Live the Life you Deserve Noura Publishing

“Kamu gila. Ngelawan arus. Pulang tinggal nama entar.” Begitu yang terlontar dari kolega dr. Abdul Mun’im Idries, ketika akhir 1993, dokter forensik ini berani menjadi saksi ahli kasus pembunuhan Marsinah. Kala itu, santer diyakini pejuang buruh ini dihabisi oknum militer—ketika militer paling ditakuti dengan penculikan senyapnya. Tapi berani-beraninya Mun’im mengusik tentara. Lalu, apa yang dihadapi Mun’im dan fakta apa yang ia temukan ketika harus terjun pada detik-detik mencekam Tragedi Trisakti dan Tragedi Semanggi? Bagaimana analisis forensiknya terkait pembunuhan Munir, Tragedi Tanjung Priuk, Tragedi Beutong Ateuh, dan sebagainya? Mun’im dalam buku ini membongkar arsip, membeberkan fakta-fakta mengejutkan, mengungkap sejumlah nama tabu, di samping berbagi kisah dan cara ilmiah (kedokteran) forensik dalam membongkar kriminalitas dan kejahatan di negeri ini.

An epic historical saga, Home expands Oscar-nominated documentary The Act of Killing's scope to delve into Indonesia's tragic 20th century

American Law New Directions Publishing

Covering a range of fundamental topics essential to modern forensic investigation, the fourth edition of the landmark text Forensic Science: An Introduction to Scientific and Investigative Techniques presents contributions from experts in the field who discuss case studies from their own personal files. This edition has been thoroughly updated to r

Welding and Cutting Metals by Aid of Gases Or Electricity Gema Insani

The English-language debut of Indonesia's rising star. The epic novel Beauty Is a Wound combines history, satire, family tragedy, legend, humor, and romance in a sweeping polyphony. The beautiful Indo prostitute Dewi Ayu and her four daughters are beset by incest, murder, bestiality, rape, insanity, monstrosity, and the often vengeful undead. Kurniawan's gleefully grotesque hyperbole functions as a scathing critique of his young nation's troubled past:the rapacious offhand greed of colonialism; the chaotic struggle for independence; the 1965 mass murders of

perhaps a million “Communists,” followed by three decades of Suharto’s despotic rule. Beauty Is a Wound astonishes from its opening line: One afternoon on a weekend in May, Dewi Ayu rose from her grave after being dead for twenty-one years.... Drawing on local sources—folk tales and the all-night shadow puppet plays, with their bawdy wit and epic scope—and inspired by Melville and Gogol, Kurniawan’s distinctive voice brings something luscious yet astringent to contemporary literature.

Indonesia X-Files John Wiley & Sons

Parents with a dyslexic child have only had professional references to turn to for much-needed advice?until now. The first guide written expressly for parents, *Dyslexia: A Complete Guide for Parents* provides the unique insights of a noted educational psychologist on what sort of supportive role parents can play in the life of their dyslexic child. The book includes a description of dyslexia, how it’s identified and assessed, examples of different approaches parents can adopt, and a range of useful resources.

The Jane Austen Diet Fulton Books, Inc.

"The Sex Book" explores the subject of sex, health and sexuality in a straightforward, uninhibited, accessible and adventurous way. Designed as a guide, the book explains everything you want to know about conventional and unconventional sexual behaviour in gender neutral, straightforward language with bold visuals. A wealth of information is balanced with practical advice and personal experience. The book presumes little and the tone is witty and direct. It avoids the usual stigma attached to sex manuals by having a detached editorial approach that packs gritty sex between beautiful contemporary graphics. Ranging from G-spots to sex diets, "The Sex Book" speaks plainly and openly about a subject at the emotional and spiritual hub of everyone’s life. At long last - a contemporary guide to sex; for absolutely everyone, whatever their orientation.

Mengantar Cinta ke Gerbang Dewasa Panduan Orang Tua Yale University Press

Comprehensive in scope and contemporary in coverage, this text explores modern digital and data communications systems, microwave radio communications systems, satellite communications systems, and optical fiber communications systems.

Austen’s Secrets to Food, Fitness, and Incandescent Happiness Harper Collins

In the first comprehensive study of the subject in decades, political scholar Matthew Green disputes the conventional belief that the minority party in the U.S. House of Representatives is an unimportant political player. Examining the record of the House minority party from 1970 to the present, and drawing from a wide range of quantitative and qualitative data, Green shows how and why the minority seeks to influence legislative and political outcomes and demonstrates that the party’s efforts can succeed. The result is a fascinating appreciation of what the House minority can do and why it does it, providing readers with new insights into the workings of this famously contentious legislative chamber.

Home Deep Vellum Publishing

Advanced Calculus of Several Variables provides a conceptual treatment of multivariable calculus.

This book emphasizes the interplay of geometry, analysis through linear algebra, and approximation of nonlinear mappings by linear ones. The classical applications and computational methods that are responsible for much of the interest and importance of calculus are also considered. This text is organized into six chapters. Chapter I deals with linear algebra and geometry of Euclidean n-space R^n . The multivariable differential calculus is treated in Chapters II and III, while multivariable integral calculus is covered in Chapters IV and V. The last chapter is devoted to venerable problems of the calculus of variations. This publication is intended for students who have completed a standard introductory calculus sequence.

Simon and Schuster

From the mega-bestselling author of *The O’Reilly Factor*, *The No Spin Zone*, and *Who’s Looking Out for You?*, a mystery thriller about the fast-paced and ruthless world of TV journalism. With three consecutive number one bestsellers, Bill O’Reilly has proved that he’s the king of the nonfiction list. With *Those Who Trespass*, he extends his bestselling domain to fiction, giving readers a novel that’s an exciting look into the no-holds-barred world of television news. One by one, high-level executives and correspondents are being murdered. Soon it becomes clear that the killings are linked, the work of a bitter former newsman exacting revenge on those who derailed his career. Tommy O’Malley, a tough but warmhearted New York City detective, is assigned to crack the widening, high-profile murder cases, but encounters competition from a beautiful and tenacious

tabloid reporter, Ashley Van Buren. As the story unfolds, Tommy and Ashley quickly discover they’ve got much more in common than a knack for solving crimes. *Those Who Trespass* combines suspense, action, psychodrama, and romance with a fascinating glimpse into the harsh realities behind the delivery of our daily dose of television news—a picture only Bill O’Reilly could bring to life.

Administrative Theories And Management Thought 2Nd Ed. Turner

Many grandparents, aunts, distant relatives, foster parents and other guardians issued by the state, raising today’s children. Some of these people are long past the retirement age and should be taking cruises, vacations in the summer or moved to warmer climates enjoying their latter years until they are unable to take care of themselves. Instead, they are coming to parent teacher conferences, buying school clothes and shoes, finding tutors for homework that they stopped doing long ago. Walks in the park, visits to the zoo and circus tickets were once a thing of the past, but have resurfaced so that this generation can somehow enjoy being a kid and have a better life. These are the true heroes of our generation. People who are willing to sacrifice their wants, needs and desires to be able to see the next generation survive and hopefully, thrive.

Longman Advanced Level Physics Taylor & Francis

Examines the interactions between sociological theory and research in various approaches to the study of social structure, evaluating the limitations and functions of each

The Impact Code Routledge

The riveting front-page news story of an FBI agent falsely accused of ordering four mob hits. FBI agent Lin DeVecchio was a key player in the New York Mafia wars from the late seventies through the early nineties. Yet despite his stunning success fighting organized crime, DeVecchio was accused of taking bribes, selling information to the man who was his informant, and even personally ordering four mob hits. Who went after Lin DeVecchio and why? How did a highly respected FBI agent become suspected of corruption and charged with four counts of murder? DeVecchio and bestselling author Charles Brandt go behind the front-page headlines and tell the fascinating story of a law enforcement officer who beat the mob bosses, only to end up fighting for his own freedom.

Advanced Electronic Communications Systems Penguin

FORENSIC INVESTIGATOR Geoff Bernasconi had always been passionate about his job as a policeman in rural New South Wales and, from the earliest days of his career, went the extra mile, both for victims of crime and for their families. But one night in 1984, he was called to investigate the scene of an horrific car accident in which an entire family had been wiped out - and which it was impossible for him to forget. Geoff’s day-to-day working life became a catalogue of tragedies, some of which involved people close to him, and he found himself spiralling downwards in the grip of post-traumatic stress disorder. When Esther Mckay, fellow forensic investigator and author of the best-selling *Crime Scene*, heard that Geoff has been awarded maximum compensation for his suffering, she knew immediately this was a story that needed to be told. This is a harrowing account of what it is like to work on the front-line of crime and tragedy as a forensic investigator. But it is also the inspiring story of someone who has been exposed to sights and experiences many of us can hardly even imagine, yet has emerged from the darkness to begin his journey to recovery.

The God Within Simon and Schuster

This book is an introduction to Max Weber’s ambitious comparative study of the sociological and institutional foundations of the modern economic and social order. In this work originally published in German in 1920, Weber discusses the analytical methods of sociology and, at the same time, presents a devastating critique of prevailing sociological theory and of its universalist, determinist underpinnings. None of Weber’s other writings offers the reader such a grasp of his theories; none displays so clearly his erudition, the scope of his interests, and his analytical powers.

A Novel Hachette UK

In his five bestselling novels, from *The Sisterhood to Natural Causes*, physician Michael Palmer has drawn on years of firsthand emergency-room experience to create the drama of a frighteningly authentic world—a world where the line between medicine and murder is scalpel-thin. Now, in his most harrowing suspense novel yet, Palmer reveals how the power to heal can become a license to kill.... With his wife, Evie, scheduled for surgery the next day, Dr. Harry Corbett goes to the hospital for what he hopes will be a quiet evening of reconciliation. In recent weeks Evie, never quick to

share her feelings, has been more closed and distant than ever. But when Harry reaches Evie’s room, it is too late for reconciliation. Shockingly, without warning, Evie is dead. The police suspect homicide. And their only suspect is Dr. Harry Corbett. Harry is not prepared for the stunning revelations that follow: His bright, beautiful, highly ambitious wife was leading a double life; she may have had dangerous secrets. But what secret could have been explosive enough to die for? Then the killer strikes again, boldly, tauntingly murdering one of Harry’s favorite patients in such a way that only Harry knows the death was not natural. This time Harry is certain: The killer, medically sophisticated, coolly arrogant, moving undetected through a busy urban hospital, could only be a doctor. And he wonders—how many more will die? Desperately Harry probes deeper, following the only clue Evie left. What he finds is a sinister pattern that threatens patients in every hospital in the city. Harry is engaged in a life-and-death battle of wits with a chillingly efficient monster. And until the doctor is unmasked, no patient is safe from his lethal silent treatment. Michael Palmer has done it again, delivering a no-holds-barred novel of medical intrigue-- a gripping thriller that features the most terrifying physician since Hannibal Lecter. *Silent Treatment* will keep your pulse racing from beginning to end

The Shocking Frame-up of a Mafia Crime Buster Yale University Press

The O’Reilly Factor for Kids New Directions Publishing

What can Jane Austen teach us about health? Prepare to have your bonnet blown... From the food secrets of *Pride and Prejudice* to the fitness strategies of *Sense and Sensibility*, there’s a modern health code hidden in the world’s most popular romances. Join Bryan Kozlowski as he unlocks this "health and happiness" manifesto straight from Jane Austen’s pen, revealing why her prescriptions for achieving total body "bloom" still matter in the 21st century. Whether that’s learning how to eat like Lizzie Bennet, exercise like Emma Woodhouse, or think like Elinor Dashwood, explore how Austen’s timeless body beliefs are more relevant, refreshing, and scientifically sensible now than ever before. After all, it’s still a truth universally acknowledged - Jane Austen’s heroines don’t get fat.

A Novel of Television and Murder Academic Press

The bestselling author of *The O’Reilly Factor*, *The No Spin Zone*, and *Who’s Looking Out for You?* talks straight to kids this time. He is as demanding, direct, and wry asever—but he’s also more revealing too, sharing candid snapshots of his own childhood throughout. Bill O’Reilly, a former schoolteacher, now an award-winning broadcast news journalist, husband, and father of two, joins forces with an experienced educator to bring you, America’s youth, a code of ethics by which to live. In this latest book, Bill takes to task bullies, cheaters, advertisers who target you irresponsibly, and parents who fight for their children to win undeserved honors instead of earning them on their own merit. He lays bare the unvarnished truths about sex, money, smoking, drugs, alcohol, and friends. What he has to say about these issues may very well surprise you. He offers coping devices for those enduring a divorce, struggling with teacher, parent, or sibling relationships, and planning their futures. He also shares wisdom on such subjects as death, politics, and God. Whether you take the tests he’s provided, take the advice he doles out, or just take a cue from the personal stories he shares, you’re bound to make smarter choices in your life, and that’s all Bill asks for.
