tight it's choking him.
Dougie is tormented by
a little voice inside his

head—a fragment of his former self—that he cannot silence. And Nikolai’s most difficult tests for the brothers are still to come. The critical question isn’t whether they can pass those tests, but whether they even want to. Without each other to lean on and live for, a bleak future has become bleaker still. But Nikolai’s too good to let his slaves slip through his fingers—by death or by despair. A noose, a nighttime sky, a shared lover, an unexpected friend. A foreboding forest cabin. A lavish party with all the debauchery Nikolai’s clientele could want. It’s all coming in season 3 of the *Flesh Cartel*. **See this title's page on RiptidePublishing.com for content warnings.**

Turn off the lights . . . and turn on your darkest fantasies. Demon pacts. Ghostly possessions. Monsters lurking in the depths. The things that go bump in the night frighten us, but they also intrigue us. Fascinate us. Even turn us on. Join us as fan favorites Ally Blue and Kari Gregg bring over-amorous aquatic beasts to life with their mythic twists on the Siren and the monster in the lake. Erotic horror pros Heidi Belleau, Sam Schooler, and Brien Michaels show us just how sexy scary can be with a pair of demon deals destined to curl your toes and set your heart thrashing. And literary masters Laylah Hunter and Peter Hansen

weave haunting worlds where ghosts and dead lovers can touch our hearts (and other, naughtier places too . . .) and teach us lessons from beyond the grave. By turns exciting, evocative, and exquisitely explicit, the stories in *Bump in the Night* are sure to scratch your sexy paranormal itch. Explore your wildest fantasies with us in this collection of dark erotic tales.

Sublime service, made to order. In this first installment of the exciting new psychosexual thriller, *The Flesh Cartel*, orphaned brothers Mat and Dougie Carmichael are stolen in the night from their own home. Taken to a horrifying processing facility, they are assessed, microchipped, and subjected to unspeakable brutality—all in preparation for sale to the highest bidder. In a world where every person has a price, the beautiful and subduable PhD student Dougie is highly prized. His brother, a rough-edged MMA fighter, is less desirable—and potentially too dangerous—but he still has his own appeal. Abused and locked up under round-the-clock

surveillance, with no idea where they are or even why they've been taken, escape seems impossible, which leaves staying together their only hope. And after being separated once by the foster system, they'll do anything to keep it from happening again. Anything at all. **See this title's page on RiptidePublishing.com for content warnings.** *The Flesh Cartel, Season 3: Choices* Riptide Publishing "Sublime service, made to order." *The Flesh Cartel*: an international, multi-billion-dollar black market that trades in lost souls. Or more specifically, their bodies. Highly organized and frighteningly efficient, the *Flesh Cartel* could teach even the KGB a

thing or two about breaking a human mind. Fortunately for their ultra-rich clients, they're just as skilled at putting people back together again-as perfect pets, well-trained and eager to please. No matter what your secret tastes or dark desires, the Flesh Cartel-for the right price, of course-will hand-design the plaything of your dreams.

Mat and Douglas's time as Nikolai's wards is finally drawing to a close. Though torn apart by Nikolai's machinations, their fates are still inextricably entwined: they've been sold to the same cruel master, and are united in their desire to go home. But "home" means two

different things to the brothers: for Mat, their little bungalow in Nevada, and for Douglas, a swift return to Nikolai and Roger, the only people he believes still love him. But first they must survive their new master. Smythe Hall is a twisted island paradise where Americans affect British accents and slaveboys dress up as slave girls, all at the whims of the rich and megalomaniacal Allen Smythe-Kennedy. Meanwhile, FBI Special Agent Nate Johnson can't let the case of the missing brothers lie. He knows it's a waste of resources to chase ghosts down a cold trail, but after admiring Mathias "Stonewall" Carmichael ringside and at countless afterparties where he

was too shy to say hello, he's determined to solve the mystery and bring Mat and his little brother home.

"Bridging the hatred of centuries did not come easy for Freyrik Farr and Ayden Vaska. As prince of a war-torn human province, Freyrik could ill afford to fall for an enemy. And Ayden, an elven warrior with three hundred years of bitterness in his heart, wanted no part of love—not elven, and especially not human. Yet they came together despite themselves and despite the will of their peoples, joining heart and mind to fight a race of Dark Beasts

threatening the extinction of mankind."--Page 4 of cover.

It is the twilight of mankind. Depleted by generations of war with a race of dark beasts, humanity stands on the brink of extinction. The outlands are soaked with the blood of the fallen. The midlands are rotting with decadence and despair. Elfkind, estranged by past crimes, watches and waits for nature to run its course. And then the two collide.

Ayden's life has long been guided by two emotions: love for his sister, and hatred of all things human. When he's captured in battle, he is enslaved in the service of a human prince, Freyrik Farr. Freyrik's always known

elves to be beautiful and dangerous, but never has one affected him as deeply as Ayden. Teetering on a dagger's edge between duty and high treason, Freyrik discovers that some choices can change a life, and some an entire world. Between prejudice, politics, pride, and survival, Ayden and Freyrik must carve a new path, no matter how daunting. For nothing less than the fate of both their peoples rests on the power of their perseverance — and their love.

In 1992, Dana Lixenberg travelled to South Central Los Angeles for a magazine story on the riots that erupted following the verdict in the Rodney

King trial. What she encountered inspired her to revisit the area, and led her to the community of the Imperial Courts housing project in Watts. Returning countless times over the following twenty-two years, Lixenberg gradually created a collaborative portrait of the changing face of this community. Over the years, some in the community were killed, while others disappeared or went to jail, and others, once children in early photographs, grew up and had children of their own. In this way, Imperial Courts constitutes a complex and evocative record of the passage of time in an underserved community.

 An estimated one in three couples suffer from problems associated with one partner having a higher libido than the other. Marriage therapist Michele Weiner Davis has written *THE SEX-STARVED MARRIAGE* to help couples come to terms with this problem. Weiner Davis shows you how to address psychological factors like depression, poor body image and communication problems that affect sexual desire. With separate chapters for the spouse that's ready for action and the spouse that's ready for sleep, *THE SEX-STARVED MARRIAGE* will help you re-spark your passion and stop you fighting about sex. Weiner Davis is

renowned for her straight-talking style and here she puts it to great use to let you know you're not alone in having marital sex problems. Bitterness or complacency about ho-hum sex can ruin a marriage, breaking the emotional tie of good sex.

 Luke Emerson is the last person Sebastian Wakefield expects to see strolling into his tattoo shop. But Luke's not back after four years to take up where they left off. Not even to apologize for the cheating that broke them up. Luke wants a custom tattoo, a memorial for someone known only as "A.J." Much as Seb would

love to tell Luke to take this ink and shove it, he's a professional. Plus, he's reluctant to admit, he wouldn't mind getting his hands on Luke again. Even if it's just business. Once Luke's in the tattoo chair, though, Seb finds himself struggling with all the anger and resentment he thought he'd left behind—and those aren't the only feelings reignited. Their relationship may have been turbulent, but it was also passionate. Four years clearly hasn't been long enough for the embers of that fire to go cold. A few subtle hints from Luke is all it takes to make Seb consider indulging in some of that physical passion. It shouldn't be that tough to keep his emotions from getting tangled up in sweaty

sheets. After all, it's not like he's in love with Luke anymore. Right? A.J.'s *Angel* is a steamy second chance romance novella set in the popular *Wilde's* series.

In the exciting final season of *The Flesh Cartel*... With the help of the FBI, Mat Carmichael has let himself be re-taken by the *Flesh Cartel*.

Objective? Rescue his brother, exact revenge, and destroy the entire organization from the inside. FBI Special Agent Nate Johnson will be playing backup, of course, but to get Dougie out alive, Mat will need to make sure his brother is out of Allen's clutches before calling in the troops. Now that Mat's back in bondage, though, there's no way he can do it alone. He'll have to ask for help from the only man within the Cartel who cares about Dougie's welfare: Nikolai. And even knowing it will destroy him, Nikolai delivers. Bringing down the Cartel should have been the hardest part, but it doesn't take long to realize that the real challenge has only just begun. Dougie doesn't know how to be free

anymore, and Mat is forced to admit that he may no longer be strong enough to help himself, let alone his brother. But with loved ones in their corner and their love for each other banked but not extinguished, Mat and Dougie learn that you can come home again, no matter how desperate the circumstances you've left behind. **READER DISCRETION ADVISED.** Traitor's Moon Totally Entwined Group (USA+CAD) The last hasidic rebbe of the Warsaw Ghetto explores many facets of spiritual growth and character development. *Luck in the Shadows* Spectra Perfect for fans of A Court of Thorns and Roses and Uprooted, this stand-alone,

fantasy romance about a human girl and her marriage to the Elf King is impossible to put down! The elves come for two things: war and wives. In both cases, they come for death. Three-thousand years ago, humans were hunted by powerful races with wild magic until the treaty was formed. Now, for centuries, the elves have taken a young woman from Luella's village to be their Human Queen. To be chosen is seen as a mark of death by the townsfolk. A mark nineteen-year-old Luella is grateful to have escaped as a girl. Instead, she's dedicated her life to studying herbology and becoming the town's only healer. That is, until the Elf King unexpectedly arrives...

for her. Everything Luella had thought she'd known about her life, and herself, was a lie. Taken to a land filled with wild magic, Luella is forced to be the new queen to a cold yet blisteringly handsome Elf King. Once there, she learns about a dying world that only she can save. The magical land of Midscape pulls on one corner of her heart, her home and people tug on another... but what will truly break her is a passion she never wanted. A Deal with the Elf King is a complete, stand-alone novel, inspired by the tales of Hades and Persephone, as well as Beauty and the Beast, with a "happily ever after" ending. It's perfect for fantasy romance fans looking for just the right

amount of steam and their next slow-burn and swoon-worthy couple.

Butt Ninjas from Hell

The Flesh Cartel returns for a compelling second season with "Choices." Brothers Mat and Dougie Carmichael thought nothing could be worse than being snatched from their home and brutally dehumanized in preparation for sale as sex slaves. But they learn their suffering has only just begun when they're shipped to their new master's home. Professional trainer Nikolai Petrovic is a master of his trade. His ultra-rich clientele pay him to create perfectly tailored playthings, and Mat and Dougie are the latest in a long line of

men who have walked into his remote mountain home as terrified victims and left it permanently altered: subdued and obedient, ready and even eager for a life of service. To achieve this, Nikolai must take a drastically different tack with each brother. Dougie, manipulated with affection and denial. Mat, controlled by pain and fear. The one thread in common for both men is choice. Nikolai prides himself on never forcing, but will Mat and Dougie submit willingly to his vision, or will they first need to learn the price of disobedience? **See this title's page on RiptidePublishing.com for content warnings.**
