DAVIES RICHARD

An Introduction to the Philosophy of Education, Vintage

Sophia Bracy Harris was born into a world with a stark dividing line: one no less real for being invisible but was keenly felt. A line separating black from white, the haves and have nots, and those deemed better than or less than. Any challenge to erase that line could be fatal, and it was maintained by law and enforced by violence. Finding My Own Way is the story of a courageous woman who defied the lines drawn by Jim Crow, poverty, illness, gender bias and what would later prove to be the biggest line left to cross-self acceptance. This moving memoir traces Sophia Bracy Harris' journey from a humble cotton field in rural Alabama, to lobbying in the halls of power of state government, organizing black childcare providers to demand justice for women and children; serving as a trustee on the boards of several leading national organizations; presenting on the world stage at the World Conference of Women in Nairobi, Kenya and being widely celebrated by her peers. Though earning countless prestigious awards, achieving key legislative victories and working alongside some of the nation's leading figures in women's equality and social justice movements, she still waged the very private, painful battle to answer the persistent question, "Am I good enough?" Narrated with grace, humor and authenticity, Finding My Own Way is a compelling journey of a life punctuated by challenges and triumphs and, most importantly, the discovery that by birth we are all created equal and more worthy than we ever imagined

Narratives for Transforming Higher Education to Promote Self-Development The New Press
The New York Times bestselling "road map of conscious compassion and love" (Deepak Chopra) from actor, singer, songwriter Tyrese Gibson. Organized as a series of fundamental questions that helped Tyrese redefine who he was as a human being, and evolve into a new man, How To Get Out of Your Own Way is a guide to helping yourself, using his experiences as a learning tool. "It's not about talking down to people, it's about elevating them," Tyrese says, stressing that life becomes infinitely richer when one takes the time to know oneself and understand the true meaning of peace and fulfillment. Some of Tyrese's chapter-based questions include: How much do you love yourself? How much do you want for yourself? Why do men cheat? What is your bottom line? Are you ready for the next level? With personal experiences paired with reflective questions based on his extremely popular blog piece, "The Love Circle", Tyrese hopes to inspire readers to pursue their dreams and not let life's obstacles stand in the way. "A triumph. Tyrese will shock and amaze you with how he overcame the odds and became a superstar." --Rev Run "I've watched Tyrese for many years -- I've watched him succeed; I've watched him fail; I've seen him as a beneficiary of serendipity, and I've watched him suffer at his own hand. And in the recent years, as we've become friends, I've witnessed Tyrese Gibson learn how to get out of his own way." --Will Smith

Anger and Mourning on the American Right Houghton Mifflin Harcourt

In My Own Way An Autobiography New World Library

Democracy and Education Sounds True

An inspirational book by self-made musical superstar, Russ, reminding you that it starts with YOU, to believe in yourself, and to get out of your own way. Twenty-six-year-old rapper, songwriter, and producer Russ walks his own path, at his own pace. By doing so, he proved that he didn't need a major label to surpass over a billion streams on Spotify/Apple Music, get on Forbes' 2019 "30 Under 30," make the Forbes' "30 Under 30 Cash Kings" at number 20 for most earned, sell out arenas across the U.S. and around the globe, and become one of the most popular and engaged rappers right now. His method was simple: love and believe in yourself absolutely and work hard no matter what. In this memoir, Russ inspires readers to walk to their individual rhythms and beat their biggest obstacles: themselves. With chapters named after his most powerful and popular songs, It's All in Your Head will reflect on the lessons he's learned from his career, family, and relationships. He'll push readers to bet on themselves, take those leaps of faith, and recognize struggles as opportunities. With illustrations throughout consistent with the brand Russ has built and his fan base loves, It's All in Your Head will give readers an inside-look at the man and the motivation behind the music. A lover of books like The Alchemist and The Seven Spiritual Laws of Success, Russ delivers a short, potent, inspirational, raw, and honest book that gives readers a way to find self-belief and unlock their potential. Fans already rely on Russ as an inspiration of confidence; now, he is taking it to the next level with this book, which will contain lyrics from his music and visuals that reflect his inimitable style. Russ utilizes his relentless passion and supreme confidence in his own talents to manifest his dreams and has been doing that since well before he was ever famous. In his first book, Russ gives readers the tools to do the same whether they want to succeed in music, in romance, or simply in life. In the vein of mega bestsellers like Unf*ck Yourself and The Subtle Art of Not Giving a F*ck, Russ's memoir levels with his readers: there are no shortcuts to success.

How to Step Into the Life That You Deserve New World Library

'The perfect guide for a course correction in life' Deepak Chopra If we open our eyes and see clearly it becomes obvious that there is no other time than this instant An insightful exploration into the origins and history of Zen Buddhism from pioneering Zen scholar Alan Watts. With a rare combination of freshness and lucidity, Watts explores the principles of Zen and how it can revolutionize our daily life.

FEM Harlequin

My Own Way is a poem and a picture book that introduces very young children to the wonder of gender diversity. Why feel limited to his or hers, blue or pink, football or ballet?

Our Skin: A First Conversation About Race Stylus Publishing, LLC

This modern classic of global feminist literature, the only novel by one of Romania's most heralded poets, styled as a long letter addressed to the man who is about to leave her, a woman meanders through a cosmic retelling of her life from childhood to adulthood with visionary language and visceral, detail. Like a contemporary Scheherazade, she spins tales to hold him captivated, from the small incidents of their lives together to the intimate narrative of her relationship to womanhood.

Through a dreamlike thread of strange images and passing characters, her stories invite the reader into a fantastical vision of love, loss, and femininity.

Questions for Kids about Gender Stereotypes Penguin

Will Osborne couldn't wait to put the roller coaster ride of his public education behind him. Having suffered bullying and harassment since grade school, he planned a senior year that would be simple and quiet before going away to college and starting fresh. But when a reform school transfer student struts into his first class, Will realizes that the thrill ride has only just begun. Lennox McAvoy is an avalanche. He's crude, flirtatious, and the most insufferable, beautiful person Will's ever met. From his ankle monitor to his dull smile, Lennox appears irredeemable. But when Will's father falls seriously ill, Will discovers that there is more to Lennox than meets the eye.

Who Are You? Farrar, Straus and Giroux

"A sweetly charming love story that leaves the reader with a lasting sense of hope." —Nicola Yoon, #1 New York Times bestselling author of *Everything, Everything* and *The Sun Is Also a Star* "The perfect novel to snuggle up with." —Emily Henry, New York Times bestselling author of *Beach Read* A heartwarming and thoughtful enemies-to-lovers rom-com about two teens—one trying to save his family's failing pinball arcade, the other working for her tech genius dad who wants to take it over—who get trapped together in a snowstorm. Adam Stillwater is in over his head. But the pinball arcade is the only piece of his dad that Adam has left, and he's determined to protect it from Philadelphia's newest tech mogul, who wants to turn it into another one of his cold, lifeless gaming cafés. Whitney Mitchell doesn't know how she got here. Her parents split up. Her boyfriend dumped her. And now she's spending her senior year running social media for her dad's chain of super successful gaming cafés—which mostly consists of trading insults with that decrepit old pinball arcade across town. But when a huge snowstorm hits, Adam and Whitney find themselves trapped inside the arcade. Cut off from their families, their worlds, and their responsibilities, the tension between them seems to melt away, leaving something else in its place. But what happens when the storm ends?

Paris Is a Party, Paris Is a Ghost Collins Design

WINNER OF AERA'S NARRATIVE & RESEARCH SPECIAL INTEREST GROUP 2003 BOOK AWARD What impact does a college education have on students' careers and personal lives after they graduate? Do they consider themselves well prepared for the demands and ambiguities of contemporary society? What can we learn from their stories to improve the college learning experience? This groundbreaking book extends Marcia Baxter Magolda's renowned longitudinal study and follows her participants' lives from their graduation to their early thirties. We follow these students' journeys to an internally-authored sense of identity and how they make meaning of their lives. From this, the author proposes a new framework for higher education to better foster students' crucial journeys of transformation—through the shaping of curriculum and co-curriculum, advising, leadership opportunities, campus work settings, collaboration, diversity and community building. This is an important book for all faculty, administrators and student affairs professionals.

Death My Own Way Hodder & Stoughton

Even though women-owned businesses in the United States have grown by 114% in the past 20 years, they still only account for 4.2% of total U.S. business revenue. Best-selling author Jaclyn

DiGregorio knows what it's like to work long hours on your business and be disappointed time and time again. After struggling for three years to build a sustainable business, she made a powerful decision to change her mindset. In *Stop Getting In Your Own Way*, Ms. DiGregorio details the many ways that ambitious women can shorten the time it takes to build a successful business, increase their income and expand their impact. Explore business growth strategies, mindset development and goal-setting as Jaclyn dives into the secrets of stepping into the business (and life) of your dreams. You already have everything inside of you to build your dream business. It's time to let go of the fears, limiting beliefs and bad habits that have been holding you back. You were destined for so much more than to stand in your own way.

Celebrating Gender Freedom for Kids Running Press Kids

The greatest run-scorer in the history of cricket, Sachin Tendulkar retired in 2013 after an astonishing 24 years at the top. The most celebrated Indian cricketer of all time, he received the Bharat Ratna Award - India's highest civilian honour - on the day of his retirement. Now Sachin Tendulkar tells his own remarkable story - from his first Test cap at the age of 16 to his 100th international century and the emotional final farewell that brought his country to a standstill. When a boisterous Mumbai youngster's excess energies were channelled into cricket, the result was record-breaking schoolboy batting exploits that launched the career of a cricketing phenomenon. Before long Sachin Tendulkar was the cornerstone of India's batting line-up, his every move watched by a cricket-mad nation's devoted followers. Never has a cricketer been burdened with so many expectations; never has a cricketer performed at such a high level for so long and with such style - scoring more runs and making more centuries than any other player, in both Tests and one-day games. And perhaps only one cricketer could have brought together a shocked nation by defiantly scoring a Test century shortly after terrorist attacks rocked Mumbai. His many achievements with India include winning the World Cup and topping the world Test rankings. Yet he has also known his fair share of frustration and failure - from injuries and early World Cup exits to stinging criticism from the press, especially during his unhappy tenure as captain. Despite his celebrity status, Sachin Tendulkar has always remained a very private man, devoted to his family and his country. Now, for the first time, he provides a fascinating insight into his personal life and gives a frank and revealing account of a sporting life like no other.

An Autobiography Jessica Kingsley Publishers

The idea that you could be more but got in your own way should wake you up in the middle of the night. Dave Hollis used to think that "personal growth" was just for broken people, then he woke up. When a looming career funk, a growing drinking problem, and a challenging trek through therapy battered Dave Hollis, a Disney executive and father of four, he began to realize he was letting untruths about himself dictate his life. As he sank to the bottom of his valley, he had to make a choice. Would he push himself out of his comfort zone to become the best man he was capable of being, or would he play it safe and settle for mediocrity? In *Get Out of Your Own Way*, Dave tackles topics he once found it difficult to be honest about, things like his struggles with alcohol and his insecurities about being a dad. Offering encouragement, challenges, and a hundred moments to laugh, Dave will help you: Discover the way for those of us who are, like he was, skeptical of self-help but wanting something more than the status quo Drop negative ideas about who we are

supposed to be and finally start living as who we really are See our own journeys more clearly as he unpacks the lies he once believed—such as “I Have to Have It All Together” and “Failure Means You’re Weak” Learn the tools that helped him change his life, and may change your life too Get Out of Your Own Way is a call to arms for anyone who’s interested in a more fulfilled life, who, along the way, may have lost their “why” and now wonders how to unlock their potential or be better for their loved ones.

It's All in Your Head Profile Books

For fans of *Open Book* and *Sell It Like Serhant*, a heartfelt, humorous personal memoir and relatable guide to overcoming obstacles, wising up about romance, and getting ahead in your career from the star of Netflix’s hit reality show *Selling Sunset*. In this engaging, witty, and inspirational memoir, Chrishell Stause shares her story of living an unconventional childhood in small-town Kentucky marked by periods of homelessness, family addiction struggles, and dreams of one day being on a daytime soap, all while managing the local Dairy Queen. Through resilience and grit, she overcame obstacles and pushed past every barrier in her path to become one of the most envied luxury realtors in Los Angeles and buzzworthy cast members in reality TV. She takes us behind the scenes of *Selling Sunset*, reveals never-before-told stories from her life in soaps, and even pulls back the curtain on her highly publicized love life, offering insight not before shared. With her signature honesty and charm, Stause also gives tangible advice based on the lessons she’s learned over the years and offers unique insight about how to stay resilient and positive no matter how many times life knocks you down. *Under Construction* is for anyone who wants to remember that no matter what happens or how, you have to get up, dress up, and show up, and walk back into the room stronger than ever before.

In My Own Way Wide Eyed Editions

Does your child have a favorite subject, activity, or hobby? Children learn in multiple ways, and educator Thomas Armstrong has shown hundreds of thousands of parents and teachers how to locate those unique areas in each of our children where learning and creativity seem to flow with special vigor. In this fully updated classic on multiple intelligences, Armstrong sheds new light on the “eight ways to bloom,” or the eight kinds of “multiple intelligences.” While everyone possesses all eight intelligences, Armstrong delineates how to discover your child’s particular areas of strength among them. The book shatters the conventional wisdom that brands our students as “underachievers,” “unmotivated,” or as suffering from “learning disabilities,” “attention deficit hyperactivity disorder,” or other “learning diseases.” Armstrong explains how these flawed labels often overlook students who are in possession of a distinctive combination of multiple intelligences, and demonstrates how to help them acquire knowledge and skills according to their sometimes extraordinary aptitudes. Filled with resources for the home and classroom, this new edition of *In Their Own Way* offers inspiration for every learning situation.

Finding My Own Way Giramondo Publishing

Based on the research that race, gender, consent, and body positivity should be discussed with toddlers on up, this read-aloud board book series offers adults the opportunity to begin important conversations with young children in an informed, safe, and supported way. Developed by experts in the fields of early childhood and activism against injustice, this topic-driven board book offers clear,

concrete language and beautiful imagery that young children can grasp and adults can leverage for further discussion. While young children are avid observers and questioners of their world, adults often shut down or postpone conversations on complicated topics because it’s hard to know where to begin. Research shows that talking about issues like race and gender from the age of two not only helps children understand what they see, but also increases self-awareness, self-esteem, and allows them to recognize and confront things that are unfair, like discrimination and prejudice. This first book in the series begins the conversation on race, with a supportive approach that considers both the child and the adult. Stunning art accompanies the simple and interactive text, and the backmatter offers additional resources and ideas for extending this discussion.

Going My Own Way Henry Holt and Company (BYR)

An empowering and educational board book that proves colors are for everyone, regardless of gender. Pink is for boys . . . and girls . . . and everyone! This timely and beautiful board book rethinks and reframes the stereotypical blue/pink gender binary and empowers kids—and their grown-ups—to express themselves in every color of the rainbow. Featuring a diverse group of relatable characters, *Pink Is for Boys* invites and encourages children to enjoy what they love to do, whether it’s racing cars and playing baseball, or loving unicorns and dressing up. Vibrant illustrations help children learn and identify the myriad colors that surround them every day, from the orange of a popsicle, to the green of a grassy field, all the way up to the wonder of a multicolored rainbow. Parents and kids will delight in Robb Pearlman’s sweet, simple script, as well as its powerful message: life is not color-coded.

Get Out of Your Way New Degree Press

In this new edition of his acclaimed autobiography — long out of print and rare until now — Alan Watts tracks his spiritual and philosophical evolution. A child of religious conservatives in rural England, he went on to become a freewheeling spiritual teacher who challenged Westerners to defy convention and think for themselves. Watts’s portrait of himself shows that he was a philosophical renegade from early on in his intellectual life. Self-taught in many areas, he came to Buddhism through the teachings of Christmas Humphreys and D. T. Suzuki. Told in a nonlinear style, *In My Own Way* combines Watts’s brand of unconventional philosophy with wry observations on Western culture and often hilarious accounts of gurus, celebrities, and psychedelic drug experiences. A charming foreword by Watts’s father sets the tone of this warm, funny, and beautifully written story. Watts encouraged readers to “follow your own weird” — something he always did himself, as this remarkable account of his life shows.

I'm Smart in My Own Way Simon and Schuster

This cheerful love-your-body picture book for preschoolers is an exuberant read-aloud with bright and friendly illustrations to pore over. From the acclaimed creator of *Dancing at the Pity Party* and *Roaring Softly*, this picture book is a pure celebration of all the different human bodies that exist in the world. Highlighting the various skin tones, body shapes, and hair types is just the beginning in this truly inclusive book. With its joyful illustrations and encouraging refrain, it will instill body acceptance and confidence in the youngest of readers. “My body, your body, every different kind of body! All of them are good bodies! BODIES ARE COOL!”

The Fish Who Found the Sea In My Own Way An Autobiography

Simple, accessible, and direct, this picture book is perfect for kids and parents or teachers to read together, opening the door to conversations about gender stereotypes and everyone's right to be their true selves. Is it okay for boys to cry? Can girls be strong? Should girls and boys be given different toys to play with and different clothes to wear? Should we all feel free to love whoever we choose to love? In this incredibly kid-friendly and easy-to-grasp picture book, author-illustrator Elise

Gravel and transgender collaborator Mykaell Blais raise these questions and others relating to gender roles, acceptance, and stereotyping. With its simple language, colorful illustrations, engaging backmatter that showcases how "appropriate" male and female fashion has changed through history, and even a poster kids can hang on their wall, here is the ideal tool to help in conversations about a multi-layered and important topic.
