The history of Hawaii
may be said to be the

story of arrivals -- from
the eruption of
volcanoes on the
ocean floor 18,000 feet
below to the first hardy
seeds that over
millennia found their
way to the islands, and
the confused birds
blown from their
migratory routes. Early
Polynesian adventurers
sailed across the
Pacific in double
canoes. Spanish

galleons en route to the Philippines and British navigators in search of a Northwest Passage were soon followed by pious Protestant missionaries, shipwrecked sailors, and rowdy Irish poachers escaped from Botany Bay -- all wanderers washed ashore. This is true of many cultures, but in Hawaii, no one seems to have left. And in Hawaii, a set of myths accompanied each of these migrants -- legends that shape our understanding of this mysterious place. Susanna Moore pieces together the story of late-eighteenth-century Hawaii -- its kings and queens, gods and goddesses, missionaries, migrants, and explorers -- a not-so-distant time of

abrupt transition, in which an isolated pagan world of human sacrifice and strict taboo, without a currency or a written language, was confronted with the equally ritualized world of capitalism, Western education, and Christian values.

A Little Piece of Paradise Macmillan
Welcome to Paradise. Showdown A man cloaked in black arrives in the sleepy town of Paradise, Colorado. He knows too much about the town's many unspoken secrets, and he himself holds the greatest secret of them all. Bearing the power to grant any unfulfilled dream, he is irresistible. As dark clouds and sandstorms envelop the town, it becomes apparent that Paradise is being

isolated for a reason. But why? Saint He belongs to the X Group. They call him Saint. Invasive techniques have stripped him of his identity and made him someone new . . . but who is he really? From the deep woods of Hungary to the streets of New York, one man's search for truth leads him into a world of government cover-ups, political intrigue, and ultimate betrayal. Sinner This is the story of Marsuvees Black, a force of raw evil who speaks with wicked persuasion that is far more destructive than swords or guns. It's also the story of two unsuspecting survivors of a research project gone bad—who may be the most powerful people on earth. And finally, it's the story of

one who comes out of the desert to lead those willing to stand for truth. The epic conclusion to what began in a small town called Paradise. *The Other Side of Paradise* Penguin In this story of romance and sisterhood, Sophie learns that the inheritance of a lifetime sometimes comes with a catch. When Sophie's uncle leaves her a castle on the Italian Riviera in his will, she can't believe her luck. The catch? She and her estranged sister, Rachel, must live there together for three months in order to inherit it. A cheating Italian ex soon learns of Sophie's return and wants to rekindle their spark, but Sophie realizes that distance does make the heart

grow fonder—for her friend back home, Chris, who becomes more to her than just a friend. But does he feel the same? This beautiful story is perfect for fans of Alex Brown and Lucy Coleman.

The internationally bestselling Peachtree Bluff series concludes with this “deliciously authentic Southern tale of family and the often messy, complex relationships between sisters, mothers, and daughters” (Susan Boyer, USA TODAY bestselling author). With the man of her dreams back in her life and all three of her daughters happy, Ansley Murphy should be content. But she can’t help but feel like it’s all a little too good

to be true. Her youngest daughter, actress Emerson, is recently engaged and has just landed the role of a lifetime. She seemingly has the world by the tail and yet something she can’t quite put her finger on is worrying her—and it has nothing to do with her recent health scare. When two new women arrive in Peachtree Bluff—one who has the potential to wreck Ansley’s happiness and one who could tear Emerson’s world apart—everything is put in perspective. And after secrets that were never meant to be told come to light, the powerful bond between the Murphy sisters and their mother comes crumbling down, testing their devotion to each other and

forcing them to evaluate the meaning of family. "Kristy Woodson Harvey has done it again....The Southern Side of Paradise is full of humor, charm, and family" (Lauren K. Denton, USA TODAY bestselling author) and is the ultimate satisfying beach read.

Paradise Reclaimed

Random House
 Winner of the 2018 IRDA for fantasy #1 Best Seller in Canadian Dark Fantasy 99% liked it (Goodreads) A deformed genius plots vengeance while struggling to survive. A wastrel prince comes of age, finding a power he never imagined. Two worlds are destined to collide. Only one can be king. "This dark fantasy epic will be held up against George R.R. Martin's

masterwork, A Song of Ice and Fire. Read this book now so you can act pompous around your friends when HBO turns it into a television series." - Goodreads "Kings of Paradise presents a brutal world of complex yet simple politics, reminiscent of Game of Thrones. An intriguing low-magic world packed with interesting cultures to be further delved. Nell shows considerable skill in displaying his world distinctly through the eyes of his different characters." - Fantasybookreview.co.uk Ruka, called a demon at birth, is a genius. Born malformed and ugly into the snow-covered wasteland of the Ascom, he was spared from death by his mother's love. Now he is an outcast,

consumed with hate for those who've wronged him. But to take his vengeance, he must first survive. Across a vast sea in the white-sand island paradise of Sri Kon, Kale is fourth and youngest son of the Sorcerer King. And at sixteen, Kale is a disappointment. As the first prince ever forced to serve with low-born marines, Kale must prove himself and become a man, or else lose all chance of a worthy future, and any hope to win the love of his life. Though they do not know it, both boys are on the cusp of discovery. Their worlds and lives are destined for greatness, or ruin. But in a changing world where ash meets paradise, only one man can be king... The first installment of an epic, low- fantasy trilogy.

Kings of Paradise is a dark, bloody, coming-of-age story shaped by culture, politics, and magic. "The novel's brilliant world works on so many levels; it has a rich political landscape, moral complexity, and immense environmental challenges, all told in beautiful, thoughtful prose." - Indiereader "A must for lovers of fantasy, especially those who enjoy losing themselves in a epic tale." - Reader's Favorite "The world that Mr. Nell has created is pretty incredible. But the thing that really made me love this story was the characters he filled that world with." - Goodreads "If Kale changes, Ruka grows and festers like a storm. Without a doubt, the darker of

the two characters, I feel Richard Nell has created a compelling and classic character here." Goodreads

Paradise Lost, and Other Poems Sterling Publishing Company, Inc.

Paradise awaits.... Now that Cheyenne's murderer has been revealed and Reed knows the truth about who's been stalking her, she's ready to leave the heartache and turmoil of last semester behind. And what better way to recover than a five-star Caribbean vacation? Reed is reunited with former Billings Girls Kiran and Taylor, and she and her friends take over the exclusive island. They spend their days tanning on white-sand beaches and their nights partying on sixty-foot

yachts. It's heaven on earth. But as they raise their champagne flutes to toast their friendship, Reed worries that it's all too good to be true.

Because even in paradise, the Billings Girls are never far from trouble -- and nothing's more dangerous than the calm before the storm....

The Other Side of Paradise Scribner
Staceyann Chin has appeared on television and radio discussing issues of race and sexuality, but it is her extraordinary voice that launched her career as a performer, poet, and activist—here, she shares her unforgettable story of triumph against all odds in this brave and fiercely candid memoir. No one knew

Staceyann's mother was pregnant until a dangerously small baby was born on the floor of her grandmother's house in Lottery, Jamaica on Christmas Day. Staceyann's mother did not want her and her father was not present—no one, except her grandmother, thought Staceyann would survive. It was her grandmother who nurtured and protected and provided for Staceyann and her older brother in the early years. But when the three were separated, Staceyann was thrust, alone, into an unfamiliar and dysfunctional home in Paradise, Jamaica. There, she faced far greater troubles than absent parents. So, armed with a fierce

determination and exceptional intelligence, she discovered a way to break out of this harshly unforgiving world. Staceyann Chin, acclaimed and iconic performance artist, now brings her extraordinary talents to the page in a brave, lyrical, and fiercely candid memoir about growing up in Jamaica. She plumbs tender and unsettling memories as she writes about drifting from one home to the next, coming out as a lesbian, and finding the man she believes to be her father and ultimately her voice. Hers is an unforgettable story told with grace, humor, and courage. Paradise Tales

When Anna discovers she's with child, it doesn't feel as wonderful as she'd imagined. She quickly feels trapped between the doctors blaming her for her morning sickness, older women wanting her to stay home, and very real risks to her baby. She's caught between protecting her family and living a fulfilling life-an impossible choice. Anna's new friend Elizabeth is reeling from an unexpected loss, and she believes her nervous tendencies are getting worse. Her thoughts have always been strange, and the threat of ending up in an insane asylum is never far from her mind. When she meets a handsome stranger on the train, she wonders if she can

simply keep her "fits of mania" to herself. But when she develops a phobia, she'll have to face her most dreaded fear to save what she loves most. In the Heart of Paradise is a deeply hopeful story that explores themes of mental health and motherhood in the nineteenth century. It is the third book in the Rainier Series, which is historical fiction set in Washington State. [An Infidel in Paradise](#) Barbour Publishing "Trapped in their cozy catacombs, the couples have made sex by turns their toy, their glue, their trauma, their therapy, their hope, their frustration, their revenge, their narcotic, their main line of communication and their sole and pitiable shield against the awareness of

death.”—Time One of the signature novels of the American 1960s, *Couples* is a book that, when it debuted, scandalized the public with prose pictures of the way people live, and that today provides an engrossing epitaph to the short, happy life of the “post-Pill paradise.” It chronicles the interactions of ten young married couples in a seaside New England community who make a cult of sex and of themselves. The group of acquaintances form a magical circle, complete with ritualistic games, religious substitutions, a priest (Freddy Thorne), and a scapegoat (Piet Hanema). As with most American utopias, this one’s existence is brief and unsustainable, but

the “imaginative quest” that inspires its creation is eternal. Praise for *Couples* “*Couples* [is] John Updike’s tour de force of extramarital wanderlust.”—The New York Times Book Review “Ingenious . . . If this is a dirty book, I don’t see how sex can be written about at all.”—Wilfrid Sheed, The New York Times Book Review
The Paradise Trilogy
Vintage
From a prizewinning young writer whose stories have been anthologized in “The Best American Short Stories” and “New Stories from the South” comes a heartwarming and hugely appealing debut collection that explores the way our choices and relationships are shaped by the menace

and beauty of the natural world.

Couples Thomas Nelson

The author of *Men Explain Things to Me* explores the moments of altruism and generosity that arise in the aftermath of disaster. Why is it that in the aftermath of a disaster? whether manmade or natural? people suddenly become altruistic, resourceful, and brave? What makes the newfound communities and purpose many find in the ruins and crises after disaster so joyous? And what does this joy reveal about ordinarily unmet social desires and possibilities? In *A Paradise Built in Hell*, award-winning author Rebecca Solnit explores these

phenomena, looking at major calamities from the 1906 earthquake in San Francisco through the 1917 explosion that tore up Halifax, Nova Scotia, the 1985 Mexico City earthquake, 9/11, and Hurricane Katrina in New Orleans. She examines how disaster throws people into a temporary utopia of changed states of mind and social possibilities, as well as looking at the cost of the widespread myths and rarer real cases of social deterioration during crisis. This is a timely and important book from an acclaimed author whose work consistently locates unseen patterns and meanings in broad cultural histories. [The Age of Division](#)
Random House

Just one month after his 21st birthday, Peter Rudiak-Gould moved to Ujae, a remote atoll in the Marshall Islands located 70 miles from the nearest telephone, car, store, or tourist, and 2,000 miles from the closest continent. He spent the next year there, living among its 450 inhabitants and teaching English to its schoolchildren. At first blush, *Surviving Paradise* is a thoughtful and laugh-out-loud hilarious documentation of Rudiak-Gould's efforts to cope with daily life on Ujae as his idealistic expectations of a tropical paradise confront harsh reality. But Rudiak-Gould goes beyond the personal, interweaving his own story with fascinating political, linguistic, and ecological digressions

about the Marshall Islands. Most poignant are his observations of the noticeable effect of global warming on these tiny, low-lying islands and the threat rising water levels pose to their already precarious existence. *An Eat, Pray, Love* as written by Paul Theroux, *Surviving Paradise* is a disarmingly lighthearted narrative with a substantive emotional undercurrent. *Escape to Paradise Trilogy* Thomas Nelson Inc
If you have ever wondered exactly how we got from the Christian society of the early centuries, united in its faithfulness to apostolic tradition, to the fragmented and secular state of the West today, *The Age of*

Division will answer all your questions and more. In this second of a four-volume cultural history of Christendom, author John Strickland applies insights from the Orthodox Church to trace the decline and disintegration of both East and West after the momentous but often neglected Great Schism. For five centuries, a divided Christendom was led further and further from the culture of paradise that defined its first millennium, resulting in the Protestant Reformation and the secularization that defines our society today.

Even in Paradise

Simon and Schuster
 “Compelling...A
 bracing work of art and
 a loving tribute” (Los
 Angeles Times), this
 propulsive, stunning

book illuminates the experience of living with schizophrenia like never before. Sandra Allen did not know their uncle Bob very well. As a child, Sandy had been told Bob was “crazy,” that he had spent time in mental hospitals while growing up in Berkeley in the 60s and 70s. But Bob had lived a hermetic life in a remote part of California for longer than Sandy had been alive, and what little Sandy knew of him came from rare family reunions or odd, infrequent phone calls. Then in 2009 Bob mailed Sandy his autobiography. Typewritten in all caps, a stream of error-riddled sentences more than sixty, single-spaced pages, the often-incomprehensible manuscript proclaimed

to be a “true story” about being “labeled a psychotic paranoid schizophrenic,” and arrived with a plea to help him get his story out to the world. “Searing” (O, The Oprah Magazine), “enthraling” (Star-Tribune, Minneapolis), and “a marvel” (Esquire), *A Kind of Mirraculas Paradise* shows how Sandy translated Bob’s autobiography, artfully creating a gripping coming-of-age story while sticking faithfully to the facts as he shared them. Sandy also shares background information about their family, the culturally explosive time and place of their uncle’s formative years, and the vitally important questions surrounding schizophrenia and

mental healthcare in America more broadly. The result is a heartbreaking and sometimes hilarious portrait of a young man striving for stability in his life as well as his mind, and an utterly unique lens into an experience that, to most people, remains unimaginable. “Thrilling...Gorgeous... a watershed in empathetic adaptation of ‘outsider’ autobiography” (The New Republic), *A Kind of Mirraculas Paradise* is a dazzlingly, daringly written book that’s poised to change conversations about schizophrenia and mental illness overall. *Birds of a Lesser Paradise* Vintage The Great Gatsby meets Looking for Alaska in this stunning debut from Chelsey

Philpot. With inspiration drawn from Evelyn Waugh's *Brideshead Revisited*, this novel perfectly captures the love and heartbreak that can change us most. When Julia Buchanan enrolls at St. Anne's at the beginning of junior year, Charlotte Ryder already knows all about her. Most people do . . . or think they do. But as Charlotte is pulled into the larger-than-life new girl's world—a world of midnight rendezvous, dazzling parties, palatial vacation homes, and fizzy champagne cocktails—she realizes that behind Julia's self-assured smiles and toasts to the future, she is still suffering from a tragedy. A tragedy that the Buchanan family has

kept hidden . . . until now.

The House on Paradise Street Ancient Faith Publishing

It starts as a trip to paradise. Sent on assignment to Bali, Jamie, an adventure guide, imagines spending weeks exploring the island's lush jungles and pristine white sand beaches. Yet three days after her arrival, she is caught in Bali's infamous nightclub bombings, which irreparably change her life and leave her with many unanswered questions. One year later, haunted by memories, Jamie returns to Bali seeking a sense of closure. Most of all, she hopes to find Gabe, the man who saved her from the attacks. She hasn't been able to forget his

kindness - or the spark between them as he helped her heal. Checking into a cosy guest house for her stay, Jamie meets the kindly owner, who is coping with a painful past of his own, and a young boy who improbably becomes crucial to her search. Jamie has never shied away from a challenge, but a second chance with Gabe presents her with the biggest dilemma of all: whether she's ready to open her heart. Praise for French Lessons: 'A wonderfully warm and sexy book ... we loved it!' Bella. 'A delightful novel, full of joie de vivre'. Woman and Home. The Paradise Guest House Macmillan + ORM From the Nobel Prize winner comes a

captivating novel about an idealistic Icelandic farmer who journeys to Mormon Utah and back in search of paradise. • "Full of an earthy poetry...a style wonderfully wise and entirely Scandinavian in its combination of magic and reality." —The New York Times Book Review • With an introduction by the Pulitzer Prize-winning author of A Thousand Acres. The quixotic hero of this long-lost classic is Steinar of Hlidar, a generous but very poor man who lives peacefully on a tiny farm in nineteenth-century Iceland with his wife and two adoring young children. But when he impulsively offers his children's beloved pure-white pony to the visiting King of Denmark, he sets in

motion a chain of disastrous events that leaves his family in ruins and himself at the other end of the earth, optimistically building a home for them among the devout polygamists in the Promised Land of Utah. By the time the broken family is reunited, Laxness has spun his trademark blend of compassion and comically brutal satire into a moving and spellbinding enchantment, composed equally of elements of fable and folklore and of the most humble truths.

Paradise Cove

Hachette UK

#1 NEW YORK TIMES

BEST SELLER • From

the award-winning, best-selling author of the classic *A Little Life*—a bold, brilliant novel spanning three

centuries and three different versions of the American experiment, about lovers, family, loss and the elusive promise of utopia. A BEST BOOK OF THE YEAR: VOGUE • ESQUIRE • NPR • GOODREADS To Paradise is a fin de siècle novel of marvelous literary effect, but above all it is a work of emotional genius. The great power of this remarkable novel is driven by Yanagihara's understanding of the aching desire to protect those we love—partners, lovers, children, friends, family, and even our fellow citizens—and the pain that ensues when we cannot. In an alternate version of 1893 America, New York is part of the Free States, where people

may live and love whomever they please (or so it seems). The fragile young scion of a distinguished family resists betrothal to a worthy suitor, drawn to a charming music teacher of no means. In a 1993 Manhattan besieged by the AIDS epidemic, a young Hawaiian man lives with his much older, wealthier partner, hiding his troubled childhood and the fate of his father. And in 2093, in a world riven by plagues and governed by totalitarian rule, a powerful scientist's damaged granddaughter tries to navigate life without him—and solve the mystery of her husband's disappearances. These three sections comprise an ingenious

symphony, as recurring notes and themes deepen and enrich one another: A townhouse in Washington Square Park in Greenwich Village; illness, and treatments that come at a terrible cost; wealth and squalor; the weak and the strong; race; the definition of family, and of nationhood; the dangerous righteousness of the powerful, and of revolutionaries; the longing to find a place in an earthly paradise, and the gradual realization that it can't exist. What unites not just the characters, but these Americas, are their reckonings with the qualities that make us human: Fear. Love. Shame. Need. Loneliness.
A Paradise Built in Hell
Vintage

The acclaimed Nobel Prize winner challenges our most fiercely held beliefs as she weaves folklore and history, memory and myth into an unforgettable meditation on race, religion, gender, and a far-off past that is ever present—in prose that soars with the rhythms, grandeur, and tragic arc of an epic poem. “They shoot the white girl first. With the rest they can take their time.” So begins Toni Morrison’s *Paradise*, which opens with a horrifying scene of mass violence and chronicles its genesis in an all-black small town in rural Oklahoma. Founded by

the descendants of freed slaves and survivors in exodus from a hostile world, the patriarchal community of Ruby is built on righteousness, rigidly enforced moral law, and fear. But seventeen miles away, another group of exiles has gathered in a promised land of their own. And it is upon these women in flight from death and despair that nine male citizens of Ruby will lay their pain, their terror, and their murderous rage. “A fascinating story, wonderfully detailed. . . . The town is the stage for a profound and provocative debate.”
—Los Angeles Times
