Today we're
going to look
at what is one
of my favorite
pedals, the
Strymon
Timeline. This
is one of the
most popular
delays on the
market, but
for many
people it can
seem a little
overwhelming
at first. So
let's go ahead
and talk about
the basic
controls and
how to start
using this
pedal to make
it work for
you. The
Timeline has
100 banks
with 2 presets
each, the A
preset and the
B preset.
