In James K. Humphrey and the Sabbath-Day Adventists, R. Clifford Jones tells the story of this important black religious figure and his attempt to bring about self-determination for twentieth-century blacks in New York City. Humphrey was a Baptist minister who joined the Seventh-day Adventist (SDA) Church shortly after arriving in New York City from Jamaica at the turn of the twentieth century. A leader of uncommon competency and charisma, Humphrey functioned as an SDA minister in Harlem during the time the community became the black capital of the United States. Though he led his congregation to a position of prominence within the SDA denomination, Humphrey came to believe the black experience in Adventism was one of disenfranchisement. When he refused to alter his plans for a utopian community for blacks in the face of dissent from SDA church leaders, Humphrey's ministerial credentials were revoked and his congregation was dissolved. Subsequently, Humphrey established an independent black religious organization, the United Sabbath-Day Adventists. This book rescues the Sabbath-Day Adventists from obscurity. Humphrey's break with the Seventh-day Adventists provides clues to the state of black-white relationships in the denomination at the time. It set the stage for the creation of the separate administrative structure for blacks established by the SDA church in 1945. This history of a minister and his church demonstrates the struggles of small, independent, black congregations in the urban community during the twentieth century.

The Scam Traders Baker Books

During the presidency of Richard Nixon, homegrown leftist guerrilla groups like the Weather Underground and the Black Liberation Army carried out hundreds of attacks in the United States.

The FBI had a long history of infiltrating activist groups, but this type of clandestine action posed a unique challenge. Drawing on thousands of pages of declassified FBI documents, Daniel S. Chard shows how America's war with domestic guerrillas prompted a host of new policing measures as the FBI revived illegal spy techniques previously used against communists in the name of fighting terrorism. These efforts did little to stop the guerrillas—instead, they led to a bureaucratic struggle between the Nixon administration and the FBI that fueled the Watergate Scandal and brought down Nixon. Yet despite their internal conflicts, FBI and White House officials developed preemptive surveillance practices that would inform U.S. counterterrorism strategies into the twenty-first century, entrenching mass surveillance as a cornerstone of the national security state. Connecting the dots between political violence and "law and order" politics, Chard reveals how American counterterrorism emerged in the 1970s from violent conflicts over racism, imperialism, and policing that remain unresolved today.

The Protestant Episcopal Church Univ. Press of Mississippi

Includes the Church's Constitution and canons, which have separate title pages and paging, and are also published separately.

Nixon's War at Home Church Publishing, Inc.

They say it's lonely at the top. And it can be even lonelier when you are almost at the top. Church leaders who hold second-chair positions are under tremendous pressure. They are expected to do their jobs and provide leadership but to defer to the top leader too. It's a demanding balancing act. How can they lead effectively while serving under someone else's leadership? Leading from the Second Chair offers an invaluable resource to leaders who serve in second- (and third- and fourth-) chair roles, enabling them to become more productive, proactive, and fulfilled. The book reveals the paradoxes of second chair leadership. These leaders must be subordinate to the top leader yet lead in their own right. They should be deep in their expertise but wide in perspective. And they must be content in their jobs yet remain enthusiastic about their dreams for the future. Mike Bonem and Roger Patterson share their own and others' experiences of failure and success in this vital role. They offer support and practical advice for reshaping the way second-chair leaders can serve well and improve the overall performance of their church or organization. Leading from the Second Chair equips readers with the positive attitudes, skills, and strategies needed to become powerful leaders who will survive and thrive in God's service.

Why, when, and how to start a new church service, encourage attendance, evaluate the service, and more.

QuickBooks for Churches and Other Religious Organizations

This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed

scholarship accessible once again using print-on-demand technology. This title was originally published in 1973.

Seventh-day Adventist Church Manual.

A field-tested guide to the management and finance of church congregations, revised for a new generation. Clergy are generally equipped to preach and provide spiritual care. But when it comes to budgets, insurance, fire safety, and church management many find themselves at a loss. The Church Administration and Finance Manual is the classic guide to running a church, written to answer key questions for clergy and lay leaders. Not simply a theoretical resource, the Manual provides suggestions for almost every aspect of parish administration: position descriptions, financial forms, materials for stewardship and Christian education, building use and safety issues, employee record keeping, and much more. This revised edition offers guidance on many new topics that are of vital importance to churches, including protecting children, information security, approaches to preventing and responding to violence, planned giving, social media, and hybrid work and worship. Whether clergy are just out of seminary or well-seasoned in parish life, the Manual is full of excellent guidelines, tools, and forms for improving the management of the parish.

If you walk around the street expecting to find a scammer, you'll never find one until the scammer makes a fool of you, then you will know that they exist. 'There are hours when crime pays, when stolen waters are sweet, and punishment although lame, will come.' Crimes originate from the hearts of men. Crime can lead to many circumstances such as murder, imprisonment, and death. This novel explains how the advance fee fraud is executed based on both the testimonies of victims and perpetrators. It exposes the cunning of the perpetrators and the greed of the victims. The advance fee fraud is believed to have originated in West Africa during the 1970s, otherwise called the 419 scam after the Nigeria criminal code. It has spread throughout other parts of the world in spite of warnings by various security agents. An average fraudster believes and understands the

rule of the scamming game. The terrain for the game isn't a place for truth, but for dupe. The rule of the game is characterized by, love, hope, fear and faith. The fraudsters see themselves as heroes and not criminals, unless ill luck catches up with them. Even then, they never agree that they did anything wrong.

Bulletin of the Board of Education of the Methodist Episcopal Church, South

Bookkeeping for churches can be quite different than for-profit businesses, and the other guides available cover either QuickBooks or church accounting, not both. Lisa London, The Accountant Beside You, walks you through QuickBooks for your church from start to finish, always with examples, terminology, and understanding of what a busy church administrator needs to know in a clear, concise style. With her friendly easy-to-understand style and illustrative screenshots, Lisa guides new QuickBooks users every step of the way, while her tips for how to make QuickBooks work better for churches provides new insight and procedures for even the experienced bookkeeper. Not only does she step you through how to set up QuickBooks and utilize it more efficiently for your house of worship, but she also discusses everything you need to know to implement controls and procedures to ensure that your church's money is always protected. QuickBooks for Churches covers PC versions of QuickBooks from 2012 forward and even includes what's new in the 2014 version. Lisa offers sound accounting procedures for both large and small houses of worship, for bookkeepers with years of experience as well as those just starting out. Let The Accountant Beside You take one more worry off your crowded to-do list.
