## BERRY HATFIELD

---

Making Sense of the Trinity Baker Publishing Group (MI)  
 How does Christianity relate to other religions? Beginning with a consideration of the biblical perspective, Veli-Matti Kärkkäinen offers a detailed and comprehensive survey of the diverse explanations proposed by teachers of the church down through the ages. This indispensable guide is for anyone seeking to grasp Christianity's relationship to world religions.

Evidence Unseen Baker Publishing Group (MI)

A seasoned theologian and homiletician join hands to show pastors how to preach

doctrinally rich sermons in an engaging manner.

### **The Concise Dictionary of Christian Theology (Revised Edition)** Wm. B.

Eerdmans Publishing  
 A 2002 Christianity Today Book of the Year! Postmodernism. The term slowly filtered into our vocabularies about three decades ago and now permeates most discussions of the humanities. Those who tout the promises and perils of this twentieth-century intellectual movement have filled many a bookshelf. And in a previous book, *Postmodernizing the Faith: Evangelical Responses to the Challenge of Postmodernism*, Millard J. Erickson provided his own summary of several evangelical responses--both positive and negative--to the movement. Now in this book Erickson offers his own promised in-depth analysis and constructive response.

What are the intellectual roots of postmodernism? Who are its most prominent exponents? What can we learn from their critique of modernism? Where do their assumptions and analyses fail us? Where do we go from here? What might a post-postmodernism look like? Erickson addresses these issues with characteristic discernment, clarity and evenhandedness, neither dismissing the insights of postmodern thought nor succumbing uncritically to its allure. An important book for all who are concerned with commending Christian truth to the culture within which we live.

Historical Theology Zondervan Academic  
 Are Christians merely forgiven, or do they possess the righteousness of Christ? Recently the time-honored understanding of the doctrine of justification has come under attack. Many question how-or if-we

receive the full righteousness of Christ. Martin Luther said that if we understand justification "we are in the clearest light; if we do not know it, we dwell in the densest darkness." And now, in this new and important book, John Piper accepts Luther's challenge. He points out that we need to see ourselves as having been recipients of the imputation of Christ's righteousness and therefore enjoy full acceptance with God and the everlasting inheritance of life and joy. Piper writes as both a pastor and a scholar. His pastor's heart is shown in his zeal for the welfare of the church. His careful scholarship is evident in each explanation and undergirds each conclusion.

**The Christian Theology Reader** Baker Academic

Reclaiming the Center is a valuable contribution to the study of contemporary evangelicalism. It is a guide for how evangelicals can move forward with wisdom and discernment without succumbing to the spirit of this age. Counted Righteous in Christ? Crossway Biblical Hermeneutics is a textbook for introductory courses in hermeneutics. It takes an interdisciplinary approach that is both balanced and practical with six major areas of focus: the history of biblical interpretation, philosophical presuppositions, biblical genre, the uniqueness of Scripture, the practice of exegesis, and use of exegetical insights that will be lived and communicated in preaching and teaching. Biblical Hermeneutics is designed for students who have little or no knowledge of biblical interpretation. It provides, in one volume, resources for gaining a working knowledge of the multi-faceted nature of biblical interpretation and for supporting the practice of exegesis on the part of the student. The first chapter "A Student's Primer for Exegesis" by Bruce Corley gives the student a bird's eye view of the entire process. It becomes for the student a kind of template to which they will return again and again as they engage in the process of exegesis. This revised edition of Biblical Hermeneutics contains seven new chapters that deal with the major literary genre of Scripture: law, narrative, poetry, wisdom, prophecy, Gospels and Acts, epistles, and apocalyptic. The unique nature of Scripture is presented in part three that addresses the authority, inspiration, and language of Scripture. The book contains two extensive appendices, "A Student's Glossary for Biblical Studies" and an updated and expanded version of "A Student's Guide to Reference Books and Biblical Commentaries."

Evangelical Theology William B. Eerdmans

Publishing Company

Is postmodernism harmful, beneficial--or even indifferent to Christianity or society? Before we can determine this, we must know what postmodernism is and how it is influencing everything about our lives.

Using current events and everyday illustrations, the "dean of evangelicalism" offers a lively discussion on postmodernism's characteristics and its effect on popular culture, education, entertainment and Christianity. In this way, Erickson helps readers better understand and interact with the world around them and gives people the tools to respond more wisely, believe more certainly and discern more soundly.

**The Gospel According to Isaiah 53**

Zondervan Academic

Does God know the future? Or is the future unknowable to even God? Open theists believe the search for biblical answers will spark a new Revolution. Are they right? Arguing that God interacts with his creatures spontaneously, the controversial new movement known as "open theism" has called classic church theology up for reexamination. Confronting this view, classic theists maintain that God has complete foreknowledge and that open-theist arguments are unorthodox. Each view has implications for our vision of the future and of God's dealings with humanity.

*Truth or Consequences* Baker Books

Written by eleven biblical scholars, this study explores the theology of the suffering servant in Isaiah 53 and answers a number of important questions: What is a Christian interpretation of Isaiah 53? What is a Jewish interpretation of Isaiah 53? How did the New Testament writers understand Isaiah 53? How should forgiveness and salvation be understood in Isaiah 53? How can Isaiah 53 be used in Jewish evangelism? How do we preach Isaiah 53?

**Basic Theology** Moody Publishers

Dallas Seminary Professors Make Basic Theology Accessible for All Theology doesn't have to be complicated. In this book, trusted Dallas Seminary professors present a concise systematic theology that distills the essential spiritual truths in a way that makes sense to readers--students, lay people, and pastors. Here are introductions, overviews, and reviews of key tenets of orthodox protestant evangelical doctrines. The book also includes an annotated list of key applicable Bible texts, a quick-paced story of doctrine throughout church history, heresies or distortions to be aware of, and more. Exploring Christian Theology is useful for discipleship, catechism, membership training, preview or review of

doctrine, or quick personal reference. It can also be used by ministry training programs, Bible colleges, or seminaries as an introductory primer to orient students in preparation for a more in-depth study of theology.

**The Moody Handbook of Theology**

Wm. B. Eerdmans Publishing

In what may be regarded as his magnum opus, Clark Pinnock explores the vital Christian doctrine of the Holy Spirit, restoring the Spirit to centrality in the life and witness of the church. For this second edition, theologian Daniel Castelo draws from his experience using this book in the classroom to add helpful commentary and brief reflections on each chapter.

*Systematic Theology* B&H Publishing Group

Part 1 delineates the array of positions - including liberal, Catholic, and Protestant stances - taken on the destiny of the unevangelized. In part 2 the author probes the critical issues, including the role of general revelation, the possibility of salvation after death, the requirements of salvation, the number of the redeemed, and the problem of annihilationism. In the final part, Erickson tackles two practical areas: (1) the fate of those who die in infancy and others who do not reach the age of accountability and (2) how the subject of the destiny of the unevangelized affects evangelism and missions.

**Lectures in Systematic Theology**

Kregel Academic

The publication of Volume 3 of German theologian Wolfhart Pannenberg's *Systematic Theology* completes the English edition of a work that will surely come to stand as one of the lasting theological statements of the twentieth century.

**Systematic Theology** InterVarsity Press

A new edition of leading theologian Millard Erickson's classic text.

*Complementarianism* | *9Marks Journal* Crossway

Leading evangelical scholar Millard Erickson offers a new edition of his bestselling textbook, now substantially updated and revised throughout. This edition takes into account feedback from professors and students and reflects current theological conversations, with added material on the atonement, justification, and divine foreknowledge. Erickson's comprehensive introduction is biblical, contemporary, moderate, and fair to various positions, and it applies doctrine to Christian life and ministry.

*The Postmodern World* Baker Academic

The dean of evangelical theologians explores six evangelical responses--both

positive and negative--to postmodernism. God in Three Persons Baker Books  
 Our culture's assault on gender differences and authority is generationally urgent because it's unique to this Western moment, this time and place. So we must not take either set of problems out of our sights: the generationally urgent challenges to difference and authority and the universally chronic challenge to equality. All this leads to our present moment: a reckoning for complementarianism. The task for complementarians more than ever is to continue reforming ourselves according to God's Word. We must work to understand

authority and difference as well as equality from the Bible. A right understanding and practice of each will be the best defense against abuse and abdication both. That way we will "Keep [our] conduct among the Gentiles honorable, so that when we speak against you as evildoers, they may see your good deeds and glorify God on the day of visitation" (1 Peter 2:12).  
*Reclaiming the Center* InterVarsity Press  
 This user-friendly guide by a noted biblical scholar explores three crucial questions that often pose difficulty for those seeking to understand the doctrine of the Trinity.

The Word Became Flesh Baker Academic  
 In *God the Father Almighty* Erickson develops a sturdy exposition of the doctrine of God. He interacts with criticism brought against the traditional view of God and offers a fresh analysis of the attributes of God in light of Scripture and the contemporary scene. *God the Father Almighty* is a companion volume to Erickson's other theological monographs (*God in Three Persons* and *The Word Became Flesh*).  
*How Shall They be Saved?* Kregel Academic  
 A new edition of leading theologian Millard Erickson's classic text.
