How to do Mission Action Planning Harper Collins

There is a church not too far from us that recently added a \$25 million addition to their building. Our local newspaper ran a front-page story not too long ago about a study revealing that one in five people in our city lives in poverty. This is a book about those two numbers. Jesus Wants to save Christians is a book about faith and fear, wealth and war, poverty, power, safety, terror, Bibles, bombs, and homeland insecurity. It's about empty empires and the truth that everybody's a priest. It's about oppression, occupation, and what happens when Christians support, animate and participate in the very things Jesus came to set people free from. It's about what it means to be a part of the church of Jesus in a world where some people fly planes into buildings while others pick up groceries in Hummers.

How to Do Mission Action Planning (SPCK, 2009) was the first book to appear on the MAP process, at a time when it was beginning to have a significant impact. In this fully revised and expanded edition, the authors offer further critical evaluation and theological reflection, by drawing on the experiences of people who have been using the MAP process in different contexts from their own: Fr Damian Feeney, parish priest and Catholic Missioner of Lichfield diocese Canon David Banbury, leader of Parish Mission Support, Blackburn diocese The Rt Revd Dr Alan Smith, Bishop of St Albans Dr Stephen Hance, Canon Missioner of Southwark diocese Linda Rayner, the United Reformed Church co-ordinator for Fresh Expressions 'This is a rare book - a refreshing meditation on planning for mission - and one that is rooted in spirituality. As the authors show, the church and its mission arise from our vision of God. And once that vision has been realised, churches are able to become more intentional about their mission. Our vocation to share God's love is not an option or an afterthought. It is the heart and soul of our faith. Mission - and our planning of it - should not fill us with fear or foreboding. Rather, as the authors argue, the call to share God's love can be

evermore meaningful, even as mission becomes more methodical.' The Very Revd Prof. Martyn Percy, Dean of Christ Church, Oxford 'This is a must-read for anyone using MAP. The rich theological reflection, the detailed unpacking of the 4 MAP phases and the learning offered by the 5 guest practitioners add up to an impressive offering. This book enables good questions to be asked, overflows with wise reflection and contains oodles of practical examples, ideas and resources. I commend it to all local church leaders who are seeking to discern how best to translate the prayer 'your kingdom come' into appropriate church and congregational action.' John Dunnett, General Director, CPAS 'This timely revision is honest, well researched and carefully put together - an important contribution to the necessary change of culture required in today's Church.' Julian Henderson, Bishop of Blackburn

The New York Times bestselling author of The Prodigal Prophet uncovers the essential message of Jesus, locked inside his most familiar parable. Newsweek called renowned minister Timothy Keller "a C.S. Lewis for the twenty-first century" in a feature on his first book, The Reason for God. In that book, he offered a rational explanation of why we should believe in God. Now, in The Prodigal God, Keller takes his trademark intellectual approach to understanding Christianity and uses the parable of the prodigal son to reveal an unexpected message of hope and salvation. Within that parable Jesus reveals God's prodigal grace toward both the irreligious and the moralistic. This book will challenge both the devout and skeptics to see Christianity in a whole new way.

Love Wins: For Teens Upper Room Books

The God We Can Know is a 7-week study designed for the entire congregation to explore the "I Am" sayings of Jesus found in the Gospel of John. Perfect for Lent or any time of year, this series will help you find and form an answer to the most essential question in the Christian faith, "Who do you say I am?" One by one, Jesus' statements grab our imagination, reveal more about his identity and purpose, and connect us to the God of Moses, who spoke the first "I Am." These significant yet ordinary images (bread, light,

shepherd, vine, and more) give us insightful ways to experience Jesus and point us to a God who wants to be known. The DVD, filmed on location in the Holy Land, allows you to travel with Rob Fuquay and actually see the places where Jesus stood when he disclosed his true identity, and in what context he spoke each "I Am." The book, DVD/study guide combo, and online support work together to provide one of the most meaningful, transforming initiatives your church can provide for the entire congregation. Weekly themes include: Introduction to "I Am"—Knowing God I Am the Bread of Life—Knowing God's Satisfaction I Am the Light of the World—Knowing God's Guidance I Am the Good Shepherd—Knowing God's Care I Am the True Vine—Knowing God's Power I Am the Way, the Truth, and the Life—Knowing God's Way I Am the Resurrection and the Life—Knowing God's Possibilities

Millions of Christians have struggled with how to reconcile God's love and God's judgment: Has God created billions of people over thousands of years only to select a few to go to heaven and everyone else to suffer forever in hell? Is this acceptable to God? How is this "good news"? Troubling questions—so troubling that many have lost their faith because of them. Others only whisper the questions to themselves, fearing or being taught that they might lose their faith and their church if they ask them out loud. But what if these questions trouble us for good reason? What if the story of heaven and hell we have been taught is not, in fact, what the Bible teaches? What if what Jesus meant by heaven, hell, and salvation are very different from how we have come to understand them? What if it is God who wants us to face these questions? Author, pastor, and innovative teacher Rob Bell presents a deeply biblical vision for rediscovering a richer, grander, truer, and more spiritually satisfying way of understanding heaven, hell, God, Jesus, salvation, and repentance. The result is the discovery that the "good news" is much, much better than we ever imagined. Love wins.

This enhanced edition of LOVE WINS includes extras such as the complete LOVE WINS COMPANION as well as the book trailer video that started it all and ten brand-new videos featuring Rob Bell discussing each of the chapters. In LOVE WINS, bestselling author of VELVET ELVIS and the 2 million-plus selling Nooma videos, Rob Bell, reveals a secret deep in the heart of millions of Christians—they don't believe what they have been taught are the essential truths of their faith. Bell brings out to the open and faces squarely the questions on everyone's mind: Does it really make sense that God is a loving, kind, compassionate God who wants to know people in a personal way, but if they reject this relationship with Jesus, they will be sent to hell where God will eternally punish them forever? Bell goes to the heart of these issues and argues that the church's traditional understanding of heaven and hell is actually not taught by the Bible. Bell is emphatically not offering a new view of heaven and hell—instead, he closely examines every verse in the Bible on heaven and hell and shows what they really teach. And he discovers that Jesus's most fundamental teaching about heaven and hell is, "Love wins."

The Prodigal God Harper Collins

In recent decades universal reconciliation (UR) has sharpened its attack on evangelical faith. By their fiction and nonfiction, and by film (*The Shack*), universalists such as Paul Young, Brian McLaren, Rob Bell, and others are propagating the idea that the love of God trumps all other attributes of God including his holiness and justice. From this starting point universalists believe that all people are born as children of God, that all are going to heaven, that all must embrace God's love. Those who reject God in this life will repent after death and escape hell. Even the devil and his angels will repent from hell and go to heaven. Universalism is an old idea. Christians have confronted UR since the third century and refuted it as heresy--heresy because UR believes that faith in Jesus is unnecessary. Thus, the death of Jesus Christ as an atonement for sin becomes unnecessary. Through his acquaintance with Paul Young, De Young is increasingly concerned that Young and other universalists are misleading many. In this book De Young challenges all the arguments that universalists make--their appeals to the Bible, to logic and reason,

and to church history--and shows that they are unconvincing.

"An exciting vision of the future" --Michael Eric Dyson *Everything Is Spiritual* is an unexpected and compelling invitation to see your life in a whole new way. We have the great moments of our lives,

the highs, those times when we soar, when it all makes sense, when it feels like it all has purpose and meaning. And then there are all those other moments—the lows and aches and failures and struggles and experiences that leave us wondering what the point of it all is. Are our lives ultimately bits and pieces and fragments—you try to find a little peace and hope and then it's over? Or is there more going on here? In our increasingly polarized and disoriented world, *Everything Is Spiritual* gives us a radical new take on how it all fits together, how it works, how it's all connected. Part memoir, part extended riff on the quantum nature of reality, part history of the universe, Rob Bell takes us back through the twists and turns and struggles of his story in order to help us see the larger story so that we can reconnect with our story.

What Is the Bible? Harper Collins

Many people often debate the central claims of the Christian faith. But maybe a better understanding of the history of the early Christian movement would give new perspective to these discussions.

Book Two in *The New Kind of Christian Trilogy* *The Story We Find Ourselves In* is the sequel to Brian D. McLaren's award-winning book *A New Kind of Christian*. His witty and wise characters take

on difficult, faith-busting themes--from evolution and evangelism to death and the meaning of life--and reveal that the answers to life's pressing spiritual questions often come from the most unlikely sources. Dan and Neo (and some new characters as well) invite reflection on the story we find ourselves in--that is, the narrative of God's presence and meaning in the world now and in the future.

What kind of story is your church telling? Ministry experts describe our culture as having "lost its story." Through neglect or rejection, the next generation seems unplugged from the church's core beliefs. For the most part, young people simply do not feel part of the ongoing, communal story. Paradoxically, this has occurred at a time when youth have fully embraced social networks that connect the world in self-obsessed "I" narratives. This world is starving for a story bigger than what you find on Facebook and YouTube. Sarah Arthur emphasizes the importance of story, an intrinsic aspect of the Christian faith but an aspect

that is often overlooked in ministry, especially youth ministry. Arthur shows how youth ministry can be planned as a transforming series of story moments instead of programming. She weaves together her personal experiences and insights along with the sociological work on the faith of teenagers from the book *Soul Searching* by Christian Smith and Melinda Denton. Repeatedly and unapologetically, Arthur stresses the importance of a distinct Christian language for teenagers. If teens can't speak the Christian language, they don't know the Christian story. If they don't know the Christian story, they don't know how Christians are supposed to live. So what's her solution to this narrative deficiency? The idea of youth ministers as bards, or storytellers. Arthur reminds youth ministers that their primary task is to tell the Christian story, to reclaim the imagination as part of spiritual formation, and to reclaim the church as God's ongoing story. This book would be insightful for all ministers, not only those who work with youth. It can help us make a significant shift in the way we think about and approach ministry in the postmodern world.
