## LAUREN ANAYA

---

**The Dark-Hunters, Vol. 4** HarperCollins  
 On the heels of *Three Shirt Deal*, a New York Times bestseller, comes an electrifying new thriller from Stephen J. Cannell in which Lt. Shane Scully is accused of evidence tampering and his wife, Alexa, discovers Shane's been having an affair with a beautiful movie star. Charged with felony misconduct in a high-profile solicitation of murder case, Lieutenant Scully is faced with an impossible decision: either quietly resign from his job as a detective for the LAPD, the work he loves, or face criminal prosecution. Rather than smear the department's reputation and his own, Scully chooses to leave. His colleagues of years feel betrayed to learn that a dirty cop has been in their midst. His wife, Alexa, the chief of detectives, leaves him, seeking a divorce for his dalliance with the accused in the case, a beautiful, well-known Hollywood actress. His son, Chooch, horrified by these events, won't even speak to him. Life as Scully knows it is over. Or so it seems . . . In order to make a living the only way he

knows how, Shane seeks employment from a police department that has been known to hire rejects from other departments: the Haven Park PD. Haven Park is an incorporated city near downtown Los Angeles, just one square mile in size and populated almost entirely by Mexican immigrants, most of them illegal. The department is a hotbed of corruption, in effect the personal goon squad and collection agency of the town's mayor, Cecil Bratano. Ushered into the department by his new partner, Alonzo Bell, Shane takes his lessons in policing from one of the dirtiest cops around. But things in L.A. are hardly ever what they seem. Relentlessly harassed by an over-zealous FBI agent, the alluring Ophelia Love, and under the constant, violent, and hyper-paranoid scrutiny of his new comrades-at-arms, Shane finds himself in a snare far greater than any he could have expected. His estranged wife may be the only one who can get Shane out of this mess alive. The question is: Is she willing to do so?

**Remake** Random House Trade Paperbacks

The bestselling author and Emmy Award-winning writer/producer sets this action-packed Shane Scully thriller in the high-stakes world he knows best--Hollywood. Martin's Press.

*The Main Tendencies of Victorian Poetry* Sunbury + ORM

From USA Today Bestselling author, Alexandra Silva, comes a contemporary MMA Sports romance loaded with laugh-out-loud banter and hot as hell chemistry. Choices have never been something I'm good at. They have a tendency to bite back. And one night with Rory Knight, MMA World Champion and unexpected sex god, doesn't just bite back, it swallows me whole. One night becomes a promise of six months. No strings attached. No consequences. No expectations. Just fun. But with a guy like Rory, fun always has consequences. His world is filled with expectations. Before we know it, we're tangled up in headlines. Fun with Rory makes me one of the most hated women in the world. And if that wasn't enough, my past is coming back to haunt me. I'm stalked and hunted, and in the end, the only choice I have is to let Rory go. The only problem is that fighting him is a hopeless cause. And Fighting fate...never has a happy ending. Does it?

The Good, the Bad, & the Ugly: Philadelphia Phillies MacMillan Publishing Company

The Good, the Bad, & the Ugly: Philadelphia Phillies presents all the best moments and personalities in the history of the Phillies. It also unmask the bad, the regrettably awful, and the unflinchingly ugly. In an entertaining and unsparing fashion, author Todd Zolecki has written a book that sparkles with Phillies highlights, lowlights, wonderful and wacky memories, legends and goats, the famous, and the infamous. You'll relive the rapturous season of the Whiz Kids and the magical 2008 run to the World Series, but also the lows of the historically inept Phillies of the 1930s and the equally historic collapse of 1964. You'll celebrate the incredible majesty of a Mike Schmidt home run, but you'll lament the devastation of Mitch Williams' infamous gopher ball to Joe Carter.

**Thirteen Doorways, Wolves Behind Them All** Avon Books

The beloved and award-winning novel now available in a new format with a great new cover! When Wesley Boone writes a poem for his high school English class, some of his classmates clamor to read their poems aloud too. Soon they're having weekly poetry sessions and, one by one, the eighteen students are opening up and taking on the risky challenge of self-revelation. There's Lupe Alvarin, desperate to have a baby so she will feel loved. Raynard Patterson, hiding a secret behind his silence. Porscha Johnson, needing an outlet for her anger after her mother OD's. Through the poetry they share and narratives in which they reveal their most intimate thoughts about themselves and one another, their words and lives show what lies beneath the skin, behind the eyes, beyond the masquerade.

Wheel of Fortune Forever Yours

National Book Award 2019 Finalist! From the author of Printz Medal winner Bone Gap comes the unforgettable story of two young women—one living, one dead—dealing with loss, desire, and the fragility of the American dream during WWII. When Frankie's mother died and her father left her and her siblings at an orphanage in Chicago, it was supposed to be only temporary—just long enough for him to get back on his feet and be able to provide for them once again. That's why Frankie's not prepared for the day that he arrives for his weekend visit with a new woman on his arm and out-of-state train tickets in his pocket. Now Frankie and her sister, Toni, are abandoned alongside so many other orphans—two young, unwanted women doing everything they can to survive. And as the embers of the Great Depression are kindled into the fires of World War II, and the shadows of injustice, poverty, and death walk the streets in broad daylight, it will be up to Frankie to find something worth holding on to in the ruins of this shattered America—every minute of every day spent wondering if the life she's able to carve out will be enough. I will admit I do not know the answer.

But I will be watching, waiting to find out. That's what ghosts do. A Victorian Anthology, 1837-1895 Macmillan

THREE CLASSIC SCI-FI NOVELLAS IN ONE VOLUME—from a Hugo and Nebula award-winning author In Terra Incognita, Connie Willis explores themes of love and mortality while brilliantly illuminating the human condition through biting satire. Uncharted Territory Findriddy and Carson are explorers, dispatched to a distant planet to survey its canyons, ridges, and scrub-covered hills. Teamed with a profit-hungry indigenous guide of indeterminate gender and an enthusiastic newcomer whose specialty is mating customs, the group battles hostile terrain as they set out for unexplored regions. Along the way, they face dangers, discover treasures, and soon find themselves in an alien territory of another kind: exploring the paths and precipices of sex—and love. *Remake* In the Hollywood of the future, live-action movies are a thing of the past. Old films are computerized and ruthlessly dissected, actors digitally ripped from one film and thrust into another. Humphrey Bogart and Marilyn Monroe in *A Star Is Born*? No problem. Hate the ending? Change it with the stroke of a key. Technology makes anything possible. But a starry-eyed young woman wants only one thing: to dance on the big screen. With a little magic and a lot of luck, she just may get her happy ending. D.A. Theodora Baumgarten is baffled and furious: Why was she selected to be part of a highly competitive interstellar cadet program? After all, she never even applied. But that hasn't stopped the powers that be from whisking her onto a spaceship bound for the prestigious Academy. With her protests ignored, Theodora takes matters into her own hands, aided by her hacker best friend, to escape the Academy and return to Earth—only to uncover a conspiracy that runs deeper than she could have imagined. Praise for *Terra Incognita* "Willis's lively, funny forays into futuristic territory shine as brightly today as when originally released. . . . In all three stories, the protagonists find their narrow concepts of life challenged and expanded by possibilities created through technology. As a collection, these smart, accessible shorts make for an entertaining initiation or reintroduction into the world of one of sci-fi's greatest treasures."—Shelf Awareness "A master of fantasy playfully combines science fiction with other genres in three antic novellas. . . . Clever, funny, thought-provoking, and sweet, these stories are classic Willis."—Kirkus Reviews

Vertical Coffin Forever Yours

Driving along the freeway, Shane Scully glances over and sees Jody Dean, his oldest friend and LAPD colleague, at the wheel of an adjacent car. Why is Scully so surprised? Because it's been two years since Jody committed suicide in the Rampart Division parking lot by blowing his brains out with a service revolver. Shane served as a pallbearer at the funeral. What Scully will discover is that Jody and five other cops who are supposed to be dead are anything but; originally sent deep undercover to bust an extremely violent criminal network, they have become the LAPD's worst nightmare. Calling themselves the Vikings, they are rogue cops who know how the system works. In order to penetrate the group and set his cover, Scully is supposed to shoot his fiancée, Alexa. The setup goes awry and Shane finds himself looking down at his future wife's body. He is soon driven into the corridors of near-madness and into the bed of an extremely beautiful and utterly ruthless corporate seductress who threatens to destroy his soul. Shane's desperate and deadly undercover journey takes him from the embrace of Alexa and his teenage son, Chooch, to the Caribbean island of Aruba--to the decadence of Columbia's opulent palaces and the desperation of its deadly streets. In *Viking Funeral*, an electrifying thriller from Stephen J. Cannell, Sergeant Scully is driven to the psychological brink, his life in the hands of the most dangerous killer he's ever known--his closest

childhood friend.

*Bronx Masquerade* Amy Rachiele

Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

*The works of Tennyson* Triumph Books

LAPD detective Shane Scully fights to save a man railroaded for murder, while he struggles to save his marriage.

*Winning It All* Macmillan

From the bestselling author of the San Francisco Thunder series comes a sexy forbidden romance between a determined hockey player and the woman he won't let get away. As his team's enforcer on the ice, Sebastian Deveau is America's favorite fighting Frenchman. But he's just as likely to get into trouble off the ice -- especially when it comes to women. Shayne Beckford is so over hockey. It ruined her parents' marriage. It spoiled her brother's dreams. And let's not even talk about her college boyfriend . . . So when Sebastian Deveau walks into her brother's gym, she has no idea who he is. All she knows is that he's one gorgeous man with the sexiest accent she's ever heard. And since she never has to see him again, she lets him give her the best orgasm of her life right on top of the gym's dryer. But Sebastian isn't going to let this one-night stand get away so easily. He fights for what he wants, even if it takes fighting a little dirty . . .

*Billboard* St. Martin's Press

ONE IS his beloved. Leaving L.A.'s Parker Center, Shane Scully and his wife, Alexa, agree to meet at home...but Alexa never arrives. Then Shane's called to a crime scene on Mulholland Drive, where the victim, an apparent gang member, has been executed—and left in Alexa's car. Her gun is the likely murder weapon. THE OTHER Is his Nemesis. As Shane desperately tries to find Alexa, his leads point to a feud between two gangsta-rap record companies, both heavily manned by Crips and Bloods. At the center of this war is a ruthless, beautiful Lady Macbeth-like white woman raised in Compton. Married to a multi-millionaire rap mogul, she is known as the White Sister. It's his worst nightmare come true... Shane is no stranger to big trouble, but he's never before been smeared as a "racist cop" or thrown in jail while there's a hit out on him. Much worse is the unknown fate of Alexa, and the fact that in the mysterious White Sister—who holds the clue to a sinister conspiracy—he may have met his match.

*Baby It's Cold Outside* St. Martin's Press

The bestselling novelist and award-winning Hollywood producer weaves a high-tension novel of suspense around a chilling conspiracy of corruption within the LAPD, reminiscent of the classic movie "Chinatown." Inside the department, they're called Tin Collectors: Internal Affairs Agents, the police of the police. If they catch you breaking the rules, they'll come after your badge. If they want you badly enough, they'll collect more than just your tin. LAPD Detective Shane Scully is startled awake in the middle of the night by a call from his ex-partner's wife, who is being beaten by her abusive husband. Racing to their house to stop the fight, Scully ends up killing his ex-partner, a cop who is beloved within the department. Suddenly, Scully finds himself an outcast, shunned by his fellow cops who intend to exact vengeance no matter what the cost. Internal Affairs zeroes in on the "renegade" cop with their sharpest young prosecutor, the ice queen Alexa Hamilton, who has her own reasons for taking revenge on Scully. Desperate to save his career, Scully starts kicking over rocks within the LAPD. What he uncovers is pure evil: a conspiracy

going to the very top that ultimately threatens not just his own life but that of a young teenage boy, Chooch, entrusted to Scully's care by his mother - Sandy Sandoval. Known as the Black Widow, Sandy is a beautiful and courageous woman who also happens to be the LAPD's most important undercover informant, and Scully will do anything to keep her son safe. Stephen J. Cannell combines mystery and violence, loyalty and passion in a tale with an ending as unpredictable as LA itself.

*The Tin Collectors* Penguin

A beautiful Kirkassi girl, cold-eyed villains and smiling killers, a bazaar merchant peddling slightly used dreams—could any young adventurer ask for more? Not Carlo Chuchio, who is seeking hidden treasure on the legendary Road of Golden Dreams. With Baksheesh, the world's worst camel-puller, Carlo leads a caravan through the realm of Keshavar. Robbed of all but his underdrawers, mistaken for a mighty warrior and then for a crown prince, Carlo risks his life for a prize that may not even exist. Newbery medalist Lloyd Alexander weaves a glorious tale of adventure, love, and the treasures that matter most. The Golden Dream of Carlo Chuchio is a 2008 Bank Street - Best Children's Book of the Year.

*The Honduras Gazette and Commercial Advertiser* Macmillan

After a riotous debut collection, Ant Farm, Simon Rich returns to mine more comedy from our hopelessly terrifying world. In the nostalgic opening chapter, Rich recalls his fear of the Tooth Fairy ("Is there a face fairy?") and his initial reaction to the "Got-your-nose" game ("Please just kill me. Better to die than to live the rest of my life as a monster"). He gets inside the heads of two firehouse Dalmatians who can't understand their masters' compulsion to drive off to horrible fires every day ("What the hell is wrong with these people?"). And in the final chapter, he tackles one of life's biggest questions: Does God really have a plan for us? Yes, it turns out. Now if only He could remember what it was. . . .

*Three Shirt Deal* iUniverse

Winner of more Hugo and Nebula Awards than any other science fiction author, Connie Willis is one of the most powerfully imaginative writers of our time. In *Remake*, she explores the timeless themes of emotion and technology, reality and illusion, and the bittersweet place where they intersect to make art. It's the Hollywood of the future, where moviemaking's been computerized and live-action films are a thing of the past. It's a Hollywood where Humphrey Bogart and Marilyn Monroe are starring together in *A Star Is Born*, and if you don't like the ending, you can change it with the stroke of a key. A Hollywood of warmbodies and sim-sex, of drugs and special effects, where anything is possible. Except for what one starry-eyed young woman wants to do: dance in the movies. It's an impossible dream, but Alis is not willing to give up. With a little magic and a lot of luck, she just might get her happy ending after all.

*The Viking Funeral* Penguin

How do you say no to a man at thirty-thousand feet? When Grier Thompson is called to Indigo, Alaska to deal with the estate of her late, estranged father, the last thing she expected to find was a hotly contested will, a hostile half-sister who never knew Grier existed, or for that matter, an entire town that doesn't take kindly to this stranger. Except maybe for Mick O'Shaughnessy. An Indigo native, Mick has all he wants in life: a soft flannel shirt, a nice cottage, and a thriving airline charter business. Could this simple life get any better? One look at Grier and Mick discovers the answer is a resounding, "yes." She thinks so too—and if it weren't for her family baggage, maybe she could relax and enjoy herself before it's time to return to real life. But then an unexpected visitor from Grier's past unsettles the entire town just when the

residents were finally starting to warm to her. By the time Mick comes out of the clouds to realize he's fallen head over heels in love, it might be just too late to win Grier's heart.

#### Hollywood Tough St. Martin's Press

The Lamon Nursing Home is owned by Adele Lamon, a woman in her late thirties. After being jilted by her lover, Adele devotes her life to the elderly. No more than twelve residents are allowed at any given time but Adele makes an exception when handsome Paul Landis charms her into accepting his father. Harry Landis is in good health but incapacitated with two broken legs. Adele has no inkling Harry has faked the injury, never dreams Harry and Paul are not father and son but a con artist and his accomplice. The residents of the home include Simcha Godensky, an Israeli who escaped Poland and later joined Israel's intelligence force. Clare Kohler, consort to Nazis, grew up in wartime Berlin. Rose Reilly has spent her entire adult life running from the worst sins she can imagine. Charlie Capoli only remembers the good old days when he was part of the Chicago mob. Mila Orsova is a retired psychic. Harry's sole reason for getting into the nursing home is to meet Roger San Hamel, their mark. Roger's passion

was collecting precious gems. A surprise awaits Harry and Paul after they steal Roger's jewels.

#### The Complete Poems Penguin

In the war against vampires, mankind has only one hope: The Dark-Hunters. Ancient warriors who died of brutal betrayal, the Dark-Hunters have sworn themselves into the service of the goddess Artemis to protect us. It's a pact with pretty good perks. Immortality, power, psychic abilities, wealth and a cool wardrobe. But it comes with a few drawbacks: fatal sun poisoning and a new, irreparable dental problem. But aside from the fangs and nocturnal lifestyle, it's not so bad. In this volume, the adventure continues with Talon and Sunshine as they face off against the Greek and Celtic gods bent on making a major comeback.
