God Will Not Fail You is the inspiring life story of Samuel Doctorian, a poor Armenian boy from Jerusalem who grew up to bring dramatic revival to the Muslim world. Read the gripping account of miraculous healings, daring escapes, earth-shaking revivals, supernatural provision, and angelic visitations that will stir your faith. Samuel has led revivals in some of the countries most closed to Christianity in the world: Iraq, Syria, Egypt, Jordan and Indonesia. Every year, he travels to hundreds of countries, preaching and seeing God move supernaturally in response to the needs of His people. Samuel has preached to kings, heads of state and the British Parliament. This book reads like a modern-day version of the Book of Acts. It is for everyone who is hungry to know that miracles still happen today. Samuel's compelling story will inspire readers to live a life of extreme faith. Up-and-Coming Leader Reveals the Key to a Life of Supernatural Possibility Peter never set out to walk on water; he didn't attend a special seminar or school. He just wanted to be closer to Jesus. No matter the storm, no matter the danger, he saw only Jesus--and that's what got him out of the boat and into the impossible. We all have storms and barriers in life. And, like Peter, we have a choice: stay in the safe, small places or pursue with reckless abandon the limitless heart of Jesus. With fresh biblical insight and immediately practical application, author and teacher Jennifer Miskov paints a bigger and entirely more compelling vision of a life lived on the water. You'll discover the source of courageous faith and how to let go and take those first steps. The wind and the waves will come. But the One you're walking toward has calmed the storm, and he's waiting to do the impossible on your behalf. He's waiting for you to take a risk, to follow your heart--and to step out of the boat.

How You Can Live in a Rhythm of Miracles Using 5 Simple Steps Simon and Schuster His New York Times phenomenon The Prayer of Jabez changed how millions pray. Now Bruce Wilkinson wants to change what they do next. Anyone can do a good deed, but some good works can only happen by an act of God. Around the world these acts are called miracles--not that even religious people expect to see one any time soon. But what would happen if millions of ordinary people walked out each morning expecting God to deliver a miracle through them to a person in need? You Were Born for This starts with the dramatic premise that everyone at all times is in need of a miracle, and that God is ready to meet those needs supernaturally through ordinary people who are willing to learn the "protocol of heaven." In the straightforward, story-driven, highly motivating style for which he is known, Wilkinson describes how anyone can be a 'Delivery Guy' from heaven in such universally significant arenas of life as finances, practical help, relationships, purpose and spiritual growth. You Were Born for This will change how you see your world and show you what you can expect God to do through you to meet real needs. You will master seven simple tools of service, and come to say with confidence, "I want to deliver a supernatural gift from God to someone in need today--and I expect to!" From the Hardcover edition.

In this remarkable book, Bob Walsh describes a lifetime of miracles he has witnessed from early childhood to present time. Christ's words in Luke 12:48, "From everyone to whom much is given, much will be required," inspired him to share what he has been so blessed to see. He provides a first-hand account, a "peek behind the curtain," into the reality of God and the angels, the Devil and its demons, and the vast spiritual world surrounding us all. Unfortunately for him, Satan was fully aware of the spiritual gifts God bestowed upon him. And so, in its consummate hatred for God and all that God loves, the Devil has relentlessly sought to interfere with God's plans for Bob's life. This books describes the breath-taking miracles and how the Devil can torment us all.

Heartwarming and Heart-Opening Stories Gathered from Decades of Medical Practice Bernie Siegel first wrote about miracles when he was a practicing surgeon and founded Exceptional Cancer Patients, a groundbreaking synthesis of group, individual, dream, and art therapy that provided patients with a "carefrontation." Compiled during his more than thirty years of practice, speaking, and teaching, the stories in these pages are riveting, warm, and belief expanding. Their subjects include a girl whose baby brother helped her overcome anorexia, a woman whose cancer helped her heal by teaching her to stand up for herself, and a family that was saved from a burning house by bats. Without diminishing the reality of pain and hardship, the stories show real people turning crisis into blessing by responding to adversity in ways that empower and heal. They demonstrate what we are capable of and show us that we can achieve miracles as we confront life's difficulties. [God Will Not Fail You](#) Houghton Mifflin Harcourt

Do miracles still happen today? What's the most spectacular miracle that's ever occurred? How is a miracle different from a coincidence? What effect should miracles have in my life? If you wonder about divine phenomena—their veracity, importance, frequency, source—Christian apologist Lee Strobel has answers to satisfy your mind and your heart. A former skeptic, Lee Strobel was convinced by the miracle of the resurrection that Jesus is the Son of God. This launched him on a two-year investigation of whether God is still performing miracles today. After witnessing multiple events in which God unmistakably intervened in people's lives in dramatic and well-documented ways, he was a skeptic no more. Through his research he also explored the existence of fake miracles, how God may use dreams and prayer to perform miracles, and whether miracles matter anymore. These frequently asked questions uncovered some astonishingly profound answers. Using the popular question-and-answer format, Lee will lead you on a voyage of discovery and discernment. You'll emerge with a deeper faith and a more profound sense of the lengths that God will go to strengthen the faith of His people.
