Journey to the Last Jedi The Last Jedi: Expanded Edition (Star Wars)

The trailers for Star Wars: The Force Awakens made a strong impression on fans. Many were excited by what they saw

as a return to the spirit of George Lucas's 1977 creation. Others—including several white supremacy groups—were upset and offended by key differences, most notably the shift away from a blond, blue-eyed, male protagonist. When the film was finally released, reactions similarly seemed to hinge on whether or not *The Force Awakens* renewed the “mythic” aspects of the original trilogy in ways that fans approved of. *The Myth Awakens* examines the religious implications of this phenomenon, considering the ways in which myth can function to reinforce “traditional” social and political values. In their analyses the authors of this book reflect on fan responses in relation to various elements of (and changes to) the Star Wars canon—including toys, video games, and novels, as well as several of the films. They do so using a variety of critical tools, drawing from studies of gender, race, psychology, politics, authority, music, ritual, and memory.

As seen in *Star Wars: The Last Jedi*, welcome to the casino city of Canto Bight. A place where exotic aliens, captivating creatures, and other would-be high rollers are willing to risk everything to make their fortunes. Set across one fateful evening, these four interconnected stories explore the deception and danger of the lavish casino city.

- An honest salesman meets a career criminal as a dream vacation turns into the worst nightmare imaginable, in a story by Saladin Ahmed.
- Dreams and

schemes collide when a deal over a priceless bottle of wine becomes a struggle for survival, as told by Mira Grant.

- Old habits die hard when a servant is forced into a mad struggle for power among Canto Bight's elite, in a tale by Rae Carson
- A deadbeat gambler has one last chance to turn his luck around; all he has to do is survive one wild night, as told by John Jackson Miller.

In Canto Bight, one is free to revel in excess, untouched from the problems of a galaxy once again descending into chaos and war. Dreams can become reality, but the stakes have never been higher—for there is a darkness obscured by all the glamour and luxury.

The Last Jedi Adaptation Del Rey

Don't miss the exclusive content in this thrilling adaptation of *Solo: A Star Wars Story*, with scenes from alternate versions of the script including Han Solo's time in the Imperial Navy, Qi'ra's past, the beginnings of the rebellion, and more! Though Han Solo has thrilled *Star Wars* fans for decades, the notorious wisecracking scoundrel was chasing adventure and dodging trouble long before he walked into the cantina at Mos Eisley spaceport. Young Han dreams of someday soaring into space at the helm of his own starship and leaving his home, the gritty industrial planet Corellia, far behind. But

as long as he's trapped in a life of poverty and crime—and under the thumb of the sinister Lady Proxima and her brutal street gang—reaching the distant stars seems impossible. When Han tries to escape with his girlfriend and partner-in-crime, Qi'ra, he makes it out—but she doesn't. Desperate for a way to find his own offworld vessel and free her, Han enlists in the Imperial Navy—the last place for a rebellious loner who doesn't play well with others. When the Empire clips his wings, Han goes rogue and plunges into the shady world of smugglers, gamblers, and con artists. There he meets the charming and cunning high roller Lando Calrissian, makes an unlikely friend in a cantankerous Wookiee called Chewbacca, and first lays eyes on the Millennium Falcon. To snag his piece of the outlaw pie, Han joins a crew of pirates to pull off a risky heist. The stakes are high, the danger is great, and the odds are slim. But never tell Han Solo the odds. Praise for *Solo: A Star Wars Story* “Mur Lafferty has given us the best adaptation of a *Star Wars* film yet.”—*Star Wars News Net* “If you liked the movie but were left wanting more, this novel has exactly what you need.”—*CNET* “A fun adventure tale

within the larger Star Wars franchise that goes beyond the run-of-the-mill novelization treatment to explore a new bit of the world that we haven't yet seen."—The Verge

The Way I Heard It Portable Press

"Gloriously witty, keen and spirited" J.J. Abrams, Director of Star Wars: The Rise of Skywalker "The odds of me ever writing a book were approximately... Oh, never mind. My golden companion worries about such things - I don't. I have indeed now written a book - telling my story, in my voice, not his - recognizing that our voices and our stories are inextricably intertwined." When Star Wars burst onto

the big screen in 1977, an unfailingly polite golden droid called C-3PO captured imaginations around the globe. But C-3PO wasn't an amazing display of animatronics with a unique and unforgettable voiceover. Inside the metal costume was an actor named Anthony Daniels. In this deeply personal memoir, Anthony Daniels recounts his experiences of the epic cinematic adventure that has influenced pop culture for more than 40 years. For the very first time, he candidly describes his most intimate memories as the only actor to appear in every Star Wars film - from his first meeting with George Lucas to the final, emotional days on the set of Star Wars: The Rise of Skywalker. With a foreword by J.J. Abrams and never-before-seen photography, this book is a nostalgic look back at the Skywalker saga as it comes to a close. I Am C-3PO: The Inside Story reveals Anthony Daniels' vulnerability, how he established his role and what he accomplished, and takes readers on a journey that just happens to start in a galaxy far, far away.

From the ashes of the Empire has arisen another threat to the galaxy's freedom: the ruthless First Order. Fortunately, new heroes have emerged to take up arms—and perhaps lay down their lives—for the cause. Rey, the orphan strong in the Force; Finn, the ex-stormtrooper who stands against his former masters; and Poe Dameron, the fearless X-wing pilot, have been drawn together to fight side-by-side with General Leia Organa and the Resistance. But the

First Order's Supreme Leader Snoke and his merciless enforcer Kylo Ren are adversaries with superior numbers and devastating firepower at their command. Against this enemy, the champions of light may finally be facing their extinction. Their only hope rests with a lost legend: Jedi Master Luke Skywalker. Where the action of Star Wars: The Force Awakens ended, Star Wars: The Last Jedi begins, as the battle between light and dark climbs to astonishing new heights.
