McGraw-Hill Companies

This book provides a thorough and curriculum-focused review of all topics and concepts per the College Board's most current AP Psychology course outline. The content is organized into twelve chapters and is centered around

all topics tested on the AP Psychology exam. The information is presented in a clear and easy to understand style. You can focus on one psychology topic or sub-topic at a time to fully comprehend and internalize important theories and relationships. Scoring well on AP exams is important for admission to college. To achieve a high score on AP Psychology exam, you need to develop a solid knowledge and understanding of theories, principles and phenomena of human and animal behavior and mental processes. You need to learn how to interrelate different content areas and analyze psychological concepts and theoretical perspectives. You must be able to use analytical and organizational skills to quickly pick correct answers to the exam's multiple choice questions

and to formulate clear responses to essay questions..This book can be used both as the text during your AP Psychology course and as review guide before the exam. By using it as your study tool you will develop the necessary skills and will be well prepared for the AP Psychology course and exam..The content is developed and edited by highly qualified educators, psychology scholars and clinicians with an emphasis on the curriculum and skills outlined by the College Board for AP Psychology course. It was then reviewed for quality and consistency by our team of editors who are experts on teaching and preparing students for standardized tests.

Announcing a new Myers/DeWall text, created specifically for the Fall 2019 AP® course framework! You are likely familiar with the name Dr. David G. Myers. Now, he and his new co-author, Nathan DeWall, bring you a book that will allow you to use College Board's new Personal Progress Checks and Dashboard more effectively. This updated edition includes 100% of the new course content in the new nine-unit structure. All teacher and student resources will also be updated to correlate to the new student edition; this includes the TE, TRFD, TB, Strive, and LaunchPad. Everything will publish in summer 2020 such that you can use this new program for Fall 2020 classes. If you're not familiar with Myers/DeWall

texts, you are in for a treat! Drs. Myers and DeWall share a passion for the teaching of psychological science through wit, humor, and the telling of poignant personal stories (individually identified in the text by the use of each author's initials [DM and ND]). Through close collaboration, these authors produce a unified voice that will teach, illuminate, and inspire your AP® students.
