Entrepreneurial Nation: Why Manufacturing is Still Key to America's Future

BECKER KEENANSex in China PTS Litera Utama

"The Indian entrepreneur is spearheading India's advance towards the forefront of the world economy. This book reviews and retraces the formidable path of those individuals who have spurred the growth of Indian businesses and are at the heart of India's economic fabric today. Be they 'first' or 'second' wave businessmen and women, they stand out by their creativity, sharp-mindedness, and hard work and self confidence. They have opened a new chapter in India's history by propelling their businesses into internationally competitive multinationals and are sources of inspiration and hope for the young citizens of India." --Colette Mathur, Senior Advisor to the World Economic Forum for India, Co-President of the EuroIndia Centre BI"India's Global Wealth Club is a fascinating read on today's India and what it can offer for the future. It provides rich insights on the confusing topic of what makes India tick, by describing it through the minds and intellects of Indian business leaders from a wide spectrum of industries." --Rama Bijapurkar, Author of *Winning in the Indian Market: Understanding the Transformation of Consumer India* "Mr Hiscock's book will prove an essential resource for anybody contemplating venturing into the highly lucrative but deeply complex Indian marketplace. The industry case studies and personal profiles hold valuable and often unmatched insights into the financial secrets of the subcontinent's restive tiger." --Grant Holloway, Managing Editor, *The Australian* - Online

The life of ... Horatio lord viscount Nelson Oxford University Press

Naisbitt argues that American culture is in a, "confusing and distracted state where we both fear and worship technology, where we see technologies as toys and quick-fixes, and where we become obsessed with what is "real" and what is "fake"--Violent games children play to genetically-engineered animals to whether one can claim to have scaled Everest if supplemental oxygen was used.

Four Decades of Saucy Cinema Olympic Marketing Corporation

This book examines how style and intersubjective meanings emerge through language use. It is innovative in theoretical scope and empirical focus. It brings together insights from discourse-functional linguistics, stylistics, and conversation analysis to understand how language resources are used to enact stances in intersubjective space. While there are numerous studies devoted to youth language, the focus has been mainly on face-to-face interaction. Other types of youth interaction, particularly in mediated forms, have received little attention. This book draws on data from four different text types - conversation, e-forums, comics, and teen fiction - to highlight the multidirectional nature of style construction. Indonesia provides a rich context for the study of style and intersubjectivity among youth. In constructing style, Indonesian urban youth have been moving away from conventions which emphasized hierarchy and uniformity toward new ways of connecting in intersubjective space. This book analyzes how these new ways are realized in different text types. This book makes a valuable addition to sociolinguistic literature on youth and language and an essential reading for those interested in Austronesian sociolinguistics.

She's a free-spirited dreamer. He's a brilliant painter. But now their shared passion for art has turned into something deeper.... For as long as she can remember, Kugy has loved to write. Whimsical stories are her passion, along with letters full of secret longings that she folds into paper boats and sets out to sea. Now that she's older, she dreams of following her heart and becoming a true teller of tales, but she decides to get a "real job" instead and forget all about Keenan, the guy who makes her feel as if she's living in one of her own fairy tales. Sensitive and introverted, Keenan is an aspiring artist, but he feels pressured to pursue a more practical path. He's drawn to Kugy from first sight: she's unconventional, and the light radiating from her eyes and the warmth of her presence pull him in. They seem like a perfect match-both on and off the page-but revealing their secret feelings means risking their friendship and betraying the people they love most. Can they find the courage to admit their love for each other and chase their long-held dreams?

A call to arms for everyone who believes in America's future If you trust what you hear in the news, America is in trouble. We've moved our manufacturing overseas. We've lost our competitive edge to China, Germany, Japan, and Brazil. We've entered our final days as an economic leader. Don't believe it! This provocative book from a former deputy assistant secretary of commerce will explode the myths you've been fed by the media and reinforce your faith in American ingenuity. Author Ro Khanna takes you inside Washington's economic think tanks and onto the front lines of the most innovative companies in the nation. You'll discover: How small and large businesses are spurring innovation and growth Why the accepted wisdom about American manufacturing is wrong How America can stay ahead of lower-cost factories in China and Brazil Why manufacturing is so important to our national security and future How to keep the best jobs, companies, and opportunities here in America Despite everything you've heard about the economy, one fact remains: America continues to be a world leader in manufacturing. Some of the world's best products are still being made here. The world's greatest innovations are still being developed by Apple, Google, and countless others. This book will prove to you that smart companies are staying ahead of the curve--and you can, too. You'll learn how a fourth-generation business, the Globe Manufacturing Company, customized its firefighting suits to beat foreign competitors. You'll discover how Vitamix worked with clients like Starbucks to produce a superior coffee blender. And you'll hear behind-the-scenes stories from the American steel industry, aerospace companies, the defense technology sector, and other world-class leaders. You'll also learn why companies like Solyndra fail--and what lessons we can take from them. This is more than a book. It is a wake-up call that will spark debate, shatter beliefs, and inspire action in every American who wants to succeed in the future. This is Entrepreneurial Nation.

Sex and Sexuality in China Walter de Gruyter GmbH & Co KG

Choice Outstanding Academic Title for 2015 Sex in China introduces readers to some of the dramatic shifts that have taken place in Chinese sexual behaviours and attitudes, and public discussions of sex, since the 1980s. The book explores what it means to talk about 'sex' in present-day China, where sex and sexuality are more and more visible in everyday life. Elaine Jeffreys and Haiqing Yu situate China's changing sexual culture, and how it is governed, in the socio-political history of the

People's Republic of China. They demonstrate that Chinese governmental authorities and policies do not set out strictly to repress 'sex'; they also create spaces for the emergence of new sexual subjects and subjectivities. They discuss the complexities surrounding the ongoing explosion of commentary on sex and sexuality in the PRC, and the emergence of new sexual behaviours and mores. Sex in China offers clear, critical coverage of sex-related issues that are a focus of public concern and debate in China - chapters focus on sex studies; marriage and family planning; youth and sex(iness); gay, lesbian and queer discourses and identities; commercial sex; and HIV/AIDS. This book will be an invaluable resource for students and scholars both of modern China and of sex and sexualities, who wish to understand the role that 'sex' plays in contemporary China.

The Rohingyas Amerotica

SAAT KAU LEMAS TERKAPAI MINTA PERTOLONGAN, SEMUA DIAM. LARI TINGGALKAN KAU, SEBAB... UJIAN DIAORANG SIBUK SEBARKAN AIB KAU DI MEDIA SOSIAL, HATI-HATILAH. MASHARAKAT *The Unsinkable Greta* James Komrad Buku

China today is sexually (and in many other ways) a very repressive so ciety, yet ancient China was very different. Some of the earliest surviving literature of China is devoted to discussions of sexual topics, and the sexual implications of the Ym and Yang theories common in ancient China continue to influence Tantric and esoteric sexual practices today far dis tant from their Chinese origins. In recent years, a number of books have been written exploring the history of sexual practices and ideas in China, but most have ended the discussion with ancient China and have not continued up to the present time. Fang Fu Ruan first surveys the ancient assumptions and beliefs, then carries the story to present-day China with brief descriptions of homosexuality, lesbianism, transvestism, transsexualism, and prostitution, and ends with a chapter on changing attitudes toward sex in China today. Dr. Ruan is well qualified to give such an overview. Until he left China in the 1980s, he was a leader in attempting to change the repressive attitudes of the government toward human sexuality. He wrote a best selling book on sex in China, and had written to and corresponded with a number of people in China who considered him as confidant and ad visor about their sex problems. A physician and medical historian, Dr. Ruan's doctoral dissertation was a study of the history of sex in China.
