1 Enoch (First Book of Enoch), 2 Enoch (Secrets of Enoch), 3 Enoch (Hebrew Book of Enoch) Weiser Books The Spiritual, Occult and Historical significance of the "Emerald Tablets" is almost beyond belief of modern man. Written around 36,000 B.C. by Thoth, an Atlantean priest-king, this manuscript dates far back beyond reach of any Egyptian writings ever found. The author, Thoth, a Master-Teacher of the early Egyptians, put this treatise to writing in his native Atlantean language and Dr. Doreal, by use of his expertise as an Occultist and Master of

time and space, was given the directive to retrieve these Tablets and translate them into English for the edification of modern man. The powerful and rhythmic verse of Thoth is wonderfully retained in Doreal's translation. Contained within the pages of Thoth's masterpiece of Spiritual and Occult Wisdom is the synthesis of the Ancient Wisdom Teachings, the guideline for initiates of all ages, revealing the Knowledge and Wisdom hitherto held secret, but now in this New Age, revealed to all Seekers on the Path of Light. Dr. M. Doreal, Ms.D., Psy.D., is the Spiritual; Teacher of a multitude of Seekers of Light, having founded a Metaphysical Church and College - The Brotherhood of the White Temple, Inc. He is the author of all of the Organization's writings and teachings, having been given permission for the Esoteric Wisdom to be remitted in a public forum by the Great White Lodge, the Elder Brothers of mankind who shape and form the Spiritual evolution of earth's inhabitants. The Brotherhood of the White Temple, Inc. is a correspondence school,

accredited through the State of Colorado, and mails out to its world-wide membership weekly Lessons of Truth. Its four and one-half year College Course unveils the secrets of the Symbolism of all Mystery Schools, giving precisely and beautifully, the step by step progression all Seekers have searched for in their quest for Oneness with God, and for attainment of Cosmic Consciousness. "Read, Believe or not, but read, and the vibration found therein will awaken a response in your soul." - Doreal

The Ancient Mysteries of Melchizedek Truth in History

"Melchizedek Revealed" unlocks the Mystery of Melchizedek! Few Mysteries of the Bible have attracted more interest than the mystery of the identity of Melchizedek. Overall, this book on Melchizedek is one of the most imperative books available today for the Christian who must know about living as a Melchizedek Priest! Who is Melchizedek? How does this Order of Melchizedek and his priesthood apply to your life today? Dr. Kluane Spake writes clearly and easily about how every believer is

BOTH a KING and a PRIEST! The New Testament does not teach that some people are "KINGS" and some are "PRIESTS." This book could totally change your life and ministry. It is about defining the prophetic to bring greater order, accuracy, and impact! You will discover: How to access your God given priesthood! If you want to know more, then just scroll up to buy this book... Dr. Kluane Spake <http://kluane.com> This book is historically researched and includes the documentation of other papyrus and oral traditions of the time. This book is Biblical, factual, and historical -- plus it is inspirational! At last, here is the revelation of how to walk in the fullness of Melchizedek. Discover this eternal priesthood of Jesus Christ and learn how you can live and reign in the Melchizedek Priesthood that Jesus died to give you! Does God still command tithing for us today? Why do so many

Kingdom believers live below their rights? Righteousness is NOT what you think ... but, it is the key! The whole Gospel comes alive with this understanding! Dr. Kluane Spake has spent years researching this topic of Melchizedek! Charisma Media Long ago we humans used a form of communication and sensing that did not involve the brain in any way; rather, it came from a sacred place within our hearts. What good would it do to find this place again? This is a book of remembering. You have always had this place within your heart, and it is still there now. It existed before creation, and it will exist even after the last star shines its brilliant light. At night when you enter your dreams, you leave your mind and enter the sacred space of your heart. But do you remember? Or do you only remember the dream? Why am I telling you about this "something" that is fading from our memories? What good would it do to find this place again in a world where the greatest religion is science and the logic of the mind? Don't I know where emotions and

feelings are second-class citizens? Yes, I do. But my teachers have asked me to remind you who you really are. You are more than just a human being, much more. For within your heart is a place, a sacred place, where the world can literally be remade through conscious cocreation. If you really want peace of spirit and if you want to return home, I invite you into the beauty of your own heart. With your permission, I will show you what has been shown to me. I will give you the exact instructions to the pathway into your heart where you and God are intimately one. It is your choice. But I must warn you: Within this experience resides great responsibility. Life knows when a spirit is born to the higher worlds, and life will use you as all the great masters who have ever lived have been used. If you read this book and do the meditation and then expect nothing to change in your life, you may get caught spiritually napping. Once you have entered the light of the great darkness, your life will change -- eventually, you will remember who you really are.

The sacred Flower of Life pattern, the primary geometric generator of all physical form, is explored in even more depth in this volume, the second half of the famed Flower of Life workshop. The proportions of the human body, the nuances of human consciousness, the sizes and distances of the stars, planets and moons, even the creations of humankind, are all shown to reflect their origins in this beautiful and divine image. Through an intricate and detailed geometrical mapping, Drunvalo Melchizedek shows how the seemingly simple design of the Flower of Life contains the genesis of our entire third-dimensional existence. From the pyramids and mysteries of Egypt to the new race of Indigo children, Drunvalo presents the sacred geometries of the reality and the subtle energies that shape our world. We are led through a divinely inspired labyrinth of science, stories, logic, and coincidence on a path of remembering where we come from and the wonder and magic of who

we are. Finally, for the first time in print, Drunvalo shares the instructions for the Mer-Ka-Ba meditation--step-by-step techniques for the re-creation of the energy field of the evolved human--which is the key to ascension and the next dimensional world. if done from love, this ancient process of breathing prana opens up for us a world of tantalizing possibility in this dimension, from protective powers to the healing of oneself, of others, and even of the planet. The current world confusion and condition of human affairs is a natural phase within an evolutionary process that will ultimately lead to the unification of the human race into a single social order. This process has passed through stages we should consider as being analogous to those of infancy and childhood, and is now in the culminating period of adolescence approaching its long-awaited coming of age—an age of universal peace and justice. This has been the promise given throughout all the major faiths of the world. The social fabric of the world is out of balance and through Divine intervention nations will form together in a collective consciousness recognizing the need for a revolutionary shift of spirit to undertake those measures creating lasting harmony and peace. Dr.

M. Scott Peck speaks of world-views as being religious. To move away from war, we must distinguish between "true religions and false religions, true prophets and false prophets," and that "truth in religion is characterized by inclusivity," while "falsity in religion can be detected by its one-sidedness and failure to integrate the whole."

History clearly shows that some form of a universal legislative body is not only essential, but also inevitable. Such a system is not conceived from the mind of mortal man; rather, it is a Divine System that was set in motion over 6000 years ago. The purpose in writing *Melchizedek & the Temple* is to show the story of this evolutionary process—a journey through time, culminating with the promise of an earthly kingdom—an all-inclusive world government, free from tyranny, hate, prejudice and war. *Melchizedek & the Temple* offers a practical, and compelling alternative to antiquated ideas that in reality prevent humankind from achieving what it longs for—universal peace and justice. It is a message of warning and of promise.

Once, all life in the universe knew the Flower of Life as the creation pattern - the geometrical design leading us into and out of physical existence. Then from a very high state of consciousness we fell in darkness and forgot who we were. For thousands of years the

secret was held in ancient artifacts and carvings around the world, and encoded in the cells of all life. Here Drunvalo Melchizedek presents in text and graphics the first half of the Flower of Life Workshop, illuminating the mysteries of how we came to be, why the world is the way it is and the subtle energies that allow our awareness to blossom into its true beauty. Sacred Geometry is the form beneath our being and points to a divine order in our reality. We can follow that order from the invisible atom to the infinite stars, finding ourselves at each step. The information here is one path, but between the lines and drawings lie the feminine gems of intuitive understanding. Explore the miracle of our

existence by meandering through the wonderland of geometry, science, ancient history and new discovery, seen through the widened vision of Drunvalo and the Flower of Life. Volume 2 will explore in great detail the Mer-Ka-Ba, the 55-foot-diameter energy field of the human lightbody. This knowledge leads to ascension and the next dimensional world. About the Author Drunvalo Melchizedek's life experience reads like an encyclopedia of breakthroughs in human endeavor. He studied physics and art at the University of California at Berkeley, but he personally feels that his most important education came after college. In the last 25 years he has

studied with over 70 teachers from all belief systems and religious understandings, providing him with a wide breadth of knowledge, compassion and acceptance. Not only is Drunvalo's mind exceptional, but his heart, his warm personality, his love for all life everywhere, is immediately understood and felt by anyone who meets him. For some time now he has been bringing his vast vision to the world through the Flower of Life program and the Mer-Ka-Ba meditation. *The Mayan Ouroboros* Dog Ear Publishing Explains the cultural and religious basis for Ras Tafari cuisine, and includes recipes for beverages, entrees, soups, desserts, snacks, and cakes
