Unwanted Intrusive Thoughts: A CBT-Based Guide ...When unwanted thoughts beset someone for an abnormally long period of time, this condition is known as OCD, or obsessive compulsive disorder. Why is it called this? Bad thoughts that someone cannot get out of his or her mind are called obsessions. But that's really a misnomer, because no one suffering from OCD wants to be thinking such thoughts. Here are the steps for changing your attitude and overcoming unwanted intrusive thoughts: Label these thoughts as "intrusive." Remind yourself that these thoughts are automatic, unimportant, and not up to you. Accept and allow the thoughts into your mind. Do not try to push them away. Float and ...
