Girl at Heart Putnam Juvenile

“Captivating, fun, and totally swoon-worthy! This is the kind of story my reader heart craves.” —Rachel Harris, New York Times bestselling author of *Eyes on Me* Available in print for the first time, and with exclusive bonus content only found in the print version! Fall in love with Sally and Becks all over again. Adorkable (ah-dor-kuh-bul): Descriptive term meaning to be equal parts dorky and adorable. For reference, see Sally Spitz. Seventeen-year-old Sally Spitz is done with dating. Or at least, she's done with the horrible blind dates/hookups/sneak attacks her matchmaking bestie, Hooker, sets her up on. There's only so

much one geek girl and Gryffindor supporter can take. Her solution: She needs a fake boyfriend. And fast. Enter Becks, soccer phenom, all-around hottie, and Sally's best friend practically since birth. When Sally asks Becks to be her F.B.F. (fake boyfriend), Becks is only too happy to be used. He'd do anything for Sal—even if that means giving her PDA lessons in his bedroom, saying she's "more than pretty," and expertly kissing her at parties. The problem: Sally's been in love with Becks all her life—and he's completely clueless. This book features two best friends, one special-edition Yoda Snuggie, countless beneath-the-ear kisses, and begs the question: Who wants a real boyfriend when faking it is so much more fun?

Cinder & Ella Bluefields

Six-time Grammy Award-winning musician Kyle Hamilton has it all—money, fame, talent, good looks, and a job he loves. His only

regret in life: walking away from a certain notorious virgin because he was too prideful, stubborn, and even afraid to give her the only thing she asked of him--his abstinence. Four years and a broken heart later, Kyle realizes that sex isn't everything, and he suddenly can't stop thinking about the girl that got away. Virgin Val Jensen got under his skin like no one else ever has. He wasn't ready for her then, but things are different now. He's grown up, he's learned a few things, and he's finally figured out exactly what he wants, or, rather, who he wants. Kyle Hamilton wants a do-over, and this time he's willing to do--or not do--whatever it takes.

A Short Story Macmillan

Stuck in her family's apple orchards, Kat's got plenty of work to do and only pesky Jeremy to help. But when Jeremy convinces her to run away, Kat will discover that nothing---and no one---in her life is quite what it seems. Wonderfully reimagined, this is the magical tale of Snow White as you've never read it before!

If We Were a Movie Laurel Leaf

When Avery Shaw's heart is shattered by her life-long best friend, she chooses to deal with it the only way she knows how--scientifically. The state science fair is coming up and Avery decides to use her broken heart as the topic of her experiment. She's going to find the cure. By forcing herself to experience the seven stages of grief through a series of social tests, she believes she will be able to get over Aiden Kennedy and make herself ready to love again. But she can't do this experiment alone, and her partner (ex partner) is the one who broke her heart. Avery finds the solution to her troubles in the form of Aiden's older brother Grayson. The gorgeous womanizer is about to be kicked

off the school basketball team for failing physics. He's in need of a good tutor and some serious extra credit. But when Avery recruits the lovable Grayson to be her "objective outside observer," she gets a whole lot more than she bargained for, because Grayson has a theory of his own: Avery doesn't need to grieve. She needs to live. And if there's one thing Grayson Kennedy is good at, it's living life to the fullest.

V Is for Virgin Random House

As plague ravages the overcrowded Earth, observed by a ruthless lunar people, Cinder, a gifted mechanic and cyborg, becomes involved with handsome Prince Kai and must uncover secrets about her past in order to protect the world in this futuristic take on the Cinderella story.

Ella Bella Ballerina and Cinderella Cedar Fort

Hockey-obsessed tomboy Eleanor Westley has never been the object of a guy's affection before. So when the hottest boy she's ever seen moves in across the street and starts treating her like she's the center of his universe, naturally she's going to be a little skeptical. But everything starts to make sense when girls who look just like Ellie start dying all around the city. Obviously the new guy is the killer, and of course he only likes her because he wants to slice her into tiny pieces. Right? The more Ellie gets to know Seth the more she's convinced he's a psychopathic killer. Problem is, he's the sweetest psychopathic killer she's ever met. Not to mention he's brutally hot. No matter how hard she tries, she can't help but fall for him. Will Ellie find true love, or will her summer of firsts turn out to be a summer of lasts?

The True Story of an Unwanted Daughter Harper Collins

The famous Cinderella and her neighbor Cinder Edna each worked sunup to sundown for their wicked stepmother and stepsisters. But while Cinderella had the good fortune to be rescued by her fairy godmother, Edna was strong, self-reliant, spunky--and she lived happier ever after! "Nicely executed....This Cinderella send-up is full of kid-pleasing jokes."--Publisher's Weekly.

Kingdom of Ash and Briars Hachette UK

Once upon a time, there was a sweet cowgirl named Cindy Ellen, who lived with the orneriest stepmother west of the Mississippi and two stepsisters who were so nasty, they made rattlesnakes look nice! But when a fast-talkin' fairy godmother teaches Cindy Ellen a little lesson about gumption, Cindy lassos first place at the rodeo and the heart of Joe Prince.... You may think you've heard the story before-but you'll get a side-splittin' bellyache after you're through with this hilarious rendition told Wild West-style!

Cinder and Ella Simon and Schuster

The summer before starting middle school, when eleven-year-old

Goldenrod Moram sets out to make a very accurate map of the forest behind her home, she discovers a band of troublemakers, a mysterious old lady, and the ghost of her explorer idol.

The Avery Shaw Experiment Harper Collins

An accident that should end in tragedy instead gives seventeen-year-old Jamie Baker a slew of uncontrollable superhuman abilities. To keep her secret safe Jamie socially exiles herself, earning the title of Rocklin High's resident ice queen. But during a supercharged encounter with star quarterback Ryan Miller she literally kisses anonymity goodbye. Now the annoyingly irresistible Ryan will stop at nothing to melt the heart of the ice queen and find out what makes her so special. Unfortunately, Ryan is not the only person on to her secret. Will Jamie learn to contain her unstable powers before being discovered by the media or turned into a government lab rat? More importantly, can she throw Ryan Miller off her trail before falling in love with him?

Cinder & Ella Harper Collins

In this version of the Cinderella tale set in the 1920s, Ella has two men courting her--the handsome Duke of Arc and Buttons the delivery boy.

Serial Hottie Penguin

Welcome to Nissera, land of three kingdoms and home to spectacular magic. Bristal, a sixteen-year-old kitchen maid, finds herself in a gritty fairy tale gone wrong when she discovers she has magic in her blood. She's descended from an ancient line of immortal sorcerers called elicromancers—a race that has all but died out in her world, but only two remain in Nissera after a bloody civil war. Bristal joins their ranks without knowing that one of them has a dark secret . . . Tamarice is plotting a quest to

overthrow the realm's nobility and take charge herself. Together, Bristol and Brack must guard the three kingdoms of Nissera against Tamarice's black elicismancy. There are princesses to protect, royal alliances to forge, and fierce monsters to battle—all with the hope of preserving peace. With clever homages to Cinderella, Sleeping Beauty, and the Chinese legend of Hua Mulan, Hannah West makes a fast-paced, exciting, and wholly original debut. The Nissera Chronicles begin here and continue with *Fields of Fire*, a short story set against the events of Kingdom of Ash and Briars, and *Realm of Ruins*, a gripping companion novel. "One of the best books I've ever read."—C.J. Redwine, *New York Times* best-selling author of *The Shadow Queen* "A world both terrifying and wonderful."—Kirkus Reviews (starred review)

The Mapmaker and the Ghost Createspace Independent Publishing Platform

Jamie Baker, the only girl in the world with superpowers, has now accepted who she is and learned to control her power. Not to mention she has the best boyfriend on the planet. Life is finally looking good. But the day she witnesses an accident and decides not to save the guy out of fear of being exposed, she realizes that simply being Jamie Baker isn't enough. After seeing Jamie so wrecked with guilt, the ever-helpful Ryan Miller decides it's time to make all of his fantasies about turning his girlfriend into an honest-to-goodness superhero become a reality. Of course, coming up with a decent Super Name and fending off all of Ryan's attempts to get her into spandex aren't the only problems Jamie faces. The more her alter ego starts to make headlines, the harder it becomes for Jamie to hide her extracurricular activities

from her best friend, the government, radical scientists, and the mysterious new guy who is determined to steal her from her boyfriend.

What would you do if your anonymous Internet best friend turned out to be Hollywood's hottest celebrity? Cinder458: Your blogiversary is coming up, right? EllaTheRealHero: Do all those Hollywood friends of yours know you use words like blogiversary? Cinder458: Of course not. I need your address. Got you a blogiversary present. Cinder got me a gift? My heart flipped. Not that I was in love with my Internet best friend or anything. That would be utterly ridiculous. The boy was cocky and stubborn and argued with everything I said just to be infuriating. He also had lots of money, dated models—which meant he had to be hot—and was a closet book nerd. Funny, rich, hot, confident, book lover. Definitely not my type. Nope. Not at all. It's been almost a year since eighteen-year-old Ella Rodriguez was in a car accident that left her crippled, scarred, and without a mother. After a very difficult recovery, she's been uprooted across the country and forced into the custody of a father that abandoned her when she was a young child. If Ella wants to escape her father's home and her awful new stepfamily, she must convince her doctors that she's capable, both physically and emotionally, of living on her own. The problem is, she's not ready yet. The only way she can think of to start healing is by reconnecting with the one person left in the world who's ever meant anything to her—her anonymous Internet best friend, Cinder. Hollywood sensation Brian Oliver has a reputation for being trouble. There's major buzz around his performance in his

upcoming film *The Druid Prince*, but his management team says he won't make the transition from teen heartthrob to serious A-list actor unless he can prove he's left his wild days behind and become a mature adult. In order to douse the flames on Brian's bad-boy reputation, his management stages a fake engagement for him to his co-star Kaylee. Brian isn't thrilled with the arrangement-or his fake fiancée-but decides he'll suffer through it if it means he'll get an Oscar nomination. Then a surprise email from an old Internet friend changes everything....With a heartwarming online celebrity romance reminiscent of Jennifer E. Smith's *This Is What Happy Looks Like*, bestselling young adult author Kelly Oram has struck gold with her new adult contemporary retelling of the timeless fairytale classic *Cinderella*. "A story that has it all: tears, laughs, sparks and a drop-dead swoonworthy hero. Give it a while and DreamWorks will pick up this story for a movie adaption, no doubt." Anna Katmore, Author of *Play With Me & Neverland* "Both funny and heart-wrenching, *Cinder and Ella* will give you all the feels. It's the best twist on the Cinderella tale I have come across. I am not just a fan of Kelly Oram. I am an addict." Cassie Mae, author of *Switched & How To Hook A Bookworm* "*Cinder & Ella* is a beautiful modern-day fairytale with a great cast of characters that made me laugh and swoon. It had me staying up late at night to read just one more chapter, and at the end, I was left with a big grin on my face." Cindi Madsen, USA Today Bestselling Author of *Falling For Her Fiancé & Cinderella Screwed Me Over Cinder & Ella* *Cinder i Ella* More than 800,000 copies in print! From the author of critically acclaimed and bestselling memoir *Falling Leaves*, this is a

poignant and moving true account of her childhood, growing up as an unloved daughter in 1940s China. A Chinese proverb says, "Falling leaves return to their roots." In her own courageous voice, Adeline Yen Mah returns to her roots to tell the story of her painful childhood and her ultimate triumph in the face of despair. Adeline's affluent, powerful family considers her bad luck after her mother dies giving birth to her, and life does not get any easier when her father remarries. Adeline and her siblings are subjected to the disdain of her stepmother, while her stepbrother and stepsister are spoiled with gifts and attention. Although Adeline wins prizes at school, they are not enough to compensate for what she really yearns for -- the love and understanding of her family. Like the classic Cinderella story, this powerful memoir is a moving story of resilience and hope. Includes an Author's Note, a 6-page photo insert, a historical note, and the Chinese text of the original Chinese Cinderella. Moments. Our lives are a collection of moments. Some utterly painful and full of yesterday's hurts. Some beautifully hopeful and full of tomorrow's promises. I've had many moments in my lifetime, moments that changed me, challenged me. Moments that scared me and engulfed me. However, the biggest ones-the most heartbreaking and breathtaking ones-all included him. I was ten years old when I lost my voice. A piece of me was stolen away, and the only person who could truly hear my silence was Brooks Griffin. He was the light during my dark days, the promise of tomorrow, until tragedy found him. Tragedy that eventually

drowned him in a sea of memories. This is the story of a boy and girl who loved each other, but didn't love themselves. A story of life and death. Of love and broken promises. Of moments. (Book Three in the Elements Series. Complete Standalone.)
