I hadn't even gotten to homeroom yet and I'd already discovered five hard truths about junior high: 1. My best friend had turned pretty. 2. She didn't know it yet. 3. It wouldn't be long before she

did. 4. That knowledge would change everything between us. 5. And there wasn't a thing I could do about it. It's the first day of seventh grade. Is Jessica Darling doomed for dorkdom? New York Times bestselling author Megan McCafferty's hilarious new novel will have you laughing, cringing, and cheering for Jessica Darling as she learns that being herself beats being popular, pretty & perfect any day.

A B&N's YA Book Club Pick \* Walmart Buzz Pick \* Indie Next Pick \* Book of the Month Club YA Box A "joyously, riotously queer" (Kirkus) young adult fantasy from debut author Ryan La Sala, *Reverie* is a wildly imaginative story about dreams becoming reality, perfect for fans of Adam Silvera and Laini Taylor. A few weeks ago, Kane Montgomery was in an accident that robbed him of his memory. The only thing he knows for certain is that the police found him half-dead in the river. The world as he knows it feels different—reality seems different. And when strange things start happening around him, Kane isn't sure where to turn. And then three of his classmates show up, claiming to be his friends and the only people who can tell him what's truly going on. Kane doesn't know what to believe or who he can trust. But as he and the others are dragged into increasingly fantastical dream worlds drawn from imagination, it becomes clear that there is dark magic at work. Nothing in Kane's life is an accident, and only he can keep the world itself from unraveling. *Reverie* is an intricate and compelling LGBT young adult book about the secret worlds

we hide within ourselves and what happens when they become real. Praise for *Reverie*: "This outstanding debut novel will light readers' imaginations on fire...Imaginative, bold, and full of queer representation, this is a must-purchase for YA collections."—School Library Journal \*STARRED REVIEW\* "This fantasy offers readers something wonderfully new and engaging...a gem of a novel that is as affirming as it is entertaining."—The Bulletin of the Center for Children's Books "The story's many LGBTQ characters are prominently represented and powerfully nuanced."—Publishers Weekly "A darkly imagined, riveting fantasy... thrilling."—Shelf Awareness "Joyously, riotously queer... The themes of creating one's own reality and fighting against the rules imposed by the world you're born into will ring powerfully true for many young readers."—Kirkus Reviews

*Second Helpings* continues Megan McCafferty's New York Times bestselling series - now with a new foreword by New York Times bestselling author Rebecca Serle Jessica Darling is in her senior year of high school and things can't seem to get worse: her best friend, Hope, still lives in another state, and the mysterious and oh-so-compelling Marcus Flutie continues to be a distraction she doesn't need. Not to mention her parents won't get off her back about choosing a college, and her older sister's pregnancy is causing quite a bit of drama in the Darling household. The second book in Megan McCafferty's critically acclaimed Jessica Darling series is fun, irreverent, and shows that being a teenager is never easy (or boring). Now with a foreword from New York Times bestselling author Rebecca Serle and a new author's note from Megan McCafferty!

### Jessica Darling's It List Poppy

The fifth and final book in Megan McCafferty's beloved, New York Times bestselling series - now with a new foreword by Rebecca Serle Jessica thought her Pineville, New Jersey life was behind her. Now a young professional, she's ready to keep moving forward—until she (literally) runs into her former boyfriend Marcus Flutie at the airport on her way to her best friend's Caribbean wedding. Marcus and Jessica have both changed dramatically, yet their connection feels as familiar as ever. Is their reunion just a fluke? Or is this momentous collision orchestrated by fate? Readers have followed Jessica through every step (and misstep) from her life as a high schooler, to her years in college, and a twenty-something stumbling towards adulthood. In *Perfect Fifths*, the hilarious and satisfying conclusion to the Jessica Darling series, readers will finally get a peek inside the mind of Marcus Flutie, with a finale perfect in its imperfections.

"Melody and Harmony are twins who were separated at birth and lived different lives - but who are each due to deliver sets of twins on the same day. In a future where only teens can "bump", or give birth, babies mean money, status, and freedom. Cursed by their own popularity, the girls are obsessively tracked by their millions of fans, who have been eagerly counting down the days to the births. Without a doubt they are two of the most powerful pregnant teens on the planet, and there's only one thing they could do that would make them more famous than they already are - tell the truth"--Jacket.

The third book in Megan McCafferty's beloved, New York Times bestselling series--now with a new foreword by Rebecca Serle. Life finally seems to be going right for Jessica Darling. She escaped the New Jersey suburbs and attends Columbia University in New York City. She's more into her boyfriend, Marcus Flutie, than ever—even if he's at a college across the country in California. And she's making new friends who can't quite compete with her beloved bestie, Hope, but at least come close. If Jessica thought high school was hard, college brings a whole new set of challenges. She snagged an internship at a Brooklyn literary magazine, but will she ever fit in with the snarky staff? Can she even make it to graduation after her parents cut her off financially? And will her long distance relationship survive the pursuit by three new—and radically different—love interests? With the signature wit, cynicism and candor the series is famous for, *Charmed Thirds* takes readers on an unforgettable journey through Jessica Darling's hilariously complicated college years.

When a virus makes everyone over the age of eighteen infertile, would-be parents pay teen girls to conceive and give birth to their children, making teens the most prized members of society. Girls sport fake baby bumps and the school cafeteria stocks folic-acid-infused food. Sixteen-year-old identical twins Melody and Harmony were separated at birth and have never met until the day Harmony shows up on Melody's doorstep. Up to now, the twins have followed completely opposite paths. Melody has scored an enviable conception contract with a couple called the

Jaydens. While they are searching for the perfect partner for Melody to bump with, she is fighting her attraction to her best friend, Zen, who is way too short for the job. Harmony has spent her whole life in Goodside, a religious community, preparing to be a wife and mother. She believes her calling is to convince Melody that prepping for profit is a sin. But Harmony has secrets of her own that she is running from. When Melody is finally matched with the world-famous, genetically flawless Jondoe, both girls' lives are changed forever. A case of mistaken identity takes them on a journey neither could have ever imagined, one that makes Melody and Harmony realize they have so much more than just DNA in common. From New York Times bestselling author Megan McCafferty comes a strikingly original look at friendship, love, and sisterhood—in a future that is eerily believable.

Just as Jack Kerouac captured the beat of the '50s, his daughter captured the rhythm of the generation that followed. With a graceful, often disturbing detachment and a spellbinding gift for descriptive imagery, Jan Kerouac explores the tortured, freewheeling soul of a woman on her own road. From an adolescence of LSD, detention homes, probation, pregnancy, and a stillbirth in the Mexican tropics at age 15; to the peace movement in Haight-Ashbury and Washington state; to traveling by bus through Central America with a madman for a lover, Baby Driver moves with the force of a tropical storm.

Life, Alice McKinley feels, is just one big embarrassment. Here she is, about to be a teenager and she doesn't know how. It's worse for her than for anyone else, she believes, because she has no role model. Her mother has been dead for years. Help and advice can only come from her father, manager of a music store, and her nineteen-year-old brother, who is a slob. What do they know about being a teen age girl? What she needs, Alice decides, is a gorgeous woman who does everything right, as a roadmap, so to speak. If only she finds herself, when school begins, in the classroom of the beautiful sixth-grade teacher, Miss Cole, her troubles will be over. Unfortunately, she draws the homely, pear-shaped Mrs. Plotkin. One of Mrs. Plotkin's first assignments is for each member of the class to keep a journal of their thoughts and feelings. Alice calls hers "The Agony of Alice," and in it she records all the embarrassing things that happen to her. Through the school year, Alice has lots to record. She also comes to know the lovely Miss Cole, as well as Mrs. Plotkin. And she meets an aunt and a female cousin whom she has not really known before. Out of all this, to her amazement, comes a role model -- one that she would never have accepted before she made a few very important discoveries on her own, things no roadmap could have shown her. Alice moves on, ready to be a wise teenager.

From mega-bestselling author Megan McCafferty--author of the beloved Jessica Darling series that *The Wall Street Journal* called

"Judy Blume meets Dorothy Parker"--comes a hilarious love letter to the magic and heartache of middle school friendship. Sophie Dailey is NOT looking forward to starting middle school. For one thing, she doesn't look like other kids. Instead of trendy tank tops, she wears high tech shirts that block UV rays. (Sun protection is serious business!) And she definitely doesn't sound like other kids either. (She can't say "holla" or "hot take" without making a weird face.) Needless to say, this is probably why her best friend, Ella, ditched her for Queen Bee Morgan. Sophie is comfortable with who she is and doesn't want to change. But she's also pretty lonely without Ella. Even worse, Morgan seems intent on making seventh grade miserable for Sophie, and Ella doesn't bat an eye at the bullying. Then a new girl moves in next door to Sophie. Kaytee Ray is everything Sophie is not: fashionable and super-confident. Sophie can't believe Kaytee wants to spend the last days of summer with her. Determined to keep Kaytee as a friend, Sophie lies about her social status, claiming to be besties with Morgan and Ella. As long as Kaytee attends Villa Academy--a private school on the other side of town--she'll never find out her first friend in New Jersey is a loser. But can any friendship built on lies survive seventh grade?

The fourth book in the beloved, New York Times bestselling series - now with a new foreword by Rebecca Serle Jessica Darling is living the New York City dream. She's subletting an apartment with her best friend, working for a magazine that cares about her psychology degree, and she's still deeply in love with Marcus Flutie. But then Marcus proposes, and wants Jessica's answer in a week. Is she ready to give up her NYC life of literary parties, art

openings, and karaoke downtown to move back to New Jersey? Even if it's to be with the boy (now man) who she's been in love with for years? Megan McCafferty's Fourth Comings, the next in the hilarious New York Times bestselling series, brings readers once again into the snarky, witty mind of Jessica Darling as she learns that reality is more complicated than dreamy clichés.

**A Jessica Darling Novel** Sloppy Firsts A Novel

Growing Up Can Be Perfect in Its Imperfection The Jessica Darling series chronicles one young woman's coming-of-age in the first decade of the 21st century. Over five books and ten years, Jessica Darling fumbles her way into adulthood. She evolves from a sixteen-year-old cynic, snarking in her diary about catty cliques, unrequited crushes, and other high school indignities, into a jet-setting twenty-six-year-old urbanite searching for more meaning in her life. Through all her misadventures in high school, college, and beyond, Jessica gets long-distance support from her best friend, Hope. But it's her on-again/off-again love of her life, Marcus Flutie, who can always be counted on to complicate her life in ways that are infuriating, intoxicating, and ultimately irresistible. SLOPPY FIRSTS: Meet Jessica Darling—and fall for Marcus Flutie—in this high school comedy of many, many errors. A fresh, funny, utterly compelling fiction debut, Sloppy Firsts is an insightful true-to-life look at sixteen-year-old Jessica's

predicament as she embarks on another year of teenage torment—from the dark days after her best friend, Hope, moves away through her months as a type-A personality turned insomniac to her completely mixed up feelings about Marcus Flutie, the intelligent and mysterious "Dreg" who works his way into her heart. **SECOND HELPINGS:** Can Jessica survive senior year without losing her mind . . . or her heart? This time, Jess is going through the social and emotional ordeal of her last year at Pineville High. Not only does the mysterious Marcus Flutie continue to distract her, but Hope still lives in another state, and she can't seem to escape the clutches of the Clueless Crew, her annoying so-called friends. To top it off, Jessica's parents won't get off her butt about choosing a college. Will Jess crack under the pressure of senioritis? **CHARMED THIRDS:** Jessica is in college . . . and smart girls have more fun! Jessica has finally left her hometown/hellhole for Columbia University; she's into Marcus more than ever (so what if he's at a Buddhist college in California), and she's making new friends. But Jess soon realizes that her bliss might not last. As she and Marcus hit the rocks, will she fall for her GOPunk, neoconservative RA . . . or for the hot grad student she's assisting on a summer project . . . or for the oh-so-sensitive emo boy down the hall? Will she even make it now that her parents have cut her off financially? And what do the cryptic one-word postcards from Marcus really mean? **FOURTH COMINGS:** Is the real world ready for Jessica Darling? At first it seems like she's living the New York City dream. She's subletting an apartment with her best friend, working for a magazine that actually cares about her psychology degree, and is still deeply in love with Marcus. But when Marcus

proposes—giving her only one week to answer—Jessica must decide if she's ready to give up a world of late-night literary soirees, art openings, and downtown drunken karaoke to move back to New Jersey and be with the one man who's gripped her heart for years. **PERFECT FIFTHS:** Does Jessica and Marcus's journey end here? Or is it just the beginning? . . . Now a young professional in her mid-twenties, Jess is off to a Caribbean wedding. As she rushes to her gate at the airport, she literally runs into her former boyfriend, Marcus Flutie. It's the first time she's seen him since she reluctantly turned down his marriage proposal three years earlier—and emotions run high. They have both changed dramatically, yet their connection feels as familiar as ever. Is their reunion just a fluke, or has fate orchestrated this collision of their lives once again?
