Igcse Geography Case Studies For a case study on settlement and

service provision in an area, feel free to adapt my case studies on a rural settlement (LEDC or MEDC), or to create your own. In that case what you would need to do would be to choose an area (preferably where you live), and describe the settlement (e.g. population size, location) and its services, and how the two are

linked. Case Studies – The Geography Study School IGCSE Geography Case Studies 7 The strict enforcement of the policy led to a problem of female infanticide. This is the killing of female babies, because couples favoured male children. Males ensured the family name was maintained and were able to work IGCSE Geography Case Studies - Revision Guides Case studies Find out what other members of the Cambridge community are saying about Cambridge IGCSE, and see schools in action. Teaching Cambridge IGCSE Geography Cambridge IGCSE case studies Cambridge IGCSE Geography - Case Studies 1. NIGER – RAPID POPULATION GROWTH LEDC – One of the poorest countries in the world Population Growth Rate of 2.9% (very high) Almost half of the population is under 15 years old Fertility Rate of 7.1 children per mother Population Growth is due to falling death rates - Reliable, clean water supply - Babies are inoculated against disease - Better diets are ...
