The Big Book of ACT Metaphors Abrams  
From the Web site that attracts more than 3 million unique visitors a month, this groundbreaking book features 40 homes decorated by real people. Over 400 photos show details of all sorts of abodes from a tiny rental in Brooklyn to a condo in San Diego to a ranch-style in Miami. Each home profile includes floor plans, detailed resource lists, and "how I did it"

explanations from the renters and owners who created fresh and entirely original interiors. Edited and written by Maxwell Gillingham-Ryan, Apartment Therapy founder and frequent makeover expert on HGTV, this bible of accessible design ideas is the ultimate home decor book for the DIY-savvy.

*The Most of Nora Ephron* Routledge  
A celebration of the work of the late Academy Award-nominated author and screenwriter collects her writings on topics ranging from journalism and feminism to food and aging, in a volume complemented by her notorious Wellesley

commencement address and her recent blogs about death.

**The Book of Mini** Cool Springs Press  
GMA BUZZ PICK • Passion and risk, fathers and daughters, wives and single women, jazz and soul: a "gorgeously written debut" (Celeste Ng, best-selling author of *Little Fires Everywhere*) about the perennial temptations of dangerous love, told by the women who love Circus Palmer—trumpet player and old-school ladies' man—as they ultimately discover the power of their own voices. "A modern masterpiece." —Jason Reynolds, best-selling author of *Look Both Ways* It's 2013, and Circus Palmer, a forty-

year-old Boston-based trumpet player and old-school ladies' man, lives for his music and refuses to be tied down. Before a gig in Miami, he learns that the woman who is secretly closest to his heart, the free-spirited drummer Maggie, is pregnant by him. Instead of facing the necessary conversation, Circus flees, setting off a chain of interlocking revelations from the various women in his life. Most notable among them is his teenage daughter, Koko, who idolizes him and is awakening to her own sexuality even as her mentally fragile mother struggles to overcome her long-failed marriage and rejection by Circus. Delivering a lush orchestration of diverse female voices, Warrell spins a provocative, soulful, and gripping story of passion and risk, fathers and daughters, wives and single women, and, finally, hope and reconciliation, in answer to the age-old question: how do we find belonging when love is unrequited?

*What Do You Want to Do Before You Die?*  
Harper Collins

\*\*THE INSTANT #1 NEW YORK TIMES BESTSELLER\*\* "An unforgettable—and Hollywood-bound—new thriller... A mix of Hitchcockian suspense, Agatha Christie

plotting, and Greek tragedy."

—Entertainment Weekly *The Silent Patient* is a shocking psychological thriller of a woman's act of violence against her husband—and of the therapist obsessed with uncovering her motive. Alicia Berenson's life is seemingly perfect. A famous painter married to an in-demand fashion photographer, she lives in a grand house with big windows overlooking a park in one of London's most desirable areas. One evening her husband Gabriel returns home late from a fashion shoot, and Alicia shoots him five times in the face, and then never speaks another word. Alicia's refusal to talk, or give any kind of explanation, turns a domestic tragedy into something far grander, a mystery that captures the public imagination and casts Alicia into notoriety. The price of her art skyrockets, and she, the silent patient, is hidden away from the tabloids and spotlight at the Grove, a secure forensic unit in North London. Theo Faber is a criminal psychotherapist who has waited a long time for the opportunity to work with Alicia. His determination to get her to talk and unravel the mystery of why she shot her husband takes him down a twisting

path into his own motivations—a search for the truth that threatens to consume him....

Apartment Therapy's Big Book of Small, Cool Spaces Andrews McMeel Publishing

Based on the column of the same name that appeared in *The Toast*, *Hey Ladies!* is a laugh-out-loud read that follows a fictitious group of eight 20-and-30-something female friends for one year of holidays, summer house rentals, dates, brunches, breakups, and, of course, the planning of a disastrous wedding. This instantly relatable story is told entirely through emails, texts, DMs, and every other form of communication known to man. The women in the book are stand-ins for annoying friends that we all have. There's Nicole, who's always broke and tries to pay for things in Forever21 gift cards. There's Katie, the self-important budding journalist, who thinks a retweet and a byline are the same thing. And there's Jen, the DIY suburban bride-to-be. With a perfectly pitched sardonic tone, *Hey Ladies!* will have you cringing and laughing as you recognize your own friends, and even yourself.
