Targeting Handwriting Victoria Year 3 Student Book the focus is on teaching the basic joins. The book includes: diagonal joins, horizontal joins and touch joins joining to ascenders letters that don't join tracking exercises to introduce joins The Targeting Handwriting Years 3-6 Student Books have been designed to make learning cursive handwriting as easy as possible for students. New skills are introduced sequentially, so that students build on skills one by one and aren't called on to use skills that haven't been introduced yet. Wherever possible, students copy words underneath models, so that left-handers aren't disadvantaged, and practice of numerals and punctuation is integrated into the writing activities. The books also encourage and support student self-assessment.
