 Do you ever feel like a second-class citizen in this world? Do you wonder how God could possibly use you to change lives? For women in Bible times, these weren't even questions they thought about. Being overlooked, marginalized, having your contributions discounted because you're a woman...it's just the way things were. In this 10-lesson workbook, Max Lucado tells some of his favorite accounts of women in Scripture and the remarkable way God broke down cultural barriers to use them in the unfolding of His story. You will discover... Sarah, the woman whom God

promised would give birth to a nation, but who tried to rush things when God's promises didn't seem to be coming to pass. Rahab, a prostitute in the Canaanite city of Jericho, who would save herself and her family through her faith in the one true God of the Israelites. Abigail, a woman forced to play peacemaker by the barbaric behavior of her husband. Esther, a young queen whom God placed in the Persian court for "such a time as this" to prevent the genocide of the Jewish people. Mary, the young virgin pledged to Joseph, whom God would choose to give birth to Jesus, the promised Messiah who would save the world. The Samaritan Woman, who would meet this Messiah at a well one day. His words would forever after change her life. The Canaanite Woman, who made God smile with her wit and faith, and who

received from Jesus an answer to her prayer. Mary of Bethany, a friend of Jesus who witnessed the resurrection of her brother, Lazarus, and then anointed Christ in anticipation of his death and resurrection. Mary Magdalene, who followed Jesus despite the injustice of a world that judged her for her past and said she would always be considered a failure. Sapphira, a woman in the early church who, along with her husband, made the unfortunate (and deadly) decision to lie to the Holy Spirit. These stories show us there is a God who sees us where we are and loves us for who we are. He is the one who hovers over all the pages of the Bible, shaping lives, rescuing hearts, healing sicknesses, raising what was dead to life, and passing out high callings to those who choose to follow him and have faith in him.

Each lesson includes: 5 Daily in-depth Bible studies to help you explore the stories in Scripture Daily points to remember to help you summarize the key points Daily prayers to help you focus your thoughts and move into your quiet time Weekly memory verses to help you hide God's word in your heart Additional notes to help you lead a group through the study Ten Women of the Bible is a standalone workbook, ideal for both individual use and for study in a small-group setting.

How John Wrote the Book of Revelation is the first of its kind, and introduces genetic literary reconstruction to Biblical studies. It enables the reader to produce prior drafts of Hebrew and Christian Scriptures, thereby allowing the reader to apply the literary science of genetic criticism to a book in the Bible. How John Wrote the Book of Revelation takes the most difficult book to understand in the Christian Scriptures and reveals the sequence in which it was written, from the very first line to the final parallel. This provides the reader, for the first time, with the experience of observing how a Biblical book was written, and does this from an intimate perspective, as though they were looking over John's shoulders as he crafted it. How John Wrote the Book of Revelation is the first book that teaches the reader how to read Revelation the way it was written. After centuries of blind guess work trying to divine meaning, and weak interpretations of symbols, this book finally presents a clear, precise, and consistent method. It is a guidebook to identify all the rich symbols and their meanings within Revelation. Inside the pages of this book is the all-encompassing theory of construction for the book of Revelation. It includes three prior drafts of the book of Revelation, along with hundreds of charts and illustrations. How John Wrote the Book of Revelation is like no other book that has been written before, and sets a new paradigm for all Biblical works.

New Testament Study Guide, Pt. 3: The Epistles & the Book of Revelation. This volume is the third of three on the New Testament. An unusually large volume, it covers most of the Book of Acts, the New Testament epistles, and the Book of Revelation. We read of Saul's conversion and then follow him as the Apostle Paul as he takes his five major journeys throughout the Mediterranean area. The book of Acts provides the historical context to his journeys. Along the way, we read his teachings in his 14 marvelous epistles to early Church members. Eventually, we follow Paul to Rome where he was martyred for the cause of Christ. This volume also covers the epistles of James, Peter, John, and Jude. And finally, we read the Book of Revelation?John's apocalyptic messages written while he was on the Isle of Patmos. The cover features a classic painting of 'St. Paul at His Writing Desk,' painted by Rembrandt in 1692.

Helaman through Moroni. This volume is the third of three on the Book of Mormon. It covers the Book of Helaman through the Book of Moroni. This includes the period of great wickedness just prior to the coming of Christ. We read of the missions of Nephi and Lehi, followed by Samuel the Lamanite. The signs of Christ's birth and death are given, followed by their fulfillment. Great destruction occurs on the American continent, and only the righteous survive in the Land of Bountiful. Christ appears to the Nephites, teaches and heals them, organizes His Church and ordains 12 disciples to lead them. After His departure, a Zion people live in peace for many years, then decline again into great wickedness. We read of the final days of

the Nephites in the writings of Mormon and Moroni. We also read about the Jaredites, who were the first to inherit the land, long before Lehi's family arrived. In all, it covers 2,000 years of Jaredite history, and 469 years of Nephite history from 52 BC to 421 AD when the book of Moroni closes. New York Times bestselling author John Eldredge offers readers a breathtaking look into God's promise for a new heaven and a new earth. This revolutionary book about our future is based on the simple idea that, according to the Bible, heaven is not our eternal home--the New Earth is. As Jesus says in the gospel of Matthew, the next chapter of our story begins with "the renewal of all things," by which he means the earth we love in all its beauty, our own selves, and the things that make for a rich life: music, art, food, laughter and all that we hold dear. Everything shall be renewed "when the world is made new." More than anything else, how you envision your future shapes your current experience. If you knew that God was going to restore your life and everything you love any day; if you believed a great and glorious goodness was coming to you--not in a vague heaven but right here on this earth-

-you would have a hope to see you through anything, an anchor for your soul, "an unbreakable spiritual lifeline, reaching past all appearances right to the very presence of God" (Hebrews 6:19). Most Christians (most people for that matter) fail to look forward to their future because their view of heaven is vague, religious, and frankly boring. Hope begins when we understand that for the believer nothing is lost. Heaven is not a life in the clouds; it is not endless harp-strumming or worship-singing. Rather, the life we long for, the paradise Adam and Eve knew, is precisely the life that is coming to us. And that life is coming soon.

To make the journey into the Now we will need to leave our analytical mind and its false created self, the ego, behind. From the very first page of Eckhart Tolle's extraordinary book, we move rapidly into a significantly higher altitude where we breathe a lighter air. We become connected to the indestructible essence of our Being, "The eternal, ever present One Life beyond the myriad forms of life that are subject to birth and death." Although the journey is challenging, Eckhart Tolle uses simple language and an easy question and answer format to guide us. A word of mouth phenomenon since its first publication, *The Power of Now* is one of those rare books with the power to create an experience in readers, one that can radically change their lives for the better.

Heaven, Earth, and the Restoration of Everything You Love WestBow Press

THE POWER OF NOW has proved to be one of the greatest spiritual books written in recent times. It contains a power that goes beyond words, and it can lead us to a much quieter place beyond our thoughts, a place where our thought-created problems dissolve, and we discover what it means to create a liberated life.

Throughout, there are specific practices and clear keys that show us how to discover for ourselves the grace, ease and lightness that come when we simply quieten our thoughts and see the world before us in the present moment.

PRACTICING THE POWER OF NOW is a carefully arranged series of excerpts from THE POWER OF NOW that directly give us those exercises and keys. Read this book slowly, or just open it at random, reflect on the words, reflect even on the space between the words, and maybe over time, maybe immediately you'll discover something of life-changing significance. You'll find the power, the ability to change and elevate not only your life, but your world as well. It's in your hands. Discover THE POWER OF NOW.

"It is worse, much worse, than you think. If your anxiety about global warming is dominated by fears of sea-level rise, you are barely scratching the surface of what terrors are possible. In California, wildfires now rage year-round, destroying thousands of homes. Across the US, "500-year" storms pummel communities month after month, and floods displace tens of millions annually. This is only a preview of the changes to come. And they are coming fast. Without a revolution in how billions of humans conduct their lives, parts of the Earth could become close to uninhabitable, and other parts horrifically inhospitable, as soon as the end of this century. In his travelogue of our near future, David Wallace-Wells brings into stark relief the climate troubles that await -- food shortages, refugee emergencies, and other crises that will reshape the globe. But the world will be remade by warming in more profound ways as well, transforming our politics, our culture, our relationship to technology, and our sense of history. It will be all-encompassing, shaping and distorting nearly every aspect of human life as it is lived today. Like *An Inconvenient Truth* and *Silent Spring* before it, *The Uninhabitable Earth* is both a meditation on the devastation we have brought upon ourselves and an impassioned call to action. For just as the world was brought to the brink of catastrophe within the span of a lifetime, the responsibility to avoid it now belongs to a single generation"--

THE SECOND COMING OF CHRIST - REV. 19:1-21 A. GENERAL - 1. Chapter 19 - brings to a close the Great Tribulation period (Daniel's 70th Week - Dan. 9:27) and ushers in the 2nd coming of Jesus

Christ. 2. Christ promised he would come again (John 14:3). 40 days after his resurrection (Acts 1:3), Christ ascended into heaven from the Mount of Olives; just East of Jerusalem (Acts 1:9). Two angels told the apostles Jesus would return in like manner (Acts 1:11). In Rev. 19:11-16, Christ returns with armies of saints and angels. 3. The prophecies of Zechariah will be fulfilled: "Thus says the Lord: I am returned to Zion and will dwell in the midst of Jerusalem..." (Zech. 8:3); "And his feet shall stand in that day upon the Mount of Olives, which is before Jerusalem on the East..." (Zech. 14:4). 4. In Chapter 19 - there are actually 2 scenes: 1 in heaven which is one of great joy and 1 on earth which is one of great judgment. B. JOY IN HEAVEN (REV. 19:1-10) - 1. SONGS OF THE SAINTS - REV. 19:1-6) - a. TIME SEQUENCE - (1) After this, I (John) heard - what sounded like the roar of a great multitude in heaven shouting: "Hallelujah - salvation - glory - power - belong to our God for true and just are his judgments - he has condemned the great prostitute (whore, KJV) - who corrupted the earth by her adulteries - he has avenged on her the blood of his servants!" (Rev. 19:1-2). NOTE: "After this" refers to the destruction of the apostate religious system in Rev. 17 and the corrupt commercial system in Rev. 18. In Rev. 18:20 the call to rejoice was issued; now we have the response to that call.

Most Christians miss the ultimate hope for their future because their views of heaven are vague, religious . . . and, frankly, boring. Hope begins when we understand that for the believer, nothing is lost. Heaven is not an endless life of harp strumming and worship singing in the clouds. Rather,

the life we long for - the paradise Adam and Eve knew - is precisely the life that is coming to us. And that life is coming soon. In this five-session study, John Eldredge explores the revolutionary idea that according to the Bible, heaven is not our eternal home - the New Earth is. Jesus said the next chapter of our story begins with "the renewal of all things" (Matthew 19:28), by which he meant the earth we love, ourselves, and all the things that make for a rich life: music, art, food, and laughter. God's promise is that everything shall be renewed "when the world is made new." Part devotional, part adventure story, part field manual, this study will help you see the glorious future coming to you and provide "hope as an anchor for the soul, firm and secure" (Hebrews 6:19). Ideal for individual or group use, this guide includes personal reflection questions, targeted excerpts from *All Things New*, a Big Ideas overview, small-group discussion questions, and group exercises. A leader's guide is also included for those facilitating a group.
