Prayer is a two way communication between man and God. Christians commune with God through Prayer, but most Christians complain that they don't receive answers to their prayers. The KEY TO ANSWERED PRAYERS is very simple and it has only one name, it is called COMMUNICATION. It is not your length of prayers that matters, what matters is are you communicating? Imagine picking up your cell phone to make a call, the only way for you to be able to communicate with the person on the other side is to ensure that you have a dialing tone, and that there is a communication link available, to signify you have access to the receiver, without these in place you can't communicate nor even get a response. In this book you will learn the art of effective communication, the proper channel to link heaven directly and get rapid answers to your prayers. You will also learn how to walk under an open heavens every second, every minute, every hour, 24 hours a day, 365 days a year and continually till Jesus comes.

"O come let us worship and bow down, let us kneel before the Lord our Maker, for He is our God and we are the people of His pasture and the flock under His care." Today, if only you would hear His voice, do not harden your hearts as you did at Meribah, as you did that day in Massah in the wilderness. (Psalm 95:6-8) You may wonder why a book about storming heaven begins with a prayer about bowing and kneeling. It's because it is from this position of humility and submission that we find our answers and win our battles. In understanding Him, we learn He won't deny us our requests.

In pouring out our heart to Him, we learn He would never break our heart. Not only do we grow to understand our place in His Kingdom, we grow to understand His amazing love toward us. He is waiting and longing and expecting to answer our prayers and give us our heart's desire. We are members of His household, children of the King of Kings. We are heirs to all of His incredible promises and recipients of His matchless grace. Like most people, I've had experience with prayers that seem to fall on deaf ears, prayers that appear for all practical purposes to go unanswered. In fact, at one point in my life, I actually told people if there was a God, He was a serious underachiever. It's amazing to me that He still loves me after such an insult. I'd lost family to devastating illnesses. I tried without success to ease the terrible suffering experienced by four members of my six person family. I watched them die untimely and painful deaths. In some cases it was more like seeing them tortured to death. If there was a formula to reverse suffering or to talk Jesus into showing mercy, I certainly couldn't find it. It was a very black time of my life. That's why I'm excited to share this book. I spent years studying prayer, reading about prayer, praying prayers. For more than twenty years my life has been devoted to discovering how to pray effectively. I don't believe there is a formula, really, though I believe the format of The Lord's Prayer is an excellent blueprint. Daniel, David and Solomon give us beautiful prayers as well. The endorsement I give for the prayers in this book is: they worked. It's not because of what I studied, read or wrote. It's because during the process of learning what touches the heart of God, what He wants, what pleases Him, I learned to pray His Word.

Private prayer - how can a Christian live without it? This may be a question very easy to answer to. How about this one: What can a Christian obtain by his prayers? Or, maybe, what can a Christian obtain by his private prayers when that Christian believes in a sovereign God, in a sovereign application of the providence of God? Puritan Thomas Brooks defines what private or closet prayer is, identifies its boundaries, and provides biblical answers to a mountain of questions and objections to private prayer and how a Christian can use it as a key to open the heaven, to obtain the answer from God. Private Prayer is not just another book on prayer, it has all the ingredients to rekindle your devotional life: sound doctrinal foundations, devotional warmth, Christ-centered content, and even Evangelistic thrust. This book has been originally published in 1665. Current edition has been proofread, typeset for eBook readers, and slightly updated for modern readers. About the author: Thomas Brooks (1608-1680) was an English non-conformist Puritan preacher and author. He wrote extensively and with a keen eye on devotional Christian life. Brooks died after over 40 years of Gospel ministry, in 1680.
