LILLIANNA WARD

A Memoir Princeton
University Press
From the #1 New York
Times bestselling
author of *Primates of
Park Avenue*, a bold,
timely reconsideration

of female infidelity that
will upend everything
you thought you knew
about women and sex.
What do straight,
married female
revelers at an all-
women's sex club in LA
have in common with
nomadic pastoralists in
Namibia who bear
children by men not

their husbands? Like women worldwide, they crave sexual variety, novelty, and excitement. In ancient Greek tragedies, Netflix series, tabloids and pop songs, we've long portrayed such cheating women as dangerous and damaged. We love to hate women who are untrue. But who are they really? And why, in this age of female empowerment, do we continue to judge them so harshly? In *Untrue*, feminist author and cultural critic Wednesday Martin takes us on a bold, fascinating journey to reveal the unexpected evolutionary legacy and social realities that drive female faithlessness, while laying bare our motivations to contain women who step out.

Blending accessible social science and interviews with sex researchers, anthropologists, and real women from all walks of life, *Untrue* challenges our deepest assumptions about ourselves, monogamy, and the women we think we know. From recent data suggesting women may struggle more than men with sexual exclusivity to the revolutionary idea that females of many species evolved to be "promiscuous" to Martin's trenchant assertion that female sexual autonomy is the ultimate metric of gender equality, *Untrue* will change the way you think about women and sex forever.

Cornell University Press

Primates of Park Avenue by Wednesday Martin | Summary & Analysis Preview: Wednesday Martin mixes autobiography, anthropology, and satire in *Primates of Park Avenue*, a close-up look at the rarefied enclave of New York City's Upper East Side, one of the wealthiest neighborhoods in the world. As Martin chronicles her stressful, and sometimes hilarious, efforts to fit into a world where preschoolers have play dates on private planes, she discovers the neighborhood's real heart when tragedy strikes her family. When Martin and her husband started their family they were concerned about the lingering effects of the

September 11, 2001 attacks on downtown Manhattan. For this reason, they moved from the trendy, bohemian West Village to the formal, conservative Upper East Side for its excellent schools, proximity to Central Park, and the fact that her husband had many relatives already living there. Martin knew that social customs would be different, but she was stunned by the cultural onslaught she experienced even though the distance between the two neighborhoods was only a few miles. PLEASE NOTE: This is a summary and analysis of the book and NOT the original book. Inside this Instaread Summary & Analysis of *Primates of Park Avenue* • Summary of

book • Introduction to the Important People in the book • Analysis of the Themes and Author's Style
Truly Madly Guilty
Simon and Schuster
This book concerns the history of the Yerkes Laboratories of Primate Biology as they existed in Orange Park, Florida, during 1930-1965. The Yerkes Laboratories were among the more important facilities in the history of comparative psychology and related fields. They held the largest collection of chimpanzees for research in the world. Many important scientists spent parts of their careers there. A primary theme of the book concerns changing patterns of patronage for science as it shifted from private foundations to

federal agencies and the effects this had on the scientific enterprise. Donald A. Dewsbury has been a member of the faculty of the University of Florida since 1966.
That's What Frenemies Are For Simon and Schuster
When Saltman gave birth to her daughter, Azalea, she loved her deeply but felt as if something was missing. Looking back at her own life, Saltman thought maybe she was broken. Then she discovered the science of attachment, the field of psychology that explores the question of why-- from an evolutionary point of view-- love exists between parents and children. She examined the findings of researcher Mary

Ainsworth's famous laboratory procedure, the Strange Situation. In this twenty-minute procedure, a baby and a caregiver enter an ordinary room with two chairs and some toys, and the minutiae of their back-and-forth with each other is observed. Here Saltman gives readers the tools to better understand their own life histories and their relationships today. -- adapted from jacket **Stories** NYU Press
 Nine Perfect Strangers now on sale "Here's the best news you've heard all year: Not a single page disappoints....The only difficulty with Truly Madly Guilty? Putting it down." —Miami Herald
 "Captivating, suspenseful...tantalizing." —People Magazine
 The new novel from

Liane Moriarty, the #1 New York Times bestselling author of *The Husband's Secret*, *Big Little Lies*, and *What Alice Forgot*, about how sometimes we don't appreciate how extraordinary our ordinary lives are until it's too late. Six responsible adults. Three cute kids. One small dog. It's just a normal weekend. What could possibly go wrong? In *Truly Madly Guilty*, Liane Moriarty turns her unique, razor-sharp eye towards three seemingly happy families. Sam and Clementine have a wonderful, albeit, busy life: they have two little girls, Sam has just started a new dream job, and Clementine, a cellist, is busy preparing for the audition of a lifetime. If there's anything they

can count on, it's each other. Clementine and Erika are each other's oldest friends. A single look between them can convey an entire conversation. But theirs is a complicated relationship, so when Erika mentions a last minute invitation to a barbecue with her neighbors, Tiffany and Vid, Clementine and Sam don't hesitate. Having Tiffany and Vid's larger than life personalities there will be a welcome respite. Two months later, it won't stop raining, and Clementine and Sam can't stop asking themselves the question: What if we hadn't gone? In Truly Madly Guilty, Liane Moriarty takes on the foundations of our lives: marriage, sex, parenthood, and friendship. She shows

how guilt can expose the fault lines in the most seemingly strong relationships, how what we don't say can be more powerful than what we do, and how sometimes it is the most innocent of moments that can do the greatest harm.

A Memoir

HarperCollins

Ten years after the fateful night when Nan was fired, she returns to New York with her husband, HH. Finally settling in to build a permanent home and get her consulting business off the ground, Nan's plans are derailed by HH's sudden desire to start a family - and her surprisingly strong resistance to the idea. Matters are further complicated by a late-night, drunken visit from a now fifteen-

year-old Grayer, who's stumbled upon the nanny-cam tape Nan made on her last night in his mother's employment - and wants some answers. Racked with guilt and struggling to find a way to help Grayer and his seven-year-old brother, Stilton, through their parents' vicious divorce, Nan finds herself getting sucked into the Upper East Side world of wealth, power and dysfunction all over again. Set against the backdrop of a Manhattan economy cracking along the fault lines, *The Nanny Returns* plumbs the humour and heartbreak of a community who chose money over love, only to find the money evaporate - and their children ready to tell all.

Small Admissions

Little, Brown Books for Young Readers
 Julia Summers seems to have it all- a Fifth Avenue apartment, a successful husband, and two adorable children attending the best private school in the city. She relishes wielding influence over her well-heeled girlfriends . . . but her star appears to be fading. That's why, when stranded in Manhattan for the summer as the entire Upper East Side flees to the Hamptons, Julia is on the hunt for the next big thing--the hot, new fad that will put her back on top. Enter *Flame*, the new elite fitness craze. Seductive and transformative, *Flame* is exactly what Julia needs--and demure, naive instructor Tatum

is her ticket in. Turning Tatum from giggly blonde to trendy guru proves hard work. Yet Julia's triumphant comeback at summer's end doesn't quite go as planned, and when things suddenly get ugly--and even deadly--she realizes she may have been in way over her head. And Tatum, waiting in the wings, begins to grasp just how much power her newfound stardom holds . . . Then, with Julia's life already spiraling out of control, her husband is arrested for fraud and bribery. As her so-called friends turn their backs on her, and Tatum pursues her own agenda, Julia is forced to rethink everything she knew about her world to reclaim her perfect life. But does she even want it back?

Untrue Anchor

"Like an urban Dian Fossey, Wednesday Martin decodes the primate social behaviors of Upper East Side mothers in a brilliantly original and witty memoir about her adventures assimilating into that most secretive and elite tribe. After marrying a man from the Upper East Side and moving to the neighborhood, Wednesday Martin struggled to fit in. Drawing on her background in anthropology and primatology, she tried looking at her new world through that lens, and suddenly things fell into place. She understood the other mothers' snobbiness at school drop-off when she compared them to

olive baboons. Her
 obsessional quest for a
 Hermes Birkin handbag
 made sense when she
 realized other females
 wielded them to
 establish dominance in
 their troop. And so she
 analyzed tribal
 migration patterns;
 display rituals; physical
 adornment, mutilation,
 and mating practices;
 extra-pair copulation;
 and more. Her
 conclusions are smart,
 thought-provoking, and
 hilariously unexpected.
 Every city has its
 Upper East Side, and in
 Wednesday's memoir,
 readers everywhere
 will recognize the
 strange cultural codes
 of powerful social
 hierarchies and the
 compelling desire to
 climb them. They will
 also see that Upper
 East Side mothers
 want the same things
 for their children that

all mothers want--
 safety, happiness, and
 success--and not even
 sky-high penthouses
 and chauffeured SUVs
 can protect this
 ecologically released
 tribe from the universal
 experiences of anxiety
 and loss. When
 Wednesday's life turns
 upside down, she
 learns how deep the
 bonds of female
 friendship really are.
 Intelligent, funny, and
 heartfelt, *Primates of
 Park Avenue* lifts a veil
 on a secret, elite world
 within a world--the
 exotic, fascinating, and
 strangely familiar
 culture of privileged
 Manhattan
 motherhood"--
Uneasy Street
 Hachette UK
 The playground of the
 rich and the beautiful,
 downtown New York's
 nightlife spectacles
 and power of self-

invention incubated pop icons from Andy Warhol to Lady Gaga. NYU sociologist Victor P. Corona sought a new education, where night classes held in galleries, nightclubs, bars, apartments, stoops, and all-night diners taught him about love, loss, and the living possibilities of identity. Transforming himself from dowdy professor to glitzy clubgoer, Victor immerses himself among downtown's dazzling tribes of artists and performers hungry for fame. *Night Class: A Downtown Memoir* investigates the glamour of New York nightlife. In interviews and outings with clubland revelers and influencers, including Party Monster and convicted killer Michael

Alig, *Night Class* exposes downtown's perilous trappings of drugs, ambition, and power. From closeted, undocumented Mexican boy to Ivy League graduate to nightlife writer, Corona shares in *Night Class* the thrill and tragedy of downtown and how dramatically identities can change. *Edge Play* Simon and Schuster "Comprehensive in its scope and scale, rigorously argued and richly illustrated with wide-ranging examples, this clearly written and user-friendly book from a veteran commentator on international communication will be valuable for students and scholars. Strongly recommended." - Daya Thussu, Professor of International

Communication, University of Westminster Global Communication explores the history, present and future of global communication, introducing and explaining the theories, stories and flows of information and media that affect us all. Based on his experience teaching generations of students to critically examine the world of communication around them, Cees Hamelink helps readers understand the thinkers, concepts and questions in this changing landscape. This book: Explores the cultural, economic, political and social dimensions and consequences of global communication Introduces the key thinkers who have been inspirational to

the field Teaches you to master the art of asking critical questions Takes you through concrete cases from UN summits to hot lines and cyber-surveillance Boosts your essay skills with a guided tour of the literature, including helpful comments and recommendations of what to cite Brings you directly into the classroom with a series of video lectures This book guides students through the complex terrain of global communication, helping you become a critically informed participant in the ever-changing communication landscape. It is essential reading for students of communication and media studies.

American Housewife

Primates of Park Avenue A Memoir
 "In the vein of Charles Bukowski, Augusten Burroughs and Hunter S. Thompson is Jude Angelini, host of Sirius Radio's wildly popular "The All Out Show", and his collection of brutally honest and blackly comical autobiographical essays"--

Opening Belle Louise Bay
 Dr. Tammy Nelson is a relationship revolutionary. Her rethinking of monogamy—as a practice, a continuum, and a flexible concept—is on point, actionable, and nothing less than a significant cultural shift.
 —Wednesday Martin, PhD, New York Times bestselling author of *Primates of Park Avenue* and *Untrue*

Love is eternal—but in an age when we live longer, communicate differently, and value gender equality, is it any wonder so many people are looking for new ways to support lasting, loving partnerships?

"Monogamy is no longer a simple concept," says Dr. Tammy Nelson. "More couples every year are experimenting with open relationships and newer, more flexible versions of commitment ... yet few of us have been prepared with the skills we need to make those agreements work."
Open Monogamy is a practical guide for people who wish to explore new directions in their relationships—to bring in excitement, variety, and fresh experiences

without sacrificing trust, security, and respect. Through solo and partner exercises and real-life stories from people across the spectrum of relationship styles, you'll explore:

- The changing face of relationships—why the time to explore new visions of love has arrived
- Can open monogamy work for you? Self-assessment tools to find your place on the “monogamy continuum”
- Essential skills for having honest conversations about attraction and desire
- Exercises to remove shame and suspicion about open relationships
- How to create agreements—traditional or otherwise—that are fulfilling, exhilarating, and built to last

Dr. Nelson's 30 years of

experience as a relationship and sex therapist have shown her that relationships can flourish even when the old idea of monogamy fails. “You want to love each other with fairness and integrity because that's what you signed up for, and honesty aligns with your shared values ... But you also want more. You want answers. The bad news? There is no one right way to do this. The good news? You can have anything you want.” If you've ever wondered how to try an open relationship or polyamory, *Open Monogamy* gives you the tools you need to create a commitment agreement as unique as your love.

The Anxieties of Affluence Bucknell University Press

Does one need four fully grown foxgloves for decorating a dinner table for six guests? Or is it six foxgloves to kill four fully grown guests? Sophronia's first year at Mademoiselle Geraldine's Finishing Academy for Young Ladies of Quality has certainly been rousing! For one thing, finishing school is training her to be a spy (won't Mumsy be surprised?). Furthermore, Sophronia got mixed up in an intrigue over a stolen device and had a cheese pie thrown at her in a most horrid display of poor manners. Now, as she sneaks around the dirigible school, eavesdropping on the teachers' quarters and making clandestine climbs to the ship's boiler room, she learns

that there may be more to a field trip to London than is apparent at first. A conspiracy is afoot--one with dire implications for both supernaturals and humans. Sophronia must rely on her training to discover who is behind the dangerous plot-and survive the London Season with a full dance card. In this bestselling sequel to New York Times bestselling *Etiquette & Espionage*, class is back in session with more petticoats and poison, tea trays and treason. Gail's distinctive voice, signature humor, and lush steampunk setting are sure to be the height of fashion this season. *Midnight Sun* Penguin
Infantus urbanus

(defn.): Young mammal raised in city environment. *Infantus urbanus* love nights at the opera, modern architecture, and fine cuisine. Difficult to spot at night due to their penchant for black clothing. See also URBAN BABIES.

Primates of Park Avenue

Simon and Schuster
Maureen Sherry's funny insider novel about a female Wall Street executive also trying to be a mother and a wife is a "compulsively readable...cheeky—and at times, romantic—battle-cry for any woman who's ever strived to have it all and been told by a man that she couldn't" (Entertainment Weekly). It's 2008 and Isabelle, a thirty-something Wall Street

executive, appears to have it all: the sprawling Upper West Side apartment; three healthy children; a handsome husband; and a job as managing director at a large investment bank. But her reality is something else. Her work environment resembles a frat party, her husband feels employment is beneath him, and the bulk of childcare logistics still fall in Belle's already crowded lap. Enter Henry, the former college fiancé she never quite got over; now a hedge fund mogul. He becomes her largest client, and Belle gets to see the life she might have had with him. While Henry campaigns to win Belle back, the sexually harassed women in her

office take action to improve their working conditions, and recruit a wary Belle into a secret “glass ceiling club” whose goal is to mellow the cowboy banking culture and get equal pay for their work. All along, Belle can sense the financial markets heading toward their soon-to-be historic crash and that something has to give—and when it does, everything is going to change: her marriage, her career, her bank statement, and her colleagues’ frat boy behavior. Optioned by Reese Witherspoon who called it “smart, biting, and honest,” Opening Belle is “funny, relevant, and often shocking....Even if your own life is far from a fairy tale, it will allow you to laugh, learn,

and maybe even lean in—to hug your own family a little closer.” (The Washington Post). Hachette UK

"It wasn't supposed to happen this way. When Eliza Hunt created The Hudson Valley Ladies' Bulletin Board fifteen years ago she was happily entrenched in her picture-perfect suburban life with her husband and twin preschoolers. Now, with an empty nest and a crippling case of agoraphobia, the once-fun hobby has become her lifeline. So when a rival parenting forum threatens the site's existence, she doesn't think twice before fabricating a salacious rumor to spark things up a bit. It doesn't take long before that spark becomes a flame. Across town, new mom and site devotee Olivia

York is thrown into a tailspin by what she reads on the Bulletin Board. Allison Le is making cyber friends with a woman who isn't quite who she says she is. And Amanda Cole, Eliza's childhood friend, may just hold the key to unearthing why Eliza can't step out of her front door. In all this chaos, one thing is for sure...Hudson Valley will never be the same." -- Amazon.

• “A raucous, whip-smart collection of stories featuring retro-feminist ladies who lunch.” —Elle Meet the women of American Housewife. They wear lipstick, pearls, and sunscreen, even when it’s cloudy. They casserole. They pinwheel. And then they kill a party crasher, carefully stepping around the body to pull cookies from the oven. Taking us from a haunted pre-war Manhattan apartment building to the unique initiation ritual of a book club, these twelve delightfully demented stories are a refreshing and wicked answer to the question: “What do housewives do all day?”

Primates of Park Avenue by Wednesday

Martin (Trivia-On-Books) Simon and Schuster

An insider’s hilarious, whirlwind account of his years spent globe-trotting in search of the holy grail of handbags: the Birkin For more than twenty years, the Hermès Birkin bag has been the iconic symbol of fashion, luxury, and wealth. Though the bag is often seen dangling from the arms of celebrities, there is a fabled waiting list of more than two years to buy one from Hermès, and the average fashionista has a better chance of climbing Mount Everest in Prada pumps than of possessing one of these coveted carryalls. Unless, of course, she happens to know Michael Tonello . . . Michael’s newfound career started with an

impulsive move to Barcelona, a vanished job assignment, no work visa, and an Hermès scarf sold on eBay to generate some quick cash. But soon the resourceful Michael discovered the truth about the waiting list and figured out the secret to getting Hermès to part with one of these precious bags. Millions of dollars worth of Birkins later, Michael had become one of eBay's most successful entrepreneurs—and a Robin Hood to thousands of desperate rich women. With down-to-earth wit, Michael chronicles the unusual ventures that took him to nearly every continent, from eBay to Paris auction house and into the lives of celebrities and poseurs. Flirting with

danger, Michael recounts the heady rush of hand delivering his first big score to famed songwriter Carole Bayer Sager in Paris; how he had to hire thugs to rescue a bag that one of his "shoppers" held for ransom; and the story of the Oscar-worthy performances that allowed him to snag "reserved" bags from other, less dogged Birkin seekers. Whether he's relating his wining and dining, buying and selling, dodging and weaving, laughing and crying, or schmoozing and stammering, Michael is a master raconteur who weaves together tales of hunting Birkins in the world's most posh locales, memories of meals that would make any gastronome salivate, anecdotes of

obsessed collectors with insatiable desires, and sweetly intimate stories about his family, friends, and finding true love. The result is a memoir that is distinctive, fun, page-turning, and as addictive as its namesake.

The Night Before the Morning After

Ballantine Books

THE PRINCE OF PARK AVENUE FINALLY MEETS HIS MATCH IN A FEISTY MANHATTAN PRINCESS. I've made every one of my billions of dollars myself--I'm calculating, astute and the best at what I do. It takes drive and dedication to build what I have. And it leaves no time for love or girlfriends or relationships. But don't get me wrong, I'm not a monk. I understand the attention and focus

it takes to seduce a beautiful woman. They're the same skills I use to close business deals. But one night is where it begins and ends. I'm not the guy who sends flowers. I'm not the guy who calls the next day. Or so I thought before an impatient, smart-talking, beyond beautiful heiress bursts into my world. When Grace Astor rolls her eyes at me--I want to hold her against me and show her what she's been missing. When she makes a joke at my expense--I want to silence her sassy mouth with my tongue. And when she leaves straight after we f*ck with barely a goodbye--it makes me want to pin her down and remind her of the three orgasms she just had. She might be a

princess but I'm going to show her who rules in this Park Avenue bedroom. A sexy, stand-alone, contemporary romance. What others are saying about Louise Bay: "A fabulous, smouldering love story" Katy Evans, NYT bestselling author "Insanely hot passion, and deliciously naughty and sweet characters. I devoured every page!" -New York Times Bestselling Author Lisa Renee Jones "Delivers both swoon-worthy and wickedly seductive moments that will have you desperate for more." -New York Times Bestselling Author Lisa Renee Jones "This book is deliciously HOT. I loved reading it." Layla Hagen, USA Today bestselling Author "Off

the charts sexual tension and chemistry...I ravished every page!" -Audrey Carlan, #1 NYT Bestselling Author "A swoony hero with a British accent and a heroine you will root for. Don't miss this!" Jana Aston, NYT Bestselling Author "Hot sex, great banter, a cocky British boss and one of my favorite heroines to date. This book is a must-read and one of my favorite romances this year!" LJ Shen, USA Today Bestselling Author "Everything that a romance junkie could ever want in a contemporary romance. Once you start, there is not setting this sucker down. An absolute PAGE-TURNER." Shayna's Spicy Reads "Alexander and Violet

stole my heart! Their chemistry rolls of the page. Seeing the broody and incredibly hot Brit falling for Violet made me swoon. If you love hot and romantic reads, then *The British Knight* is a MUST read." Layla Hagen, USA Today Bestselling Author "A funny, hot, and expertly crafted romance that was a joy to read." *Guilty Pleasures* Book Reviews "I loved every page. Red hot scenes, tender moments and the usual roller coaster of emotions Louise loves to instil in her works, that makes her books so exhilarating to read. A perfect 5 star read." *Two Girls and Their Kindle* "A hilariously funny and heart wrenching story that will pull at your heartstrings." Who

Gives a Hoot Reviews "Beautifully written with the perfect balance of sugar and spice! Five beautiful stars!" *Espresso* Reviews "Like a really good rom-com movie except with really hot sex thrown in." *Kitty Kats Crazy about Books* "A brilliant read. Full of angst, with bites of humor and lots of steam, it also has a real sweetness about it. Another MUST READ from a really talented storyteller." *Perusing Princesses* "An amazing love story." *She's a Lip Biter* "Friends to lovers is a favorite trope of mine and this is right up there with the best of them." *Tanja, KT Book Reviews* "Just when I think her books can't get any better, she writes another one and it outshines the

previous ones. This is a sweet and sexy, friends-to-lovers contemporary romance with all the feels -- heartwarming, breathtaking, and sexy all rolled into one interesting and intriguing plot." Tracey, Goodreads reviewer "If you love a good friends to lovers with a side helping of slow burn, this book is for you. Don't hesitate, grab it with both hands. Noah and Truly will steal your heart and you will let them gladly."
