HARRISON CAMERON

A Summer in Italy Vintage

NATIONAL BESTSELLER Taking up where his beloved *A Year in Provence* leaves off, Peter Mayle offers us another funny, beautifully (and deliciously) evocative book about life in Provence. With tales only one who lives there could know—of finding gold coins while digging in the garden, of indulging in sumptuous feasts at truck stops—and with characters introduced with great affection and wit—the gendarme fallen from grace, the summer visitors ever trying the patience of even the most genial Provençaux, the straightforward dog "Boy"—*Toujours Provence* is a heart-warming portrait of a place where, if you can't quite "get away from it all," you can surely have a very good time trying.

A Novel Vintage

"Sleeplessness gets the Susan Sontag illness-as-metaphor treatment in this pensive, compact, lyrical inquiry into the author's nighttime demons." —Kirkus Reviews In 2016, Samantha Harvey began to lose sleep. She tried everything to appease her wakefulness: from medication to therapy, changes in her diet to changes in her living arrangements. Nothing seemed to help. *The Shapeless Unease* is Harvey's darkly funny and deeply intelligent anatomy of her insomnia, an immersive interior monologue of a year without one of the most basic human needs. Original and profound, and narrated with a lucid breathlessness, this is a startlingly insightful exploration of memory, writing and influence, death and the will to survive, from "this generation's Virginia Woolf" (Telegraph). "Captures the essence of fractious emotions—anxiety, fear, grief, rage—in prose so elegant, so luminous, it practically shines from the page. Harvey is a hugely talented writer, and this is a book to relish." —Sarah Waters, *New York Times*-bestselling

author "Harvey writes with hypnotic power and poetic precision about—well, about everything: grief, pain, memory, family, the night sky, a lake at sunset, what it means to dream and what it means to suffer and survive . . . The big surprise is that this book about 'shapeless unease' is, in the end, a glittering, playful and, yes, joyful celebration of that glorious gift of glorious life." —Daily Mail "What a spectacularly good book. It is so controlled and yet so wild . . . easily one of the truest and best books I've read about what it's like to be alive now, in this country." —Max Porter, award-winning author of *Lanny*

A Year in Provence Vintage

Surviving a pandemic disease that has killed everyone he knows, a pilot establishes a shelter in an abandoned airport hangar before hearing a random radio transmission that compels him to risk his life to seek out other survivors. A first novel by the author of *The Whale Warriors*. Reprint.

Lost and Found in the Mississippi Delta Random House Digital, Inc.

A vivid and elegant account of a family's season abroad by one of our finest contemporary authors Casting off a northern winter and an orderly life, a family decides to sell everything and go to Italy to search for art and its meanings, for freedom from routine, for a different path into the future. The award-winning writer Rachel Cusk describes a three-month journey around the Italy of Raphael and rented villas, of the Piero della Francesca trail and the tourist furnace of Amalfi, of soccer and the simple glories of pasta and gelato. With her husband and two children, Cusk uncovers the mystery of a foreign language, the perils and pleasures of unbelonging, and the startling thrill of

discovery -- at once historic and intimate. Both sharp and humane in its exploration of the desire to travel and to escape, of art and its inspirations, of beauty and ugliness, and of the challenge of balancing domestic life with creativity, *The Last Supper* is an astonishing memoir.

Sniffing Out the Perfect Plot in Provence

By the author and photographer of *Second Chances*, more wonderful profiles of people and their adopted dogs.

Confessions of a French Baker Open Road + Grove/Atlantic

Eighteenth-century Naples provides the setting for the pain, fears, resentments, desires, and triumphs of peasant-born Guido Maffeo and patrician-born Tonio Treschi, two castrati--mentor and angel-voiced student--who strive passionately to live full lives

The Dog Stars Vintage

Bon vivant and expert sleuth Sam Levitt and his partner in love and intrigue, Elena Morales, return in the latest installment of the delightfully sun-splashed Provençal Caper series. When a Riviera socialite's diamonds are stolen—the latest in a string of seemingly unconnected but ever-more-audacious jewelry heists across France—Elena flies in to investigate the insurance claim. It's a trip she's more than happy to make, as it gives her a chance to meet up with old friends in Marseille—and, particularly, with Sam. Once reunited, Sam isn't entirely distracted by domestic matters. In the pattern of these "perfect crimes" he's beginning to see a master at work, and he's quickly determined to connect and solve the cases. But as he and Elena dig deeper, they begin to realize just how much is connected and how dangerous it

may be to pursue the whole truth.

Meanwhile, there's a house to renovate, rosé to share, and feasts of Provençal summer bounty to enjoy. Full of Peter Mayle's inimitable wit and style, *The Diamond Caper* is sure to charm faithful fans and new readers alike.

Adventures with Knife, Fork, and Corkscrew Knopf

A delightful, delicious, and best-selling account of the gustatory pleasures to be found throughout France, from the beloved author of *A Year in Provence*. The French celebrate food and drink more than any other people, and Peter Mayle shows us just how contagious their enthusiasm can be. We visit the Foire aux Escargots. We attend a truly French marathon, where the beverage of choice is Château Lafite-Rothschild rather than Gatorade. We search out the most pungent cheese in France, and eavesdrop on a heated debate on the perfect way to prepare an omelet. We even attend a Catholic mass in the village of Richerenches, a sacred event at which thanks are given for the aromatic, mysterious, and breathtakingly expensive black truffle. With Mayle as our charming guide, we come away satisfied (if a little hungry), and with a sudden desire to book a flight to France at once.

Rowman & Littlefield

Attention bread lovers! In the first of his famous books about Provence, Peter Mayle shared with us news of a bakery in the town of Cavaillon where the baking and appreciation of breads "had been elevated to the status of a minor religion." Its name: Chez Auzet. Now, several hundred visits later, Mayle has joined forces with Gerard Auzet, the proprietor of this most glorious of Provençal bakeries, to tell us about breadmaking at its finest. Mayle takes us

into the baking room to witness the birth of a loaf. We see the master at work—slapping, rolling, squeezing, folding, and twisting dough as he sculpts it into fougasses, bâtards, and boules. Auzet then gives us precise, beautifully illustrated instructions for making sixteen kinds of bread, from the classic baguette to loaves made with such ingredients as bacon, apricots, hazelnuts, garlic, and green and black olives. There are tips galore, the tricks of the trade are revealed, and along the way Mayle relates the delightful history of four generations of Auzet bakers. One of Provence's oldest and most delicious pleasures is now available at a kitchen near you, thanks to this charming guide. Read, bake, and enjoy.

Ennemonde Vintage

Hanky-panky on the international art scene is the source of the hilarity and fizz in Peter Mayle's new novel. He flies us back to the south of France (a region some readers of his irresistible best-sellers believe him to have invented), on a wild chase through galleries, homes of prominent collectors, and wickedly delectable restaurants. There are stopovers in the Bahamas and England, and in New York, where that glossiest of magazines, *Decorating Quarterly*, reflects the cutting-edge trendiness of its editor, Camilla Jameson Porter. (Camilla has recently broken new ground in the world of power lunches by booking two tables on the same day, and shuttling between them, at the city's trendiest restaurant.) It is Camilla who has sent our hero, Andre Kelly, to Cap Ferrat to take glamorous photo-graphs of the houses and treasures of the rich, famous, and fatuous. He happens to have his camera at the ready when he spots a Cézanne being loaded onto a plumber's truck near the home of an

absent collector. Odd, thinks Andre. And in no time he's on the trail of a state-of-the-art art scam, chasing Cézanne. It's a joy to follow him and the crowds intent on speeding or foiling his quest—including a beautiful agent; a super-savvy art dealer attracted to the finer things in life, especially if they promise the payoff of a lifetime; an awesome Dutch forger; some outstandingly greedy New York sophisticates; and, invisible in the background, the parade of remarkable chefs whose mouthwatering culinary masterpieces periodically soothe the hero and tantalize the reader of *Chasing Cézanne*.

Toujours Provence Schwartz & Wade

As the date for Britain leaving the European Union draws close, and the British living in European countries still have no idea what the future holds for them after Brexit, Susie looks back on the beginning of her life in the country she loves and has called home for 23 years

Leaving It All Behind for a Round-the-World Journey with Our Children Vintage

When the exclusive wine collection of a rich Hollywood lawyer is stolen by a cultivated thief, former lawyer and connoisseur Sam Levitt follows leads from Bordeaux to Provence while receiving assistance from a beautiful French colleague. By the award-winning author of *A Year in Provence*.

One Year Off Vintage

The English novelist chronicles his "settling down" in the Spanish countryside after a lifetime of travel, offering a vivid portrait of his neighbors, his bumbling Spanish lessons, and the rich culture of the Mediterranean Costa Blanca. Reprint. 12,500 first printing.

Spanish Lessons Vintage

Bennett is an English expatriate living in France with a champagne taste and a

beer bankroll. Happy-go-lucky and a bit roguish, he places an ad in the International Herald Tribune offering his services -- any services. He pursues a response from a wealthy Englishman named Julian Poe who has developed a means of producing truffles and is close to cornering the immensely lucrative truffle market. Bennett signs on and finds himself in Monaco, where he is able to live in a style to which he has always wished to become accustomed (including eating to his heart's content -- a Mayle trademark!). Soon the Sicilian and Corsican Mafiosi intrude and Bennett is joined by the beautiful and experienced (in all ways) Anna. Ham-fisted goons, gendarmes working at cross purposes, French village busybodies, and an order of monks dedicated to the god Bacchus all play a role in the surprising, and more than a little satisfying, denouement.

A Year of Not Sleeping Farrar, Straus and Giroux

New Yorkers Grant and his girlfriend Mariah decided on a whim to buy an old plantation house in the Mississippi Delta. This is their journey of discovery to a remote, isolated strip of land, three miles beyond the tiny community of Pluto. They learn to hunt, grow their own food, and fend off alligators, snakes, and varmints galore. They befriend an array of unforgettable local characters, capture the rich, extraordinary culture of the Delta, and delve deeply into the Delta's lingering racial tensions. As the nomadic Grant learns to settle down, he falls not just for his girlfriend but for the beguiling place they now call home.

A Novel Vintage

The ultimate "dictionary" for lovers of Provence: Peter Mayle's personal selection of the foods, customs and words he finds most fascinating, curious,

delicious, or just plain fun. Though organized from A to Z, this is hardly a conventional work of reference. In more than 170 entries, Peter Mayle—bestselling author of *A Year in Provence*—writes about subjects as wide-ranging as architecture and zingue-zingue-zoun (in the local patois, a word meant to describe the sound of a violin). And, of course, he writes about food and drink: vin rosé, truffles, olives, melons, bouillabaisse, the cheese that killed a Roman emperor, even a cure for indigestion. *Provence A-Z* is a delight for Peter Mayle's ever-growing audience and the perfect complement to any guidebook on Provence, or, for that matter, France.

Hotel Pastis Open Road Media

The author samples the best that life can offer, from handmade shoes and limousine etiquette, to the art of keeping a mistress in style and the world's best caviar

Have you ever wanted to take a year off from your life? A meandering, serendipitous journey around the world with your family? It sounds impossible. But one day, David Elliot Cohen, co-creator of the bestselling *Day in the Life and America 24/7* book series, decided to make this dream a reality. Over the course of six months, he and his wife sold their house, cars, and most of their possessions. He closed his business and pulled their three young children out of

school. With only a suitcase, a backpack, and a passport per person, the Cohen family set off on a rollicking round-the-world journey filled with laugh-out-loud mishaps, heart-pounding adventures, and unforeseen epiphanies. In Botswana, the Cohens's tiny motorboat is charged by a hippo. In Zimbabwe, lions ambush a buffalo outside the family's tent. In Australia, their young daughter is caught in a riptide and nearly pulled out to sea. In *One Year Off*, you can join the family on a trek up a Costa Rican volcano, cruise the canals of Burgundy by houseboat, and ride ferries through the Greek Islands. Later, as the Cohens wander further off the tourist trail, you can drive through the villages of Rajasthan, traverse the vast Australian Nullarbor, and discover the charms of Cambodia's Angkor Wat and the hidden shangri-las of northern Laos. Over the course of these adventures, the Cohens learn to live as a family twenty-four hours a day, seven days a week and enjoy a once-in-a-lifetime opportunity to spend time together without the

distractions of modern life. The author rediscovers the world through his children's eyes and gains new perspective of his own life. This humorous, heartfelt story is the next best thing to taking the trip yourself *A DOG'S LIFE. DRAWINGS BY EDWARD KOREN*. Vintage

From the moment Peter Mayle and his wife, Jennie, uprooted their lives in England and crossed the Channel permanently, they never looked back. Here the beloved author of *A Year in Provence* pays tribute to the most endearing and enduring aspects of his life in France—the charming and indelible parade of village life, the sheer beauty, the ancient history. He celebrates the café and lists some of his favorites; identifies his favorite villages, restaurants, and open-air markets; and recounts his most memorable meals. A celebration of twenty-five years of Provençal living—of lessons learned and changes observed—with his final book Mayle has crafted a lasting love letter to his adopted home, marked by his signature warmth, wit, and humor.
