Students of biblical Greek and Hebrew may not know everything they need to know, but they do know there's a lot they need to know! Whether studying for exams or translating passages of Scripture, students need critical information at their fingertips. Instead, it's usually scattered throughout textbooks, self-made crib sheets, and sticky-notes on their computer monitor. Now there's a better way! The Zondervan Get an A! Study Guides to Biblical Greek and Biblical Hebrew are handy, at-a-glance study aids ideal for last minute review, a quick overview of grammar, or as an aid in translation or sermon preparation. Each set contains four information-packed sheets that are laminated and three-hole-punched, making them both durable and portable. The study guides are tied to Zondervan's Basics of Biblical Greek and Basics of Biblical Hebrew.

Entire four-volume set in one-volume! The only complete interlinear Bible available in English--and it's keyed to "Strong's Exhaustive Concordance"! Thousands of pastors, students, and laypeople have found "The Interlinear Bible" to be a time-saving tool for researching the subtle nuances and layers of meaning within the original biblical languages. Featuring the complete Hebrew and Greek texts with a direct English rendering below each word, it also includes "The Literal Translation of the Bible" in the outside column. But what truly sets this resource apart are the Strong's numbers printed directly above the Hebrew and Greek words. Strong's numbers enable even those with no prior knowledge of Greek or Hebrew to easily access a wealth of language reference works keyed to Strong's--Greek/Hebrew dictionaries, analytical lexicons, concordances, word studies, and more. The Hebrew is based on the Masoretic Text and the Greek is from the Textus Receptus. The sources of the texts are documented in the preface, and are essentially the same (with some minor variations) to the Hebrew and Greek texts used by the KJV translators. Only a small minority of Bible students ever achieve the ability to read the original biblical languages. This resource offers a non-threatening tool for those lacking language training to begin exploring the languages of Scripture. - Conveniently includes the entire Hebrew and Greek text of the Bible in one place - Offering a concise, literal translation of each Greek and Hebrew word, it's a great jumping off point for in-depth Bible study and text analysis. FAQ - How large is the type? --5-point

This is The New Testament in the language of Jesus and his countrymen of 1st century Israel, with a word for word translation into English next to each Aramaic word. Aramaic was used in Mel Gibson's film "The Passion of the Christ" to make the film as realistic as possible. This New Testament will surprise and thrill the reader with its power and inspiration coming from the words of "Yeshua" ("Jesus" in ancient Aramaic) as He originally spoke them and a very literal English rendering. Much evidence is presented demonstrating very powerfully that The Peshitta Aramaic NT is the original behind The Greek NT. There are many graphics and even photos from Dead Sea Scrolls to illustrate an Aramaic verse and how a reading was interpreted by a Greek translating the text.620 pages.B&W Hardback 6x9".Pastor Dave is a former high school science teacher with a proficiency in Hebrew, Greek and Aramaic and has been preaching & teaching The Bible since 1976 in several churches in the USA. The Hebrew-English Interlinear ESV Old Testament is an essential volume for all who study the Old Testament in the original Hebrew. On each page the Biblia Hebraica Stuttgartensia (BHS) Hebrew text is laid out word-by-word above an English gloss showing the basic meaning and morphology of each word. For reference, the ESV text is presented separately in a column alongside the Hebrew and English gloss. The Hebrew-English Interlinear ESV Old Testament also features important notes from the BHS critical apparatus related to the textual tradition of the ESV. This is an important resource for pastors, scholars, students, and others who regularly work with the Hebrew Old Testament. All previous Biblical Hebrew lexicons have provided a modern western definition and perspective to Hebrew roots and words. This prevents the reader of the Bible from seeing the ancient authors' original intent of the passages. This is the first Biblical Hebrew lexicon that defines each Hebrew word within its original Ancient Hebrew cultural meaning. One of the major differences between the Modern Western mind and the Ancient Hebrew's is that their mind related all words and their meanings to a concrete concept. For instance, the Hebrew word "chai" is normally translated as "life", a western abstract meaning, but the original Hebrew concrete meaning of this word is the "stomach". In the Ancient Hebrew mind, a full stomach is a sign of a full "life". The Hebrew language is a root system oriented language and the lexicon is divided into sections reflecting this root system. Each word of the Hebrew Bible is grouped within its roots and is defined according to its original ancient cultural meaning. Also included in each word entry are its alternative spellings, King James translations of the word and Strong's number. Indexes are included to assist with finding a word within the lexicon according to its spelling, definition, King James translation or Strong's number.
