Finalist for the 2016 Man Booker Prize Winner of the 2016 Paris Review Plimpton Prize for Fiction A magnificent and ambitiously conceived portrait of contemporary life, by a genius of realism All That Man Is traces the arc of life from the spring of youth to the winter of old age by following nine men who range from the working-class ex-grunt to the pompous college student, the middle-aged loser to the Russian oligarch. Ludicrous and inarticulate, shocking and despicable, vital, pitiable, and hilarious, these men paint a picture of modern manhood. David Szalay is a master of a new kind of realism that vibrates with detail, intelligence, relevance, and devastating pathos. In All That Man Is, a Man Booker Prize finalist and the winner of the Gordon Burn Prize and the Plimpton Prize, he brilliantly illuminates the physical and emotional terrain of an increasingly globalized Europe. "Szalay's prose . . . is frequently brilliant, remarkable for its grace and economy . . . [All That Man Is] has a new urgency now that the post-Cold War dream of a Europe of open borders and broad, shared identity has come under increasing question." —Garth Greenwell, The New York Times Book Review "Szalay does so much and so well that we come to view his snapshots of lives as brilliant, captivating dramas." —Star Tribune (Minneapolis) "A 100-megawatt novel: intelligent, intricate, so very well made, the form perfectly fitting the content. When I reached the end, I turned straight back to the start to begin again." —The Sunday Times (London)

The Transgender Craze Seducing Our Daughters Read Books Ltd

The Gray Man is back in another nonstop international thriller from the #1 New York Times bestselling coauthor of Tom Clancy's Jack Ryan novels. Fresh off his first mission back with the CIA, Court Gentry secures what seems like a cut-and-dried contract job: A group of expats in Paris hires him to kidnap the mistress of Syrian dictator Ahmed Azzam to get intel that could destabilize Azzam's regime. Court delivers Bianca Medina to the rebels, but his job doesn't end there. She soon reveals that she has given birth to a son, the only heir to Azzam's rule—and a potent threat to the Syrian president's powerful wife. Now, to get Bianca's cooperation, Court must bring her son out of Syria alive. With the clock ticking on Bianca's life, he goes off the grid in a free-fire zone in the Middle East—and winds up in the right place at the right time to take a shot at bringing one of the most brutal dictatorships on earth to a close...

Momo Serious Men: A Novel

On the day that Hindu nationalists and their controversial leader have won a spectacular election victory, a large apartment building collapses in Mumbai. The rescue operation finds a single survivor trapped under a beam. The only person able to reach him is Akhila Iyer, a medical student who is also a notorious prankster. Crawling through the rubble to administer first aid, she finds him mumbling in delirium that a young Muslim couple are on their way to carry out a terror attack. Elsewhere, an intelligence agent, Mukundan, is assigned to shadow two terror suspects, one of whom is the teenager Laila, sweetheart of her street. Time is running out and the chase is on...

Pervasive in its comic realism, wicked in its humour and broad-based in its canvas, Miss Laila, Armed and Dangerous is a fierce, profound and illuminating portrait of our age of globalisation and populist politics.

Serious Men Purple Prose Press LLC

Jesse Ward is back in the newest novel in the #1 New York Times bestselling This Man series! "The raw emotion and vulnerability is breathtaking." - RT Book Reviews "Super steamy, emotionally intense" - Library Journal Life is good for Jesse "The Lord" Ward. Perfect, actually. He still has the charm, he's in great shape, and he still reduces his wife, Ava, to a pool of desire with a mere look. He's in full control, just how he likes it. But Jesse's perfect world falls apart when a terrible accident lands Ava in the hospital with a life-threatening head injury. Devastated and angry, he feels like his entire existence hangs in the balance. He cannot survive without this woman's love. So when she finally comes around, his shaking world begins to level out. But his nightmare doesn't end there. It's only just begun. Because his wife can't remember the last sixteen years of her life. That's all of him. All of their time together. He is a stranger to her. Now Jesse must do whatever it takes to find her memories . . . and help her fall madly, passionately in love with him all over again.

The Average American Male Little, Brown

Samuel Langhorne Clemens (1835–1910), more commonly known under the pen name Mark Twain, was an American writer, lecturer, publisher and entrepreneur most famous for his novels "The Adventures of Tom Sawyer" (1876) and "The Adventures of Huckleberry Finn" (1884). The last novel he ever wrote, Twain's "Personal Recollections of Joan of Arc" is an 1896 historical novel that chronicles the life of Joan of Arc. A gripping and informative novel that will appeal to those with an interest in French history and the heroine Hundred Years' War in particular. Other notable works by this author include: "The Gilded Age: A Tale of Today" (1873), "A Tramp Abroad" (1880), and "The Prince and the Pauper" (1881). Read & Co. Classics is proudly republishing this fantastic novel now in a new edition complete with a specially-commissioned biography of the author.

Little Big Man BookRix

Growing up in a rural countryside with her distant hippie-ish mother, Maya finds herself an outsider in the all-girl community of her new boarding school, where she encounters fellow outcast Roe, whose friendship helps Maya explore the complexities of adolescence and adulthood, friendship, self-identity, love, and life. A first novel. 15,000 first printing.

Serious Men: A Novel MacMillan Caribbean

Ousep Chacko, journalist and failed novelist, prides himself on being "the last of the real men." His wife, Mariamma, finds ways to feed her family despite their lack of money, but in her spare time she fantasizes about Ousep's early death. One day, their seventeen-year-old son, Unni—a boy obsessed with comics—does something terrible and inexplicable. Ousep and Mariamma separately try to solve the mystery of Unni's action but find no answers. Three years later, Ousep receives a package that sends him back to the search. He starts to hound his son's friends and a famous neurosurgeon. Meanwhile, younger son Thoma—a twelve-year-old with below-sea-level self-esteem—falls desperately in love with their haughty, beautiful teenage neighbour, who has her own secrets. The

Illicit Happiness of Other People—a smart, wry and poignant novel—is part mystery, part philosophy and part unlikely love story.

A Fable of Resistance Harper Collins

The Strange Case of Dr. Jekyll and Mr. Hyde is about a London lawyer named Gabriel John Utterson who investigates strange occurrences between his old friend, Dr. Henry Jekyll, and the evil Edward Hyde. There are two personalities within Dr. Jekyll, one apparently good and the other evil; completely opposite levels of morality. The novel's impact is such that it has become a part of the language, with the very phrase "Jekyll and Hyde" coming to mean a person who is vastly different in moral character from one situation to the next. 'The Strange Case of Dr. Jekyll and Mr. Hyde' is a thrilling Gothic horror novel. John Utterson, a prosecutor, is on his weekly walk with his relative, who proceeds to tell him of an encounter with a man he had seen some months ago while coming home late at night from Cavendish Place. The tale describes a sinister figure named Edward Hyde who tramples a young girl, disappears into a door on the street, and re-emerges to pay off her relatives with 10 pounds in gold and a cheque signed by respectable gentleman Dr. Henry Jekyll (a client and friend of Utterson's) for 90 pounds. Jekyll had recently and suddenly changed his will to make Hyde the sole beneficiary. This development concerns and disturbs Utterson, who makes an effort to seek out Hyde. Utterson fears that Hyde is blackmailing Jekyll for his money. Upon finally managing to encounter Hyde, Hyde's ugliness, as if deformed, amazes Utterson. Although Utterson cannot say exactly how or why, Hyde provokes an instinctive feeling of revulsion in him. Much to Utterson's surprise, Hyde willingly offers Utterson his address. After one of Jekyll's dinner parties, Utterson stays behind to discuss the matter of Hyde with Jekyll. Utterson notices Jekyll turning pale, yet he assures Utterson that everything involving Hyde is in order and that he is to be left alone.

Serious Men: A Novel HarperCollins

"I can't figure out if this book is a heart-felt dispatch from the front line in the battle of the sexes or a brilliant send-up of the way in which the male point of view has been misrepresented by militant feminists. I suspect it may be both." --Toby Young, New York Times bestselling author of *How to Lose Friends and Alienate People* An offensive, in-your-face, brutally honest and completely hilarious look at male inner life and sexual fantasy. In the course of this hilariously honest book, our narrator suffers through a relationship with his wannabe-actress girlfriend until he finds the perfect girl. But when he moves into the new relationship, he slowly realizes he thinks that all women are pretty much the same, that his true desires will never be fulfilled, and the decision between living life alone or biting the marriage bullet must be made.

Crazy Sorrow Simon and Schuster

This is a story about how modern masculinity is killing the world, and how feminism can save it. It's a story about sex and power and trauma and resistance and persistence. It's a story about how you can track the crisis of democracy against the crisis of White masculinity, and how the far right is rising in response to both. It's a story about a social change. And at the centre of that story is one simple idea: we are in the middle of a sexual revolution. Laurie Penny charts how, in our era of crisis, we are also witnessing a productive transformation: profound and permanent changes in how we define gender, sex, consent and whose bodies matter. These changes threaten the social and economic certainties that form our world. They threaten existing power structures, and they

undermine the authority of institutions from the waged workplace to the nuclear family. No wonder the far right is fighting back so hard. *Sexual Revolution* is a hand grenade of a book: both a manifesto for social change and a story of how feminism can save us.

Serious Men W. W. Norton & Company

The Neverending Story is Michael Ende's best-known book, but Momo—published six years earlier—is the all-ages fantasy novel that first won him wide acclaim. After the sweet-talking gray men come to town, life becomes terminally efficient. Can Momo, a young orphan girl blessed with the gift of listening, vanquish the ashen-faced time thieves before joy vanishes forever? With gorgeous new drawings by Marcel Dzama and a new translation from the German by Lucas Zwirner, this all-new 40th anniversary edition celebrates the book's first U.S. publication in over 25 years.

Irreversible Damage Vintage

Serious Men: A Novel W. W. Norton & Company

Their Eyes Were Watching God Houghton Mifflin Harcourt

An expansive yet intimate story of desire, artistic ambition, and fidelity, set in the glamorous literary and film circles of 1950s Italy In July of 1953, at a glittering party thrown by Truman Capote in Portofino, Italy, Tennessee Williams and his longtime lover Frank Merlo meet Anja Blomgren, a mysterious young Swedish beauty and aspiring actress. Their encounter will go on to alter all of their lives. Ten years later, Frank revisits the tempestuous events of that fateful summer from his deathbed in Manhattan, where he waits anxiously for Tennessee to visit him one final time. Anja, now legendary film icon Anja Bloom, lives as a recluse in present-day America, until a young man connected to the events of 1953 lures her reluctantly back into the spotlight after he discovers she possesses the only copy of an unknown play--Tennessee's last. What keeps two people together and what breaks them apart? Can we save someone else if we can't save ourselves? With emotional clarity and grace, *Leading Men* seamlessly weaves fact and fiction to navigate the tensions between public figures and their private lives. In an ultimately heartbreaking story about the burdens of fame and the complex negotiations of life in the shadows of greatness, Castellani creates an unforgettable leading lady in Anja Bloom and reveals the hidden machinery of one of the great literary love stories of the twentieth-century.

Hearts in Atlantis HarperCollins

The creator of the incredibly popular webcomic xkcd presents his heavily researched answers to his fans' oddest questions, including "What if I took a swim in a spent-nuclear-fuel pool?" and "Could you build a jetpack using downward-firing machine guns?" 100,000 first printing.

A Novel Prabhat Prakashan

In a classic work of alternate history, the United States is divided up and ruled by the Axis powers after the defeat of the Allies during World War II. Reissue. Winner of the Hugo Award for Best Novel.

A Little Life Little, Brown

Sydney West enjoys sampling summer boys, but this year, one refuses to be a one-night stand... Twenty-one-year-old Sydney doesn't believe in relationships. Her parents' toxic divorce has taught her love is nothing but a sinister fairytale. So every summer she parties, hooks up, abandons her lover before dawn, and repeats. That is until she meets gorgeous local surfer Jason King at the beach... When Jason fails to flirt-or even give her a second glance-she decides something must be

wrong with him, and it's safer to stay away. But when Sydney and Jason's best friends hook up and become Malibu's hottest couple, they are forced to spend more time together than either of them cares for. Armed with a sharp tongue, Sydney works to keep Jason at bay... In a moment of weakness, Sydney lets her guard down and confides in Jason, realizing he's more than just a hot guy—he's also a friend. And when Sydney's need for a summer boy results in her falling into bed with Jason, despite her better judgment, she runs away from him by morning. The problem is, he won't accept being another one-night stand, and will do anything to prove... Love really does exist.

The Power Myriad Editions

In this thought-provoking and playful short story collection, David Foster Wallace nudges at the boundaries of fiction with inimitable wit and seductive intelligence. Wallace's stories present a world where the bizarre and the banal are interwoven and where hideous men appear in many guises. Among the stories are 'The Depressed Person,' a dazzling and blackly humorous portrayal of a woman's mental state; 'Adult World,' which reveals a woman's agonized consideration of her confusing sexual relationship with her husband; and 'Brief Interviews with Hideous Men,' a dark, hilarious series of imagined interviews with men on the subject of their relations with women. Wallace delights in leftfield observation, mining the absurd, the surprising, and the illuminating from every situation. This collection will enthrall DFW fans, and provides a perfect introduction for new readers.

Agent in Place Bloomsbury Publishing

Rage is an unprecedented and intimate tour de force of new reporting on the Trump presidency facing a global pandemic, economic disaster and racial unrest. Woodward, the #1 international bestselling author of *Fear: Trump in the White House*, has uncovered the precise moment the president was warned that the Covid-19 epidemic would be the biggest national security threat to his presidency. In dramatic detail, Woodward takes readers into the Oval Office as Trump's head pops up when he is told in January 2020 that the pandemic could reach the scale of the 1918 Spanish Flu that killed 675,000 Americans. In 17 on-the-record interviews with Woodward over seven volatile months—an utterly vivid window into Trump's mind—the president provides a self-portrait that is part denial and part combative interchange mixed with surprising moments of doubt as he glimpses the perils in the presidency and what he calls the “dynamite behind every door.” At key decision points, *Rage* shows how Trump's responses to the crises of 2020 were rooted in the instincts, habits and style he developed during his first three years as president. Revisiting the earliest days of the Trump presidency, *Rage* reveals how Secretary of Defense James Mattis, Secretary of State Rex Tillerson and Director of National Intelligence Dan Coats struggled to keep

the country safe as the president dismantled any semblance of collegial national security decision making. *Rage* draws from hundreds of hours of interviews with firsthand witnesses as well as participants' notes, emails, diaries, calendars and confidential documents. Woodward obtained 25 never-seen personal letters exchanged between Trump and North Korean leader Kim Jong Un, who describes the bond between the two leaders as out of a “fantasy film.” Trump insists to Woodward he will triumph over Covid-19 and the economic calamity. “Don't worry about it, Bob. Okay?” Trump told the author in July. “Don't worry about it. We'll get to do another book. You'll find I was right.”

Brief Interviews with Hideous Men Lulu.com

A haunted woman's reclusively ordered world is thrown into chaos by a houseguest who bullies her into reality and brings love into her life. A first novel by the best-selling author of *No One Belongs Here More Than You*. 125,000 first printing.

Rage W. W. Norton & Company

NAMED A BOOK OF THE YEAR BY THE ECONOMIST AND ONE OF THE BEST BOOKS OF 2021 BY THE TIMES AND THE SUNDAY TIMES "Irreversible Damage . . . has caused a storm. Abigail Shrier, a Wall Street Journal writer, does something simple yet devastating: she rigorously lays out the facts."

—Janice Turner, *The Times of London* Until just a few years ago, gender dysphoria—severe discomfort in one's biological sex—was vanishingly rare. It was typically found in less than .01 percent of the population, emerged in early childhood, and afflicted males almost exclusively. But today whole groups of female friends in colleges, high schools, and even middle schools across the country are coming out as “transgender.” These are girls who had never experienced any discomfort in their biological sex until they heard a coming-out story from a speaker at a school assembly or discovered the internet community of trans “influencers.” Unsuspecting parents are awakening to find their daughters in thrall to hip trans YouTube stars and “gender-affirming” educators and therapists who push life-changing interventions on young girls—including medically unnecessary double mastectomies and puberty blockers that can cause permanent infertility. Abigail Shrier, a writer for the Wall Street Journal, has dug deep into the trans epidemic, talking to the girls, their agonized parents, and the counselors and doctors who enable gender transitions, as well as to “detransitioners”—young women who bitterly regret what they have done to themselves. Coming out as transgender immediately boosts these girls' social status, Shrier finds, but once they take the first steps of transition, it is not easy to walk back. She offers urgently needed advice about how parents can protect their daughters. A generation of girls is at risk. Abigail Shrier's essential book will help you understand what the trans craze is and how you can inoculate your child against it—or how to retrieve her from this dangerous path.
