PETERSEN JOSIAH

Forgive Me Amma OUP
India

From the author of *House of Outrageous Fortune* For seventy-five years, it's been Manhattan's richest apartment building, and one of the most lusted-after addresses in the world. One apartment had 37 rooms, 14 bathrooms, 43 closets, 11 working fireplaces, a private elevator, and his-and-hers saunas; another at one time had a live-in service staff of 16. To this day, it is steeped in the purest luxury, the kind most of us could only imagine, until now. The last great building to go up along New York's Gold Coast, construction on 740 Park finished in 1930. Since then, 740 has been home to an ever-evolving cadre of our wealthiest and most powerful families, some of America's (and the world's) oldest money—the kind attached to names like Vanderbilt, Rockefeller, Bouvier, Chrysler, Niarchos, Houghton, and

Harkness—and some whose names evoke the excesses of today's monied elite: Kravis, Koch, Bronfman, Perelman, Steinberg, and Schwarzman. All along, the building has housed titans of industry, political power brokers, international royalty, fabulous scam-artists, and even the lowest scoundrels. The book begins with the tumultuous story of the building's construction. Conceived in the bubbling financial, artistic, and social cauldron of 1920's Manhattan, 740 Park rose to its dizzying heights as the stock market plunged in 1929—the building was in dire financial straits before the first apartments were sold. The builders include the architectural genius Rosario Candela, the scheming businessman James T. Lee (Jacqueline Kennedy Onassis's grandfather), and a raft of financiers, many of whom were little more than white-collar crooks and grand-scale hustlers. Once finished, 740 became a magnet for the richest, oldest families in the country: the Brewsters, descendents of

the leader of the Plymouth Colony; the socially-registered Bordens, Hoppins, Scovilles, Thornes, and Schermerhorns; and top executives of the Chase Bank, American Express, and U.S. Rubber. Outside the walls of 740 Park, these were the people shaping America culturally and economically. Within those walls, they were indulging in all of the Seven Deadly Sins. As the social climate evolved throughout the last century, so did 740 Park: after World War II, the building's rulers eased their more restrictive policies and began allowing Jews (though not to this day African Americans) to reside within their hallowed walls. Nowadays, it is full to bursting with new money, people whose fortunes, though freshly-made, are large enough to buy their way in. At its core this book is a social history of the American rich, and how the locus of power and influence has shifted haltingly from old bloodlines to new money. But it's also much more than that: filled with meaty, startling, often

tragic stories of the people who lived behind 740's walls, the book gives us an unprecedented access to worlds of wealth, privilege, and extraordinary folly that are usually hidden behind a scrim of money and influence. This is, truly, how the other half—or at least the other one hundredth of one percent—lives.

Books come with certain advantages for the journalist/researcher wanting to get the big story out to readers. First, there is a propensity among people to take a book more seriously than a news item or a series of reports in dailies, websites or periodicals. Besides, books by their very nature have a shelf life. Moreover, a book on a contentious subject can be far more damaging for

its subjects than news reports, which are ephemeral by nature. Public memory is short too. In other words, when a journalist brings out a publication that is critical in nature of a corporate, the book is taken more seriously, and perceived to be a far bigger threat. A damning report in a newspaper or a magazine too would meet with the same kind of threat perception. Overlay this with the socio-political climate that has been prevailing in India since the Congress-led United Progressive Alliance government was re-elected in 2009. Plagued by a number of scams and hamstrung by unbridled inflation, the UPA's last days were marked by political turbulence. The anti-graft agitation of the India Against Corruption movement led to the formation of the Aam Aadmi Party, but the political capital of the public discontent against corruption was reaped by the Bharatiya Janata Party which, with its partners, went on to form the government in New Delhi in May 2014. The crackdown on dissent that was practised by the UPA in fits and starts, was institutionalised by the NDA. Sue the Messenger

is a collection of stories about stories—stories that run foul of corporate entities and conglomerates, which result in SLAPPs (strategic litigation against public participation). By their very nature, SLAPPs are meant to undermine democracy. This is the concern that journalists Subir Ghosh and Paranjy Guha Thakurta through 'Sue the Messenger' wish to address.

One Great Lie
Penguin/Viking

If you or any of your family member is suffering from Diabetes, High B.P., High Cholesterol, Obesity or a Heart disease.....

..... just imagine one morning you wake up to know that you are no more on those drugs and are just as healthy as you were few years back.....

To know this read 'Heart Mafia' A glimpse of the eye opening facts in 'Heart Mafia':- - You may not die of the disease but of the treatment. - Bypass surgery & Angioplasty is not for patients but for profit. - Nobel Prize Winning Science to reverse a Life Style Disease - Is your cardiologist suffering from "Occulostenotic Reflex Syndrome" ? - Obesity -

An illness of mind.
Britfield and the Lost Crown Paranjy Guha Thakurta

The author recounts his experiences on the lucrative Wall Street bond market of the 1980s, where young traders made millions in a very short time, in a humorous account of greed and epic folly.

Bhujia Barons Paranjy Guha Thakurta

Do you ever wonder if the Gospel is truly "good news" for your actual, everyday, often difficult, sometimes painful, and typically crazy real life? Well, it is. But sometimes we all need a reminder that God's faithfulness really does follow us into the face of all that harried, hard, and even humorous stuff of life. In her new devotional LIFE, Lisa Harper gives you exactly that: a gut-level exploration of pertinent and redemptive moments in Scripture that prove God's grace is more than sufficient for both the massive and the minuscule things of life. Whether we deal with personal loss, ongoing trauma, global crisis, or simply a super bad hair day, the Gospel is more than enough to handle everything, so dive into LIFE and find some

tangible hope for yours!
Midnight in the Garden of Good and Evil Open Road + Grove/Atlantic

The diary arrived addressed to me, bearing a message: We live forever through our stories. Tell ours. And so began the author's journey into the life and legends of the Naga - a forgotten people living in the far north-east of India, struggling to survive in the modern world. An extraordinarily powerful and evocative literary work that traverses new ground in the hinterland between biography and mythology. Nagaland is the story of Augustine and of the Naga people. With sensitively poetic prose, Doherty deftly draws the reader into worlds of parallel realities. The love story, desperate and damned, destined for tragedy; forged and upheld against the wishes of family and the dictates of culture, with a backdrop of violence and reprisals amidst the brutality of communal conflict. Alongside this is the telling of Augustine's childhood story, growing up in the beautiful mountain state of Nagaland where the traditional way of life, loyalties and beliefs collide with modern

imperatives that, for many, lead inexorably to poverty, dislocation, drug addiction, disease and despair. Seamlessly woven through each story, Naga legends and myths connect these disparate worlds, the source of profound insights that are simultaneously confronting and transcendent. Poignant and profound, the reader is left with a yearning nostalgia for a past where eternal truths prevailed, to be gleaned from ancient fables and sages; where a people lived in communities richly endowed with cultural and spiritual certainties, and were valued members of large family and tribal networks. Except, of course, if you choose not to follow the rules...

A Thousand Splendid Suns Penguin

Dhirubhai Ambani was a rags-to-riches Indian tycoon whose company Reliance is now one of India's major corporations. Ambani's sons Anil and Mukesh, who took over after their father's death in 2002, are worth \$43 billion and \$42 billion respectively, but their relationship is anything but amiable. Demonstrating the complicated links

between government and big business, this account is not only the riveting story of one of the wealthiest families in the world--including their infamous feud--but also an illustration of India's transformation into a global economic powerhouse.

Ambani & Sons Britfield Hamish McDonald is Asia-Pacific Editor of the Sydney Morning Herald. He has been a foreign correspondent in Jakarta, Tokyo, Hong Kong, Beijing and New Delhi, where he was bureau chief of the Far Eastern Economic Review. He has twice won Walkley awards, and has had a report on Burma read into the record of the US Congress. He is the author of books on Indonesia and India, and was made an inaugural Fellow of the Australian Institute of International Affairs in 2008.

740 Park Random House An investigation into the damage wrought by the colossal clothing industry--and the grassroots, high-tech, international movement fighting to reform it from a bestselling journalist who has traveled the globe to discover the visionary designers and companies who are propelling the industry toward that more

positive future.ture.

Outgunned W. W. Norton & Company

Tom has spent most of his life locked behind the cruel walls of Weatherly Orphanage, but when he learns that his parents might still be alive, Tom knows he must do what he can to find them. He can't leave Weatherly without his best friend Sarah, so armed with a single clue to his past, the word Britfield, the two make a darling escape by commandeering a hot air balloon. Now they're on the run from a famous Scotland Yard detective and what looks like half the police officers in England. Tom and Sarah's journey takes them from Oxford University to Windsor Castle, through London, and finally to Canterbury. Along the way, they discover that Tom maybe the true heir to the British throne, but even with the help of two brilliant professors, it looks like Tom and Sarah will be captured and sent back to the orphanage before they have a chance to solve Tom's Royal mystery.

Rats Saw God A&C Black Why should we be good? How should we be good? And how might we more deeply understand the moral and ethical failings-

-splashed across today's headlines--that have not only destroyed individual lives but caused widespread calamity as well, bringing communities, nations, and indeed the global economy to the brink of collapse? In *The Difficulty of Being Good*, Gurcharan Das seeks answers to these questions in an unlikely source: the 2,000 year-old Sanskrit epic, Mahabharata. A sprawling, witty, ironic, and delightful poem, the Mahabharata is obsessed with the elusive notion of dharma--in essence, doing the right thing. When a hero does something wrong in a Greek epic, he wastes little time on self-reflection; when a hero falters in the Mahabharata, the action stops and everyone weighs in with a different and often contradictory take on dharma. Each major character in the epic embodies a significant moral failing or virtue, and their struggles mirror with uncanny precision our own familiar emotions of anxiety, courage, despair, remorse, envy, compassion, vengefulness, and duty. Das explores the Mahabharata from many perspectives and

compares the successes and failures of the poem's characters to those of contemporary individuals, many of them highly visible players in the world of economics, business, and politics. In every case, he finds striking parallels that carry lessons for everyone faced with ethical and moral dilemmas in today's complex world. Written with the flair and seemingly effortless erudition that have made Gurcharan Das a bestselling author around the world--and enlivened by Das's forthright discussion of his own personal search for a more meaningful life--*The Difficulty of Being Good* shines the light of an ancient poem on the most challenging moral ambiguities of modern life.

The Bioscope Man Kogan Page Publishers
 Soon to be an FX Docuseries from Emmy® Award-Winning Producer Marc Smerling (The Jinx) featuring the author Errol Morris! Academy Award-winning filmmaker Errol Morris examines one of the most notorious and mysterious murder trials of the twentieth century In this profoundly original meditation on truth and the justice system, Errol

Morris—a former private detective and director of *The Thin Blue Line*—delves deeply into the infamous Jeffrey MacDonald murder case. MacDonald, whose pregnant wife and two young daughters were brutally murdered in 1970, was convicted of the killings in 1979 and remains in prison today. The culmination of an investigation spanning over twenty years and a masterly reinvention of the true-crime thriller, *A Wilderness of Error* is a shocking book because it shows that everything we have been told about the case is deeply unreliable and that crucial elements of case against MacDonald are simply not true.

A Wilderness of Error

Harper Collins
 Bringing together rare and important texts illustrating the history of Indian business, this anthology highlights the tremendous diversity of forms, ethnic and regional affiliations, cultural practices, strategies, and types of organization that characterize the role played by Indian business in the making of modern India.

Nagaland Simon and Schuster
 Steve details his descent

from bright star to burnout in this newly repackaged edition of the definitive, highly acclaimed novel from the creator of *Veronica Mars* and *Party Down*. Houston, sophomore year: Steve is on top of the world. He and his friends are the talk of the school. He's in love with a terrific girl. He can even deal with "the astronaut"—a world-famous hero who happens to be his father. San Diego, senior year: Steve is bummed out, drugged out, flunking out. A no-nonsense counselor says he can graduate if he writes a 100-page paper. So Steve starts writing, and as the paper becomes more and more personal, he reveals how a National Merit Scholar has become an under-achieving stoner. And in telling how he got to where he is, Steve discovers how to get to where he wants to be.

Mahabharata in Polyester Crown

India today is a vibrant free-market democracy, a nation well on its way to overcoming decades of widespread poverty. The nation's rise is one of the great international stories of the late twentieth century, and in India Unbound the acclaimed columnist Gurcharan Das

offers a sweeping economic history of India from independence to the new millennium. Das shows how India's policies after 1947 condemned the nation to a hobbled economy until 1991, when the government instituted sweeping reforms that paved the way for extraordinary growth. Das traces these developments and tells the stories of the major players from Nehru through today. As the former CEO of Proctor & Gamble India, Das offers a unique insider's perspective and he deftly interweaves memoir with history, creating a book that is at once vigorously analytical and vividly written. Impassioned, erudite, and eminently readable, *India Unbound* is a must for anyone interested in the global economy and its future. Fashionopolis Diamond Pocket Books Pvt Ltd

In a nation deprived of good sports literature, *Forgive Me Amma* comes as a breath of fresh air. Written in the author's unique style, the book takes the reader to the thick of action, be it on the lush green astro turf, or in the middle of an enthusiastic crowd, or at the highly charged press conferences. Precise,

objective and highly readable, the book succeeds in not only presenting the enigmatic legend Dhanraj Pillay in all his fame and fury, but also documents the tumultuous journey of Indian hockey during the times he played.

Liar's Poker B&H Publishing Group

FEATURES EXCLUSIVE INTERVIEW with SUBRATA ROY EVERYTHING YOU WANTED TO KNOW ABOUT SUBRATA ROY AND SAHARA INDIA PARIWAR, BUT WERE AFRAID TO ASK... Sahara: The Untold Story is based on painstaking research to demystify India's most secretive and largely unlisted conglomerate, the Sahara India Pariwar. It also delves into the group's ongoing legal battle with the market regulator. Entrepreneur Subrata Roy, the guardian angel of the group, whose feet are touched by everybody in the Pariwar, wants to reach out to a million lives and feels impeded and shuttered in by regulations. So the clash with the regulators was inevitable. But when a regulator slams one door, maverick Roy opens another. This play has been on since 1978, when Sahara was set up. Roy is well known for glamour

and his association with film stars, cricketers and politicians. He exudes patriotism, with a statue of Bharat Mata (the presiding deity of the group) on a chariot driven by four fierce-looking lions adorning his headquarters in Lucknow. He is the Robin Hood of a country where only 35% of the adult population has access to formal banking services. This India and its millions of illiterate poor depositors stand in awe and admiration of him. But does he also exploit them? Do these poor people actually keep money with him or are they fronting for others? EXCERPT FROM THE SAHARA INDIA PARIWAR DISCLAIMER 'The book at best can be treated as a perspective of the author with all its defamatory content, insinuation and other objections, which prompted us to exercise our right to approach the court of law in order to save the interest of the organization and its crores of depositors and 12 lakh workers.'

Tamal Bandyopadhyay, a deputy managing editor of Mint, is one of the most respected business journalists in India. Tamal has kept a close watch of the financial sector for over a decade and a half

and has had a ringside view of the enormous changes in Indian finance and banking over this period. His first book, *A Bank for the Buck*, released by P Chidambaram in November 2012, has been a non-fiction bestseller. [The Girl of Fire and Thorns](#) Jaico Publishing House The brutal murder of a business tycoon leaves Afton Tangler and the Twin Cities reeling, but that's just the beginning of a gruesome crime spree... Leland Odin made his fortune launching a home shopping network, but his millions can't save his life. On the list for a transplant, the ailing

businessman sees all hope lost when the helicopter carrying his donor heart is shot out of the sky. Now with two pilots dead and dozens injured, Afton Tangler, family liaison officer for the Minneapolis Police Department, is drawn into the case. As she and her partner investigate family members and business associates, whoever wants Leland dead strikes again—and succeeds—in a brazen hospital room attack. The supposedly squeaky clean millionaire has crossed the wrong person—and she's not finished exacting her revenge. The case explodes into an international conspiracy

of unbridled greed and violence. And as Afton gets closer to unearthing the mastermind behind it, she gets closer to becoming collateral damage...

[The Oxford India Anthology of Business History](#) Simon and Schuster

As Calcutta's star begins to fade, with the capital of His Majesty's India shifting to Delhi, Abani Chatterjee's is on the rise. He is well on his way to become the country's first silent screen star. But just as he is about to find fame, an occurrence in the form of personal disaster strikes in the Chatterjee household.
