exploitation companies-- Associated Distributors Productions, Filmgroup, Hemisphere Pictures, American General Pictures, Independent-International Pictures, Dimension Pictures, and the author's own American-Independent Productions. A brief history of each company, laced with quotes from the company's principals, is presented, followed by a filmography that lists all known credits for that company.

The Athenæum

Winner, 2021 Joseph W. Elder Prize in the Indian Social Sciences Hijras, one of India's third gendered or trans populations, have been an enduring presence in the South Asian imagination—in myth, in ritual, and in everyday life, often associated in stigmatized forms with begging and sex work. In more recent years hijras have seen a degree of political emergence as a moral presence in Indian electoral politics, and with heightened vulnerability within global health terms as a high-risk population caught within the AIDS epidemic. *Hijras, Lovers, Brothers* recounts

two years living with a group of hijras in rural India. In this riveting ethnography, Vaibhav Saria reveals not just a group of stigmatized or marginalized others but a way of life composed of laughter, struggles, and desires that trouble how we read queerness, kinship, and the psyche. Against easy framings of hijras that render them marginalized, Saria shows how hijras makes the normative Indian family possible. The book also shows that particular practices of hijras, such as refusing to use condoms or comply with retroviral regimes, reflect not ignorance, irresponsibility, or illiteracy but rather a specific idiom of erotic asceticism arising in both Hindu and Islamic traditions. This idiom suffuses the densely intertwined registers of erotics, economics, and kinship that inform the everyday lives of hijras and offer a repertoire of self-fashioning beyond the secular horizons of public health or queer theory. Engrossingly written and full of keen insights, the book moves from the small pleasures of the everyday—laughter, flirting, teasing—to impossible longings, kinship, and economies of property and substance in order to give a fuller account of trans lives and of Indian society today.
