It Jeanius Publishing, LLC. A manifesto of love, invitation and invocation to humanity Refreshingly candid, hilarious and insightful, Dear Human is the key necessary to unlock a whole new way of thinking...it is progressive and expansive. It provides insight to the soul that many of us have either: A) never seen or B) overlooked in our travels on this earthly plane. Dear Human asks the reader to embrace our glorious messiness, to love to the best of our ability, to continue to learn and grow, to be willing to show up and get out of the way. It blows up old programs and conditioned ways of thinking and expands the reader into new ways of thinking about timeless themes. It asks us to merge and honor our divinity and humanity equally. These chapters resonate what it means to be whole, real, authentic and loved while simultaneously showing the pathway to the freedom of enlightened empowerment. Be open to all your feelings and look to laugh and love with each and every breath. The spectrum from compassion to ego/emotional triggers is

unabashedly discussed and honored within these pages. Words such as judgment, cooperation, feelings, growth, ease, resilience and harmony all have a place here. This creation strives to have the population rethink their inner workings, conditioned responses and self-imposed limitations. Dear Human elevates the spirit to an accomplished, soul-filling and revered place--a place of light.

Pillow Thoughts III

Andrews McMeel Publishing

Nothing is as it seems in this chilling, twisting tale by bestselling author Andrea Portes, perfect for fans of Madeleine Roux and Danielle Vega. Rife with dark humor and chilling twists, This Is Not a Ghost Story is American Horror Story meets There's Someone Inside Your House. It will have readers flipping back to the very first page after the shocking finale. I am not welcome. Somehow I know that. Something doesn't want me here. Daffodil Franklin has plans for a quiet summer before her freshman year at college, and luckily, she's found the job that can give her just that: housesitting a mansion for a wealthy couple. But as

the summer progresses and shadows lengthen, Daffodil comes to realize the house is more than it appears. The spacious home seems to close in on her, and as she takes the long road into town, she feels eyes on her the entire way, and something tugging her back. What Daffodil doesn't yet realize is that her job comes with a steep price. The house has a long-ago grudge it needs to settle . . . and Daffodil is the key to settling it.

Nocturnal Andrews McMeel

An occupied desert nation. A radical from the wilderness on hunger strike. A girl whose mysterious dance will change the course of the world. This charged retelling turns the infamous biblical tale on its head, placing the girl we call Salom♦ at the centre of a revolution.

When Bella Archer lays eyes on Adam Walker for the first time, she's convinced that he's the perfect guy for her. But when she learns that every girl in the school feels the same way, she's disappointed to learn just how hard it is to make Adam hers. When she

isn't able to get over her growing crush for him or get any of his attention, she does what she swore she would never do. She makes the first move. After slipping an anonymous note into Adam's locker and impatiently waiting for his text, Adam and her immediately hit it off. While Bella falls harder for Adam she helps him get over his late ex girlfriend, which she finds to be at her own advantage. The two go through a series of exciting, tearful, and dangerous events before they're able to reveal their true selves to each other.

Sad Birds Still Sing

Andrews McMeel Publishing
In *Spilled Words*, the newest addition to Cici B's growing list of raw and profound written works, she delivers a filterless snapshot of her love, pain, growth and resolve. Her trademark wittiness seamlessly blends with a familiar approach yet entirely new format to her writing. It is a story unlike any other in that it is made up entirely of quotes, but still somehow paints a beautiful and complete picture. If actions speak louder than words, her latest piece shows that she not only lives and breathes her words, she bleeds them, and spills them unapologetically onto the page.

The Crimson Kiss Quote Collection

Andrews McMeel Publishing

From @wilderpoetry comes a heavily expanded revised edition of *Nocturnal*, a collection of poetry and beautifully illustrated black-and-white imagery inspired by darkened days and sleepless nights. Poetry meets presentation in each of the four sections ("Dusk," "Northern Lights," "Howl," "Lucid Dreams,"), which trace the author's continuing journey of self-discovery while illuminating a path for others along the way. Ink stains, landscapes, dreamlike animals, blackened pages, and textured spreads create a multifaceted reading experience. And true to the moniker, these poems are linked by a motif of "the wild." Celebrating the art of self-love poetry with both word and image, *Nocturnal* will leave readers comforted, curious, and inspired to explore the world around them.

A Love Letter from the Girls Who Feel Everything

"Today I inked my skin with your name Not because I like the look and not because I love you I got a tattoo because I enjoy the feeling of knowing it will never leave me even if you decide to"

The poetry of 2am Thoughts condenses an entire relationship, with all its untamed emotions and experiences, into a single day. As the long hours of the night drag on, we experience the obsession, fear, neuroticism, and the deep, universal longing for love: "All I've ever wanted is to feel wanted by you" When the dawn breaks, the morning sun brings acceptance, healing, and recovery: "One day you too will have stopped searching strangers' eyes for companionship. You won't lie in a cold bed with nothing but dark thoughts to warm you. You will not order a pizza for yourself in an empty apartment. One day you will look into your lover's eyes... You will no longer feel alone"

Tech Giants and Freedom of Speech Andrews McMeel Publishing
 "Palmer 'Pal' Campbell has epic breakdown on the 18th hole of the Bermuda Open! Video at 11." After spending my entire pro golfing career being known as the quiet, controlled, no-nonsense golfer on the tour, there's nothing more humiliating than throwing all of that down the drain—or into a water hazard—on national television. Needing some

place to hide, to lick my wounds and figure out what I even want to do with my life once this blows over, I can only think of one place I need to be. Summersweet Island, where everyone treats me like one of their own, and they'll all be happy to have me home again. Well, except maybe one person. It's been two years since I last set foot on Summersweet Island or spoke to anyone there. But I'm sure Birdie Bennett, my best friend since I was 15 and the clubhouse manager of my favorite golf course, has had plenty of time to forgive me for that tiny little misunderstanding where I blocked her on social media and blocked her in my phone. Oh, and I guess I kind of, sort of accused her of being a stalker. It's fine! Once my sexy, spunky, former best friend gets over the shock of seeing me again and stops trying to drive a 9-iron into my skull, I can finally let her know I've also kind of, sort of always been in love with her...

A Manifesto of Love, Invitation and Invocation to Humanity
 AuthorHouse
 From despair comes loathing, from loathing comes solitude, from solitude comes wisdom,

from wisdom comes growth, and from growth sprouts a new perspective on life. This is the core of The Feeling May Remain: The icebergs of pain, loss, and grief, submerged in the ocean of love, self-care, and healing. The Feeling May Remain brings the first substantial collection of Akif Kichloo's work to the public. The title Feeling May Remain can be interpreted as an adjective or as a short declarative sentence, something to think about right away. Amidst the uncertainties of this amazing, terrible, magical, horrible yet beautiful life, as Akif puts it, his writing brings new perspectives to existence, with poems that range from cute and sexy to stark and dead serious, hence speaking in more than one way to the sensibilities of his readers from all over the globe.

 This open access monograph argues established democratic norms for freedom of expression should be implemented on the internet. Moderating policies of tech companies as Facebook, Twitter and Google have resulted in posts being removed on an industrial scale. While

this moderation is often encouraged by governments - on the pretext that terrorism, bullying, pornography, "hate speech" and "fake news" will slowly disappear from the internet - it enables tech companies to censor our society. It is the social media companies who define what is blacklisted in their community standards. And given the dominance of social media in our information society, we run the risk of outsourcing the definition of our principles for discussion in the public domain to private companies. Instead of leaving it to social media companies only to take action, the authors argue democratic institutions should take an active role in moderating criminal content on the internet. To make this possible, tech companies should be analyzed whether they are approaching a monopoly. Antitrust legislation should be applied to bring those monopolies within democratic governmental oversight. Despite being in different stages in their lives, Anne Mette is in the startup phase of her research career, while Frederik is one of the most prolific philosophers

in Denmark, the authors found each other in their concern about Free Speech on the internet. The book was originally published in Danish as *Dit opslag er blevet fjernet - techgiganter & ytringsfrihed*. Praise for 'Your Post has been Removed' "From my perspective both as a politician and as private book collector, this is the most important non-fiction book of the 21st Century. It should be disseminated to all European citizens. The learnings of this book and the use we make of them today are crucial for every man, woman and child on earth. Now and in the future." Jens Rohde, member of the European Parliament for the Alliance of Liberals and Democrats for Europe "This timely book compellingly presents an impressive array of information and analysis about the urgent threats the tech giants pose to the robust freedom of speech and access to information that are essential for individual liberty and democratic self-government. It constructively explores potential strategies for restoring individual control over information flows to and about us. Policymakers worldwide

should take heed!" Nadine Strossen, Professor, New York Law School. Author, *HATE: Why We Should Resist It with Free Speech, Not Censorship*.

"A necessary reminder that whatever we are feeling, we are never feeling it alone." —Trista Mateer, author of *Aphrodite Made Me Do It* "There are defining

moments in our lives that we often experience in certain places. It's in these places, that we feel particular emotions, which help shape who we become. For anyone whose emotions are tied to places, this book is for you."—Courtney Peppernell, author of *Pillow Thoughts* By the author of the wildly successful *2am Thoughts*, comes *Nineteen* — titled after the poet's age when she wrote this new book. *Nineteen* is a collection of poetry that broaches heartbreak, love, loss, war, peace, and healing. For every place we go, there is a feeling or memory that's been painted on the walls. You can paint over it, but it will always be there. Even if you can't see it, you know. You can feel the heartbreak inside the bedroom where you lost a love. You can feel the hope at the coffee shop where a beginning happened. You can feel the healing as you sit in the driver's seat, in charge of your own life. "A journey. An exploration. A reminder to put one foot in front of the other even when it's dark because there is always a light waiting for you in the distance."—Wilder, Author of *Nocturnal* "In spare

poems with aphoristic lines and short prose segments, the book speaks to adolescent pain and suffering."—Publishers Weekly Check out Makenzie Campbell's other hit poetry book *2am Thoughts* *Make Me Hate You* Jeanius Publishing, LLC. If he kisses me right now, I'll drown. Every sip of air is shallow and burning, because in the arms of my best friend's brother, I'm the closest I've ever been to sin. His eyes flick to my lips, and I remember the first time I tasted him, seven years ago before I left this town and vowed never to return. His hands grip my waist, and I remember the pain when he rejected me, when my entire world crashed down at his command. His jaw clenches, and my senses come alive with one stinging reminder. I'm not his to kiss, and he's not mine. I tried to stay away from Tyler Wagner, putting an entire country between us. But when his sister's wedding brings us back to the same town, to the same house, I can't avoid him, no matter how hard I try. He's always there, his dark eyes bewitching, luring me into their depths. The memory

of us pulls me under like a rip current, and when he flashes that smile, I lose my breath, along with my will, unable to escape his grip and find the surface. Now, hours before our plus ones arrive for the wedding, I'm in his arms, begging him to make me hate him, knowing he never could. If he kisses me right now, I'll drown. And I'll take him down with me.
