Journee is not only a mouse but a princess who loves adventure, especially when she has them alongside her best friends, Mr. Toad, Mr. Owl, and Mr. Steed. Not long after their very first escapade together, finding the legendary Pond of Reflection, the four companions find themselves in

yet another wild exploit, that is decidedly dangerous and threatens the entire kingdom. On one lovely fall day, the friends have no idea what is in store for them when they discover a furry blob on top of a boulder, a rock hyrax, and learn of a message for Journee's father, the great mouse king. Mr. Badger's message warns the king of a formidable army of locusts gathering on the kingdom's northern border in the Great Plains by the sea. The king and his Council devise an unlikely plan to not only help the locusts but hopefully thwart the significant threat they

pose to the kingdom. This plan's success will require the help of every kingdom animal, great and small, and a very special gift of the rock hyraxes, who live in the crags of the High Western Mountain. This adventure story is inspired by the Biblical Proverb 30:24-28 (NKJV) and communicates the morals of helping your neighbor, that power can come in small packages, and the effectiveness of working together.

[Including Northern New Jersey, Southwestern Connecticut, and Western Long Island MIRA](#)

A new way of thinking about data science and data ethics that is informed by the ideas of intersectional feminism. Today, data science is a form of power. It has been used to expose injustice, improve health outcomes, and topple governments. But it has also been used to discriminate, police, and surveil. This potential for good, on the one hand, and harm, on the other, makes it essential to ask: Data science by whom? Data science for whom? Data science with whose interests in mind? The narratives around big data and data science are overwhelmingly white, male, and techno-heroic. In *Data Feminism*, Catherine D'Ignazio and Lauren Klein present a new way of thinking about data science and data ethics—one that is informed by intersectional feminist thought. Illustrating data feminism in action, D'Ignazio and Klein show how challenges to the male/female binary can help challenge other hierarchical (and empirically wrong) classification systems. They explain how, for example, an understanding of emotion can expand our ideas about effective data visualization, and how the concept of invisible labor can expose the significant human efforts

required by our automated systems. And they show why the data never, ever “speak for themselves.” *Data Feminism* offers strategies for data scientists seeking to learn how feminism can help them work toward justice, and for feminists who want to focus their efforts on the growing field of data science. But *Data Feminism* is about much more than gender. It is about power, about who has it and who doesn't, and about how those differentials of power can be challenged and changed.

*History of the Reign of Philip the Second, King of Spain ...* National Academies Press

This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. We have represented this book in the same form as it was first published. Hence any marks seen are left intentionally to preserve its true nature.

*Children's Rights in the United States* HarperCollins UK

Un hombre para Zafiro (Joyas de la nobleza 3)SELECTA

*The Multilingual Origins of Standard English* Spunky Girl Publishing

In Part One (the Orthodox Version) the

contributors to this volume show how monolingual explanations of the origins of Standard English are incorrect. Part Two (the Revised Version) provides an alternative sociolinguistic, multilingual history, where it is argued that English came to take over the roles, registers and written conventions of Anglo-Norman French, and that standardisation was the result of fourteenth-century socioeconomic shift.

*60 Hikes Within 60 Miles: New York City* Getty Publications

Feisty orphan Pippa de Lacey lives by wit and skill as a London street performer. But when her sharp tongue gets her into serious trouble, she throws herself upon the mercy of Irish chieftain Aidan O'Donoghue. Pippa provides a welcome diversion for Aidan as he awaits an audience with the queen, who holds his people's fate in her hands. Amused at first, he becomes obsessed with the audacious waif who claims his patronage. Rash and impetuous, their unlikely alliance reverberates with desire and the tantalizing promise of a life each has always wanted—but never dreamed of attaining.

Los secretos de topacio (Joyas de la nobleza 2) A&C Black

Harold Bloom, the doyen of American literary critics and author of *The Western Canon*, has spent a professional lifetime reading, writing about and teaching Shakespeare. In this magisterial interpretation, Bloom explains Shakespeare's genius in a radical and provocative re-reading of the plays.

*Revelation in Aztlán* SELECTA

This volume considers the influential revival of ancient philosophical skepticism in the 16th and early 17th centuries and investigates, from a comparative perspective, its reception in early modern English, Spanish and French drama, dedicating detailed readings to plays by Shakespeare, Calderón, Lope de Vega, Rotrou, Desfontaines, and Cervantes. While all the plays employ similar dramatic devices for "putting skepticism on stage", the study explores how these dramas, however, give different "answers" to the challenges posed by skepticism in relation to their respective historico-cultural and "ideological" contexts.

**A History of Spanish Literature**

Penguin

(Better Date than Never series, Book 6)

After discovering her fiancé cheated on her, Kaitlin is focused on two things: remodeling her new home and avoiding men at all costs. But her friends insist she get back in the driver's seat and date again. They strike a hard bargain and agree to paint her house if she goes on five dates. Anxious to get the paint job started, Kaitlin schedules five dates in five days, but her plan falls to pieces when a sexy bartender at her venue-of-choice makes her swoon. Even though he observes each of the dates from afar, she can't help but want him to come a little closer. The last person she should fall for is a mysterious bartender with a sinful smile, but Paul makes her want to take risks again. Will the charming man with electric blue eyes break her heart or will he prove to her that a license to date is what makes life worth the drive?

Biodiversity Alpha Edition

New York Times bestselling author Catherine Anderson presents the first novel in her Comanche series—a powerful historical romance about a man and a woman caught between two worlds... Orphaned seven years ago after

witnessing the brutal murder of her parents at the hands of the Comanche people, golden-haired Loretta Simpson still lives in terror that the warriors will return—her fear so powerful, she is no longer able to speak a word. Called the U.S. Army's most cunning adversary, Hunter of the Wolf believes that Loretta is the "honey-haired woman with no voice" of ancient prophecy—the one he must honor for all eternity. But Loretta can only see Hunter as the enemy who has stolen her, refusing to succumb to his control, or his touch. Despite the hatred intensifying between their peoples, Loretta and Hunter gradually find their prejudices giving way to respect, then flaring into feelings too dangerous to express. In the midst of such conflict, it will take all the force of their extraordinary love to find a safe place...

Respected museum professionals discuss contemporary issues and successful programs, and offer practical guidelines and information, up-to-date references, and lively illustrations in this wide-ranging volume. *Interpreting Historic House Museums* captures the big picture and important details. Its scope and accessibility will make it useful and relevant for both students and practicing professionals.

**Antología de relatos románticos.**

**Navidad 2018** SAGE

Gian Lorenzo Bernini was the greatest

sculptor of the Baroque period, and yet—surprisingly—there has never before been a major exhibition of his sculpture in North America. *Bernini and the Birth of Baroque Portrait Sculpture* showcases portrait sculptures from all phases of the artist's long career, from the very early Antonio Coppola of 1612 to Clement X of about 1676, one of his last completed works. Bernini's portrait busts were masterpieces of technical virtuosity; at the same time, they revealed a new interest in psychological depth. Bernini's ability to capture the essential character of his subjects was unmatched and had a profound influence on other leading sculptors of his day, such as Alessandro Algardi, Giuliano Finelli, and Francesco Mochi. *Bernini and the Birth of Baroque Portrait Sculpture* is a groundbreaking study that features drawings and paintings by Bernini and his contemporaries. Together they demonstrate not only the range, skill, and acuity of these masters of Baroque portraiture but also the interrelationship of the arts in seventeenth-century Rome.

*An Acquaintance with Darkness* BoD - Books on Demand

Después de Esmeralda, vuelve la serie romántica ambientada en la regencia «Joyas de la nobleza», de Catherine Brook, con la historia de Jade. Primero se negó a la propuesta escandalosa de él... Pero poco después aceptó convertirse en su amante por dinero. Jade Kingsley sabe que no es ni será jamás la esposa que alguien pueda desear. No es ninguna belleza. Prefiere los libros a socializar y, ¡ah, sí! tiene un zorro de mascota. Por ello, cuando una situación la exhorta a buscar dinero, en vez de empezar la búsqueda de un marido, como debería ser considerando entre los de su clase, comienza a buscar un amante. ¿Y qué mejor amante que aquel hombre que ya se lo había propuesto en una ocasión? James no se podía creer que tuviera que abandonar Londres para evitar pasar por la vicaría, y solo porque su cuñada no podía ver a alguien soltero sin querer casarlo. Tampoco se podía creer que le hubiera hecho una propuesta indecente a la hija de un barón sin darse cuenta de que lo era. Pero nada de lo anterior era tan tremendo como lo fue la incredulidad de recibir la aceptación a esa propuesta por parte de la misma mujer que lo había

rechazado en su momento. Ser un caballero nunca fue una tarea tan difícil hasta que Jade decidió que James sería su amante. Pero él no tenía ninguna intención de ceder a ello, aunque el deseo dentro de sí se retorciere cada vez que la miraba y no se la pudiera sacar de la cabeza. Los lectores han comentado sobre la serie «Joyas de la nobleza»... ««Me atrapó de principio a fin, estoy enamoradísima de los protagonistas. La autora se supera con cada historia.» «Me encantan las novelas de época cuyas heroínas sean poco comunes y cuyos relatos sean apasionados y ocurrentes. Esta novela tenía de todo un poco: pasión, romance, suspense y aventura, además de una trama fabulosa, me encantó.» «Esta serie ha mejorado en cada una de las historias, en esta debo admitir que la escritora me sorprendió con una historia llena de chispa, muchos momentos tiernos y otros que te sacan carcajadas.»

Building on the success of her prior book, *Practice Makes Perfect: Spanish Verb Tenses*, author Dorothy Devney Richmond helps learners attain a strong working vocabulary, no matter if they are absolute

beginners or intermediate students of the language. She combines her proven instruction techniques and clear explanations with a plethora of engaging exercises, so students are motivated and hardly notice that they are absorbing so much Spanish. *Practice Makes Perfect: Spanish Vocabulary* also includes basic grammar and structures of the language to complement learners' newly acquired words. "Vocabulary Builders" help students add to their Spanish repertoire by using cognates, roots, suffixes, prefixes, and other "word-building" tools.

#### *Una noche con Rubí (Joyas de la nobleza 1)* Rowman Altamira

Just ten years ago, discussions of Latina/o media could be safely reduced to a handful of TV channels, dominated by Univision and Telemundo. Today, dramatic changes in the global political economy have resulted in an unprecedented rise in major new media ventures for Latinos as everyone seems to want a piece of the Latina/o media market. While current scholarship on Latina/o media have mostly revolved around important issues of representation and stereotypes, this approach does not provide the entire

story. In *Contemporary Latina/o Media*, Arlene Davila and Yeidy M. Rivero bring together an impressive range of leading scholars to move beyond analyses of media representations, going behind the scenes to explore issues of production, circulation, consumption, and political economy that affect Latina/o mass media. Working across the disciplines of Latina/o media, cultural studies, and communication, the contributors examine how Latinos are being affected both by the continued Latin Americanization of genres, products, and audiences, as well as by the whitewashing of "mainstream" Hollywood media where Latinos have been consistently bypassed. While focusing on Spanish-language television and radio, the essays also touch on the state of Latinos in prime-time television and in digital and alternative media. Using a transnational approach, the volume as a whole explores the ownership, importation, and circulation of talent and content from Latin America, placing the dynamics of the global political economy and cultural politics in the foreground of contemporary analysis of Latina/o media.

 Llega la cuarta entrega de la serie «Joyas de la nobleza» con la historia de Esmeralda. El único hombre que no podía amarla era el único al que ella deseaba. Esmeralda Loughy tiene un solo objetivo: encontrar al hombre de su vida y casarse con él. El hombre perfecto tiene que ser un caballero simpático, alegre, romántico, fiel y, sobre todo, que la quiera tanto como lo querrá ella. Sabe que lo reconocerá en cuanto lo vea# Y así sucede, aunque hay un pequeño problema: no tiene ninguna de las cualidades anteriores, y ni siquiera cree en el amor. Esmeralda no se dará por vencida, es una Loughy, y las Loughy son tercas. Ella está dispuesta a enamorarlo y a tener su final feliz de novela. Anthony Price, barón de Cliffton, es un paria en la sociedad londinense. Su horrible reputación hace que los caballeros

tiemblen cuando lo ven, las madres alejen a sushijas de él y las mujeres casadas suspiren ante su aura de peligro. Después del abandono de su madre, la rabia de su padre y la muerte de su prometida hace años está convencido de que no nació para ser amado, por ello, se dedica a destruir literalmente su vida. Alcohol, juegos, mujeres, y aventuras forman parte de su cotidianidad, y no está dispuesto a cambiar... O no lo estaba al menos hasta que esa entrometida muchacha se interpuso en su camino. Con esos ojos verdes llenos de la inocencia de quien no ha sufrido en la vida y ese carácter tan optimista, ella se dedicará a perseguirlo poniendo en peligro su corazón y también la reputación que tanto se ha esforzado en fomentar.

#### **El amante de Jade (Joyas de la nobleza 5)** Lauren Smith

Bridging the fields of Religion and Latina/o Studies, this book fills a gap by examining the "spiritual" rhetoric and practices of the Chicano movement. Bringing new theoretical life to biblical studies and Chicana/o writings from the 1960s, such as *El Plan Espiritual de Aztlán* and *El Plan de Santa Barbara*, Jacqueline M. Hidalgo

boldly makes the case that peoples, for whom historical memories of displacement loom large, engage scriptures in order to make and contest homes. Movement literature drew upon and defied the scriptural legacies of Revelation, a Christian scriptural text that also carries a displaced homing dream. Through the slipperiness of utopian imaginations, these texts become places of belonging for those whose belonging has otherwise been questioned. Hidalgo's elegant comparative study articulates as never

before how Aztlán and the new Jerusalem's imaginative power rest in their ambiguities, their ambivalence, and the significance that people ascribe to them. *Comanche Moon* McGraw Hill Professional She thought she knew her husband. She thought she knew herself. She was mistaken on both counts.... When Katherine Fraser's husband vanishes, she discovers that he has hidden his past from her...but when his wealthy family finds her and sweeps her into a world of power and luxury, the fearful, dependent wife is

gradually transformed into a vibrant, glamorous woman. From San Francisco to Paris to the Côte d'Azur, Katherine tastes the romance and elegance of a world she never had dreamed possible. Suddenly, her husband returns, and forces her to choose: whether to embrace the past, or to plunge into a richly exciting new life, and a deep, passionate new love. When a woman gets a second chance, should she be loyal to the life she had before? Judith Michael explores this intriguing question in the unforgettable bestseller Possessions.
