MARSHALL MACIAS

Timesaver New York Mary Glasgow Magazines

This 96-page collection offers a fun and motivating way to stimulate and develop the skill of writing for teenage students of English. A wide variety of different types of writing is included : text messages, postcards, e-mails, letters, diaries, online chat room writing, creative writing, and more - all designed to appeal to this age group. Clear models provided for each activity. Specific focus on practising key vocabulary, expressions, structures, and stylistic features. A substantial number of writing activities are designed to reflect the exercise types typically found in the popular Cambridge KET and PET examinations, thus offering students the chance to develop their confidence in a lively and creative way as they prepare for them.

Timesaver Reading Lessons Mary Glasgow

Students learning English need to familiarise themselves with the culture of English-speaking countries to provide a context for their study of the English language. This cultural studies title allows teachers to present aspects of contemporary US culture to their students which will enhance their language learning experience, and broaden their knowledge of the English-speaking world.

Plays : [12 short plays for the classroom] / Jane Myles. ... Mary Glasgow Magazines

A key aim of an intensive English language course in the UK will be to consolidate the grammar that the student will already have learnt in a lively and motivating way. At the same time many of the teachers working in intensive courses in the UK will be relatively inexperienced and will be looking for easy to use extra resource material.

The Common European Framework outlines a series of targets to be reached at different stages through the language learning experience. There is a need for mixed-skills materials which provide a direct tie-in with the CEF targets, or descriptors, so that teachers can assess students' progress, and students can evaluate their own learning.

Holidays and Special Days in the USA Mary Glasgow

This book contains a variety of reading texts, activities and games on every aspect of London life - sightseeing, travel, sport, shopping, museums, galleries and, of course, on Londoners themselves. The texts are aimed at young teenagers learning English. Each activity provides structured language and vocabulary practice, with suggestions for discussion and follow-up pairwork and groupwork. Topics cover areas as diverse as Hamley's Toy Shop, Cockney Rhyming Slang, Party in the Park and London Football Clubs as well as the more historical side of London : Buckingham Palace, Big Ben and the Tower of London. A free poster-sized map of the capital also comes with Timesaver London ! with accompanying ideas for class exploitation.

(Elementary - Intermediate) Mary Glasgow Magazines

Vocabulary acquisition \- increasing the number of words a student knows- will be a key objective for any language course. Titles covering the field of vocabulary acquisition will always be a natural list area for supplementary resource publishing- and will always be amongst the best selling part of the list.

An extensive collection of exciting and interactive activities in English for maths, geography, life skills, history and science. Students use language skills to design a town, find out if they are a good friend, or test their knowledge of recycling. A variety of activities present subjects in a fun and stimulating way.

Live from London! : junior English / by Sarah Johnson and Fiona Beddall. ... Mary Glasgow

Most students studying English will have an interest in the United States and may even visit the exciting city of New York! This book provides lively and up-to-date information on New York and its people, places and culture. The emphasis is on a functional, communicative approach so students practise their English in a motivating, meaningful way whilst learning about this fascinating city.

(elementary) Mary Glasgow Magazines

Using plays in the language learning classroom will develop students' general confidence as well as their language skills as they become involved in a story and play a 'role'. Timesaver Plays

presents situations and problems which are relevant to teenagers and will provide a stimulating break from the course book for students and teachers.

Mind Twisters Puzzles and Games Elemen/Int Mind Twisters Puzzles and Games Elemen/Int

When first learning English, students often find listening the most difficult skill to master. Teachers in UK language schools need a varied collection of listenings on motivating, relevant topics as supplementary practice for students. Each listening is fully exploited, saving teachers research and preparation time.
