## SANTIAGO ROBINSON

---

### **From Victim to Survivor to Healthy Survivor and Beyond** Open Road Media

"Whether you're an individual woman looking for help or a reader looking for the truth about the thousands of women who are battered by the men they live with, *Next Time, She'll Be Dead* is the one book you should read." —Gloria Steinem At least 1 in 4 women will be abused during her lifetime—that is 25% of our mothers, daughters, sisters, partners, and friends. Thousands will be killed. As author Ann Jones observes, despite its devastation battering is regarded not as a serious crime, but instead as an inevitable "problem" blandly labeled "domestic violence." Stories of household assaults and murders are all over the news, but the blame is usually pinned on the woman who is said to have either provoked the attack or failed to "leave." In this groundbreaking book, Jones points instead to the many factors in society that promote, trivialize, and perpetuate brutality against women: from popular psychology, academic "expertise," mass media, and pop culture, to the criminal justice system and the law itself. Delving deep into the history, legality, and personal politics of male violence against wives and girlfriends, *Next Time, She'll Be Dead* fearlessly reframes the issue. This critically acclaimed masterwork offers productive ways of thinking and speaking about battering and explains what must be done to stop it.

### Responding to Domestic Violence

Penguin

This book is written for those who were

sexually abused and were not able not get help or adequate help. It is also recommended for family members of those who were sexually abused and those professionals who worked with the sexually abused.

Anatomy of Domestic Violence Open Road Media

WINNER OF THE HILLMAN PRIZE FOR BOOK JOURNALISM, THE HELEN BERNSTEIN BOOK AWARD, AND THE LUKAS WORK-IN-PROGRESS AWARD \* A NEW YORK TIMES TOP 10 BOOKS OF THE YEAR \* NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST \* LOS ANGELES TIMES BOOK PRIZE FINALIST \* ABA SILVER GAVEL AWARD FINALIST \* KIRKUS PRIZE FINALIST NAMED ONE OF THE BEST BOOKS OF 2019 BY: Esquire, Amazon, Kirkus, Library Journal, Publishers Weekly, BookPage, BookRiot, Economist, New York Times Staff Critics "A seminal and breathtaking account of why home is the most dangerous place to be a woman . . . A tour de force." -Eve Ensler "Terrifying, courageous reportage from our internal war zone." -Andrew Solomon "Extraordinary." -New York Times , "Editors' Choice" "Gut-wrenching, required reading." -Esquire "Compulsively readable . . . It will save lives." -Washington Post "Essential, devastating reading." -Cheryl Strayed, New York Times Book Review An award-winning journalist's intimate investigation of the true scope of domestic violence, revealing how the roots of America's most pressing social crises are buried in abuse that happens behind closed doors. We call it domestic violence. We call it private violence. Sometimes we call it intimate terrorism. But whatever we call it, we generally do not believe it has anything at all to do with us, despite the World Health Organization deeming it a "global

epidemic.” In America, domestic violence accounts for 15 percent of all violent crime, and yet it remains locked in silence, even as its tendrils reach unseen into so many of our most pressing national issues, from our economy to our education system, from mass shootings to mass incarceration to #MeToo. We still have not taken the true measure of this problem. In *No Visible Bruises*, journalist Rachel Louise Snyder gives context for what we don't know we're seeing. She frames this urgent and immersive account of the scale of domestic violence in our country around key stories that explode the common myths—that if things were bad enough, victims would just leave; that a violent person cannot become nonviolent; that shelter is an adequate response; and most insidiously that violence inside the home is a private matter, sealed from the public sphere and disconnected from other forms of violence. Through the stories of victims, perpetrators, law enforcement, and reform movements from across the country, Snyder explores the real roots of private violence, its far-reaching consequences for society, and what it will take to truly address it.

Transgender survivors of violence tell their stories. Transgender people face some of the highest rates of violence in the US and around the world, particularly within romantic relationships. In *Transgressed*, Xavier L. Guadalupe-Diaz offers a ground-breaking examination of intimate partner violence in the lives of transgender people. Drawing on interviews and written accounts from transgender survivors of intimate partner violence, he sheds much-needed light on the dynamics of abuse that entrap trans partners in violent

relationships. *Transgressed* shows how rigidly gendered discussions of violence have served to marginalize and silence stories of abuse. Ultimately, these stories of survival follow their unique journeys as they navigate—and break free—from the cycle of abuse, providing us with a better understanding of their experiences. An emotionally compelling read, *Transgressed* offers new ways of understanding the complexities of intimate partner violence through the eyes of transgender survivors.

This landmark study examines the largest clinical sample to date of male survivors of sexual abuse in childhood. Using data from his nationwide North American survey, the author reveals that such abuse is extensive, thus dispelling myths regarding the invulnerability of males. Mendel argues that various societal myths have led to a profound under-recognition of male childhood sexual abuse. He proposes that increased attention to, and acknowledgement of, male victimization is needed in order to reduce both the stigma and isolation of male survivors and the incidence of abuse. The author also suggests modifications to conceptual frameworks related to the long-term impact of childhood sexual abuse to apply specifically to male [Gendered Justice](#) CreateSpace

Ever had a friend who constantly dated the wrong man? Having her heart broken over and over again. *Not Another Victim* is a non-fiction empowering book that draws a clear picture of what it takes to avoid a bad relationship. With a non-judgmental tone, Blackwell provides action steps that all women should take in order to avoid jerks, cheaters, liars, losers and abusers. Any woman who has ever been in a bad relationship will be

encouraged by the various topics within this book, such as healing from past hurts, setting boundaries and self-sufficiency. *Don't Waste Another Day with the Wrong Man!* Be encouraged today following these simple steps of wisdom. Each chapter gives the reader steps to take, powerful confessions and biblical references. Every woman deserves to be in a healthy relationship. This book can help her get there.

*Anatomy of Domestic Violence* Open Road Media

Introducing FBI profiler Karen Vail, who crosses paths with a Virginia serial killer in the first in the bestselling series. Special Agent Karen Vail “is a knockout, tough and brilliant” (Tess Gerritsen). As lead profiler for the FBI, Vail is spearheading the task force investigation into a serial killer known as “Dead Eyes,” who’s been terrorizing Fairfax County, Virginia. What separates this psychopath from the others is a peculiar savagery, and an intimate knowledge of the FBI’s detailed strategy of pursuit. What separates Vail from her peers is a life that has made her hard and uncompromising. Recently divorced from an abusive husband, and in the throes of an ugly custody battle, she’s also helpless against her mother’s struggle with Alzheimer’s. But little by little, as Vail’s personal baggage begins to consume her, the investigation threatens to derail. Now she’s weighing her last hope on a controversial profile. It suggests that the one key to solving the case lies with the seventh victim. But that key will also unlock secrets that could destroy Vail’s career, and expose a truth that even she might not be strong enough to survive. In compiling his research for *The 7th Victim*, Alan Jacobson was allowed wide-ranging access to the FBI’s behavioral profiling

unit over several years. Named one of the top five books of the year by *Library Journal*, it’s “a quantum leap in terror and suspense . . . A masterpiece” (New York Times–bestselling author James Rollins).

### **What We Don’t Know About Domestic Violence Can Kill Us**

Destiny Image Pub

A group of Marines in the Aleutians learn of a murder from an incomplete newspaper. They know who confessed to the crime but not the identity of the victim. Pete, one of the Marines once knew the suspects. They have a lottery based on the victim's identity while Pete tells what he remembers about them.

**Don't Be a Victim** Bloomsbury Publishing USA

In *Domestic Violence: Intersectionality and Culturally Competent Practice*, experts working with twelve unique groups of domestic abuse survivors provide the latest research on their populations and use a case study approach to demonstrate culturally sensitive intervention strategies. Chapters focus on African Americans, Native Americans, Latinas, Asian and Pacific Island communities, persons with disabilities, immigrants and refugees, women in later life, LGBT survivors, and military families. They address domestic violence in rural environments and among teens, as well as the role of religion in shaping attitudes and behavior. Lettie L. Lockhart and Fran S. Danis are editors of the Council of Social Work Education's popular teaching modules on domestic violence and founding co-chairs of the CSWE symposium on violence against women and children. In their introduction, they provide a thorough overview of intersectionality, culturally competent practice, and domestic violence and

basic practice strategies, such as universal screening, risk assessment, and safety planning. They follow with collaborative chapters on specific populations demonstrating the value of generalist social work practice, including developing respectful relationships that define issues from the survivor's perspective; collecting and assessing data; setting goals and contracting; identifying culturally specific interventions; implementing culturally appropriate courses of action; participating in community-level strategies; and advocating for improved policies and funding at local, state, and federal levels. Featuring resources applicable to both practitioners and clients, *Domestic Violence* forms an effective tool for analysis and action.

*The Silent Victim* SAGE

Discover gripping true crime stories and the surprising tools you need to keep you and your family safe -- from iconic legal commentator, TV journalist, and New York Times bestselling author Nancy Grace. Nancy Grace wasn't always the iconic legal commentator we know today. One moment changed her entire future forever: her fiancé Keith was murdered just before their wedding. Driven to deliver justice for other crime victims, Nancy became a felony prosecutor and for a decade, put the "bad guys" behind bars in inner-city Atlanta. Now, with a new and potentially life-saving book, Nancy puts her crime-fighting expertise to work to empower you stay safe in the face of daily dangers. Nancy's crime-fighting expertise helps keep you, your family, and those you love out of harm's way.

**The 48 Laws of Power** Penguin

The second edition of this comprehensive text for MSW and BSW students studying family violence is fully reorganized for improved flow of information, is substantially revised, and is updated to reflect current scholarship and practice. Focusing on child abuse and maltreatment, intimate partner violence (IPV), and older adult abuse, the book covers assessment procedures and evidence-based treatments used by social workers with victims and perpetrators of all age groups and of both genders. It provides expanded information on agencies advocating on behalf of children including child advocacy centers, guardians ad litem, and court-appointed special advocates as well as child welfare laws and policies. The textbook provides updated information related to IPV and vulnerable/at-risk populations including sex trafficking victims, veterans, and male victims. The second edition also features more in-depth theoretical information integrated with case studies, and new information regarding technological issues and criminal justice reform. The authors address assessments and interventions for adult victims of family violence, adult survivors of child abuse, child witnesses of domestic violence, adolescent victims of dating violence, older adult victims of

abuse, and both male and female perpetrators of abuse. The text encompasses several features that make it particularly useful in the classroom, including real-life case studies in every chapter, key terms, and discussion questions. An updated and robust instructor package includes a fully revised Test Bank and more detailed PowerPoints. New to the Second Edition: Aligns with 2015 CSWE Educational Policy and Accreditation Standards Adds updated news articles to help stimulate discussion on chapter content Updated instructor package including fully revised Test Bank Updated and expanded PowerPoint presentations Expanded information in the child maltreatment section on child advocacy centers, guardians ad litem, and court-appointed special advocates A new child maltreatment case example and SMART plan Updated child welfare laws and policies Expanded coverage of safety planning and protection orders for IPV victims New coverage of IPV and sex trafficking Expanded coverage of IPV with male victims and their female perpetrators Coverage of multiple vulnerable and at-risk populations Use of pet therapy and service dogs for IPV in military Updated material on causation of older adult abuse Inclusion of instrument to screen for maltreatment Expanded chapter on assessment and intervention of older adult abuse Example of a possible risk assessment for older adults

#### **Not a Victim But a Warrior** Penguin

The author has told his inspiring story on national television and in magazines like Time and Newsweek. Now he tells it in this wonderful book. Diagnosed at 27, he refused to surrender to AIDS. is living proof that AIDS victims can live full, productive lives.

#### **The Male Survivor** Black Inc.

Gendered Justice takes a unique, multi-layered look at the various elements that factor into our understanding of domestic violence and how the criminal justice system handles situations of domestic violence. The book focuses primarily on the role of gender, but also considers socio-economic status, race, age, education, and the relationship between the victim and criminal. Illustrated with case studies throughout, the book introduces major themes, such as the social construction of gender and victimology, as well as topics such as the portrayal of intimate partner violence in the media and how it shapes our understanding of violence.

#### The Emotionally Abused Woman SAGE Publications

Domestic Violence Advocacy: Complex Lives/Difficult Choices, Second Edition is a comprehensive and highly practical resource for anyone working with domestic violence victims. The essential elements and values of the victim-defined approach provide the foundation for a completely revised exploration of all victims' perspectives and advocates' roles. Authors Jill Davies and Eleanor Lyon draw on the far-reaching progress and increased knowledge of the field and delve deeply into the experiences of victims, their perspectives and decision-making, culture, and risks. Attentive to the real- world context of limited time, resources, and options for victims and for advocates, this enlightening text focuses on what is feasible and offers ideas for working within such constraints.

#### Not Another Victim SAGE

Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm,

persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. The Art of Seduction is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip. From the internationally bestselling author of *The 48 Laws of Power*, *Mastery*, and *The 33 Strategies Of War*. "A bloody thriller with a nonstop, page-turning pace" from the #1 New York Times bestselling author of *Water's Edge* (*The Oregonian*). "Wickedly clever! Genuinely twisted." —Lisa Gardner "Olsen will have you on the edge of your seat." —Lee Child The bodies are found in towns and cities around Puget Sound. The young women who are the victims

had nothing in common—except the agony of their final moments. But somebody carefully chose them to stalk, capture, and torture . . . a depraved killer whose cunning is matched only by the depth of his bloodlust. But the dying has only just begun. And next victim will be the most shocking of all . . . Praise for Gregg Olsen "Grabs you by the throat." —Kay Hooper "An irresistible page-turner." —Kevin O'Brien "Olsen writes rapid-fire page-turners." —TheSeattleTimes "Frightening . . . a nail-biter." —Suspense Magazine "A work of dark, gripping suspense." —Anne Frasier "Truly a great read." —Mystery Scene Magazine

#### Anatomy of Domestic Violence Kdb

*I am Not Your Slave* is the shocking true story of a young African girl, Tupa, who was abducted from southwestern Africa and funneled through an extensive yet almost completely unknown human trafficking network spanning the entire African continent. As she is transported from the point of her abduction on a remote farm near the Namibian-Angolan border and channeled to her ultimate destination in Dubai in the United Arab Emirates, her three-year odyssey exposes the brutal horrors of a modern day middle passage. During her ordeal, Tupa encounters members of Africa's notorious gangs, terrifying witchdoctors, mysterious middlemen from China, corrupt police and border officials, Arab smugglers and high-ranking United Nations officials. And of course, Tupa meets her fellow trafficking victims, young women and girls from around the world. Tupa's harrowing experience, including her daring escape and eventual return home, sheds light on the most shocking aspects of modern day slavery, as well as the essential determination to be free.

*Out of the Darkness* SAGE Publications  
The woman's golden hair is spread out beneath her on the bed of leaves where she's fallen, her beautiful blue eyes open wide. The police are calling it a random attack, but Jessie Tucker isn't so sure - she's seen this crime scene before... she was the victim. Twelve years ago, Jessie Tucker was attacked as she made her way home from an outdoor concert. She still walks with a limp from that night, and every day since has been a struggle to rebuild her life. The police told her she was unlucky - that she was safe after they charged a local man for the crime. But Jessie has never managed to shake the feeling that there was someone else in the park that night... someone she knew. But then Margaret Kincaid's murder file lands across her desk, and Jessie knows she can't keep silent any longer. Margaret's wounds so exactly match her own its spooky - but Jessie's attacker is in prison, and Jessie has never met the victim. What links her to Margaret Kincaid, and why did the attacker let one woman live, and the other die? Nail-biting, gripping and absolutely unputdownable! Perfect for fans of Lisa Regan, Kendra Elliot and Gregg Olsen. What readers are saying about *The Silent Victim*: 'Wow...this book was extremely unexpected... From beginning to end, every page was a thrill ride. I was hooked right from the start... I can't wait to read more.' Goodreads reviewer, 4 stars 'I loved everything about it! It was really interesting to read from the view of the reporter and what happened to her and the end. OMG was not expecting that! It was really gripping.' Goodreads reviewer, 5 stars 'This mystery will keep you guessing until the very end... It will keep you on the edge of your seat.' Goodreads reviewer, 5 stars 'So tense, so chilling,

full of twists and turns. Kept me up well past my bedtime, I could not put it down. Great beginning to a new series I will be following.' Goodreads reviewer, 4 stars 'This book grabbed me from the first page. It's a great story with all sorts of twists and turns. Just when I thought I had it figured out the author veered off in another direction.' NetGalley reviewer, 4 stars 'I really enjoyed this psychological thriller! So many levels of domestic drama, political secrets and good cop/bad cop. Loved the characters. So easy to fall in love with the star of the book Jessie Tucker... So many thrilling twists and turns. The book caught me from the very beginning and just could not put it down. Lots of wonderfully intense emotions in this book! I highly recommend it!' Goodreads reviewer, 5 stars

Theories, Assessment, and Intervention  
Springer Publishing Company

Featuring cutting-edge information on family violence from the international arena, *Out of the Darkness* pulls together into one seminal volume the work of emerging scholars and key figures in the field. The book provides a comprehensive and interdisciplinary package of the newest generation of investigation and theory. The contributors cover the latest: controversial topics; international studies; theory, methods, assessment and interventions; and ethical and cultural issues related to both child and partner abuse. Chapters address pressing questions such as: Is wife abuse declining? Are child homicides increasing? Does couple treatment work in violent marriages? Several noteworthy findings emerge from this volume, i  
*Fearless in Heels* Penguin  
This anthology explores a wide range of violence that commonly occurs in

families and between intimates. Many articles offer a feminist perspective that addresses the gendered nature of violence and the consequences of power inequality in our society. A variety of

violence topics are included: child abuse, incest, violence in heterosexual dating relationships, violence in gay and lesbian relationships, acquaintance rape, wife abuse and wife rape, and elder abuse.
