Emily McCarthy is living in fear of a dark and dangerous past. A gifted mathematician, she is little more than a hollow, broken shell, trying desperately to make ends meet long enough to finish her degree. Through an unlikely friendship with the aging, cantankerous owner of an old boxing gym, Em is thrown into the path of the most dangerous man that she has ever met. Cormac "the Hurricane" O'Connell is cut, tattooed and dangerous. He is a lethal weapon with no safety and everyone is waiting for the misfire. He's never been knocked out before, but when he meets Em he falls, HARD. Unlike any other girl he's ever met, she doesn't want anything from him. Just being around her makes him want to be a better person. They are polar opposites who were never meant to find each other, but some things are just worth the fight.

While television in today's world increasingly displays a global character, national television systems are still firmly rooted in a specific locality. But in what ways does this locality actually shape the content and performance of national television? What is the significance of local cultures and local languages in these processes of mediation? And how do the local, the national, and the global intersect in discourses of and discourse on television? Taking a critical discourse analysis perspective, *Watching Si Doel* investigates these and related questions in the context of contemporary Indonesia. Starting from the nationwide popularity of the local television serial *Si Doel Anak Sekolahan* ("Educated Doel"), it examines the various ways in which the national government, Indonesian television producers, and local audiences shape, interpret, and struggle over the meaning of the phrase 'national television'. In doing so, the book explores what Indonesian television at the turn of the century sounds and looks like—and, significantly, ought to sound and look like—according to those who create and control television and those who watch and interpret it. While providing insight into the production, nature, and reception of television discourse in general, this book particularly seeks to clarify the relationship between television, language, and power in late New Order and post-Soeharto Indonesia.

Kalau telat sedetik saja, enggak dapat oleh-oleh berlianMartapura! *gambarnya doang sih!" Begitulah bunyi SMS berantai yang nongol di HP jadulku. Yup, sebelumnya memang telah berembus gosip sedap bahwa Alisha akan menginjakkan kakinya di tanah Jawa. Pendekar, eh cewek itu, akan menghadiri pernikahan adik bungsunya di kota Djokdja. Hah, reuni? Di Djokdja? Mau! Mau! Demikianlah kisah-kisah di dalam buku ini bermula. Yay! Back to Djokdja! Dengan spirit dodol yang sama, ribuan (ups lebay) kisah gokil unyu kembali mengalir dari Puri Cantika 2. One cold fall day, high school junior Liz Emerson steers her car into a tree. This haunting and heartbreaking story is told by a surprising and unexpected narrator and unfolds in nonlinear flashbacks even as Liz's friends, foes, and family gather at the hospital and Liz clings to life. This riveting debut will appeal to fans of *Before I Fall*, by Lauren Oliver, and *13 Reasons Why*, by Jay Asher. "On the day Liz Emerson tries to die, they had reviewed Newton's laws of motion in physics class. Then, after school, she put them into practice by running her Mercedes off the road." Why did Liz Emerson decide that the world would be better off without her? Why did she give up? The nonlinear novel pieces together the short and devastating life of Meridian High's most popular junior girl. Mass, acceleration, momentum, force—Liz didn't understand it in physics, and even as her Mercedes hurtles toward the tree, she doesn't understand it now. How do we impact one another? How do our actions reverberate? What does it mean to be a friend? To love someone? To be a daughter? Or a mother? Is life truly more than cause and effect? Amy Zhang's haunting and universal story will appeal to fans of Lauren Oliver, Gayle Forman, and Jay Asher.

Tommy and Nathan Bishop are as different as two brothers can be. Carefree and careless, Tommy is the golden boy who takes men into his bed with a seductive smile and turns them out just as quickly. No one can resist him—and no one can control him, either. That salient point certainly isn't lost on his brother. Nathan is all about control. At thirty-one, he is as dark and complicated as Tommy is light and easy, and he is bitter beyond his years. While Tommy left for the excitement of New York City, Nathan has stayed behind, teaching high school English in their provincial hometown, surrounded by the reminders of their ruined family history and the legacy of anger that runs through him like a scar. Now, Tommy has come home to the family cottage by the sea for the summer, bringing his unstable, sexual powder keg of an entourage—and the distant echoes of his family's tumultuous past—with him. Tommy and his lover Philip are teetering on the brink of disaster, while their married friends, Camille and Kyle, perfect their steps in a dance of denial, each partner pulling Nathan deeper into the fray. And when one of Nathan's troubled students, Simon, begins visiting the house, the slow fuse is lit on a highly combustible mix. During a heady two-week party filled with drunken revelations, bitter jealousies, caustic jabs, and tender reconciliations, Tommy and Nathan will confront the legacy of their twisted family history—their angry, abusive father and the tragic death of their mother—and finally, the one secret that has shaped their entire lives. It is a summer that will challenge everything Nathan remembers and unravel Tommy's carefully constructed facade, drawing them both unwittingly into a drama with echoes of the past. . .one with unforeseen and very dangerous consequences. "There are undercurrents of tragedy and emotional scarring at work that take the story to disturbing places. . .Yates puts his novel together like a one-two punch and makes it readable. . .you can't put it down."--Edge Magazine.
