When We Cease to Understand the World Manchester University Press

Avul Pakir Jainulabdeen Abdul Kalam, The Son Of A Little-Educated Boat-Owner In Rameswaram, Tamil Nadu, Had An Unparalleled Career As A Defence Scientist, Culminating In The Highest Civilian Award Of India, The Bharat Ratna. As Chief Of The Country`S Defence Research And Development Programme, Kalam Demonstrated The Great Potential For Dynamism And Innovation That Existed In Seemingly Moribund Research Establishments. This Is The Story Of Kalam`S Rise From Obscurity And His Personal And Professional Struggles, As Well As The Story Of Agni, Prithvi, Akash, Trishul And Nag--Missiles That Have Become Household Names In India And That Have Raised The Nation To The Level Of A Missile Power Of International Reckoning.

Hippie Penguin Books India

This edition is based on a reconsideration of the early texts, but the spelling and punctuation are modernized. The comprehensive introduction details Jonson's life and the play's stage history, discusses the text in detail, and has a section on alchemy.

Decolonizing Translation HarperCollins

"My heart is afraid that it will have to suffer," the boy told the alchemist one night as they looked up at the moonless sky." Tell your heart that the fear of suffering is worse than the suffering itself. And that no heart has ever suffered when it goes in search of its dreams." Every few decades a book is published that changes the lives of its readers forever. The Alchemist is such a book. With over a million and a half copies sold around the world, The Alchemist has already established itself as a modern classic, universally admired. Paulo Coelho's charming fable, now available in English for the first time, will enchant and inspire an even wider audience of readers for generations to come. The Alchemist is the magical story of Santiago, an Andalusian shepherd boy who yearns to travel in search of a worldly treasure as extravagant as any ever found. From his home in Spain he journeys to the markets of Tangiers and across the Egyptian desert to a fateful encounter with the alchemist. The story of the treasures Santiago finds along the way teaches us, as only a few stories have done, about the essential wisdom of listening to our hearts, learning to read the omens strewn along life's path, and, above all, following our dreams.

The Legends Of Khasak Taylor & Francis

A special 25th anniversary edition of the extraordinary

international bestseller, including a new Foreword by Paulo Coelho. Combining magic, mysticism, wisdom and wonder into an inspiring tale of self-discovery, The Alchemist has become a modern classic, selling millions of copies around the world and transforming the lives of countless readers across generations. Paulo Coelho's masterpiece tells the mystical story of Santiago, an Andalusian shepherd boy who yearns to travel in search of a worldly treasure. His quest will lead him to riches far different—and far more satisfying—than he ever imagined. Santiago's journey teaches us about the essential wisdom of listening to our hearts, of recognizing opportunity and learning to read the omens strewn along life's path, and, most importantly, to follow our dreams.

The Fifth Mountain Vintage

Aylmer is a brilliant and recognized scientist and philosopher who drops his focus from his career and experiments to marry the beautiful Georgiana (who is physically perfect except for a small red birthmark in the shape of a hand on her cheek).As the story progresses, Aylmer becomes unnaturally obsessed with the birthmark on Georgiana's cheek. One night, he dreams of cutting the birthmark out of his wife's cheek (removing it like scraping the skin from an apple) and then continuing all the way to her heart. He does not remember this dream until Georgiana asks about what his sleep-talking meant. When Aylmer remembers the details of his dream, Georgiana declares that she would rather risk her life having the birthmark removed from her cheek than to continue to endure Aylmer's horror and distress that comes upon him when he sees her.The following day, Aylmer deliberates and then decides to take Georgiana to the apartments where he keeps a laboratory. He glances at Georgiana casually and normally but can't help but shudder violently at seeing her imperfection; Aylmer's reaction causes her to faint. When she awakens, he treats her warmly and comforts her with some of his scientific concoctions but when he attempts to take a portrait of her, the image is blurred save for her birthmark revealing the disgust he has of it.He experiments some more and describes some of the successes to her but as he questions how she is feeling, Georgiana begins to suspect that Aylmer has been experimenting on her the entire time without her knowledge and consent. One day, she follows him into his laboratory, and on seeing her there, Aylmer accuses her of not trusting him and says that having her birthmark in the room will foil his efforts. She professes complete trust in him but demands that he inform her of his experiments. He agrees and reveals that his current experiment is his last attempt to remove the birthmark, and Georgiana vows to take the potion, regardless of any danger it poses to her.

A Novel D C Books

DIVClassic survey of crowd psychology takes an illuminating,

entertaining look at 3 historic swindles: "The Mississippi Scheme," "The South-Sea Bubble," and "Tulipomania." Essential reading for investors. /div

Princeton University Press

"A highly original, moving, and ultimately life-affirming book." – Sunday Mirror (London) Twenty-four-year-old Veronika seems to have everything – youth and beauty, boyfriends and a loving family, a fulfilling job. But something is missing in her life. So, one cold November morning. She takes a handful of sleeping pills expecting to never wake up. But she does—at a mental hospital where she is told that she has only days to live. Inspired by events in Coelho's own life, Veronika Decides to Die questions the meaning of madness and celebrates individuals who do not fit into patterns society considers to be normal. Bold and illuminating, it is a dazzling portrait of a young woman at the crossroads of despair and liberation, and a poetic, exuberant appreciation of each day as a renewed opportunity.

The Alchemist Vintage

A breathtaking collection of reflections from one of the world's best loved storytellers, Paulo Coelho.

The Song of Achilles Vintage

From bestselling author and international sensation Paulo Coelho, a novel set in a small village about a young, poor barmaid whose wager with the devil leads to a spiritual transformation. A stranger arrives at the remote village of Viscos, carrying with him a backpack containing a notebook and eleven gold bars. He comes searching for the answer to a question that torments him: Are human beings, in essence, good or evil? In welcoming the mysterious foreigner, the whole village becomes an accomplice to his sophisticated plot, which will forever mark their lives. A novel of temptation, *The Devil and Miss Prym* is a thought-provoking parable of a community devoured by greed, cowardice, and fear—as it struggles with the choice between good and evil.

A Novel of Redemption Routledge

Southern Postcolonialisms is an anthology of critical essays on new literary representations from the Global South that seeks to re-invent/reorient the ideological, disciplinary, aesthetic, and pedagogical thrust of Postcolonial Studies in accordance with the new and shifting politico-economic realities/transactions between the North and the South, as well as within the Global South, in an era of globalization. Since the emergence of Postcolonial Theory in the 1980s, the shape of the world has changed dramatically. Old Cold War boundaries have shifted in the wake of the collapse of communism, Globalization, on an unprecedented scale, has dramatically changed the meaning of time and space. The rise of the US as a new imperial power has profound implications for the world order. In the South, new emerging markets have challenged the older division of industrial 'first world' and non-industrial 'third world'. In most parts of the world, the academy is struggling to

keep up with these developments. One result has been a major transnational turn in the humanities and social sciences. Terms like 'world history', 'globalization', 'glocalization' and 'transnationalism' now dominate academic agendas worldwide. These changing circumstances raise far-reaching questions. What does the new emerging world order mean for established models of postcolonial theory? Is postcolonialism as a field of study being overtaken by models of globalization and transnationalism? What implications do the new configurations in the South have for postcolonial theory? This volume, drawn from a major literary conference at Delhi University, provides a set of perspectives on these questions. With a majority of contributions by scholars from the South, these research articles have a dual focus - they revisit older debates on postcolonial theory, while suggesting new perspectives and directions.

The Birth-Mark Farrar, Straus and Giroux

"The book casts a curiously sweet spell." - Entertainment Weekly
 Eleven Minutes tells the story of Maria, a young girl from a Brazilian village whose first innocent brushes with love leave her heartbroken. At a tender age, she becomes convinced that she will never find true love, instead believing that "love is a terrible thing that will make you suffer." A chance meeting in Rio takes her to Geneva, where she dreams of finding fame and fortune, yet ends up working as a prostitute. In Geneva, Maria's despairing view of love is put to the test when she meets a handsome young painter. In this odyssey of self-discovery, Maria must choose between pursuing a path of darkness—sexual pleasure for its own sake—or risking everything to find her own inner light and the possibility of true love.

The Archer Knopf

A restlessness born of guilt and despair leads Ravi to embark on a journey that ends in the remote village of Khasak in the picturesque Palghat countryside in Kerala. A land from the past, potent with dreams and legends, enfolds the traveller in a powerful and unsettling embrace. Ravi is bewitched and entranced as everything around him—the villagers; their children whom he teaches in a makeshift school; the elders who see him as a threat; the toddy-tappers; the shamans—takes on the quality of myth. And then reality, painful and threatening, begins to intrude on the sojourner's resting place and Ravi begins to understand that there is no escape from the relentless dictates of karma... Often poetic and dark, always complex and rich, *The Legends of Khasak*, O.V. Vijayan's much-acclaimed first novel, translated into English by the author, is an extraordinary

achievement

Eleven Minutes Harper Collins

Ptolemy's *Almagest* is one of the most influential scientific works in history. A masterpiece of technical exposition, it was the basic textbook of astronomy for more than a thousand years, and still is the main source for our knowledge of ancient astronomy. This translation, based on the standard Greek text of Heiberg, makes the work accessible to English readers in an intelligible and reliable form. It contains numerous corrections derived from medieval Arabic translations and extensive footnotes that take account of the great progress in understanding the work made in this century, due to the discovery of Babylonian records and other researches. It is designed to stand by itself as an interpretation of the original, but it will also be useful as an aid to reading the Greek text.

A novel Harper Collins

In this provocative and dreamy parable, a young man disillusioned by the corruption of his homeland sets out on a quest to find Gebel, the land of perfection, from which no one has ever returned. On his way, Ibn Fattouma passes through a series of very different lands—realms where the moon is worshipped, where marriage does not exist, where kings are treated like gods, and where freedom, toleration, and justice are alternately held as the highest goods. All of these places, however, are inevitably marred by the specter of war, and Ibn Fattouma finds himself continually driven onward, ever seeking. Like the protagonists of *A Pilgrim's Progress* and *Gulliver's Travels*, Naguib Mahfouz's hero travels not through any recognizable historical landscape, but through timeless aspects of human possibility.

Francophone African Novels in English Translation Alchemist

One of The New York Times Book Review's "10 Best Books of 2021" Shortlisted for the 2021 International Booker Prize
 A fictional examination of the lives of real-life scientists and thinkers whose discoveries resulted in moral consequences beyond their imagining. *When We Cease to Understand the World* is a book about the complicated links between scientific and mathematical discovery, madness, and destruction. Fritz Haber, Alexander Grothendieck, Werner Heisenberg, Erwin Schrödinger—these are some of luminaries into whose troubled lives Benjamin Labatut thrusts the reader, showing us how they grappled with the most profound questions of existence. They have strokes of unparalleled genius, alienate friends and lovers, descend into isolation and insanity. Some of their discoveries reshape human

life for the better; others pave the way to chaos and unimaginable suffering. The lines are never clear. At a breakneck pace and with a wealth of disturbing detail, Labatut uses the imaginative resources of fiction to tell the stories of the scientists and mathematicians who expanded our notions of the possible.

Aleph Harper Collins

Another stunning novel by the author of *The Alchemist*.

The Journey of Ibn Fattouma Harper Collins

From South America to Holland to Nepal—a new journey in the company of Paulo Coelho, bestselling author of *The Alchemist*. Drawing on the rich experience of his own life, bestselling author Paulo Coelho takes us back in time to relive the dreams of a generation that longed for peace. In *Hippie*, he tells the story of Paulo, a young, skinny Brazilian man with a goatee and long, flowing hair, who dreams of becoming a writer, and Karla, a Dutch woman in her twenties who has been waiting to find a companion to accompany her on the fabled hippie trail to Nepal. After meeting each other in Amsterdam, she convinces Paulo to join her on a trip aboard the Magic Bus that travels from Amsterdam to Istanbul and across Central Asia to Kathmandu. As they embark on this journey together, Paulo and Karla explore a love affair that awakens them on every level and leads to choices and decisions that will set the course for their lives thereafter.

The Last Girl HarperCollins UK

I want to change. I need to change. I'm gradually losing touch with myself. *Adultery*, the provocative new novel by Paulo Coelho, best-selling author of *The Alchemist* and *Eleven Minutes*, explores the question of what it means to live life fully and happily, finding the balance between life's routine and the desire for something new.

Alchemist Samaira Book Publishers

In his new novel, Paulo Coelho, bestselling author of *The Alchemist* and *Adultery*, brings to life one of history's most enigmatic women: Mata Hari. *HER ONLY CRIME WAS TO BE AN INDEPENDENT WOMAN* When Mata Hari arrived in Paris she was penniless. Within months she was the most celebrated woman in the city. As a dancer, she shocked and delighted audiences; as a courtesan, she bewitched the era's richest and most powerful men. But as paranoia consumed a country at war, Mata Hari's lifestyle brought her under suspicion. In 1917, she was arrested in her hotel room on the Champs Elysees, and accused of espionage. Told in Mata Hari's voice through her final letter, *The Spy* is the unforgettable story of a woman who dared to defy convention and who paid the ultimate price.
