engrossing book looks at the growth and

eventual demise of Rome from the

viewpoint of the peoples who fought

against it. Here is the reality behind such

legends as Spartacus the gladiator, as well

as the thrilling tales of Hannibal, the great

Boudicca, the rebel leader and Mithridates,

the connoisseur of poisons, among many

others. Some enemies of Rome were noble

heroes and others were murderous

villains, but each has a unique and

fascinating story.

Anthropologist Alpa Shah found herself in an active platoon of Naxalites—one of the

longest-running guerrilla insurgencies in the world. The only woman, and the only

person without a weapon, she walked alongside the militants for seven nights

across 150 miles of dense, hilly forests in eastern India. Nightmarch is the riveting

story of Shah's journey, grounded in her years of living with India's tribal people, an

eye-opening exploration of the movement's history and future and a

powerful contemplation of how disadvantaged people fight back against

unjust systems in today's world. The

Naxalites have fought for a communist society for the past fifty years, caught in a

conflict that has so far claimed at least

forty thousand lives. Yet surprisingly little is known about these fighters in the West.

Framed by the Indian state as a deadly terrorist group, the movement is actually

made up of Marxist ideologues and lower-

caste and tribal combatants, all of whom seek to overthrow a system that has abused them for decades. In Nightmarch, Shah shares some of their gritty untold stories: here we meet a high-caste leader who spent almost thirty years underground, a young Adivasi foot soldier, and an Adivasi youth who defected.

Speaking with them and living for years with villagers in guerrilla strongholds,

Shah has sought to understand why some of India's poor have shunned the world's

largest democracy and taken up arms to fight for a fairer society—and asks whether

they might be undermining their own aims. By shining a light on this largely

ignored corner of the world, Shah raises important questions about the uncaring

advance of capitalism and offers a compelling reflection on dispossession and

conflict at the heart of contemporary India.

"Stitched together with love, this is a story

just waiting for your favorite reading chair. With her signature style and skill, Susan Wiggs delivers an intricate patchwork of old wounds and new beginnings, romance and the healing power of friendship, wrapped in a lovely little community that's hiding a few secrets of its own." — Lisa Wingate, New York Times Bestselling author of *Before We Were Yours* The #1 New York Times bestselling author brings us her most ambitious and provocative work yet—a searing and timely novel that explores the most volatile issue of our time—domestic violence. At the break of dawn, Caroline Shelby rolls into Oysterville, Washington, a tiny hamlet at the edge of the raging Pacific. She's come home. Home to a place she thought she'd left forever, home of her heart and memories, but not her future. Ten years ago, Caroline launched a career in the glamorous fashion world of Manhattan. But her success in New York imploded on a wave of scandal and tragedy, forcing her to flee to the only safe place she knows. And in the backseat of Caroline's car are two children who were orphaned in a single chilling moment—five-year-old Addie and six-year-old Flick. She's now

their legal guardian—a role she's not sure she's ready for. But the Oysterville she left behind has changed. Her siblings have their own complicated lives and her aging parents are hoping to pass on their thriving seafood restaurant to the next generation. And there's Will Jensen, a decorated Navy SEAL who's also returned home after being wounded overseas. Will and Caroline were forever friends as children, with the promise of something more . . . until he fell in love with Sierra, Caroline's best friend and the most beautiful girl in town. With her modeling jobs drying up, Sierra, too, is on the cusp of reinventing herself. Caroline returns to her favorite place: the sewing shop owned by Mrs. Lindy Bloom, the woman who inspired her and taught her to sew. There she discovers that even in an idyllic beach town, there are women living with the deepest of secrets. Thus begins the Oysterville Sewing Circle—where women can join forces to support each other through the troubles they keep hidden. Yet just as Caroline regains her creativity and fighting spirit, and the children begin to heal from their loss, an unexpected challenge tests her courage and her heart.

This time, though, Caroline is not going to run away. She's going to stand and fight for everything—and everyone—she loves.
