This course has a number of features that make it particularly successful in achieving this goal, among them are smooth progression between concepts, the thorough explanation of chords and outstanding song material.

At the completion of this course, the student will have learned to play some of the most popular music ever written and will have gained a thorough understanding of the basic concepts of music.

Alfred's Basic Adult Piano Course Level One: Lesson Book Alfred Music Publishing

Play Piano Now! is for busy adults whose practice time is limited, and for adults without previous musical training. It is a slower-paced method that uses the same conceptual core of our original Adult Piano Course, but with several very important added features: more gradual introduction of music fundamentals, more pages of reinforcement and a greater emphasis on sight-reading exercises, one of the most important

skills needed to ensure long-term enjoyment of the piano. Includes specially marked written exercises that can be completed away from the keyboard. The comb binding creates a lay-flat book that is perfect for study and performance.
