*Mr. & Mrs. American Pie* Houghton Mifflin Harcourt

It is time for the school bake-off, with a trip to the Bronx Zoo as a prize, and fourth-grade psychic Krystal Ball and her best friends are making fortune cookies--but when the class bully ruins their contribution, Krystal must use her talents to save the day.

*When Cookies Crumble* Xlibris Corporation

The most trustworthy source of information available today on savings and investments, taxes, money management, home ownership and many other personal finance topics.

*Outside Looking In* Houghton Mifflin Harcourt

Mr. and Mrs. Green, a loving alligator couple, practice magic tricks, bake cookies, and dream up new inventions.

*Book four* Archway Publishing

Sometimes you need to keep a few secrets. Frankie knows she'll be in big trouble if Dad discovers she secretly posted a dating profile for him online. But she's determined to find him a wife, even if she ends up grounded for life. Frankie wants what she had before Mom died. A family of three. Two is a pair of socks or the wheels on a bicycle or a busy weekend at the B&B where Frankie and Dad live. Three is a family. And Frankie's is missing a piece. But Operation Mom is harder to pull off than Frankie expects. None of the Possibles are very momish, the B&B's guests keep canceling, Frankie's getting the silent treatment from her once best friend, and there's a maybe-ghost hanging around. Worst of all, Gram and Dad are definitely hiding secrets of their own. If a smart cookie like Frankie wants to save the B&B and find her missing piece, she's going to have to figure out what secrets are worth keeping and when it's time to let go.

**Igniting Wonder** Roaring Brook Press

Mr. and Mrs. Green, a loving alligator couple, practice magic tricks, bake cookies, and dream up new inventions.

**Mr. Cookie Baker** Macmillan

Mr. and Mrs. Green, a loving alligator couple, practice magic tricks, bake cookies, and dream up new inventions.

*The Boy Agriculturist* Simon and Schuster

This Student Guide is exceptional, maybe even unique, among such guides in that its author, Fred Soon, was actually a student user of the textbook during one of the years we were writing and debugging the book. (He was one of the best students that year, by the way. ) Because of his background, Fred has taken, in the Guide, the point of view of an experienced student tutor helping you to learn calculus. While we do not always think Fred's jokes are as funny as he does, we appreciate his enthusiasm and his desire to enter into communication with his readers; since we nearly always agree with the mathematical judgements he has made in explaining the material, we believe that this Guide can serve you as a valuable supplement to our text. To get maximum benefit from this Guide, you should begin by spending a few moments to acquaint yourself with its structure. Once you get started in the course, take advantage of the many opportunities which the text and Student Guide together provide for learning calculus in the only way that any mathematical subject can truly be mastered - through attempting to solve problems on your own. As you read the text, try doing each example and exercise yourself before reading the solution; do the same with the quiz problems provided by Fred.

*Fortune Cookie Fiasco* Capstone Classroom

It's the annual school bake-off, and Krystal Ball is making fortune cookies, of course! Will the cookies lead to a sweet victory, or will the competition leave Krystal sour? Find out in this adventure of Krystal Ball, fourth-grade fortune-teller.

**Wedding Cookies** U of Minnesota Press

A loving alligator couple enjoy going camping, eating pancakes, and visiting the county fair.

**Nora and Liz** Pelican Publishing

Mr. and Mrs. Green, a loving alligator couple, try their hand at detective work, a gumball-guessing contest, and the town talent show.

*When Your Child Won't Eat Or Eats Too Much Cookies* A Mr. and Mrs. Green Adventure

If you think McDonald's is the most ubiquitous restaurant experience in America, consider that there are more Chinese

restaurants in America than McDonalds, Burger Kings, and Wendys combined. New York Times reporter and Chinese-American (or American-born Chinese). In her search, Jennifer 8 Lee traces the history of Chinese-American experience through the lens of the food. In a compelling blend of sociology and history, Jenny Lee exposes the indentured servitude Chinese restaurants expect from illegal immigrant chefs, investigates the relationship between Jews and Chinese food, and weaves a personal narrative about her own relationship with Chinese food. The Fortune Cookie Chronicles speaks to the immigrant experience as a whole, and the way it has shaped our country.

**The Great American Chocolate Chip Cookie Book: Scrumptious Recipes & Fabled History From Toll House to Cookie Cake Pie** Capstone

In the vein of *Where'd You Go, Bernadette*, this whip-smart romantic comedy is as incisive as it is funny—and refuses to be thwarted by convention. After getting dumped by her husband, a woman sets out to prove her worth by entering a 'best housewife' pageant in 1970 Palm Springs.

**Meet Mr. and Mrs. Green** Howland Press

Earthbound Child of God will touch your heart and fill you with hope, reminding you that you are loved and are worth much more than you think.

*Kiplinger's Personal Finance* Houghton Mifflin Harcourt

A spring night, soft moonlight, five beautiful Prom Queen candidates, dancing couples at the Shadyside High prom—these should be the ingredients for romance. But instead they're a recipe for terror...

*Plays for Preschoolers* Dutton Books for Young Readers

Katie Lynn is thrilled to be a flower girl in Grandma's wedding. But what she doesn't count on is a houseful of hungry relatives and a forgetful florist who leaves the bride without a bouquet! Can Katie Lynn whip up some solutions to save Grandma's wedding? Of course she can—it just takes a little creative cooking!

*Volume I* Lukeij Books

Si estás comenzando con el idioma inglés o tienes un nivel básico, este libro será de gran ayuda para ti. Contiene una gran cantidad de ejercicios prácticos con las que podrás poner a prueba tus

conocimientos.

*The Fortune Cookie Chronicles* Francisco Ochoa Inglés Fácil

At fourteen, Fergy is tired of his family's life style. He's tired of living in a van with his parents, J. P. and Gussie, and his younger sister, Ooma. He's sick of peddling honey and pamphlets of his father's writings. And most of all he hates stealing things, even though J. P. says it's all right to "reclaim" necessities from society. Fergy listens to J. P. talk about the evils of "the system," and gradually Fergy realizes that he no longer believes or respects his father. In fact, Fergy longs more than anything to be a part of that system! One day, when Fergy's father steals a motor home from an elderly couple who have befriended them, Fergy knows the time has come to act. He's fed up, and he has to escape. Early one morning, with Ooma in tow, Fergy runs away. Gussie's wealthy parents live in Boston, and Fergy hopes that if he can find them he and Ooma can have the "regular and normal" life he longs for. How Fergy comes to grips with his relationship with his parents and his own expectations makes a provocative, at times painful, but always absorbing story about a boy's determination to make a better life for himself.

*On the Go with Mr. and Mrs. Green* Random House Books for Young Readers

The top rules of the First Love Cookie Club: No men. No kids. No store-bought. No gossip! And no one is going to keep rule #4 now that local-gal-made-good Sarah Collier has reluctantly returned to Twilight, Texas. The once-awkward teenager has become a big-time success with her bestselling kids' books. Now she's come back home to grant one child a very special wish, even though her own heart was once broken by the little girl's father, Travis Walker. This all makes Sarah wonder, even though you can go home again—should you? Every time she turns the corner, the

memory of who she was hits her square in the face, and it isn't pretty. But there's magic in Twilight, Texas—the magic of friendship and the magic of love, if only Sarah would open her heart to it. . . . With delicious cookie recipes from the club inside!

**The Prom Queen** AudioGO

In this fast-paced murder mystery, Detective Joe Zuma returns from his vacation with his wife, Claudia, a landscape painter, and is met with the murder of two women, one of whom was a teacher at a private high school. Claudia lands a part-time job in the same school teaching art while continuing to paint landscapes of Santa Monica, a city adjacent to Los Angeles and the Pacific Ocean. A parent where Claudia teaches is eager to have her work with her child who is depressed because of the loss of her teacher (the victim) and her father. Zuma recognizes the parent as the suspect from an earlier crime whom Zuma believed had murdered her husband. Claudia's painting interests are captured by the hobos who live on the bluffs in Santa Monica, an area adjacent to the Pacific Ocean. Her painting of a hobo is stolen, and its investigation leads to the uncovering of drug-selling connections between the hobo, his very rich and successful brother, the victim and her German-speaking parents, a principal and students, a homeless woman, as well as the murders of three of these characters. Interspersed between the solving of these murders is the romantic bantering of Claudia and the Bob Dylan-loving Zuma and their genuine love. The resolution to the previously unsolved murder involves the transformation of Zuma from a single-minded pursuit of justice to a delicate balancing of justice and mercy.

**Earthbound Child of God** Inkshares

Full of fun facts, myths, secrets, and cookie recipes apt to make you as famous as Amos among your family and friends, *The Great American Chocolate Chip Cookie Book* makes for great reading and great baking. The advent and swift rise of the chocolate chip

cookie offers some of the best stories in American myth-making and king-making. It might feel like this favorite treat is part of our national heritage, perhaps dating back to the founding fathers, but not until 1930 was the first batch impulsively baked in the kitchen of a Massachusetts inn. How quickly it became our nation's favorite is what makes the chocolate chip cookie more relentlessly American than even apple pie. Easily commodified and mass-produced, it birthed new business moguls overnight, ultimately accounting for more than half of all homemade cookies, with sales of 6 billion packaged cookies annually in the U.S.—it's the stuff of legend. Revisit the Toll House Inn kitchen of Ruth Wakefield, who one fateful day took an ice pick to a block of chocolate and sprinkled it into her cookie dough, spawning a national craving that continues unabated to this day. Get to know the first chocolate chip cookiepreneurs and their unlikely success stories. Did you know that Wally "Famous" Amos was a successful music talent agent who signed Dionne Warwick and Simon and Garfunkel to recording contracts before he decided a brighter future lay in perfecting his dear aunt's irresistible cookie recipe? Or that Mrs. Fields was a determined young trophy wife whose husband said her idea of trying to sell her chunky, chewy cookies would never work? And the recipes are packed into this book like brown sugar in a measuring cup, from close approximations of the original Toll House and Mrs. Fields recipes to creative variations like Cake Mix Chocolate Chip Cookies and Pudding Chocolate Chip Cookies. Vegan, gluten-free, and low-fat/low-cal recipes are here, too. So whether you prefer yours crunchy or soft, with or without nuts, you'll be delighted by the wealth of fun facts and delicious recipes in *The Great American Chocolate Chip Cookie Book*—and you're sure to be scrambling for the pantry or nearest bakery to feed your craving.
