### STEPHENSON PHELPS

*Baseball Bits* Penguin

White notebook with lush but elegant bouquet of flowers - red and pink peonies, delicate roses, lilac sprigs and other inflorescences in elegant minimalist composition in the center. The stylish and austere notebook is perfect for a girl of any age.

Independently Published

Although his poems were not generally well received by critics during his lifetime, his reputation grew after his death, and by the end of the 19th century, he had become one of the most beloved of all English poets. He had a significant influence on a diverse range of poets and writers. Jorge Luis Borges stated that his first encounter with Keats's work was the most significant literary experience of his life. The poetry of Keats is characterised by sensual imagery, most notably in the series of odes. This is typical of romantic poets, as they aimed to accentuate extreme emotion through the emphasis of natural imagery. Today his poems and letters are some of the most popular and most analysed in English literature. Some of the most acclaimed works of Keats are "I

Stood Tip-toe Upon a Little Hill," "Sleep and Poetry," and the famous sonnet "On First Looking into Chapman's Homer."

The State of Nuevo Leon Cartwheel Books

"This collection of essays brings together some of the finest pieces Hitchens published over the last two decades for the first time in one book, addressing with characteristic wit and erudition the subjects he is best known for, including: the case against God, faith and religious observance; the case for intervention in Iraq; indictments of towering political figures like Bill and Hillary Clinton, Tony Blair, and Henry Kissinger; and celebrations of the writers and thinkers whose work meant most to him"--

*Money* Createspace Independent Publishing Platform

This book contains information on recent advances in aetiology and pathogenesis of idiopathic scoliosis, for the assessment of this condition before treatment and during the follow-up, making a note of emerging technology and analytical techniques like virtual anatomy by 3-D MRI/CT, quantitative MRI and Moire Topography. Some new trends in conservative treatment and the long term outcome and complications of surgical treatment are described. Issues like health related quality of life, psychological aspects of scoliosis treatment and the very important "patient's perspective" are also discussed. Finally two chapters tapping the untreated early onset scoliosis

and the congenital kyphoscoliosis due to hemivertebra are included. It must be emphasized that knowledgeable authors with their contributions share their experience and enthusiasm with peers interested in scoliosis.

*Epic Hikes of the World* Mereo Books, mereobook, mereobooks

What happened at 10 Rillington Place was so shocking and gruesome that even today everyone over a certain age still remembers the case with a shudder. In 1950, Timothy Evans was hanged for the violent murder of his baby daughter; he was also assumed to have murdered his wife. Then, less than three years later, another tenant, John Christie, was found to have killed at least six women, hiding their bodies in the garden, under floorboards and in a concealed kitchen alcove. Christie followed Evans to the gallows. It seemed unlikely that two murderers were living at 10 Rillington Place, and the evidence that emerged in the Christie case eventually led to Evans receiving a pardon. But there was also circumstantial evidence that Evans had indeed killed his wife and child. Crime student Edna Gammon firmly believes that Evans was guilty. In *A House To Remember*, she explains why.

everyone in a high-quality digital format.

**Serving on the Front Lines of National Security** Office the Kuf Publishing, Incorporated

For nearly two decades Western governments and a growing activist community have been frustrated in their attempts to bring about a freer and more democratic Burma—through sanctions and tourist boycotts—only to see an apparent slide toward even harsher dictatorship. But what do we really know about Burma and its history? And what can Burma's past tell us about the present and even its future? In *The River of Lost Footsteps*, Thant Myint-U tells the story of modern Burma, in part through a telling of his own family's history, in an interwoven narrative that is by turns lyrical, dramatic, and appalling. His maternal grandfather, U Thant, rose from being the schoolmaster of a small town in the Irrawaddy Delta to become the UN secretary-general in the 1960s. And on his father's side, the author is descended from a long line of courtiers who served at Burma's Court of Ava for nearly two centuries. Through their stories and others, he portrays Burma's rise and decline in the modern world, from the time of Portuguese pirates and renegade Mughal princes through the decades of British colonialism, the devastation of World War II, and a sixty-year civil war that continues today and is the longest-running war anywhere in the world. *The River of Lost Footsteps* is a work both personal and global, a distinctive contribution that makes Burma accessible and enthralling.

**Babel** Motorbooks International
